A word from the District Manager

Dear Members and Residents of Queens CB4,

We're in the home stretch here with our budget season for FY2015, and I remain for the most part unscathed; the reason being that I wasn't alone in this process. I'd like to extend thanks to my staff, fellow District Managers, CB Members, our Council Members and of course our local agencies for all their help and input in comprising a list of needs for CB4. I'm proud to announce that thanks to very generous funding from both our Council Members and teamwork from us all, we managed to get many projects that have been stagnant on our list for years finally removed from our long list of "wishes". A newer, more updated list will be revealed, and essentially voted on at this month's full board meeting.

From all of us here at CB4, Happy Thanksgiving, and a reminder...
 Don't forget to vote!

 Christian Cassagnol
 DM, Queens Community Board 4
