Buyback: Military Service

RSSL § 1000 (NYS Retirement and Social Security Law)

M

1. A copy of the member's DD-214 **must** accompany this form.
2. A member may obtain up to three years of service credit for any pre-membership military service if the member was honorably discharged from the military.
3. The member must have at least five (5) years of uniform service, not including the military service being purchased, to be eligible to receive pension credit for pre-membership military service.
4. The member must render payment for the service credit as follows:
 - a. *If the member has a membership date with PPF on or prior to March 31, 2012:*
3% of the member's compensation earned during the 12 months of credited service immediately preceding the application date multiplied by years of military service claimed
 - b. *If the member has a membership date with PPF on or after April 1, 2012:*
6% of the member's compensation earned during the 12 months of credited service immediately preceding the application date multiplied by years of military service claimed
5. The member must apply for service credit before the effective date of retirement. In the event the member retires prior to completing payment for the service credit purchase, the amount of service credited to the member shall be proportional to the total amount paid.
6. If upon death, retirement, or separation, the service purchase does not produce a greater benefit, the cost of the service purchase must be refunded to the member with interest.
