Guest Speaker: NYC Council Member Daniel Dromm

The partners of the PlaNYC Schoolyards to Playgrounds initiative are proud to announce that PS 721’s school-yard has opened to the public.

PS 721
57-12 94th Street
Queens, NY 11373

The community-designed playground helps achieve Mayor Bloomberg’s PlaNYC Open Space goal of bringing all New Yorkers within a 10-minute walk of a park. 205 of these playgrounds have opened to date out of 258 that will open by 2013.

Please help keep the new playground safe by respecting its rules and hours. The schoolyard is open to the public from the end of the school day until dusk on weekdays and from 8 a.m. until dusk during the weekends, holidays, and summer. The PS 721 custodial staff will be in charge of maintaining the new space. Please encourage your children and neighbors to help us keep the playground clean by picking up litter and by reviewing the rules with them. If you see any inappropriate behavior inside the playground, we ask that you call your local police precinct or 311. Violators of the rules are subject to summons and or arrest by the NYPD.

This playground is a fantastic addition to our community for learning and play. Let’s work together to keep it clean and safe for all to enjoy for many years to come.
Sincerely,
The PlaNYC Schoolyards Team
