Borough: Queens

April 16, 2015

SAFE ROUTES TO SCHOOL PROJECT BEGINS

RESTRICTION TO CURBSIDE PARKING & DRIVEWAY ACCESS

On/About Monday, April 27, 2015
Mondays through Fridays —3:00pm to 11:00pm

At the following intersections:

39th Street & 48th Avenue

39th Place & 48th Avenue

38th Street & 48th Avenue

39th Place & Green Point Avenue

Triangular intersection of:

50th Avenue & 39th Street & Green Point Avenue

Beginning on/about Monday, April 27th, 2015, and continuing for approximately 8 (eight) weeks, the New York City Department of Design and Construction (NYCDDC) will begin catch basin and neck down installation for the Safe Routes to Schools Project (HWCSCH3E-R) in Queens, Community Board 2. To facilitate this phase of construction, **access to driveways and curbside parking will be restricted** along the intersections mentioned above. This is a mobile operation with work beginning at the intersection of 39th Street & 48th Avenue and proceeding to 39th Place & 48th Avenue. Work will occur during daytime work hours from 3:00pm to 11:00pm, Monday through Friday. Completion of the project is anticipated for fall 2015.

Work Scheduled for April/May 2015

- Installation of water mains
- Installation of new catch basins
- Installation of neck downs
- Installation of sewer
- Installations of new pavement, curbs and sidewalks
- Installation of fire hydrants
- Street lighting

WHAT ARE THE COMMUNITY IMPACTS?

The DDC is committed to maintaining a work site that is safe and clean. However, dust, noise and heavy equipment are common elements of construction and we ask for your patience during the project. There may be limited street access on certain blocks. However, deliveries to commercial and residential properties and emergency vehicle access will be allowed. In addition, the DDC will be baiting the construction zone on a regular basis to control rodent populations.

Student Pick-Up/Drop Off

- ❖ Where construction impacts school pick-up and drop-off areas, the DDC will coordinate with the DOE and school officials to ensure these locations are safe, clearly marked and maintained.

Pedestrian/Traffic

- ❖ **Pedestrian access** - to buildings will be maintained at all times.
- ❖ **Street closures/Traffic Detours** - partial closures and/or limited access of intersections and streets. Half-block closures may be necessary. In the event of half-block closures, the street will be closed to through-traffic, but emergency vehicle access will be allowed. Signs will be posted.
- ❖ **Vehicular access** - may be restricted on certain streets in certain locations.
- ❖ **Parking** - will be temporarily restricted so construction may proceed. Signs will be posted where necessary.
- ❖ **Driveway/loading dock access** - may be temporarily restricted.

Public Transportation

- ❖ **Bus Relocation** - where and when necessary, the bus may be detoured in/around the work zones.
- ❖ **Subway entrances/exits** - where necessary, only one exit/entrance will be closed at a time.

WATER SERVICE INTERRUPTIONS

During the course of this project, temporary water service disruptions will be necessary in order to replace the water mains. If it is necessary for DDC to turn off your water service, you will receive written notice by 4pm the day before service interruption. If your water service is not restored by 6 PM, unless otherwise indicated on the Shut-Off Notice, please call 311.

WHAT ARE THE HOURS OF WORK?

As the NYC-DOT permits the contractor's typical working hours are Monday - Friday between the hours of 3:00 PM - 11:00 PM. At certain locations the contractor may have to work different daytime hours, nights and weekends. Permitted work hours are: 3:00PM - 11:00PM, Monday to Friday at the following intersections:

- 39th Street & 48th Avenue
 - 39th Place & 48th Avenue
 - 38th Street & 48th Avenue
 - 39th Place & Green Point Avenue
- Island intersection of:
- 50th Avenue & 39th Street & Green Point Avenue

WHO TO CONTACT FOR MORE INFORMATION?

- Please call the Community Construction Liaison, Bitia Mousavi, at 718-479-4404.
- Visit the NYCDDC web site at <http://www.nyc.gov/ddc>
- During non-construction hours, please contact the New York City Government Services and Information Hotline at 311.

We appreciate your cooperation and thank you for your patience while we rebuild NYC's infrastructure.
