

# Haiti earthquake 30-day deployment

## *Personal check list – Yes or no?*

# Different culture & belief system

## *How does one react & support?*

# Basic needs, high stress, & anger

## *What about team safety & security?*

# On the streets of Port Au Prince

## *What are the expected reactions?*

# Dealing with grief & sense of loss

*Can I really help the situation?*

# Chaos during food & NFI distribution

## *What if the stress is too much?*

# Visual images – children in pain

*How does one prepare to cope?*

# Surrounded by devastation

## *How do I stay spiritually centered?*

# The reason we are there

## How do you keep the team focused?

Over a prolonged period of time  
*What is compassion fatigue?*

**And if I don't speak the language?  
*What is emotional & spiritual care?***

# In a chaotic & stressful situation *What's the profile of a volunteer leader?*
