

## AGENCY PROCUREMENT ACTIONS BY METHOD FISCAL 2014

Section 12c(5) of the Charter requires that the Mayor's Management Report include for each agency a summary of the number and dollar value of the contracts entered into during the previous fiscal year (e.g., Fiscal 2014), categorized by the method of procurement used. This information is maintained by the Mayor's Office of Contract Services (MOCS) and presented in the tables below.

To find additional information on agency procurement in MOCS' "Annual Procurement Indicators Report" upon its release in September 2014, and other information on City contracting and procurement, please visit: <http://www.nyc.gov/html/mocs/html/research/research.shtml>.
