#### May 27th is Memorial Day

Memorial Day is a United States federal holiday which occurs every year on the final Monday of May. Memorial Day is a day of remembering the men and women who died while serving in the United States Armed Forces. Formerly known as **Decoration Day**, it originated after the American Civil War to commemorate the Union and Confederate soldiers who died in the Civil War. By the 20th century Memorial Day had been extended to honor all Americans who have died in all wars.

It typically marks the start of the summer vacation season, while Labor Day marks its end. Memorial Day is not to be confused with Veterans Day.

Memorial Day is a day of remembering the men and women who died while serving, while Veterans Day celebrates the service of all U.S. military veterans, living or dead.

A Community Garden Sprouts in Elmhurst!

On Saturday April 27th, newly appointed CB Member Jennifer Chu officially unveiled the Elmhurst Community Garden located at the

**Intersection of Manilla Street and Kneeland Avenue.**

There was an excellent turnout with 100s of students, residents and CB Members coming out to help with the renovation of the lot.

However, the hard work is by no means done! Volunteers are still needed to see the project to fruition.

If anyone would like to help, please contact the Community Board office at  
(718) 760-3141

There will be a **Planning and Organizational Meeting** this coming Saturday May 4th @ 11 AM to discuss what to do with the garden and how it should be run. If anyone's interested in becoming a part of the garden or joining, please come to the meeting on Saturday.

Residents of Elmhurst
