Re: ULURP No. C 030237 ZMM & Related No. 030236 ZRM  
Hudson Square Rezoning  
Borough of Manhattan

Honorable Members of the Council:

In accordance with Section 197-d(d) of the New York City charter, the City Planning Commission (the "Commission") has reviewed the proposed modification to the above-captioned application for the rezoning of the Hudson Square area, Manhattan.

The proposed modification would delete from this rezoning the area bounded by Barrow Street, a line 100 feet westerly of Hudson Street, Morton Street, Hudson Street, Clarkson Street, Greenwich Street, Leroy Street, Morton Street and Washington Street.

This modification raises no land use or environmental issue requiring further review.

This report and recommendation was adopted by a unanimous decision.

Sincerely,

Amanda M. Burden
