

Important Notice Hunters Point Avenue Bridge over Dutch Kills

Queens

Community Board No. 2

April 2016

During the week of May 2, the NYC Department of Transportation Division of Bridges will perform preventive maintenance on the Hunters Point Avenue Bridge over Dutch Kills, including cleaning and lubricating the bridge and its operating machinery. On Tuesday and Thursday, one lane will be closed at a time between 9:00 a.m. and 3:00 p.m. At least one lane will remain open at all times. The work is weather-dependent and may be rescheduled if necessary.
