2) Tier 2 RMS information:

- a. Tier 2 members serving in the military when offered NYPD employment receive a Retroactive Military Seniority Date (**RMS Date**) by letter from NYC DCAS. The member must provide a copy of the DCAS letter to the NYC Police Pension Fund. A member's **RMS Period** starts on the **RMS Date** and ends on the member's NYPD hire date.
- b. A Tier 2 member can receive pensionable credit for his/her RMS Period. To receive full credit, the member must pay 100% of the contributions owed for the RMS Period within the shorter of: (1) three times the RMS Period or (2) five years. Partial payment of RMS contributions will result in pro rata service credit. [See 3(b) below for Tier 2 RMS payment methods.]
- c. Tier 2 members may apply **ITHP** and/or **50% Additional** to their RMS contributions. However, members may only pay their ITHP/50% Additional contributions using (a) payroll deductions and/or (b) bank check or money order. A member may NOT charge the required amount to pay ITHP or 50% Additional RMS contributions.
- d. Tier 2 members who pay RMS contributions by payroll deductions or lump sum (i.e., bank check or money order) will receive interest on those contributions **only after paying all contributions owed**. Also, any RMS contributions made by charging the member's required amount will not receive the interest that either alternative payment method would have earned. [See 3(b) for reference]

3) Tier 2 member RMS agreement:

- a. Do you intend to make RMS contributions? Check one: Yes No
- b. If you checked the "Yes" box in "a", how will you be making RMS contributions? Check one: (1) Payroll deductions (2) Bank check/money order (lump sum) (3) Charge my required amount (may create a shortage)
- c. Do you want to apply ITHP and/or 50% Additional to your RMS contributions? Check one: Apply ITHP only Apply 50% Additional only Apply ITHP and 50% Additional Do not apply

Partial payment: If RMS pension contributions are not fully paid when your **RMS period** ends, you can charge the unpaid contributions balance against your required amount. This may create a shortage, but will provide full RMS credit. Please initial at right to authorize this transaction *:
