

52nd St, Flushing Line Notification

The Track Construction Division (In-House Capital Construction) has scheduled mainline track repairs on the Flushing Line, between the 52nd and 61st Street Stations, in the Borough of Queens. This project is scheduled to commence on **Friday, July 22nd, 2016 and ending on Sunday, July 24th, 2016**. Scheduled working hours will be as follows: 06:00am-16:00pm on Fridays for preparatory work which consist of, but not limited to the staging of Street Cranes, Track Panels and related materials at the Crane sites listed below, and 05:00-21:00 on Saturdays and Sundays, for track removal and installation.

Street Cranes will be placed adjacent to the elevated structure for the purpose of hoisting and lowering of track panels and materials at the locations listed below. We will have a maximum of (2) crane sites set up at a time and the crane location will be determined by the section of track being replaced.

Flagging and traffic devices will be used for the safety of the general public. Parking will be restricted at each Street crane location for 150' along each curb lane to allow the placement of a street crane and materials. Parking will not be allowed on Roosevelt Ave to provide two lanes of traffic (1 lane each direction).

Crane Locations:

1. 51st, Street, between Roosevelt Ave & 43rd Ave (Street Closed 05:00-21:00 Saturday & Sunday)
2. 51st, Street, between Roosevelt Ave & Queens Blvd (Street Closed 05:00-21:00 Saturday & Sunday)
3. 53rd, Street, between Roosevelt Ave & Queens Blvd (Street Closed 05:00-21:00 Saturday & Sunday)
4. 53rd, Street, between Roosevelt Ave & Skillman St (Street Closed 05:00-21:00 Saturday & Sunday)
5. Roosevelt Ave bet 50th St & 54th St (East & westbound Traffic lane Closed 05:00-21:00 Sat & Sun)

Roosevelt Ave Traffic Diversion:

East and West bound Traffic lanes closed on Roosevelt Ave (Saturdays & Sundays 05:00-21:00) between 50th Street & 54th Street.

- Westbound Traffic will run "Normal" on the westbound parking lane.
- Eastbound Traffic will run "Normal on the eastbound Parking lane.

On occasion, due to a combination of the service demands of the community, safety considerations and the welfare of the general public, some phases of track construction are limited to special operating hours.
