### MTA New York City Transit

#### 2015 Flushing 7 Line Schedule of Work

The MTA New York City Transit (NYCT) has been making capital improvements on the Flushing 7 line over the past several years to improve the entire line's long-term capacity and reliability. This work has involved three major, multi-year projects: the implementation of **Communications-Based Train Control**, the **replacement of elevated track panels**, and the **reconstruction and fortification of the Steinway Tubes**. Work will be continuing on these projects into 2015, which means that NYCT will require new service suspensions and disruptions on the 7 line while this work is performed. For a more detailed account of NYCT's progress on these projects and more, visit [www.MTA.info](http://www.MTA.info) and follow the link to the webpage entitled "7 Line Weekend Accomplishments."
