FI: Notice and Acknowledgement of Limited Availability of Funding

All benefits provided by the Build it Back Program are subject to, and contingent upon, the availability of CDBG-DR funds provided pursuant to U.S. Public Law 113-2 (Jan. 29, 2013), allocated by the U.S. Department of Housing and Urban Development ("HUD"), and expressly allocated to the Program by the NYC Office of Management and Budget ("OMB"), in addition to the requirements of federal, state and local law, and program policies and guidelines. It is possible that not all eligible applicants will receive benefits under the Program. Applicants should be aware that even if they are deemed eligible for benefits under the Program, such benefits can only be provided if Program funds are available.

By signing this form, you are acknowledging that there is no guarantee that you will receive benefits and that you have no entitlement to such benefits. The Build it Back Program and all benefits provided through the program may be terminated at any time by the City of New York with or without notice.

I, the undersigned, acknowledge that I have carefully read this Notice, and I represent that I fully understand its contents and sign it voluntarily.
