

Important Notice

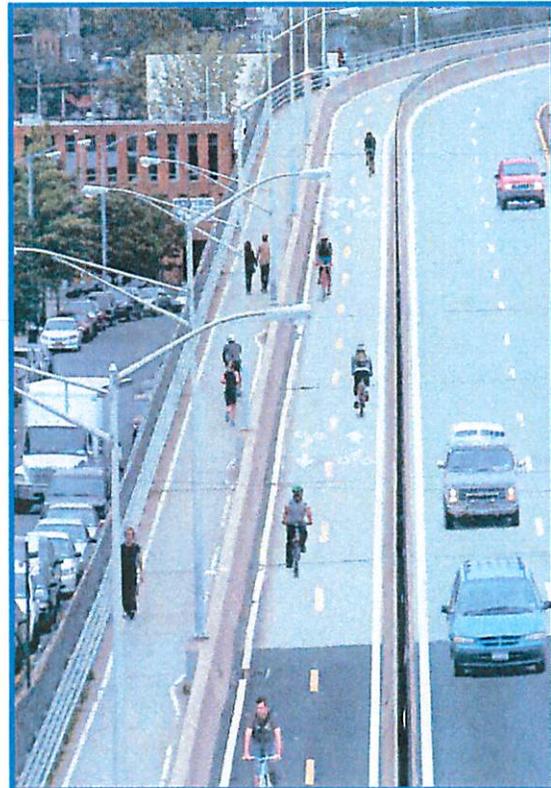

PULASKI BRIDGE PEDESTRIAN AND BICYCLE IMPROVEMENTS

Brooklyn/Queens

CB-BK1 / CB-Q2

September 2015

The New York City Department of Transportation is pleased to announce that the project to install the new dedicated bicycle lanes on the Pulaski Bridge will begin on Monday September 14, 2015. Work will continue throughout 2015 with an anticipated completion date in 2016.

Questions regarding this project may be directed to Community Liaison Hugh Smith, at **917-434-1385** or via e-mail at pulaskibridgeproject@gmail.com. For all NYC non-emergency services, including inquiries regarding NYCDOT construction projects, dial 311. Be prepared to give your name, borough, the project number (HBCR01B), and a return phone number.

For more information visit the project  Facebook page by clicking [here](#).
