

## New York City Stimulus Tracker Pending Funding Requests: Grant Application Tracker

**Lead Federal Agency:** Department of Health & Human Services  
**Application Submitted by:** Mayor's Office

**ARRA Funding Source:** Department of Health & Human Services; Administration for Children and Families

**Funding Source Description:**  
Strengthening Communities Fund - State, Local and Tribal Government Capacity Building Program.

**Grant Description:** To develop a standardized fiscal and outcome measurement tool to improve the management, operations, and communications for City government agencies, thousands of health and human services non-profits serving New Yorkers, and public and private funders including corporate philanthropies and private foundations.

**Grant Amount:** \$250,000

**Anticipated benefits:** This common tool will strengthen the capacity of the City's human services sector to provide better and more cost-effective services to city residents, particularly those with low incomes who are most affected by the economic downturn, as well as create opportunities for strong collaborations among government, community based organizations and various public and private funders.
