Blank spaces indicate that data were not available for that particular market in that year. N/A means that data are currently not available. "f" – indicates a forecast value., "r" – revised. "p" – preliminary. Sources: Office of Travel & Tourism Industries, Tourism Economics, NYC & Company. All forecasts subject to revision when final results are released by OTTI.

¹ Due to sample size limitations for sizing the market we analyze a number of regional markets together (Benelux, Scandinavia, Middle East, China/Hong Kong, East Europe). As growth allows, we will look at each country individually.
