April 22, 2016 to April 28, 2016

Dear Sunnyside Resident:

Due to the limits on the number and times of track outages which are required for the safety of our workers and the traveling public, it is occasionally necessary to perform work during the weekend.

Please be advised of the following East Side Access work:

Saturday April 23rd and Sunday April 24th

There will be work during the day on **Saturday, April 23rd and Sunday, April 24th between the hours of 7:00 a.m. and 7:00 p.m.** to continue the demolition of the train bridge at 48th Street.

During this period, 48th Street between Barnett and 37th Avenue will remain open to vehicular and pedestrian traffic.

All work is being performed in conformance with the established safety standards and current regulations for noise, dust and surface vibration.

ESA Community Outreach aims to provide the most up to date information on work activities; **however the schedule of work is subject to change.**

We apologize in advance for the potential disruptions you may experience from the ongoing work. For questions or concerns about the work, please contact the East Side Access Community Outreach team:

By Phone: (855) 4-MTAESA
