Special provisions for bulk modifications

(a) For a #large-scale general development#, the City Planning Commission may permit:

* * *

(11) wholly within a C1-9 District entirely within the boundaries of Community District 8 in Manhattan, for a predominantly #community facility development#, a #floor area# bonus not to exceed 20 percent of the maximum #floor area ratio# permitted by the underlying district regulations where, in connection with such #development#, an improvement to a #public park# located within the same Community District or within a one mile radius of the proposed #development# is provided in accordance with the provisions of this Section.

(i) An application for such bonus #floor area# shall be accompanied by:

(a) a site plan for a #public park# improvement, transmitted by the Commissioner of Parks and Recreation, sufficient in detail and scope with respect to the work necessary to complete such #public park# improvement, to enable the City Planning Commission to determine the appropriate amount of bonus #floor area# to be granted to the #development#; and

(b) a letter from the Commissioner of Parks and Recreation stating that such #public park# improvement provides an appropriate amenity

for the surrounding area and that, absent funding to be provided by the applicant such #public park# improvement is unlikely to be made in the foreseeable future.

(ii) Prior to a determination as to whether to grant the special permit, the City Planning Commission shall have received from the Commissioner of Parks and Recreation:

(a) any revisions to the site plan for the #public park# improvement or a statement that the site plan provided in the application is unchanged; and

(b) a letter that shall include:

(i) cost estimates for the #public park# improvement; and

(ii) a statement that the funding to be provided by the applicant, in combination with any other available funding, is adequate for completion of the necessary infrastructure, landscape and other work necessary to complete the #public park# improvement.

(b) In order to grant a special permit pursuant to this Section for any #large scale general development#, the Commission shall find that:

* * *

~~(9) a declaration with regard to ownership requirements in paragraph (b) of the #large scale general development# definition in Section 12-10 (DEFINITIONS) has been filed with the Commission.~~

(9) where the Commission permits a #floor area# bonus for a #public park# improvement in accordance with the provisions of paragraph (a)(11) of this Section:

(i) the amount of such bonus #floor area# is appropriate in relation to the size and quality of the proposed #public park# improvement; and

(ii) such bonus #floor area# will not unduly increase the #bulk# of #buildings# on the #zoning lot# or unduly obstruct access of light and air to the detriment of the occupants or users of #buildings# in the #block# or nearby #blocks# or of people using the public #streets#;

Grant of a floor area bonus for a #public park# improvement in accordance with the provisions of paragraph (a)(11) of this Section shall be conditioned upon adequate assurances for provision of the funding identified by the Commissioner of Parks and Recreation in a letter pursuant to paragraph (a)(11)(ii) of this Section as necessary for completion of the necessary infrastructure, landscape and other work for the #public park# improvement. The Commissioner of Buildings shall not issue a building permit for the #large scale development# unless the Commissioner of Parks and Recreation shall have certified that the funding has been made or secured in a manner acceptable to such Commissioner.

- (10) a declaration with regard to ownership requirements in paragraph (b) of the #large-scale general development# definition in Section 12-10 (DEFINITIONS) has been filed with the Commission.
