

## 12 Emmys for NYC TV

New York City TV was awarded 12 New York Emmys at the 51st Annual New York Emmy ceremony last Sunday.

After the station's personal record of 48 nominations, NYC TV's dozen Emmys are the most it has received since replacing Crosswalks Television in 2003.

NYC TV's Emmy-nominated categories include best on-camera performer (Jennifer Emens), best interview/ discussion with actor Eli Wallach in "Cool Your Code — Back on The Block," and best special event coverage for "V-UP! Got 2 Give 2 Get – Episode 4."

The most Emmys—18—went to MSG Network, which was nominated for 50.

The awards ceremony will air on NYC TV, channel 25, on April 15 at 9 p.m., and then again on April 19 at 9 p.m. and April 20 at 8 p.m.
