NYC IMAGINE LIBRARY

NYC Dept. of Education and Dolly Parton's Imagination Library are partnering to implement an Imagination Library for all NYC preschool children (ages 0-5). By filling out a simple enrollment form, parents of preschool children in the city will receive, by mail, a new book for their child, each month. If you don't have a pre-school child, you can donate funds to support this gift to NYC children. Call the CB 11 office for a form or visit www.nycimaginationlibrary.org to register and/or donate.

SPECIAL PROTECTION PROGRAM FROM VERIZON

The Public Service Commission has announced that Verizon, the state's largest provider of traditional land line telephone service, will focus its repair and maintenance efforts on "core" customers which include seniors aged 62 or older, the blind or disabled and those with medical emergencies; many who rely solely on the land line for telephone service. Eligible customers must complete and submit a form to Verizon to ensure that the account notes your status as a priority customer. Call the number on your bill or the CB office to receive a registration form.
