- New York City Fire Department, 9 Metro Tech Center, Brooklyn, NY 11201 (List of Registered Underground Storage Tanks).
- Chain-of-Ownership (title search) – although ASTM recommends searches of title records, many of which can be accessed from the ACRIS database, since multi-user buildings and other rental situations are common in New York City, City Directories (*e.g.*, historic telephone records) and other sources that may indicate use rather than ownership should be consulted, where possible. Interviews with building maintenance staff may be helpful.
