Re: I.S. 125 Thom J. McCann – New Addition

Dear Neighbors of I.S. 125 Q:

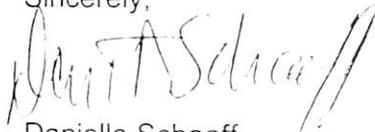

The New York City School Construction Authority (SCA) will begin the demolition of the existing mini building at I.S. 125 Q within the next two weeks, June of 2015, and completion in Fall of 2015.

The demolition of the mini building will take place between the hours of 3:30PM to 11:00PM. Our noisy work will cease at 10:00PM. Work may also take place on weekends as needed. Although this construction will inevitably cause noise, the SCA will strive to minimize the disruptions to you and your neighbors around 46-02 47th Avenue.

We regret this disturbance to the community and with your cooperation, we hope to finish this project earlier than anticipated. If you have any questions, feel free to call me at (718) 472-8114.

Thank you in advance for your cooperation.

Sincerely,

Danielle Schaaff
Project Support Manager
