### 2) Tier 3 RMS information:

- Tier 3 members who were serving in the military when offered employment with the NYPD may receive a Retroactive Military Seniority Date (RMSD) from the New York City Department of Citywide Administrative Services (DCAS).
- A member's Retroactive Military Seniority (RMS) period begins on the RMSD, which is the date awarded by DCAS. The final day of the RMS period is the member's NYPD hire date.
- Tier 3 members with RMS will receive service credit for the full RMS period only if RMS contributions for that period are made in full. Partial RMS contributions payment will result in pro rata credit. RMS payments are not mandatory. Payments may be made by: (a) payroll deductions or (b) a lump sum payment.
- Tier 3 members must complete RMS contributions within **the shorter of:** (1) three times the RMS period OR (2) five years.
- Members will only receive interest on RMS contributions upon payment in full of those contributions.

### 3) RMS agreement:

- A. Do you intend to make RMS contributions? **[Check one]**     Yes     No
- B. If you checked "yes" above, how will you make RMS pension contributions? **[Check one]**
- Payroll deductions. [If partial payment is made, partial pension credit will be awarded.]
- Bank check/money order (lump sum).
