

Forest Park Rapist Alert

Beginning on March 25, 2011 there has been a perpetrator targeting women jogging or walking in Forest Park. He is described as a Male White in his 30's or 40's and he has raped two (2) women and attempted to rape four (4) other women. During the first four (4) attacks the victims were able to fight off the attacker, but in the last two (2) attacks the rapist used a stun gun to incapacitate his victims before raping them. The most recent incident took place on August 26, 2013 near a mini-path in the vicinity of the park entrance to the Bridal path at 72nd Drive & Union Turnpike. These attacks take place during daylight hours and in all the cases the women were alone.

Crime Prevention Section

There is currently a \$22,000 reward for any information that helps lead to the capture of this dangerous predator.

Crime Prevention Tips:

- Be aware of your surroundings at all time.
- Never walk or jog alone in either the daylight or nighttime hours.
- Tell someone where you are going and when you intend to come back.
- Do not wear headphones or pay attention to any social media devices while you walk or jog, especially if you are alone.
- Always carry yourself with an air of self-confidence.
- If confronted by a suspicious individual go to a public area where there are other people.
- Go to a store, police station, firehouse, parks department building, etc. tell the employees or customers what is happening and ask for assistance.
- Make sure you have a working cellular phone with a fully charged battery... In case you need to call the police.
- Be prepared to fight, if approached by a suspicious person, or someone is trying to remove you to another secluded area... Resist, fight, scream, punch, kick, scratch, bite, ...
- Do whatever it takes to fight off your attacker. Remember the first four attacks the rapist failed because his victims fought back.

Anyone with information about these attacks is asked to call 1 (800) 577 – TIPS or 1 (800) 577 – 8477. All information will be kept strictly confidential.
