Every year Community Board 11 submits Capital and Expense budget priorities to the Mayor and City Council for consideration in the budget. We are now preparing for Fiscal Year 2010.

We would like community residents to tell us what improvements are needed in their neighborhoods.

Capital Budget projects are defined as land acquisitions, major construction projects and equipment which cost more than \$35,000. and are expected to last more than five years such as park renovations or major sewer and roadway projects. Expense Budget Program items are personnel, on-going operations, including the purchase of short lived equipment, materials and supplies, everything from parks and police personnel to senior and youth program needs.

We are attaching a form that residents and community groups can fill out and duplicate in order to make recommendations to Community Board 11.

Please return the forms to the Board office at:  
46-21 Little Neck Parkway  
Little Neck, NY 11362  
Have a question? Call us at 718 –225-1054.

At the September 8, 2008 Public Hearing, community members will have the opportunity to speak in support of their requests.
