

NEW YORK CITY
MUNICIPAL WATER FINANCE AUTHORITY

Senior Analyst

The New York City Municipal Water Finance Authority (NYW), the world's largest public sector water and wastewater financing authority, is seeking a Senior Analyst. NYW issues over \$2 billion of long-term tax-exempt debt annually. In addition, NYW has an \$800 million tax-exempt commercial paper program and a large investment portfolio.

JOB QUALIFICATIONS

- Master's degree with a minimum of one year of full-time related experience or Bachelor's degree with a minimum of three years of full-time related experience. Degree in economics, finance, mathematics, engineering, public administration or public policy or related area of study with a strong interest in the public sector and public finance
- All candidates must possess strong quantitative and analytical skills
- Comfort with complex financial and legal concepts; experience in the municipal bond market preferred
- Strong MS Excel skills required. Familiarity with the Bloomberg Terminal a plus
- Demonstrated attention to detail, ability to meet deadlines, and strong organizational and communication skills
- Salary commensurate with experience. Minimum salary of \$58,993. Generous benefits package including paid overtime and/or accrued compensatory time

JOB RESPONSIBILITIES

- Assist with the execution of bond and commercial paper transactions and investments
- Assist with maintaining and updating NYW's debt and investment databases
- Assist with financial projections and other financial analyses
- Assist with the computation, review, and processing of bond and swap payments and invoices for services
- Assist with annual budget and audited financial statements
