

MTA New York City Transit is performing capital improvement work at **A** stations on the Liberty Avenue Line in Ozone Park.

This necessary station renewal work is planned for the **80 St**, **88 St**, **Rockaway Blvd**, **104 St**, and **111 St** Stations on the **A** line. In addition to station painting, the work to be performed includes repair or replacement of:

- Platform stairs *to/from* station mezzanines.
- Mezzanine floors, doors, and windows.
- Interior and exterior walls.
- Station canopies.

In order to carry out this work as safely and as quickly as possible, we will temporarily close the *Far Rockaway/Lefferts Blvd*-bound platforms of the **80 St** and **111 St** Stations. The service changes and travel alternatives, detailed in this brochure, will be in effect from **September 8, 2015** until **Winter 2015-16**.
