### A word from the District Manager

Dear Members and Residents of Queens CB4,

*As I near my first year as District Manager of Community Board 4 (October 9th), I still find myself incapable of accurately describing the experience in just a few words.*

*I am approached daily by residents, family, and colleagues often asking me the same series of questions:*

*"How's it going? How do you like it? Is it everything you expected?," etc.*

*The answer will never be a simple one.*

*In many aspects, many things were far easier than I'd expected, yet on the flip side of that same coin, I find other things to be far more difficult. It's a bittersweet feeling that changes multiple times within the same day.*

*As I begin my second year, on the horizon I can already see hardships and events that will certainly test our mettle as a community, but we've always come together in the past, and only when the time comes, will we cross those bridges.*

*Thanks to all of you, and as always stay safe,*

Christian Cassagnol  
 District Manager, CB4Q

**Halloween Safety Tips**

Halloween is a favorite time of year for children and adults all around New York City. Here are tips for celebrating in a safe and healthy way.

Make your child visible – Have them wear a brightly - colored costume, carry a brightly - colored treat bag, and place reflective strips on the costume. These actions help drivers see your child better in the dark. Costumes and masks should fit well to avoid blocked vision or trip hazards. Costume accessories such as swords, canes and jewelry should not be too long or sharp.

Supervise your child when trick-or-treating or make sure they're with a trusted adult. Don't let your child enter anyone's home alone. Tell your child to look both ways before crossing the street and cross only at street corners. Carefully check treats for tampering, choking hazards and possible allergies and limit the amount of treats your child eats.
