Hylan Boulevard
Traffic Pattern: D262687 (Parisi)

- Motorists are advised that the New York State Department of Transportation (NYSDOT) has changed the traffic pattern on both the northbound and southbound Hylan Boulevard Bridges, which span the Staten Island Expressway between eastbound Narrows Road South and westbound Narrows Road North. Traffic, was currently using the right half of each bridge, will be shifted to the left half onto new bridge decks and new pavement. This will enable the contractor to replace the deck and pavement on the right half of each bridge. Only one lane of traffic will be open to motorists in each direction on the bridges throughout the end of January 2016. Motorists are encouraged to seek alternate routes.
