

ENVIRONMENTAL CONTROL BOARD

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (“ECB”) by Sections 1043 and 1049-a of the New York City Charter and Section 1642-a of the Vehicle and Traffic Law, the Environmental Control Board (ECB) has amended its Department of Transportation Penalty Schedule in Section 3-124 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY), establishing penalties for offenses adjudicated by the ECB. The rule was published in The City Record on September 13, 2013 and a Public Hearing was held on October 16, 2013.

Statement of Basis and Purpose of Final Rule

The intercity bus industry has grown significantly over the last fifteen years. While intercity buses provide a useful service, their on-street operations can cause serious disruption to the local traffic network and risks to public safety. In certain communities within the City, the proliferation of these buses has led to an increase in traffic and sidewalk congestion; a higher concentration of on-street bus parking, double parking or blocking of travel lanes; and the creation of traffic and safety concerns for drivers, travelers, pedestrians and residents.

In an effort to help address these concerns, New York State adopted Vehicle and Traffic Law (VTL) Section 1642-a, which authorized the City to establish an intercity bus permit system inclusive of a schedule of fines or civil penalties for violations of rules related to the system.

Section 1642-a provides that notices of violation issued pursuant to the Department of Transportation (DOT) intercity bus permit system rules are returnable to the Environmental Control Board (ECB). In addition, the Parking Violations Bureau (PVB), a part of the Department of Finance (DOF), is authorized to adjudicate violations of the DOT intercity bus permit system rules pursuant to Section 1642-a and Article 2-B of the VTL.

On April 10, 2013, the Mayor issued a letter designating the DOT to promulgate rules to implement and enforce the intercity bus permit system, and DOT has subsequently promulgated such rules (the “DOT intercity bus permit system rules”), found at 34 RCNY §§ 4-01 and 4-10. The Mayor also designated the DOF and the ECB to promulgate rules setting forth fines or civil penalties for violations of the DOT intercity bus permit system rules.

In coordination with the DOT and the New York City Police Department (NYPD), both ECB and DOF established penalty schedules for violations of the DOT intercity bus permit system rules as part of a coordinated enforcement scheme. In a separate rulemaking, DOF added civil penalties for the DOT intercity bus permit system rules returnable to the PVB.

In this rulemaking, ECB is amending its DOT penalty schedule to add new penalties for violations of the DOT intercity bus permit system rules adjudicated at ECB. In accordance with VTL Section 1642-a, the amendments provide that a first offense will result in a civil penalty of \$500. Each subsequent offense of the same violation occurring within two years after the first offense will result in a civil penalty of \$2500. Prior offenses include violations of both the ECB and DOF enforcement codes.

The ECB held a Public Hearing on October 16, 2013 on the proposed amendments to its DOT Penalty Schedule relating to the DOT intercity bus permit system rules. In response to comments received regarding conformity with the DOF enforcement codes, the ECB is changing the default penalty for a first offense from \$1000, as stated in the proposed rule, to \$500 in this final rule.

Violations of the DOT Intercity Bus Permit System Rules

The amendments to the DOT penalty schedule for offenses adjudicated at ECB involve the following violations of the DOT intercity bus permit system rules:

- Unauthorized passenger pickup or discharge in violation of 34 RCNY § 4-10(c)(1)
The intent of implementing an intercity bus permit system is to ensure that intercity bus operators utilizing the City's curb space inform the DOT of their intended operations, and, once approved for such operations, adhere to permit requirements. In applying for a permit, bus operators will provide DOT with important information related to overall bus operations within the City necessary for administration of the program.
- Failure of an intercity bus permit holder to prominently display a copy of an intercity bus permit in violation of 34 RCNY § 4-10(d)(7)(ii)
The prominent display of a copy of the intercity bus permit is necessary to assure that enforcement officers are easily able to identify buses with valid authorization to utilize the City's curb space.
- Failure of an intercity bus permit holder to properly display the operator's name, address and telephone number in violation of 34 RCNY § 4-10(d)(7)(iii)
The operator's name, address, and telephone number must be affixed in characters at least five inches high on both sides of the vehicle, with such display being in a color contrasting with that of the vehicle and placed approximately midway vertically on doors or side panels. The operator's name, address, and telephone number are necessary to ensure that enforcement officers are easily able to identify buses with valid authorization to utilize the City's curb space.
- Unlawful stopping or standing in an assigned on-street bus stop location except when actively engaged in the pick-up or discharge of passengers by an intercity bus permit holder in violation of 34 RCNY § 4-10(d)(7)(v)
Intercity bus permits are for the temporary utilization of curb space by approved bus operators in order to expeditiously pick up or discharge passengers. This code is

necessary to ensure that permittees do not park or stand their vehicles in curb space and thereby create layover spaces in bus stops not intended for longer-term stops.

- Altering an intercity bus permit in violation of 34 RCNY § 4-10(d)(7)(vi)
Prohibiting the alteration of an intercity bus permit is necessary to ensure that enforcement officers have the ability to easily determine whether permittees are adhering to permit requirements.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.
