Ed Koch Queensboro Bridge

Manhattan/Queens Community Boards No. 8M, No. 1Q & No. 2Q April 2016

The NYC Department of Transportation Division of Bridges is continuing to clean and lubricate joints and trusses on the Queensboro Bridge. The work will be performed on Tuesday, April 19, on the Upper Roadways and on Wednesday, April 20, on the Lower Roadways. Between 10:00 p.m. and 5:00 a.m. the next morning, one lane at a time may be closed. The work is weather-dependent and may be rescheduled if necessary.

Partial Lane Closures, 10:00 p.m. – 5:00 a.m.

Tuesday, April 19: Upper Roadways
Wednesday, April 20: Lower Roadways
(weather permitting)

All other lanes will remain open.

Anne Koenig of the Office of Community Affairs is available to provide information about this project at 212-839-6307 or AKoenig@dot.nyc.gov. For all NYC non-emergency services, including inquiries regarding NYCDOT construction projects, dial 311. Be prepared to give your name, the borough of the project, and a return phone number.

your city. your needs. your number.
