Our Neighborhood is getting TREES!

Why Plant a Million Trees?

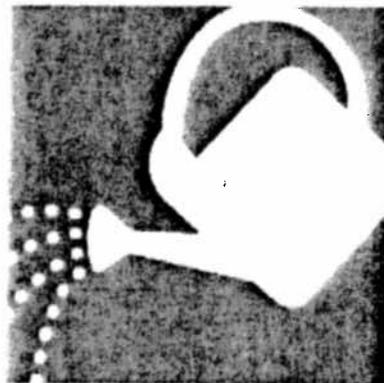

There are so many reasons!

- Trees **clean our air** and reduce pollutants that trigger asthma attacks
- They **cool our streets**, sidewalks, and homes on hot summer days
- Trees **increase property value**, and encourage neighborhood revitalization
- Planting trees help reduce the strain on our sewer system because they **absorb and purify rainwater**
- In addition, street trees beds act as a small gardening place for local residents to dig in, **get involved in the community**, and play a very visible role in greening their own street, which can **inspire others** to do the same!
- Overall, trees make our City a more **beautiful** and **comfortable** place to live

And...FREE Tree Care workshops!

Help water and care for the new street trees in your community! Join the MillionTreesNYC Stewardship Corps and help keep New York City green by coming to a free MillionTreesNYC stewardship workshop where you will learn:

- What is MillionTreesNYC?
- How to **identify trees** in New York City
- Benefits trees bring to our city
- **Tree Care** – Water, Weed, Mulch, Protect, Beautify

million trees **NYC**
STEWARDSHIP CORPS

Pledge to adopt a street tree, and you will also receive a free tree care stewardship kit that includes: a bucket or a hose, a trowel, a cultivator, a weeder, gloves, and the TreeLC manual.

To host a workshop in your neighborhood or for more information about MillionTreesNYC StewCorps, contact Queens Botanical Garden at milliontreesnyc@queensbotanical.org or call 718-886-3800 ext 236
