What's Happening Here?

Simplify Traffic Movements

Shorten Pedestrian Crossings

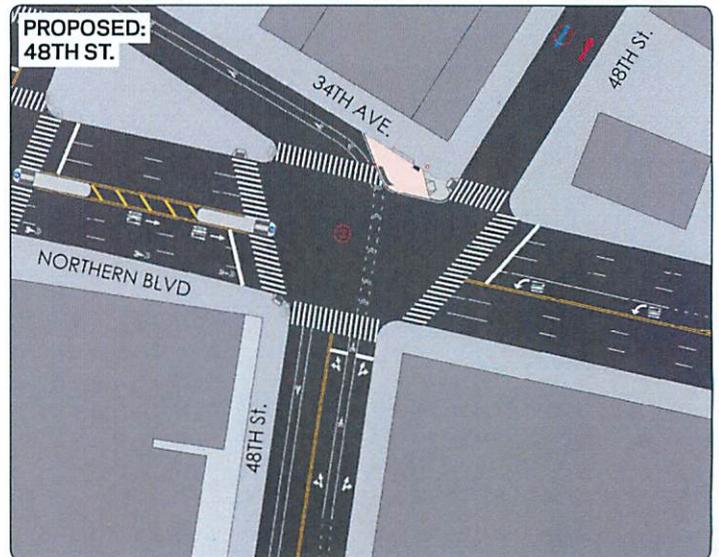

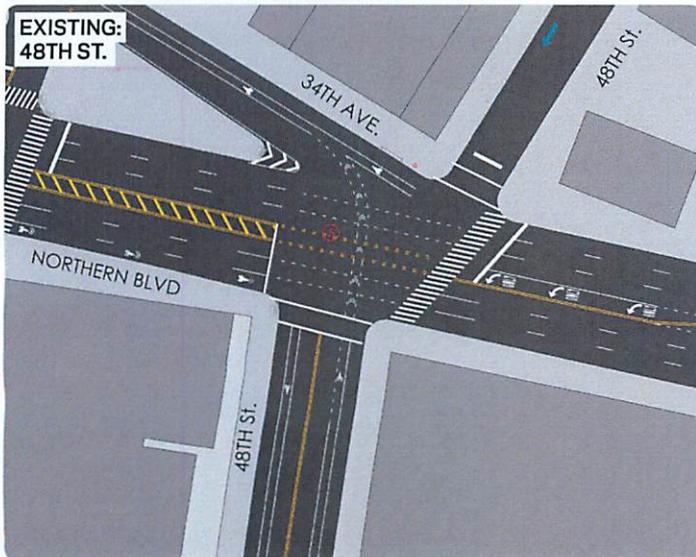

Reduce Conflicts

Add Crosswalks

NYC DOT will conduct work along Northern Blvd. near the intersections of 48th St., 49th St. and 34th Ave.:

- Reverse 48th St. and 49th St. between Northern Blvd. and Broadway
- Reverse Newtown Rd. between 48th St. and Broadway
- Convert 49th St. between Newtown Rd. and Broadway to two-way
- Construct two pedestrian safety islands at 48th St. and 49th St.
- Construct concrete and painted curb extension at 48th St. and Northern Blvd.
- Add new crosswalks at 48th St. and 49th St.

Implementation starts Mid-July
