Happy New Year! The Community Council and the Officers of the 109th Precinct wish you and your families a very happy, healthy, safe and prosperous New Year. We would like to invite each member of the community to our upcoming January meeting which will be held on January 12, 7:30PM at the 109th Precinct. The agenda for this month's meeting will include: A Community News Update, Crime Stats Report, Recognition and Presentation of Awards to

the "Police Officer of the Month". Our special guest speaker this month will be the NYC Council Member Peter F. Vallone Jr who serves as Chair of the Public Safety Committee. As Chair, he has led the fight to stop cuts to the NYPD and put more officers in our local precincts. He has introduced legislation to keep illegal guns off the streets and out of the hands of domestic violence offenders; to abolish the statute of limitations on child abuse offenders and rapists; and to

make our anti-graffiti laws the toughest in the country. Council Member Vallone is leading the fight to get New York City the money it deserves from the state and federal governments so that New Yorkers will continue to be protected from criminals and terrorists. We look forward to seeing you at the meeting and working together this New Year on many different projects and events. Please share this notice with your friends, neighbors and civic members.
