K. CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT (COBRA)

The Federal Consolidated Omnibus Budget Reconciliation Act of 1985 (called COBRA) requires the City of New York to offer employees, retirees, their covered dependents, and any child(ren) born or adopted during the COBRA continuation period, the opportunity to continue benefit fund coverage in certain instances when the coverage would otherwise terminate. As per New York State Law, the coverage continuation period is 36 months*. The monthly premium is 102% of the group rate (or 150% of the group rate for the 19th through 29th months in case of total disability). You will be billed directly by Healthplex, the MBF COBRA administrator, for premiums on a monthly basis.

COBRA CONTINUATION FOR DEPENDENT CHILD(REN)

- Dependent child(ren) of members have the right to COBRA continuation coverage if benefit coverage is lost due to any of the following reasons:
 - Death of the Fund member parent. (Coverage is available at no premium cost through the MBF Survivor Benefit)

- The coverage period is 36 months* from the date of coverage termination.

* If the qualifying event that gave rise to COBRA coverage occurred prior to July 1, 2009, the member/spouse/dependent is eligible for a total of 36 months of coverage from the date of the qualifying event. Coverage will be extended automatically and HealthPlex, the MBF COBRA administrator will continue to bill the COBRA participant until the end of the 36-month period. However, please note that COBRA participants whose maximum continuation period ended prior to July 1, 2009 may not reinstate their COBRA coverage.
