HIV HEALTH AND HUMAN SERVICES PLANNING COUNCIL

By the power vested in me as Mayor of the City of New York, it is hereby ordered:

Section 1. HIV Health and Human Services Planning Council Continued. There is hereby continued an HIV Health and Human Services Planning Council of the City of New York (the "Planning Council").

§ 2. Purpose. The United States Congress enacted the Ryan White Comprehensive AIDS Resources Emergency (C.A.R.E.) Act of 1990, 42 U.S.C. §§ 300ff et seq., as amended (the "Ryan White Act") to provide emergency assistance to localities disproportionately affected by the HIV epidemic. Eligibility for grants under the program requires the establishment of the Planning Council, which will have as its primary duty the establishment of priorities for the allocation of funds the program will make available for the development, organization, coordination and operation of more effective and cost efficient systems for the delivery of essential services to individuals and families with HIV disease.

§ 3. Membership.

(a) The Planning Council shall be appointed by the Mayor and shall consist of not less than 35 and not more than 50 members, exclusive of those nonvoting, ex officio members appointed pursuant to subsection (g) of this section. The members of the Planning Council and any alternates that are designated to serve as voting participants of the Planning Council pursuant to subsection (h) shall serve at the pleasure of the Mayor. The Citywide Coordinator for AIDS Policy shall serve as the City Co-Chair of the Planning Council unless the Mayor designates another employee of the City of New York who is a member of the Planning Council to serve in this capacity. From among the members of the Planning Council, a member who is not an employee of the City of New
York or of any other governmental entity shall be selected to serve for a two-year term as the Community Co-Chair of the Planning Council. The method of selection for the Community Co-Chair shall be election by a majority of the members of the Planning Council at a meeting for which proper notice of such election has been given. No person shall serve for more than two consecutive two-year terms as the Community Co-Chair.

(b) Each member of the Planning Council other than those persons enumerated in subsections (e), (f), and (g) of this section shall be appointed for a two-year term. No such member shall serve for more than two consecutive two-year terms.

(c) The membership of the Planning Council shall include representatives of health care providers, community-based and AIDS service organizations, social service providers, housing and homeless services providers, mental health and substance abuse providers, local public health agencies, hospital planning agencies or health care planning agencies, affected communities (including individuals with HIV disease and historically underserved groups and subpopulations), non-elected community leaders, State government (including the State Medicaid agency and the agency administering the program under part B of the Ryan White Act), grantees of categorical grants for early intervention services under subpart II of part C of the Ryan White Act, grantees under section 2671 of the Ryan White Act, or, if none are operating in the New York Eligible Metropolitan Area, representatives of organizations with a history of serving children, youth, women, and families living with HIV and operating in the New York Eligible Metropolitan Area, grantees under other federal HIV programs, including but not limited to providers of HIV prevention services, and representatives of individuals who formerly were federal, State, or local prisoners, were released from the custody of the penal system during the preceding 3 years, and had HIV disease as of the date on which the individuals were so released. At least one member of the Planning Council shall represent separately each of these specified categories.

(d) At least thirty-three (33) percent of the positions on the Planning Council shall be allocated to individuals who are receiving HIV-related services pursuant to a grant under section 2601(a) of the Ryan White Act (including a parent of, or a caregiver for, a minor child who is receiving such services) but are not officers, employees, or consultants to any entity that receives amounts from such a grant, and do not represent
any such entity, and reflect the demographics of the population of individuals with HIV disease as determined under paragraph one of subsection (a) of section four of this Executive Order. The Planning Council must reflect the demographics of the population of individuals with HIV disease in the New York Eligible Metropolitan Area.

(e) The Mayor also shall appoint one member that is mutually acceptable to the Mayor and the County Executives of Westchester, Rockland and Putnam Counties to represent these political subdivisions or Health Resources and Services Administration grant recipients therein on the Planning Council.

(f) The Planning Council shall also include as members the following individuals or their designees: the Citywide Coordinator for AIDS Policy of the City of New York; the Commissioner of Health and Mental Hygiene of the City of New York; the Executive Deputy Commissioner for Mental Hygiene of the Department of Health and Mental Hygiene of the City of New York; the Administrator of the New York City Human Resources Administration; the Commissioner of Homeless Services of the City of New York; the Commissioner of Corrections of the City of New York; the President of the Health and Hospitals Corporation; the Director of the Division of HIV Health Care of the AIDS Institute of the New York State Department of Health; and the Deputy Director of the Division of HIV Health Care of the AIDS Institute of the New York State Department of Health. Designees must be at the level of at least an Assistant Commissioner or the equivalent title at a given agency or entity.

(g) The following shall serve as non-voting, ex officio members of the Planning Council: Director of the Office of Management and Budget of the City of New York; Chairperson of the City Human Rights Commission; Commissioner of Aging of the City of New York; Director of the Mayor's Office of Operations; and Director of the Mayor's Office for People with Disabilities.

(h) All members of the Planning Council may designate an alternate to serve in the member's absence. Such alternates must be approved by the City Co-Chair of the Planning Council.

(i) There must be at least one member of the Planning Council from each of New York City's boroughs.
(j) In the event of a vacancy, the Planning Council may within ninety (90) days after the vacancy occurs recommend to the Mayor the names of three individuals who would satisfy the relevant qualifying criteria to fill that vacancy.

§ 4.  **Prior Appointments to Planning Council Continued.** Persons who are members of the Planning Council on the effective date of this Order shall continue as members of such Planning Council: (a) unless such continued membership is not authorized by this Order; and (b) for members who are subject to a two-year term, until the expiration of such member's current two-year term or the earlier termination of such membership by resignation, removal, or other event causing a vacancy.

§ 5.  **Functions.** The Planning Council shall:

(a) perform the duties of a Planning Council as set forth in the Ryan White Act, including the following:

1. determine the size and demographics of the population of individuals with HIV disease;

2. determine the needs of such population, with particular attention to (i) individuals with HIV disease who know their HIV status and are not receiving HIV-related services, and (ii) disparities in access and services among affected subpopulations and historically underserved communities;

3. establish priorities for the allocation of funds within the New York Eligible Metropolitan Area, including how best to meet each such priority and additional factors that a grantee should consider in allocating funds under a grant based on the (i) size and demographics of the population of individuals with HIV disease (as determined under paragraph one of this subsection) and the needs of such population (as determined under paragraph two of this subsection), (ii) demonstrated (or probable) cost effectiveness and outcome effectiveness of proposed strategies and interventions, to the extent that data are reasonably available, (iii) priorities of the communities with HIV disease for whom the services are intended, (iv) coordination in the provision of services to such individuals with programs for HIV prevention and for the prevention and treatment of substance abuse, including program that provide comprehensive treatment for such abuse, (v) availability of other governmental and non-governmental resources, including the State Medicaid plan under title XIX of the Social Security Act and the State Children's Health Insurance Program under title XXI of such Act to cover health care costs of
eligible individuals and families with HIV disease, and (vi) capacity development needs resulting from disparities in the availability of HIV-related services in historically underserved communities;

(4) develop a comprehensive plan for the organization and delivery of health and support services described in section 2604 of the Ryan White Act that (i) includes a strategy for identifying individuals who know their HIV status and are not receiving such services and for informing the individuals of and enabling the individuals to utilize the services, giving particular attention to eliminating disparities in access and services among affected subpopulations and historically underserved communities, and including discrete goals, a timetable, and an appropriate allocation of funds, (ii) includes a strategy to coordinate the provision of such services with programs for HIV prevention (including outreach and early intervention) and for the prevention and treatment of substance abuse (including programs that provide comprehensive treatment services for such abuse), and (iii) is compatible with any State or local plan for the provision of services to individuals with HIV disease;

(5) assess the efficiency of the administrative mechanism in rapidly allocating funds to the areas of greatest need within the New York Eligible Metropolitan Area, and at the discretion of the Planning Council, assess the effectiveness, either directly or through contractual arrangements, of the services offered in meeting the identified needs;

(6) participate in the development of the statewide coordinated statement of need initiated by the State public health agency responsible for administering grants under part B of the Ryan White Act;

(7) establish methods for obtaining input on community needs and priorities which may include public meetings (in accordance with section 2602(b)(7) of the Ryan White Act), conducting focus groups, and convening ad-hoc panels; and

(8) coordinate with federal grantees that provide HIV-related services within the New York Eligible Metropolitan Area.

(b) perform such other functions and assume such other additional responsibilities as the Mayor may from time to time propose.

§ 6. **Quorum and Voting Requirements.**
(a) A quorum of the Planning Council shall be fifty percent plus one person of the Council's membership. Once a quorum is present at any meeting, the Planning Council may proceed to transact all business.

(b) Any act, determination or decision of the Planning Council must receive a majority of the votes of those present and voting at a meeting thereon in order to be held to be the act, determination or decision of the Planning Council.

(c) An abstention from voting must be counted as a vote in opposition for purposes of determining whether a majority of those present and voting have approved an act, determination or decision of the Planning Council.

§ 7. Reporting Requirements. The Planning Council shall report all of its decisions and recommendations to the Mayor through the Deputy Mayor for Policy. In addition, the Planning Council shall submit an annual report to the Mayor on the delivery of services under Title I of the Ryan White Act. Such report shall also contain the Planning Council's recommendations regarding the delivery of such services under Title I of the Ryan White Act as well as the delivery of other HIV/AIDS services needed to effect a comprehensive continuum of care for persons impacted by the HIV/AIDS epidemic.

§ 8. Staff. The Planning Council may recommend and shall be provided with such paid staff members as are approved by the Mayor.

§ 9. Rules and Regulations. The Planning Council may adopt such by-laws and rules of procedure for the conduct of its meetings or other activities as it deems necessary to perform its functions as enumerated in this Order.

§ 11. Effective Date. This Order shall take effect immediately.
