Ed Koch Queensboro Bridge

Manhattan/Queens Community Boards No. 8M, No. 1Q & No. 2Q February 2016

The NYC Department of Transportation Division of Bridges has rescheduled preventive maintenance on the Queensboro Bridge because of inclement weather. On Tuesday, February 16, from 10:00 p.m. until 5:00 a.m. the next morning, one lane at a time will be closed on the lower roadways. The bicycle and pedestrian path will be narrowed and cyclists may have to dismount briefly to pass the work area. The work is weather-dependent and may be rescheduled if necessary.
