### **STATEMENT OF BASIS AND PURPOSE**

The foregoing rule amendment is promulgated pursuant to the authority of the Commissioner of Buildings under Sections 643 and 1043(a) of the New York City Charter.

This rule implements the fee structure provided for in section 28-112.8 of the NYC Administrative Code by setting forth the fees which may be charged by the Department pursuant to that section.

This amendment makes corrections and additions to the fee table in order to bring the fees in line with current costs of records management, including scanning, imaging, off-site storage and microfilming.

This rule also establishes fees for various types of boiler filings that are required by rule.
