AUTO THEFT PREVENTION TIP: Don't Leave the Keys in the Ignition

Recently vehicles which are left unattended with keys in the ignition are being targeted by car thieves. This is a dangerous practice which allows for an easy theft or a joy ride by an inexperienced driver.

Common places where this occurs is around the neighborhood store, such as a deli, coffee shop or newspaper stand so remain alert and don't create an opportunity - don't become a victim!

When leaving your vehicle always:

- Close Your Windows
- Turn off the Ignition and REMOVE THE KEYS....
- Lock Your Doors!

You may feel that you will only be a "minute" to grab that cup of coffee only to end up behind the guy ordering for the whole office... So lock up your car and take your keys with you!
