Water Main Work in Elmhurst

On Monday September 24th, 2012 the NYC DDC (Dept. of Design and Construction) will be performing water main work followed by sidewalk curb restoration in various locations. Plan your travel accordingly as the work will continue for approximately **two weeks** as follows:

Location 1: Water Main Work

Queens Boulevard WB Service road from Horace Harding Expressway to 60th Avenue
(Night work - 9pm to 5am)

Location 2: Sidewalk/Curb Restoration

Queens Blvd. East bound service road. Various locations between Simonson Street and Woodhaven Blvd.
(Daytime work - 7am to 3:30pm)

A Note from the Executive Committee

During the course of the Closed Session Meeting, each Board Member will have the opportunity to ask one question to each of the candidates. Please have your question ready. After all 3 candidates have been interviewed, a secret ballot process will begin, and the results will be announced that same evening.

Christian Cassagnol
Lawrence S. Harfmann
John Mulvey

Good luck to all the candidates!

Fall is upon us and that means cooler weather is setting in!

For those of us who own homes, with this colder weather comes higher energy costs. When heating our homes, we'll be responsible for additional chores to take care of around the house. The potential for damage to your home thanks to the weather is also a lot greater. So, before the really cold weather arrives you should use this time to do some fall maintenance to ensure your home is ready for the winter. This can not only help you save money by making your home more efficient, but it could also prevent significant and costly damage if a problem goes unnoticed through winter.

In addition to your home, the cooler weather although nice, comes with its own set of health risks. Below you'll find just a few ways to stay healthy during the Fall:

Get your flu shot. The flu virus is just as dangerous as ever. To ensure you're protected, getting a seasonal flu shot can be the catalyst for keeping healthy all year. A lot of our local pharmacies will be offering free flu shots throughout the season. Contact 311, the Community Board Office, or visit the DOH website for locations.

Get some good rest. Since days become shorter in the fall, make sure to get enough sleep. Being healthy enough to fight off colds means getting enough rest to rejuvenate yourself if you've been burning the candle at both ends.

Make sure you dress in layers. Before your body warms up, you may feel a little chilly. Once you get your blood pumping, you don't want to overheat. Having the option to remove a layer or two can help you maintain a balanced body temperature.

Graffiti on your property?

Have the City do it for you...

Most of us don't know that the City of New York offers FREE Graffiti removal.

The City's *Graffiti Free NYC* Program offers free graffiti removal to properties throughout the five boroughs. If you would like graffiti removed from your property, the form can be obtained a few ways:

Contact 311, the Community Board Office, or fill out a Forever Graffiti Free Form [online](#).

More information as well as FAQ's can be obtained on CAU's website at:

110th Precinct Council Meeting

Monday October 15th, 2012

VFW Hall; Flanders Field Post #150
51-11 108th Street
Corona, NY 11368
7:00pm

Guest Speaker: Representative from the NYPD Communications Division

Police officers from the 110th Precinct will receive awards for their achievements. DI Ronald Leyson will also be on hand to discuss crime and quality of life issues.

Please encourage your friends and neighbors to attend this important meeting.
