

Customers may request aggregated consumption data from National Grid in 2 ways:

1. **Email:** LocalLaw84SpecialServices@us.ngrid.com
 - In subject line put **Local Law 84**
 - In the email, please be sure to include :
 - Your Name
 - The Service Address and *10 digit* National Grid Account Number (including the lead zero) of each account being requested
 - A signed copy of Letter of Authorization authorizing data release from the property owner on the organization's letterhead - see sample template at www.nyc.gov/ggbp
 - Contact Telephone Number
 - Email Address or Fax Number (*if you would like information faxed*)

2. **Call** National Grid's Customer Assistance and Automated Account Services at :
(718) 643-4050
 - Please let the Representative know you are calling regarding **Local Law 84**
 - Have your *10 digit* National Grid Account Number
 - Have the building service address
