PART I INTRODUCTION

1. INVITATION TO SUBMIT PROPOSAL

1.1. The Business Resiliency Investment Program.

The New York City Economic Development Corporation (“NYCEDC”), acting on behalf of the City of New York (the “City”), intends to oversee the implementation of a Business Resiliency Investment Program (the “Program”) to provide funds to eligible businesses for certain physical improvements to enhance their resiliency to severe weather. NYCEDC is a not-for-profit corporation that provides economic development and other services to the City pursuant to an amended and restated master contract, dated June 30, 2012, between NYCEDC and the City (as amended and/or amended and restated from time to time, the “EDC Master Contract”).

This Request for Proposals (as amended or supplemented from time to time, this “RFP”) represents an initial step in implementing the Program. NYCEDC is issuing this RFP to seek the support of a consultant to assist NYCEDC in refining the planning, design and structure of services to be performed by a Program Management Office (“PMO”) which, once retained by NYCEDC under a separate request for proposals, would take the primary responsibility of further implementing and administering the Program. This RFP is not the solicitation for the PMO services.

In releasing this RFP, NYCEDC invites qualified entities (each a “Respondent”) to submit proposals in accordance with this RFP (each a “Proposal”) to perform the Scope of Services (as defined below). A successful Proposal submitted in response to this RFP will demonstrate the Respondent’s experience in providing similar services, professional capability, and a competitive fee and cost schedule.

1.2. Need for Resiliency Investments

When Hurricane Sandy reached New York City, its floodwaters inundated an area that included 88,700 buildings, or 9 percent of the city’s building stock. These buildings encompassed 662 million square feet of space that included more than 300,000 housing units and 23,400 businesses, many of which were outside the Federal Emergency Management Agency (“FEMA”) 100-year floodplain (defined as area that has a 1 percent or greater chance of flooding in any year). Many buildings were directly exposed to flooding, or may have experienced blackouts or other storm impacts that in many cases resulted in displacement and interruption of business activity.

While the storm resulted in direct physical impacts in certain areas, it also affected the commercial viability of business districts within all vulnerable areas, many of which employ low-income workers. For example, businesses located in the 100-year floodplain may now consider moving out of the floodplain, and businesses that previously considered locating in the floodplain may no longer be willing to do so.

Revised Preliminary Work Maps from the FEMA, released in June 2013, have nearly doubled the number of NYC buildings located in the 100-year floodplain, suggesting that approximately 68,000 buildings could be at risk for wave action or flooding in future storms. Sea level rise will further expand vulnerable areas, and unchecked storm surges in the future could cause damage equal to or greater than Hurricane Sandy.

Based on the damage sustained during Sandy and the risk of storm surge combined with sea level rise in coastal areas, the City of New York developed the Program to provide funds to eligible businesses for certain physical improvements to enhance their resiliency to severe weather.

1.3. General Background.

On January 29, 2013, President Obama signed into law the Disaster Relief Appropriations Act of 2013 (Public Law 113-2) which, among other things, appropriated \$16 billion in community development block grant funds for disaster recovery (“CDBG-DR Funds”). The CDBG-DR Funds are to be used for a variety of programs described in the City Action Plan (as defined below).

The U.S. Department of Housing and Urban Development (“HUD”), which administers the CDBG-DR Funds, will enter into a grant agreement with the City, (the “City Grant Agreement”) to disburse CDBG-DR Funds.¹ As a grantee of CDBG-DR Funds, the City is not limited in its recovery to returning to pre-disaster conditions. HUD encourages the use of CDBG-DR Funds to carry out activities that not only address disaster-related impacts, but leave communities sustainably positioned to meet the needs of their post-disaster populations and to further prospects for growth.

On May 10, 2013, HUD approved the City’s Partial Action Plan A for CDBG-DR Funds (as amended or supplemented from time to time, the “City Action Plan”), in which the City identified the Program as a way of incenting business investment in physical improvements that can reduce the impact of future storms by reimbursing a portion of the costs of such improvements. Among other programs, the City Action Plan allocates up to \$90,000,000 in CDBG-DR Funds to the Program.

1.6 General Terms and Conditions.

(a) As more fully described in this RFP, NYCEDC is seeking a Consultant to assist NYCEDC in refining the planning, design and structuring of services to be performed by the PMO which, once retained by NYCEDC under a separate request for proposals, would take the primary responsibility of further implementing and administering the Program. The services to be performed by a Consultant retained in connection with this RFP are more specifically described in the scope of services (the “Scope of Services”) attached as Appendix B to the form of contract which is annexed to this RFP as Exhibit 1 (the “Form of Contract”). The Corporation

¹ As of the date this RFP is released, the expectation is that the grant agreement will be entered into in August at the earliest.

shall, in consultation with the Consultant, incorporate performance requirements and liquidated damages into the final Contract as required by the Applicable CDBG-DR Rules.

(b) The RFP Summary below (Part I, Section 2), summarizes certain information relevant to this RFP such as the anticipated dates for the execution of a Contract with the Consultant, if one is selected pursuant to this RFP, and the anticipated Term of the Contract.

(c) All undefined capitalized terms used in this RFP have the definitions as provided in Appendix A to Part III of the Form of Contract, or if not defined therein, then as provided in the Scope of Services.

(d) Subject to the availability of CDBG-DR Funds and the Proposals received by NYCEDC in response to this RFP, NYCEDC expects to select a single Consultant to provide the Services. The Consultant will be expected to be experienced and fully qualified in all aspects of the Services. Except as may otherwise be agreed, the Consultant will be expected to promptly start undertaking the Services upon the full execution of the Contract substantially in the form of the Form of Contract and receipt from NYCEDC of a notice to proceed. The Form of Contract is an initial draft subject to further review and revision by NYCEDC prior to execution. NYCEDC shall not be bound to the terms of any aspect of the Form of Contract, and the final acceptance of any successful Proposal shall be subject to, and contingent upon, the negotiation between the parties of a Contract in form and substance acceptable to NYCEDC. Nevertheless, **all Respondents should review the Form of Contract and be familiar with all of the terms and conditions set forth therein prior to submitting a Proposal.**

1.7 Other Requirements.

NYCEDC anticipates that the Program, this RFP and the Form of Contract, where applicable, may be subject to certain additional rules and requirements, including rules and requirements arising from the use of CDBG-DR Funds as the source of funding to compensate the Consultant. Certain of these additional rules and requirements are described in more detail in Part II, Section 7.14 of this RFP.

PART II GENERAL REQUIREMENTS

1. SERVICES TO BE PERFORMED AND WORK PRODUCT.

The Consultant shall perform all work and services and deliver all of the Deliverables and other Work Product specifically described in and required by the Scope of Services. **Prior to submitting a Proposal, a Respondent must review and fully understand the Scope of Services.**

2. STAFFING.

2.1 Personnel. The Consultant shall, at its own expense, employ all personnel and retain all Subcontractors (including the subconsultants on the Consultant Team, if any) as may be required to perform the Services, and shall be solely responsible for their work, compensation, direction and conduct during the Term of the Contract. The Consultant and its Subcontractors will be expected to cooperate fully with NYCEDC personnel. The Respondent, if selected, will be expected to use substantially the same personnel and Subcontractors described in the Proposal to perform the Services. All personnel furnished by the Consultant as required under the Contract shall be employees or approved Subcontractors of the Consultant and not of NYCEDC or the City.

2.2 Subcontractors. If the Consultant is authorized under the Contract to enter into subcontracts for specialized services as required for performance of the Services, then such authorization (other than members of the Consultant Team which have been previously approved), the scope of services, compensation, and the principal responsible for supervising the performance of the Subcontractor's activities shall be subject to the prior written approval by NYCEDC of the Subcontractor. The Consultant, and not NYCEDC, will be responsible for the Subcontractor's work, acts and omissions. Respondents are directed to Article 4 of the Form of Contract for further information as to the requirements regarding subcontracting under the Contract.

2.3 Person in Charge. In its Proposal, Respondent shall identify the member of the Respondent's staff who will have primary responsibility to perform and/or supervise and coordinate the performance of the Services.

3. COMPENSATION.

Subject to and in accordance with the final terms of the Contract, NYCEDC shall compensate the selected Consultant as follows:

3.1 **In General.** Under the Contract, NYCEDC will agree to pay to the Consultant an amount not to exceed a Maximum Contract Price to be negotiated between NYCEDC and the Consultant based upon its response to this RFP. The Maximum Contract Price shall be the maximum compensation for all of the Services provided by the Consultant pursuant to the Contract and all expenses of the Consultant in connection therewith, including costs of any Subcontractors. The Maximum Contract Price shall be payable in arrears as provided for in Sections 2.1 and 2.2 of the General Terms and Conditions (Part II) of the Contract and Appendix C (Part III of the Contract).

3.2 **Payments.** In order to receive payment for Services, the Consultant will be required to submit a Requisition setting forth in detail, for the period for which payment is requested, the Services actually rendered during that period and the amount of payment requested and due therefor. Requisitions may not be submitted more than once per month. All Requisitions shall be subject to NYCEDC's review, verification and approval, and all payments shall be conditioned upon NYCEDC's determination that all Services have been performed satisfactorily and in accordance with the terms of the Contract.

3.3 **Sales and Use Tax.** As of the date of this RFP, NYCEDC is currently exempt from state and local sales and use tax. SUCH TAX IS NOT TO BE INCLUDED IN PROPOSALS or in invoices submitted under the Contract. Upon request NYCEDC will provide the selected Consultant with an appropriate sales and use tax exemption certificate, if at the time of such request NYCEDC is exempt from such taxes.

4. MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISE PARTICIPATION.

4.1 **M/WBE Program.** Local Law No. 129 of 2005 added and Local Law 1 of 2013 amended Section 6-129 of the Administrative Code of the City of New York (hereinafter "Section 6-129"). Section 6-129 establishes the program for participation in City procurement ("M/WBE Program") by minority-owned business enterprises ("MBEs") and women-owned business enterprises ("WBEs"), certified in accordance with Section 1304 of the New York City Charter. As stated in Section 6-129, the intent of the program is to address the impact of discrimination on the City's procurement process, and to promote the public interest in avoiding fraud and favoritism in the procurement process, increasing competition for City business, and lowering contract costs. The contract provisions contained herein are pursuant to Section 6-129, and the rules of the Department of Small Business Services ("DSBS") promulgated thereunder.

4.2 **Minority and Women -Owned Business Enterprises.** M/WBE firms must be certified by DSBS in order for the Consultant to credit such firms' participation toward the attainment of the Participation Goal. Such certification must occur prior to the firms' commencement of work. A list of M/WBE firms may be obtained from the DSBS website at

www.nyc.gov/buycertified, by emailing DSBS at buyer@sbs.nyc.gov, by calling (212) 513-6356, or by visiting or writing DSBS at 110 William St., New York, New York, 10038, 7th floor. Eligible firms that have not yet been certified may contact DSBS in order to seek certification by visiting www.nyc.gov/getcertified, emailing MWBE@sbs.nyc.gov, or calling the DSBS certification helpline at (212) 513-6311. A firm that is certified as both an MBE and a WBE may be counted either toward the goal for MBEs or the goal for WBEs, but not both. No credit shall be given for participation by a graduate M/WBE, as defined in Section 6-129(c)(20).

4.3 **Suggested Participation Goal.** The Suggested Participation Goal is expressed as a percentage of the total dollar value of the contract to be performed by M/WBEs. The Suggested Participation Goal applicable to this RFP and the Contract is set forth in Part I, Section 2.2. The Consultant must set its own Participation Goal, hereafter referred to as Self-Set Participation Goal, in the Subcontractors Participation Plan (“Plan”), which must be submitted with its proposal. Note that the respondent will not be deemed non-responsive for submitting a Plan with a Self-Set Participation Goal that is below the Suggested Participation Goal. The Self-Set Participation Goal established by the respondent will be scored against that submitted by other respondents and factor into selection and, once the contract is fully executed, becomes a contractual obligation. The Respondent may also include a description of legitimate business reasons for proposing a lower level of subcontracting in its M/W/DBE Subcontractors Participation Plan

4.4 **M/W/DBE Subcontractors Participation Plans.**

5. **M/W/DBE Subcontractors Participation Plan.**

(a) A prospective consultant shall be required to submit a completed Plan with its proposal. The Self-Set Participation Goal established in the Plan will become a contractual obligation once the Contract is fully executed. The Plan lists entities the Consultant intends to award subcontracts to in order to complete the project and must be submitted with an executed Intent to Perform as Subcontractor (“IPS”) form (located in Exhibit 4) from each of the entities on the Plan. Specifically, the Plan should indicate the percentage of work the Respondent intends to subcontract;

(b) the identity of all proposed subcontractors to which the Respondent intends to award subcontracts;

(c) a description of the type and dollar value of work designated for participation by each; and

(d) an indication of the M/WBE status of each;

(e) the time frames in which such work by M/WBEs is scheduled to begin and end.

5.2 Each respondent should make best efforts to reach to the Suggested Participation Goal set forth in Section 2.2(g).

5.3 ASSISTANCE COMPLETING A PLAN NYCEDC is available to assist consultants and potential consultants in determining the availability of MBEs and/or WBEs to participate as subcontractors, and in identifying opportunities that are appropriate for participation by MBEs and/or WBEs in contracts. Email opportunitymwdbe@nyced.com with your request to access this assistance.

5.4 INCOMPLETE PLANS In the event that NYCEDC determines that the respondent has submitted a Plan where aspects of the Plan are not complete, or contains a copy or computation error that is at odds with the IPS forms, or if the respondent fails to include all of the necessary completed IPS forms, the respondent will be notified by NYCEDC and will be given three (3) calendar days from receipt of notification to cure the specified deficiencies and return a completed Plan to NYCEDC. Failure to do so may result in a determination that the bid is non-responsive. Receipt of notification is defined as the date notice is e-mailed or faxed (if the respondent has provided an e-mail address or fax number), or no later than three (3) calendar days from the date of mailing or upon delivery, if delivered.

5.5 FALLING SHORT OF THE SELF-SET PARTICIPATION GOAL If payments made to, or work performed by, M/WBEs are less than the amount specified in the Consultant's Plan, NYCEDC shall take appropriate action unless the respondent is deemed to have made Good Faith Efforts, as determined by the assessment of a complete Good Faith Efforts Application, in addition to the documentation requested in the Application.

5.6 GOOD FAITH EFFORTS In making the determination that a Consultant has exercised sufficient effort to meet the Self-Set Participation Goal (whether before contract award or during contract term), NYCEDC shall consider evidence of the following efforts, as provided in submission of the Good Faith Efforts Application, along with any other relevant factors:

(a) Advertised Opportunities. The respondent advertised opportunities to participate in the Contract, where appropriate, in general circulation media, trade and professional association publications and small business media, and publications of minority and women's business organizations;

(b) Follow Up with M/WBEs. The respondent sent timely written notices, by certified mail or facsimile, in a timely manner, to advise MBEs or WBEs that their interest in the Contract was solicited;

(c) Substitution of Work. The respondent made efforts to identify portions of the work that could be substituted for portions originally designated for participation by MBEs and/or WBEs in the Plan, and for which the respondent claims an inability to retain MBEs or WBEs;

(d) Meeting with M/WBEs. The respondent held meetings with MBEs and/or WBEs prior to the date their bids or proposals were due, for the purpose of explaining in detail the scope and requirements of the work for which their bids or proposals were solicited;

(e) Negotiated with M/WBEs. The respondent made efforts to negotiate with MBEs and/or WBEs as relevant to perform specific subcontracts, or act as suppliers or service providers;

(f) NYCEDC Assistance. The respondent submitted timely written requests for assistance to the Corporation's M/WBE liaison officer and provides the Corporation with a description of how the Corporation's recommendations were acted upon and an explanation of why action upon such recommendations did not lead to the desired level of participation of MBEs and/or WBEs.

(g) Interested Subcontractors List. The respondent made efforts to contact interested M/WBEs listed on the Website's Interested Subcontractors list.

(h) Attended Pre-Proposal Info Session and Networked with M/WBEs. The Consultant made efforts to engage M/WBEs at the pre-proposal info session, if such a meeting was held.

(i) The Good Faith Efforts Application can be obtained from the NYCEDC website by visiting <http://www.nycedc.com/resources/vendor-resources>. Consultants must provide a cover letter outlining reasons for the request, a summary statement of Consultant's efforts to obtain M/WBE participation, the outcome of such efforts and any other factors the Consultant believes may be relevant to NYCEDC's determination. NYCEDC's M/WBE officer shall provide written notice to the Consultant of the determination.

5.7 IMPLIED UNDERSTANDING OF M/WBE PROGRAM By submitting a bid the Consultant hereby acknowledges its understanding of the M/WBE Program requirements set forth herein and the pertinent provisions of Section 6-129, and any rules promulgated thereunder, and if awarded this Contract, the Consultant hereby agrees to comply with the M/WBE Program requirements of this Contract and pertinent provisions of Section 6-129, and any rules promulgated thereunder, all of which shall be deemed to be material terms of this Contract.

5.8 Joint Ventures. Respondents are encouraged to enter into joint ventures with MBEs and WBEs.

5.9 Statements. Statements made in any instrument submitted to the Corporation in connection with the Corporation's M/WBE Program or the M/WBE requirements applicable to this RFP or the Contract shall be submitted under penalty of perjury, and any false or misleading statement or omission shall be grounds for the application of any applicable criminal and/or civil penalties for perjury.

5.10 Other M/WBE Requirements. Article 9 of the General Terms and Conditions (Part II) of the Contract Draft contains additional provisions related to the Corporation's M/WBE Program regarding, without limitation, reporting, change orders, modifications to M/W/DBE Subcontractors Participation Plans, compliance audits, enforcement and evaluations. **Please be sure that you review and understand all of the requirements of the Corporation's M/WBE Program applicable to this RFP and the Contract prior to**

submitting your proposal.

6. DOING BUSINESS DATA FORM REQUIREMENTS.

6.1 Pursuant to the City’s Local Law No. 34 (“LL 34”), amending the City’s Campaign Finance Law, the City is required to establish a computerized database containing the names of any “person” that has “business dealings with the city”, as such terms are defined in LL 34.

6.2 In order for the City to obtain information necessary to establish the required database, each Respondent must complete a Doing Business Data Form in the form available at the Website and described in Exhibit 4 to this RFP (a “Doing Business Data Form”) and return it in a separate envelope with the Proposal.

6.3 The submission of a Doing Business Data Form that is not accurate and complete may result in appropriate sanctions. Respondents are encouraged to consult legal counsel with respect to the impact of LL 34. Respondents may also wish to review the document “Q&A: The Doing Business Data Form and the Doing Business Database” available at the Website and described in for further information. Note that responding to this RFP constitutes “doing business with the city” under LL 34.

8.3 Investigations/Derogatory Information. The Respondent, the members of its Consultant Team, and all officers, principals, principal shareholders, partners and members thereof, if applicable, must complete a background questionnaire and shall be subject to investigation by NYCEDC and the City's Department of Investigation. The selection of a Respondent may be rejected or revoked, or the Contract, if awarded, terminated for cause, in NYCEDC's sole discretion, in the event any materially derogatory information is revealed by such investigation or otherwise including, without limitation, that any such persons or any other persons substantially involved in the Respondent's activities has committed any of the acts or omissions specified as the grounds for debarment in the City's *Procurement Policy Board Rules*.

8.4 Freedom of Information Law. All Proposals submitted to NYCEDC in response to this RFP may be disclosed in accordance with the standards specified in the Freedom of Information Law, Article 6 of the Public Officers Law of the State of New York ("FOIL"). A Respondent may provide in writing, at the time of its submission, a detailed description of the specific information contained in its submission which it has determined is a trade secret and which, if disclosed, would substantially harm such entity's competitive position. This characterization shall not be determinative, but will be considered by NYCEDC when evaluating the applicability of any exemptions in response to a FOIL request.

8.5 Costs. NYCEDC shall not be liable for any cost incurred by the Respondent in the preparation of its Proposal or for any work or services performed by the Respondent prior to the execution and delivery of the Contract. NYCEDC is not obligated to pay any costs, expenses, damages or losses incurred by any Respondent at any time unless NYCEDC has expressly agreed to do so in writing.

8.6 NYCEDC Rights. This is a "Request for Proposals" and **not** a "Request for Bids". NYCEDC shall be the sole judge of whether a Proposal conforms to the requirements of this RFP and of the merits and acceptability of the individual Proposals. Notwithstanding anything to the contrary contained herein, NYCEDC reserves the right to take any of the following actions

in connection with this RFP: amend, or modify this RFP; waive any requirements of this RFP; require supplemental statements and information from any Respondents to this RFP; award a contract to as many or as few or none of the Respondents as NYCEDC may select; to award a contract to entities who have not responded to this RFP; accept or reject any or all Proposals received in response to this RFP; extend the deadline for submission of Proposals; negotiate or hold discussions with one or more of the Respondents; permit the correction of deficient Proposals that do not completely conform with this RFP; waive any conditions or modify any provisions of this RFP with respect to one or more Respondents; reject any or all Proposals and cancel or withdraw this RFP, in whole or in part, for any reason or no reason, in NYCEDC's sole discretion. NYCEDC may exercise any such rights at any time, without notice to any Respondent or other parties and without liability to any Respondent or other parties for their costs, expenses or other obligations incurred in the preparation of a Proposal or otherwise. All Proposals become the property of NYCEDC.

8.7 Applicable Law. This RFP and any Contract, Subcontract or any other agreement resulting here from are subject to all applicable laws, rules, regulations and executive orders, policies, procedures and ordinances of all Federal, State and City authorities, as the same may be amended from time to time, including without limitation, equal employment opportunity laws.

8.8 Modifications and Questions.

(a) NYCEDC will advise Respondents of any modifications to this RFP by posting them on the Website. Nothing stated at any time by any representative of NYCEDC or of any other entity shall effect a change in, or constitute a modification to this RFP unless posted on the Website or confirmed in writing by NYCEDC.

(b) Respondents may submit questions and/or request clarifications from NYCEDC by submitting them *in writing* to NYCEDC at NYCEDC's Mailing Address or E-Mail Address listed in the RFP Summary. All questions and requests for clarifications must be submitted no later than the Question/Clarification Deadline listed in the RFP Summary. Any questions or requests for clarifications received after this date will not be answered. All questions received through the Question/Clarification Deadline will be answered no later than the Question Response Date listed in the RFP Summary, and NYCEDC shall post such answers on the Website, so as to be available to all Respondents, if NYCEDC determines that such answers provide material clarification to the RFP.

(c) Respondents are reminded to check the Website periodically to view updated information and answers to questions posed by other Respondents.

(d) While NYCEDC may send notices, addenda or other information related to this RFP to Respondents via e-mail alerts or otherwise in writing, such e-mail alerts and other written materials shall be considered courtesy copies only. In the event any conflict exists between any information set forth on the Website and any such notices, addenda, or other information provided to a Respondent by NYCEDC in writing via e-mail or otherwise, the information set forth on the Website will govern and be definitive. NYCEDC is not obligated to provide the Respondent with any notices, addenda or other information that appears on the Website in writing, and the fact that NYCEDC may have sent one or more e-mails, notices, addenda or other

written information to a Respondent shall not be deemed to imply that NYCEDC has any duty or obligation to continue to do so.

8.9 City Not a Party. The City is not a party to this RFP, has made no representation to any prospective Respondent and shall have no liability whatsoever in connection with this RFP.

8.10 Brokerage Fees or Commissions. The City and NYCEDC shall not be obligated to pay any fee, cost or expense for brokerage commissions or finder's fees with respect to the execution of the Contract. The Respondent agrees to pay the commission or other compensation due to any broker or finder in connection with the Contract, and to indemnify and hold harmless the City and NYCEDC from any obligation, liability, cost and/or expense incurred by the City or NYCEDC as a result of any claim for commission or compensation brought by any broker or finder in connection with the Contract.

8.11 Additional Work. During the Term of the Contract, NYCEDC, in its sole discretion, may choose to work with the selected Consultant and/or hire its services for projects other than the project and tasks described in the Scope of Services. NYCEDC's decision to do so may be based on the firm's relevant experience and its successful performance under the Contract.

8.12 Proposals From Principals. Only Proposals from principals will be considered responsive. Individuals in representative, agency or consultant status may submit Proposals only at the direction of certified principals, where the principals are solely responsible for paying for such services.

8.13 Disclaimer. NYCEDC and the City, and their respective officers, directors, agents, members and employees make no representation or warranty and assume no responsibility for the accuracy of the information set forth in this RFP. Further, NYCEDC and the City do not warrant or make any representations as to the quality, content, accuracy or completeness of the information, text, graphics, links or any other facet of this RFP once it has been downloaded or printed from the Website or any server, and hereby disclaim any liability for any technical errors or difficulties of any nature that may arise in connection with the Website on which this RFP is posted, or in connection with any other electronic medium utilized by Respondents or potential Respondents in connection with or otherwise related to this RFP. It is each Respondent's responsibility to conduct due diligence on the applicable laws, rules and other requirements governing the use of CDBG-DR Funds and otherwise make its own independent assessment prior to submitting its Proposal. Respondents are encouraged to seek their own professional technical, legal and financial advice in developing a responsive Proposal.

8.14 Applicable CDBG-DR Rules.

(a) NYCEDC anticipates that the Competition and the RFP, as applicable, may also be subject to the following (the "Applicable CDBG-DR Rules"):

- Title I of the *Housing and Community Development Act of 1974* (42 U.S.C. 5301 et. Seq.) as amended or supplemented from time to time;
- Federal Regulations provided at 24 CFR Part 570;

- The *Disaster Relief Appropriations Act, 2013* (Public Law 113-2), the “Appropriations Act”;
- HUD Notice, dated February 28, 2013, entitled *Allocations, Common Application, Waivers, and Alternative Requirements for Grantees Receiving Community Development Block Grant (CDBG) Disaster Recovery Funds in Response to Hurricane Sandy*, as such Notice was published in the Federal Register, Volume 78, No. 43 on March 5, 2013 at pg. 14329 and any other notices, rules or guidance promulgated by HUD from time to time in connection with the CDBG program and/or the Disaster Relief Appropriations Act, 2013.
- The CDBG-DR Rules and other requirements referred to in the Form of Contract ;
- Any other applicable laws, rules, regulations or requirements including, without limitation, Local Law 86 of 2005 regarding green building standards.

(b) Respondents are advised that to ensure timely expenditure of CDBG-DR Funds, Section 904(c) of the Appropriations Act requires that all funds be expended within two (2) years of the date that the City and HUD execute the City Grant Agreement.

(c) The Applicable CDBG-DR Rules are in addition to any modifications, amendments, new or supplemental rules, guidelines or other documents that may be promulgated from time to time by any governmental authority. Respondents should note that not all of the Applicable CDBG-DR Rules will have been finalized as of the date this RFP is released and as such, the Applicable CDBG-DR Rules are subject to being amended or supplemented, as is this RFP, including the Form of Contract. NYCEDC also anticipates that the Competition, this RFP and the Form of Contract will need to be consistent with the EDC Master Contract (including any amendments or revisions thereto), the City Grant Agreement and other legal or contractual requirements to be identified.

(d) The Corporation shall, in consultation with the Consultant, incorporate performance requirements and liquidated damages into the final Contract as required by the Applicable CDBG-DR Rules.

7.15 Protest Procedures. The procedures set forth in this section shall apply to all protests (collectively, “Protests” and each individually, a “Protest”) related to this procurement. NYCEDC will not entertain any Protest that is untimely or fails in any manner to comply fully with the procedures set forth in this section.

- (a) There are three types of procurement Protests:
- (i) Pre-award Protest: A protest submitted after the receipt and opening of proposals and contingent award, but before Contract execution; and
 - (ii) Pre-award Protest: A protest submitted after the receipt and opening of proposals and contingent award, but before Contract execution; and
 - (iii) Post-award Protest: A protest submitted after the Contract has been executed, but only to the extent that the protest is based on newly

discovered information that was not available prior to execution of a Contract.

(b) All Protests must be in writing and must be submitted in accordance with the following timeline for the following types of Protests:

- (i) A Pre-Proposal Protest must be submitted at least two (2) working days prior to the Submission Deadline set forth in Part I, Section 2.2(f) of this RFP;
- (ii) A Pre-award Protest must be submitted five (5) working days from the later of receipt of Notice of the Corporation's contingent award of the Contract and the date proposals are made publicly available; and
- (iii) A Post-award Protest must be submitted five (5) working days from the date the protesting party knew or should have known the newly discovered evidence that serves as the grounds of its Protest.

The Respondent will be deemed to have received NYCEDC's determination notice no later than five (5) days from the date of mailing or upon delivery, if delivered by hand. A Protest will be considered submitted when the Protest is received by the Corporation.

(c) The Protest should include, without limitation, the following information:

- (i) name, address and telephone number of the protester;
- (ii) appropriate identification of the procurement, including the Contract Number;
- (iii) statement of the basis of the Protest;
- (iv) supporting exhibits and documentary evidence to substantiate the grounds for the Protest; and
- (v) form of relief requested.

(d) Address for Submission of Protests:

NYCEDC
110 William Street
New York, NY 10038
Attention: Maryann Catalano, Senior Vice President, Contracts

(e) Method of submission: By hand or U.S. Mail

(f) Envelope: The envelope enclosing the Protest must be clearly labeled “PROTEST” and must list the Contract Number to which the Protest relates.

(g) Additional Information. The Corporation may request that the protestor submit additional information that it may need in order to consider the Protest. Any additional information requested by the Corporation must be submitted within the time period established by the Corporation in order to expedite consideration of the Protest. Failure of the protestor to comply with a request for information within the specified time period will result in a resolution of the Protest without consideration of any information subsequently submitted by the protestor in an untimely manner.

GENERAL TERMS AND CONDITIONS

The Corporation and the Consultant hereby agree as follows:

ARTICLE 1 PERFORMANCE OF SERVICES

1.1 Services. The Corporation hereby retains and engages the Consultant and the Consultant agrees to perform the Services as described in Appendix B (Scope of Services), attached hereto.

1.2 Time for Performance of Services/Term/Delays and Force Majeure.

1.2.1 The Consultant shall commence the Services upon or promptly after the Commencement Date and receipt of a Notice to Proceed from the Corporation and shall complete the Services and each phase of the Services within the time or times stated for Final Completion as set forth in Appendix B (Scope of Services), and in accordance with any directive given and Progress Schedule approved by the Corporation, unless this Contract is earlier terminated pursuant to Article 3 hereof. Upon request from the Corporation the Consultant shall promptly submit a Progress Schedule to the Corporation.

1.2.2 This Contract shall be for the Term as set forth in Part I, Section 1.5 unless sooner terminated pursuant to Article 3 hereof.

1.2.3 If the Consultant has been delayed and as a result will be unable to complete performance fully and satisfactorily within the time fixed therefor, the Consultant may be granted an extension of time fixed for performance equal to the period the Consultant was actually and necessarily delayed upon submission of evidence of the causes of the delay, subject to the written approval of the Director in his or her sole discretion. The decision of the Director as to the granting of the extension and its length shall be binding upon the Consultant.

1.2.4 Subject to the Corporation's determination and approval, the Corporation may extend the time or times for performance of the Services where such performance has been substantially obstructed, hindered or delayed by reason of acts of Force Majeure. The Consultant shall have no claim against the Corporation or the City for any loss or damage sustained by the Consultant nor for any extra compensation in the form of an increase in the Maximum Contract Price, or otherwise, through such delay, hindrance or obstruction.

1.3 Complete Work and Timing and Sequence/Meetings. It is the intent of the parties that the provisions of this Contract shall not be construed so as to limit the Services, but that the Services shall include all acts necessary to fully and finally complete the work described in Appendix B (Scope of Services) hereof. The Consultant shall schedule and perform the Services in a manner so as to permit their completion diligently and expeditiously. The Principal, the Person in Charge and such other Representatives of the Consultant as may be required under the circumstances shall be available to meet with the Director or her or his designee as often as

necessary to effectively perform the Services, and as often as may be specified in Appendix B (Scope of Services).

1.4 Authority of Director/Performance of Services.

1.4.1 The Services to be performed by the Consultant shall at all times be subject to the review, direction and control of the Director, whose decision shall be final and binding upon the Consultant. The Director shall have the right to determine the amount, quality, acceptability and fitness of the Services and her or his approval shall be a condition precedent to the right of the Consultant to receive any compensation under this Contract. The Director shall act reasonably in exercising her or his authority under this Contract. The Director and any other person or agent duly authorized to act for and on behalf of the Corporation shall not, by virtue of such authority or action, be liable in any manner to the Consultant.

1.4.2 The Consultant shall perform all of the Services in a prudent and professional manner, in accordance with standards and practices as are customary for such Services in the New York City Metropolitan Statistical Area and in accordance with Industry Best Practices.

1.5 Changes to the Services.

1.5.1 The Consultant shall not make any changes in the Services without prior authorization in writing from the Director. The Consultant shall revise or correct any Work Product submitted in accordance with this Contract until accepted by the Director and accepted by all agencies whose approval is required by law, without additional compensation or time extension. Any changes to the performance of the Services or the Work Product which are necessary due to improper performance of the Services, a defect of design, unworkability of details or other fault or error of the Consultant shall be made by the Consultant, also without additional compensation or time extension.

1.5.2 The Director shall have the right to alter the Services; provided, that if the Consultant believes that any work or services that it has been directed to perform as a result of such alteration is beyond the Scope of Services and constitutes Extra Work, the Consultant shall so Notify the Director within three (3) days of such directive. The Director shall determine whether such altered Services are (i) within the Scope of Services; or (ii) Extra Work that is substantially within the general purview of the Scope of Services and constitutes an Allowable Additional Cost; or (iii) Extra Work requiring an amendment to the Scope of Services and the Contract. The Director's determination shall be final, binding and conclusive.

1.5.3 The Director reserves the right to reduce the Scope of Services under this Contract by Notice to the Consultant specifying the nature and extent of such reduction. The Consultant shall be compensated for all Services satisfactorily performed prior to the reduction and for Services satisfactorily performed thereafter. If said reduction results in a credit for the Corporation, such credit shall be immediately due and owing to Corporation, and the Consultant shall either pay such credit to the Corporation or the Corporation may withhold the credit amount from any future payments by the Corporation to the Consultant, at the exclusive option of the Corporation.

1.6 Equipment.

1.6.1 The Consultant, at its own expense, shall secure all supplies, materials and equipment required to perform and complete the Services.

1.6.2 The Consultant, at its sole cost and expense, shall bear the risk of loss for any supplies, materials and equipment used to perform the Services whether such loss arises by reason of fire, theft, vandalism, negligence or any other cause whatsoever. Consultant, at its sole cost and expense, shall promptly replace or repair all such lost, stolen or damaged supplies, materials and equipment.

1.6.3 The Consultant, at its sole cost and expense, shall maintain all of its supplies, materials and equipment in good working and serviceable order so as to enable the Consultant to perform the Services in a first-class and professional manner.

1.6.4 The Consultant shall be solely responsible for the means and methods and the safety and protection of all its employees and shall assume all liability for injuries, including death, that may occur to such employees due to the act, omission, negligence, fault or default of the Consultant.

2.1.2 All Requisitions shall be submitted by the Consultant to the Corporation's accounts payable department. Such Requisitions shall be in a form reasonably acceptable to the Corporation and shall be supported by any appropriate or necessary documentation or other evidence relating to the amounts set forth in the Requisition, as the Corporation may reasonably require including, but not limited to invoices, receipts and vouchers from Subcontractors and suppliers, information related to M/WBEs required under Section 9.6 and, where applicable, the time sheets and/or certified payroll reports of the Consultant's staff and its Principal.

2.1.3 Each Requisition submitted to the Corporation by the Consultant shall constitute a representation that, except as specifically set forth in the Requisition, as of the date of the Requisition, all representations and warranties made by the Consultant in Article 7 are true, complete and accurate as if made as of the date of the submission of the Requisition.

2.1.4 The Director shall review the Requisitions and the Work Product. Any amount so withheld may be retained by the Corporation for such period as it may deem advisable to protect the Corporation and the City against any loss and may, after Notice to the Consultant, be applied in satisfaction of any claim herein described.

2.2.2 The Corporation shall not be deemed to have released the Consultant from any claim or liability, or to have waived any cause of action arising from any breach of this Contract by virtue of making payments to the Consultant.

2.2.3 Upon acceptance by the Consultant of the Final Payment to be paid pursuant to this Contract, the Consultant agrees that it shall be deemed to have fully released the Corporation and the City from any and all claims, demands and causes of action whatsoever which the Consultant has or may have against the Corporation or the City in connection with this Contract and, upon the request of the Corporation, shall execute a release to such effect.

These forms will be provided by the Corporation to the Consultant. The Consultant shall cause each such Subcontractor to fill out and complete the forms in a timely fashion but in no event later than the commencement of the Services performed by such Subcontractor pursuant to its subcontract.

The additional insured protection must be as broad as coverage that would be afforded through use of ISO Forms CG 20 26, CG 20 33 and CG 20 37. The liability policy(ies) certificate of insurance must indicate cross-liability coverage providing severability of interests so that, except with respect to the limits of insurance, and any rights or duties specifically assigned to the first named insured, coverage will respond as if separate policies were in force for each insured. If at any time the commercial general liability policy should be canceled, terminated, or modified so that the insurance is not in effect as above required, then the Consultant shall suspend performance of the Services if the Corporation shall so direct. If the Contract is so suspended, no extension of time shall be due on account thereof. If the Contract is not suspended, whether or not because of omission of the Corporation to order suspension, then the Corporation may, at its sole option, obtain insurance affording coverage equal to that required hereunder, the cost of such insurance to be payable by the Consultant to the Corporation.

(iii) Automobile Liability Insurance. The Consultant shall purchase and maintain automobile liability insurance covering all automobiles used in connection with the work or Services under this Contract whether owned, non-owned and/or hired automobiles.

(iv) Umbrella/Excess Liability Coverage. The Consultant shall purchase and maintain umbrella/excess liability insurance, specifically listing commercial general liability, comprehensive automobile liability and employer's liability as primary coverages, to protect the Corporation, the City, the Additional Insureds, the Consultant and its Subcontractors from any and all claims in excess of the underlying policy limits for such primary coverages. The certificate of

insurance must indicate that such insurance afforded by this Section 6.3.9(iv) is on a “per occurrence” basis and an aggregate basis.

(v) If applicable, any additional policies described in Appendix E (Insurance Requirements).

6.3.10 As a condition precedent to payment of any amounts owing to the Consultant by the Corporation, the Consultant shall, unless otherwise expressly agreed to in writing by the Corporation, provide to the Corporation the original certificates of insurance required under this Contract and shall on demand provide true copies of policies and endorsements to policies showing compliance with the insurance requirements set forth in this Article 6 and Appendix E (Insurance Requirements).

6.3.11 The policies to be maintained by the Consultant hereunder that are subject to the Additional Insured requirements set forth in Section 6.3.3(iii) shall constitute the primary coverage for claims arising out of this Contract, and shall state that insurance, if any, carried by the Corporation, the City or the Additional Insureds will not be called upon to contribute to a loss that would otherwise be paid by the Consultant’s insurer. The Consultant shall comply with the provisions of all policies required pursuant to this Contract, and shall give the insurer, the Corporation, the City and the Additional Insureds due and timely Notice of all claims, accidents and losses promptly upon its acquiring knowledge of the same.

6.3.12 The insurance provisions of this Article 6 shall be in addition to any rights that the Corporation, the City and the Additional Insureds may have under any hold harmless and indemnification provisions of this Contract and any other right provided by this Contract or by law. The Consultant shall not violate or permit to be violated any term or condition of the policies.

6.3.13 The Commercial General Liability and Umbrella Excess Liability Coverage policies must be endorsed to show that these primary and/or excess policies are to be considered primary and non-contributory. In addition, the Commercial General Liability and Umbrella/Excess Liability Coverage policies must provide that (i) the Additional Insured protection afforded under the Consultant's policies shall be primary and not on an excess or contributing basis with any policies which may be available to the Corporation, and (ii) that the Consultant's policies, primary and excess, must be exhausted before implicating any Corporation policy available.

6.3.14 In order to ensure vertical erosion of liability limits provided by the Consultant under this Contract, the Consultant agrees to permit the Corporation’s staff and/or the Corporation’s insurance consultants to review the Consultant's liability policy language for all liability policies and to endorse those policies to clarify the hierarchy of policies in the event of a claim.

to state a material fact necessary in order to make any statement contained in such form not misleading.

9.8.2 The Corporation's M/WBE Director and Chief Contracting Officer will provide written notice to the Consultant of the determination.

9.9 Compliance Audits. This Contract may be audited by the Corporation, DSBS and the City Comptroller to determine the Consultant's compliance with the requirements of the Corporation's M/WBE Program and the Consultant's M/WBE Utilization Plan.

10.11 Refusal to Testify.

10.11.1 The Consultant agrees to cooperate fully and faithfully with any investigation, audit or inquiry conducted by a State or City governmental agency or authority that is empowered, directly or by designation, to compel the attendance of witnesses and to examine witnesses under oath, or conducted by the Inspector General of a governmental agency that is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license that is the subject of the investigation, audit or inquiry.

PROGRAM BACKGROUND

I. Program Overview

It is anticipated that the Business Resiliency Investment program (the “Program”) will provide eligible businesses with an incentive to invest in physical improvements that can reduce the impact of future storms by reimbursing a portion of the costs of such improvements. By helping such businesses make long-term, strategic improvements to property, buildings, and infrastructure, the City hopes to reduce the future cost and impact of severe weather on such businesses.

Pursuant to the City’s “Partial Action Plan A”, which was approved by HUD in May 2013, up to \$90 million in CDBG-DR Funds have been allocated to this Program. NYCEDC has been authorized to implement the Program on behalf of the City pursuant to the City Contract and the Subrecipient Agreement. Pursuant to the City Contract, NYCEDC performs various economic development and other services for the City.

II. Eligible Flood Resiliency Measures

The flood resiliency measures described below are expected to be eligible for CDBG-DR Funds under the Program. These measures are based on lessons learned from damage sustained during Hurricane Sandy as well as FEMA guidance based on extensive experience with building mitigation. These measures include:

- **For all buildings:** The most common building damage sustained during Sandy was to systems and equipment which delayed building re-occupancy and post-storm recovery. FEMA’s Building Sciences team has also determined that flood-protecting

building systems offers the potential for “high” risk reduction. It is expected that the Program will offer CDBG-DR Funds to eligible businesses to reimburse them for their incremental cost of elevating or otherwise flood protecting the following critical building equipment, such as:

- Fire protection equipment (including alarms and pumps)
- Electrical equipment (including panels, switch gear, and transformers)
- HVAC equipment (including boilers, furnaces, and burners)
- Plumbing equipment (including domestic water equipment, sump pump power feeds)
- Telecommunications equipment
- Elevator equipment
- Emergency generators and associated fuel tanks and pumps (subject to the approval of related Fire Code amendments)

Eligible strategies to protect the equipment above may include:

- Elevation of equipment and utilities at or above the DFE
 - Dry flood-proofing (making watertight) equipment and utilities below and up to the DFE
 - Dry flood-proofing (making watertight) the building below and up to the DFE
- **For 1- to 2-story buildings of a combustible construction type:** These buildings are most at risk of severe structural damage during a flood. The Program will provide incentives to perform structural reinforcement strategies to prevent collapse in the event of inundation from flood or storm waters, including:
 - Upgrades to foundations
 - Reinforcement of exterior walls
 - Wet flood-proofing (a technique designed to allow floodwaters to enter and leave a structure through flood openings or vents. This approach allows hydrostatic forces—the pressure exerted by the sheer weight of water—to equalize on both sides of building walls and thus prevents structures from collapsing)

III. Award and Disbursement Approach

It is anticipated that the Program will provide CDBG-DR Funds for a portion of the costs incurred by eligible businesses associated with their Projects to take eligible flood resiliency measures. It is envisioned that these eligible costs will be equal to the lesser of:

- A certified cost estimate; or
- An approved cost schedule established as part of the Program.

Maximum awards of CDBG-DR Funds to any given business under the Program will be capped at \$2 million.

As more fully described below, NYCEDC currently anticipates that once identified and retained by NYCEDC, the PMO will evaluate applications submitted by Applicants and

identify Projects eligible for CDBG-DR Funds under the Program. Upon satisfying all applicable conditions and entering into a legally binding agreement with either NYCEDC or the PMO, each chosen Applicant/Project sponsor will be eligible to submit requests for disbursements of CDBG-DR Funds to pay for certain elements of their Project.

SERVICES

I. Summary

The Consultant shall support NYCEDC's efforts to plan, design and structure services to be performed by the PMO which, once retained by NYCEDC under a separate request for proposals, would take the primary responsibility of further implementing and administering the Program. The Program should be planned, designed and structured in a manner that is replicable and scalable to allow for the allocation of additional CDBG-DR Funds to this Program or other related programs which may be the subject of amendments to the Action Plan. In connection with the Services, there are three (3) specific Tasks to be undertaken by the Consultant, as more fully described below.

These Tasks, as well as the specific projects funded with CDBG-DR Funds as part of the Program, where applicable, are subject to CDBG-DR Rules. A summary of some of these rules can found in APPENDIX B1 attached to this Appendix B.

II. Tasks and Deliverables

Task 1: Refine Program Design

NYCEDC has outlined many of the programmatic elements of the Program outlined above. The Consultant will refine this Program design, with particular attention to the following Program components:

- Developing approaches, methodologies, systems and procedures for undertaking outreach to potential Applicants and processing applications and information requests submitted by Applicants
- Developing approaches and methodologies to assess the eligibility of Applicants under applicable CDBG-DR Rules (i.e., in a Sandy-impacted or vulnerable area)
- Developing approaches and methodologies for assessing the eligibility of Project costs, including:
 - Approach for Applicants to submit certification of eligible costs, including the expertise and qualifications of eligible cost estimators (e.g., Professional Engineer, Registered Architect, etc.)
 - Approach and methodology to develop schedule of eligible costs, including entity responsible for developing measures included in cost schedule based on diversity of building types, etc.

- Information that must be submitted at the time an Applicant submits their application to allow eligible costs to be determined
- Methodology for Sizing Awards

In order to best leverage limited CDBG-DR Funds, it is expected that the actual percentage of Project costs to be funded to a given business under this Program will be based on a sliding scale, taking into account characteristics such as the uses of the applicable building (as defined by City Department of Finance tax class), the applicable building's size, and building value (using as a proxy, the assessed value as determined from time to time by the New York City Department of Finance).

The Consultant will:

- Assess NYCEDC's existing draft methodologies for sizing awards
 - Recommend appropriate changes and additions that result in methodologies that:
 - Apply to owner and tenant applicants and different City Department of Finance tax classes
 - Rely on existing program benchmarks where possible
 - Develop an approach to submit the methodology(ies) for public comment, receive feedback, and incorporate feedback received
 - Define information that must be submitted at the time applications are submitted by Applicants to allow award size to be determined
-
- Disbursement Approach

The Consultant will assess and recommend the optimal approach to disburse CDBG-DR Funds to selected Applicants, including the appropriate form and timing of funds (e.g., up-front grants, forgivable loans, amortizing loans) based on Applicant financial needs and associated CDBG-DR rule implications (including, without limitation rules related to equipment and property flood insurance requirements associated with loans and grants funded with CDBG-DR Funds). Such approach must, in any case, be consistent with the requirements and procedures specified in the Grant Agreement and the Subrecipient Agreement.

- Approach to Ensure CDBG Compliance/Monitoring and Financial Reporting

CDBG-DR Funds disbursed pursuant to this Program must comply with all applicable CDBG-DR R. The specific applicable CDBG-DR Rules will vary based on the measures being pursued in a given Project. The Consultant will recommend an approach to identify applicable CDBG-DR Rules and ensure compliance. A summary of certain CDBG-DR Rules is included below.

- Environmental Review Process under the National Environmental Policy Act (“NEPA”)

- National Objective Determination, which requires that Projects qualify under one or more of the following National Objectives:
 - activities benefiting low- and moderate-income persons, including:
 - Creation or retention of jobs
 - Benefits to low- and moderate-income areas
 - activities meeting an urgent need

As outlined in the City's CDBG Action plan, 50% of Business Resiliency Investment funds are expected to benefit low/moderate income persons.
- Applicable Federal Labor Standards, including:
 - Davis Bacon Act, which requires that workers must be paid the prevailing wages which are determined by the U.S. Department of Labor when construction work over \$2,000 is financed with CDBG funds
 - Copeland Anti-Kickback Act, which requires that workers be paid weekly/ and contractors submit weekly payrolls
 - Contract Work Hours and Safety Act, which applies to contracts over \$100,000 and requires the workers receive overtime compensation (time and ½) for any hours worked in excess of 40 hours in a week
 - Section 3 of the Housing and Urban Development Act of 1968, which applies to contracts or subcontracts in excess of \$100,000 and addresses the provision of employment and other economic opportunities for lower income residents
- Uniform Relocation Assistance and Real Property Acquisition Policies Act
- Compliance with other codes, standards and regulations, including:
 - Flood insurance protection requirements
 - Assistance to small businesses requirement that when CDBG-DR Funds in the Hurricane Sandy appropriation are provided to for-profit businesses, such funds may only be provided to a small business, as defined by the US Small Business Administration
- Duplication of Benefits requirement that any forms of public financial assistance received or expected to be received as part of the Project be part of the calculation of determining the amount of CDBG-DR Funds that can be approved
- Collection of regular information to facilitate HUD reporting requirements, including Quarterly reports
 - This includes supporting processes to facilitate information sharing between NYCEDC and OMB for entry of data in HUD's "DRGR" system
- Submission of financial information to OMB to facilitate spending authorizations and OMB draw down of CDBG-DR Funds
 - This includes supporting processes for submitting required information to the New York City Financial Management System

In providing such advice, the Consultant shall identify appropriate internal compliance policies, procedures, and systems utilized by top-tier organizations which serve as ideal precedents upon which NYCEDC and/or the PMO may base their own policies, procedures, and systems for ensuring compliance with the CDBG-DR Rules.

Additional detail on the above and other CDBG-DR Rules can be found in APPENDIX B1 attached to this Appendix B.

- The Consultant may propose an alternative timeline and justification if necessary.
- The timeline above is intended to support the following estimated target dates for the Business Resiliency Investment Program:
 - Release of RFP for PMO by early-mid October 2013
 - Review of PMO RFP submission: November 2013
 - PMO selection: November 2013
 - Business Resiliency Investment Program launch: by end of December 2013

APPENDIX B1: CDBG-DR Rules

In addition to other applicable laws, Projects funded with CDBG-DR Funds under the Program must comply with all applicable CDBG-DR rules and regulations, as well as all other applicable federal regulations (collectively, the “CDBG-DR Rules”). The specific applicable CDBG-DR Rules will vary based on the measures being pursued for a given Project. A summary of key CDBG-DR Rules is included below. The Consultant will recommend an approach to identify applicable and ensure compliance with all applicable CDBG-DR Rules including but not limited the CDBG-DR Rules listed below:

A. Environmental Review Process under the National Environmental Policy Act (“NEPA”)

Business Resiliency Investments Program applicants and the Project Management Office administrator shall be required to provide NYCEDC with all information required to complete an environmental review process (the “Environmental Review”) as prescribed by federal law. Projects are subject to an Environmental Review determination under NEPA, and CDBG-DR Funds cannot be obligated prior to the completion of this process. No activities that utilize any project funds can be bid or contracted prior to NYCEDC receiving environmental clearance.

B. National Objective Determination

Federal Community Development Block Grant program regulations require that the project qualify under one or more of the following National Objectives:

- **Activities Benefiting Low- and Moderate-Income Persons: Creation or Retention of Jobs:** At least 51% of the jobs created or retained by the Project are made available to persons from low and moderate income households as defined by HUD, or the Project serves an area that is defined as predominately low and moderate income as defined by HUD.
- **Activities Benefiting Low- and Moderate-Income Persons: Benefits Low- and Moderate-Income Areas:** To the extent that the service area of the Project benefits low and moderate income persons as described in the project description the project may be able to qualify under this category. NYCEDC can provide maps indicating the HUD identified low and moderate income areas.
- **Activities Meeting an Urgent Need:** The Project addresses an Urgent Need as defined by HUD. It is expected that projects that do not meet the Activities Benefiting Low- and Moderate-Income Persons option will address Urgent Need because the project will address critical needs in Impact Areas.

Projects that qualify under paragraph B(1) above, Activities Benefiting Low- and Moderate-Income Persons: Creation or Retention of Jobs, shall provide annual documentation concerning positions created and/or retained and made available to low- and moderate-

income households for six years.¹ Jobs created under this National Objective are required to be created within two years of the funding agreement, or within two years of substantial completion of the Project, depending on the nature of the Project.

C. Duplication of Benefits

In the event the Project qualifies for other federal disaster assistance including from the Small Business Administration (SBA) or other federal sources the applicant may be required to disclose this information on the proposed sources and uses of funds for the project budget. The applicant shall be required to apply for said assistance to the extent that the application deadline for that assistance has not passed. In addition, any state or local government forms of disaster assistance received, or expected to be received shall be fully disclosed. The CDBG-DR Program requires that any forms of public financial assistance received, or expected to be received be part of the calculation in determining the amount of Award Funds that shall be approved for the project.

D. Applicable Federal Labor Standards

Potential applicable federal Labor Standards include:

- Davis Bacon Act, which is triggered when construction work over \$2,000 is financed with CDBG funds; workers must be paid the prevailing wages which are determined by the U.S. Department of Labor. For questions about specific wage rates that will attach to the project contact NYCEDC.
- Copeland Anti-Kickback Act, which requires that workers be paid weekly/ and contractors submit weekly payrolls.
- Contract Work Hours and Safety Act, which applies to contracts over \$100,000 and requires the workers receive overtime compensation (time and ½) for any hours worked in excess of 40 hours in a week.
- Section 3 of Housing and Urban Development Act of 1968, which addresses the provision of employment and other economic opportunities for lower income residents of the project area. Section 3 requires that recipients of CDBG-DR Fund, to the greatest extent feasible, provide employment and other economic opportunities to low- and moderate-income residents of the service area. “Service area” is defined as the geographical area in which the persons benefitting from the Section 3 covered project reside.

¹ For the purpose of the CDBG-DR NYC Hurricane Sandy program, if the annual *salary* of the *position* created or retained is less than 80% of the HUD published area median income then the entire household is presumed to meet the definition of low- and moderate-income. It is also possible to meet the low- and moderate-income job creation/retention national objective if the owner of a business with five or less employees (defined as a microenterprise business) has an annual *household* income less than 80% of the area median income. In this instance, all of the employees of that business are presumed to be low- or moderate-income under HUD regulations, however *all* of the income of the business owner's *household* (not just the salary of that owner) is considered for the purpose of determining annual income.

In addition, federal law requires that to the greatest extent feasible, recipients of CDBG-DR financial assistance award contracts to Section 3 businesses which are defined as those that 1) are owned by low- and moderate-income Section 3 service area resident, 2) where at least 30% of the business concern's full-time employees shall be low and moderate income project area residents or 3) that provides evidence of commitment to sub-contract in excess of 25% of the dollar award of all sub-contracts to Section 3 business concerns.

Section 3 Requirements are triggered for any contract or subcontract in excess of \$100,000.

E. Uniform Relocation Assistance and Real Property Acquisition Policies Act ("URA")

The federal URA requires:

- Certain actions when a Project will result in the displacement of residents or businesses including:
 - relocation payments for persons/businesses displaced by the project;
 - notice requirements; and
 - providing for reimbursement of moving and reestablishment expenses.
- Certain actions when CDBG-DR Funds are used for the acquisition of real property including:
 - the completion of a written appraisal of the property before negotiations;
 - providing the owner with a written offer of just compensation; and
 - reimbursement of seller's expenses associated with transfer.

Eminent Domain is specifically prohibited for the purposes of this project in the City Action Plan. Federal law also requires a one for one replacement if any occupiable low- or moderate-income housing units (vacant or occupied) are demolished.

F. Prohibition Against Undue Enrichment

Award Funds may not exceed the minimum amount needed to make the proposed project financially feasible. This requires that project costs, in both the development and operating phases, be reasonable, that the project maximizes the amount of other funding available to the project including private debt, and that the return on investment is consistent with comparable projects. NYCEDC will perform underwriting of the proposed project and the use of Award Funds to insure this requirement is met.

G. Conflict of Interest

No one who exercises any functions or responsibilities with regard to the CDBG-DR Funds in New York City, or who are in a position to participate in a decision-making process or

gain inside information, may obtain a financial interest or benefit from a CDBG-DR Funds-assisted activity (or have a financial interest in any contract, subcontract, or agreement with respect to a CDBG-DR Funds-assisted activity), or with respect to the proceeds of the CDBG-DR Funds-assisted activity. This applies to individuals as well as those with whom they may have business or immediate family ties, during their tenure or for one year thereafter. This conflict requirement applies to any employee, agent, consultant, officer, or elected official or appointed official of the recipient, or of any designated public agencies, or of subrecipients that are receiving funds.

H. Non-discrimination Requirements

Projects must comply with all applicable federal civil rights laws relating to fair housing, handicap accessibility, and equal opportunity.

I. Compliance with Codes, Standards and Regulations

Projects shall comply with all applicable codes, standards, and regulations related to the project, including workers' safety rules that are administered by federal agencies (e.g., the U.S. Environmental Protection Agency, Occupational Safety and Health Administration, and Department of Transportation, among others). Projects must also comply with:

- Flood Insurance Protection requirements that mandate the purchase of flood insurance protection for a prescribed period of time and dollar amount for any assisted Special Flood Hazard Area (SFHA) building
- Assistance to small businesses requirement that when CDBG-DR Funds in the Hurricane Sandy appropriation are provided to for-profit businesses, such funds may only be provided to a small business, as defined by the US Small Business Administration

J. Americans with Disabilities Act of 1990 and [Uniform Federal Accessibility Standards](#) Requirements for Proposed Construction/Rehab Activities

- The Americans with Disabilities Act prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, state and local government services, public accommodations, commercial facilities, and transportation. It also mandates the establishment of TDD/telephone relay services.
- The Architectural Barriers Act of 1968 requires that facilities designed, built, altered, or leased with federal funds be accessible to the public. Facilities that predate the law (Aug. 12, 1968) generally are not covered, but alterations or leases undertaken after the law took effect can trigger coverage. It includes uniform standards for the design, construction and alteration of buildings so that physically handicapped persons will have ready access to and use of them. These [Uniform Federal Accessibility Standards](#)

(UFAS) are developed and maintained by an Access Board and serve as the basis for the standards used to enforce the law.

K. Quarterly Report Info

Key project information will be gathered by NYCEDC on a quarterly basis to facilitate quarterly reporting by OMB to HUD.

E.O. 50 SUPPLY & SERVICE RIDER

EQUAL EMPLOYMENT OPPORTUNITY

[Note: for purposes of this rider, the “contractor” means the Consultant identified in this Contract]

This contract is subject to the requirements of Executive Order No. 50 (April 25, 1980) (§10-14) as revised (“E.O.50”) and the Rules and Regulations promulgated thereunder. No contract will be awarded unless and until these requirements have been complied with in their entirety. By signing this contract, the contractor agrees that it:

- (1) will not discriminate unlawfully against any employee or applicant for employment because of race, creed, color, national origin, sex, age, handicap, marital status, sexual orientation or citizenship status with respect to all employment decisions including, but not limited to, recruitment, hiring, upgrading, demotion, downgrading, transfer, training, rates of pay or other forms of compensation, layoff, termination, and all other terms and conditions of employment;
- (2) will not discriminate in the selection of subcontractors on the basis of the owner’s, partners’ or shareholders’ race, color, creed, national origin, sex, age, handicap, marital status or sexual orientation or citizenship status;
- (3) will state in all solicitations or advertisements for employees placed by or on behalf of the contractor that all qualified applicants will receive consideration for employment without regard to race, creed, color, national origin, sex, age, handicap, marital status, sexual orientation or citizenship status, or it is an equal employment opportunity employer;
- (4) will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or memorandum of understanding, written notification of its equal employment opportunity commitments under E.O. 50 (§10-14) and the rules and regulations promulgated thereunder; and
- (5) will furnish before the contract is awarded all information and reports including an Employment Report which are required by E.O. 50 (§10-14), the rules and regulations promulgated thereunder, and orders of the Director of the Division of Labor Services (the “Division”). Copies of all required reports are available upon request from the contracting agency; and
- (6) will permit the Division to have access to all relevant books, records and accounts for the purposes of investigation to ascertain compliance with such rules, regulations, and orders.

The contractor understands that in the event of its noncompliance with the nondiscrimination clauses of this contract or with any such rules, regulations, or orders, such noncompliance shall constitute a material breach of the contract and noncompliance with E.O. 50 (§10-14) and the rules and regulations promulgated thereunder. After a hearing held pursuant to the rules of the Division, the Director may direct the imposition by the contracting agency head of any or all of the following sanctions:

- (i) disapproval of the contractor;
- (ii) suspension or termination of the contract;
- (iii) declaring the contractor in default; or
- (iv) in lieu of any of the foregoing sanctions, the Director may impose an employment program.

The Director of the Division may recommend to the contracting agency head that a contractor who has repeatedly failed to comply with E.O. 50 (§10-14) and the rules and regulations promulgated thereunder be determined to be nonresponsible.

The contractor agrees to include the provisions of the foregoing paragraphs in every subcontract or purchase order in excess of New York City's small purchase limit established by rule of New York City's Procurement Policy Board to which it becomes a party unless exempted by E.O. 50 (§10-14) and the rules and regulations promulgated thereunder, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Director of the Division of Labor Services as a means of enforcing such provisions including sanctions for noncompliance.

The contractor further agrees that it will refrain from entering into any contract or contract modification subject to E.O. 50 (§10-14) and the rules and regulations promulgated thereunder with a subcontractor who is not in compliance with the requirements of E.O. 50 (§10-14) and the rules and regulations promulgated thereunder.

APPENDIX H

E.O. 50 PAYROLL REPORT FORM AND INSTRUCTIONS

The Consultant shall complete and submit, and if applicable, shall require its Subcontractors to complete and submit, Employment Reports (as required by E.O. 50) to the Corporation which can be found at www.nycedc.com in the following section:

“Resources/Vendor Resources”

If the Consultant cannot access or download these forms, the Corporation will, upon request, send the Consultant the required forms.

Non-Construction Consulting Contracts

Non-construction consulting contracts require a Supply & Service employment report. Generally, the “under 50 employees” form should be used by companies with fewer than 50 employees, and the longer “full form” should be used for companies with more than 50 employees. Please refer to the Supply & Service instructions document to learn more about the forms.

1. General Terms.

This Contract will be funded in whole or in part by the Funds identified in Part I, Section 4.1 of this Contract. The receipt of such Funds is conditioned upon the Consultant's compliance with certain mandatory federal, State and City terms and conditions. The Consultant must comply with all applicable mandatory terms and conditions set forth in the Applicable Requirements and Applicable Agreements including those set forth in Part I, Section 4.3, 4.4, this Appendix, Appendix J (Standard Federal Requirements) and in Appendix K (Standard State Clauses). The City reserves the right to request additional proof of reimbursement from Subrecipient with respect to Disbursements of Program Funds to cover its Eligible Costs.

(b) No Disbursement by the City of an improper or unauthorized request for Program Funds shall constitute a waiver of the City’s right to: (i) challenge the validity of such payment; (ii) enforce all rights and remedies set forth in this Agreement; or (iii) take corrective or remedial administrative action including suspension or termination of the Subrecipient's funding under this Agreement.

(c) The use of Program Funds is conditioned upon the Subrecipient incurring Eligible Costs permitted under the terms of this Agreement or as otherwise pre-approved, in writing, by

(d) With respect to any specific allocation of Program Funds, after the end of the Commitment Period, the City shall not make any Disbursement of such Program Funds to the Subrecipient and the Subrecipient shall make no request for any such Disbursement.

(e) Upon receipt of each Disbursement of Program Funds, Subrecipient shall cause such funds to be paid, transferred or otherwise disbursed to Clients or Contractors within seventy-two (72) hours of the time such Program Funds are deposited into Subrecipient's accounts. Notwithstanding the foregoing, the City intends to use its own funds to make advances to Subrecipient that will be subsequently reimbursed to the City with Program Funds.

(c) no Default or Event of Default shall have occurred and be continuing or would result from the making of the requested Disbursement as of the date of such request;

(b) All Program Documents shall be made available to the City, HUD, and the Comptroller General of the United States or any of their authorized Representatives, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data. Any deficiencies noted in audit reports must be fully cleared by the Subrecipient within thirty (30) days after receipt by the Subrecipient. Failure of

the Subrecipient to comply with the above audit requirements shall constitute a violation of this Agreement and may result in the withholding of future Disbursements hereunder.

(c) Subrecipient shall provide the City and its Representatives access to the premises of the Subrecipient at any time and from time to time during normal business hours and upon reasonable notice under the circumstances for the purposes of (i) inspecting and copying (at Subrecipient's expense) any and all Program Documents maintained by the Subrecipient, and (ii) discussing the affairs, finances and business of the Subrecipient with any Representative of Subrecipient who is present at such premises or with the Auditors to disclose to the City and its Representatives any and all financial and other information regarding the Subrecipient that is reasonably related to the Program.

(a) Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this Agreement, shall be a condition of the Federal financial assistance provided under this Agreement and binding upon the City, the Subrecipient and any of the Subrecipient’s Contractors. Failure to fulfill these requirements shall subject the City, the Subrecipient and any of the Contractors, their successors and assigns, to those sanctions specified in the Grant Agreement. The Subrecipient hereby certifies to the City and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

(b) The Subrecipient shall comply with these “Section 3” requirements and shall include the following language in all Subcontracts:

“The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701). Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located.”

(c) The Subrecipient further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public

construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

(d) The Subrecipient hereby certifies to the City and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

(e) Notifications. If Subrecipient has a collective bargaining agreement or other contract or understanding with any labor organization or similar group of workers, the Subrecipient shall send to each such labor organization or the Representative of such group of workers a notice advising such labor organization or worker's Representative of its obligations under this Section 9.2, and shall post copies of such notice in conspicuous places available to employees and applicants for employment or training.

(f) Subcontracts. The Subrecipient shall include this Section 3 clause in every Subcontract and shall take appropriate action pursuant to each such Subcontract upon a finding that the Person to receive Program Funds thereunder is in violation of Requirements of Law. The Subrecipient shall not enter into any Subcontract with any Person where Subrecipient has notice or knowledge that such Person has been found in violation of regulations under 24 CFR Part 135 and shall not enter into any Subcontract with any Person unless such Person has first provided Subrecipient with a preliminary statement of ability to comply with the requirements of all applicable Requirements of Law.

9.3. Subcontracts.

(a) Approvals. The Subrecipient shall not enter into any Subcontract to assist with the Subrecipient's performance of its obligations under this Agreement without the written approval of the City prior to the execution of such agreement. The Subrecipient shall provide the City with documentation concerning the selection process prior to its approval of any Subcontract.

(b) Monitoring. In accordance with guidelines to be issued by the City, the Subrecipient shall monitor all Subcontracted services on a regular basis to assure contract compliance. Results of monitoring efforts shall be summarized in written reports and supported with documented evidence of follow-up actions taken to correct areas of noncompliance.

(c) Content. The Subrecipient shall cause all of the provisions of this Agreement in its entirety to be included in and made a part of any Subcontract executed in the performance of this Agreement. Each Subcontract shall comply with and include the provisions required to be included in such Subcontract pursuant to Section 3.08 of Appendix C.

(d) Selection Process. The Subrecipient shall undertake to insure that all Subcontracts with Contractors entered into by Subrecipient in performing its obligations hereunder shall be awarded on a fair and open competition basis in accordance with applicable procurement requirements including all CDBG Rules. Executed copies of all Subcontracts shall be forwarded to the City. The City shall be provided with the documentation concerning the selection process prior to the execution of any Subcontract.

(e) Performance Requirements and Liquidated Damages. The Subrecipient shall incorporate performance requirements and liquidated damages provisions into each procured contract or agreement.

(f) Local Resources. The City encourages the Subrecipient to understand the local community and use local resources where appropriate. The Subrecipient shall include the following provision in each procured contract or agreement: “Subrecipient encourages the contractor to understand the local community and use local resources where appropriate.”

(g) Indemnification. The Subrecipient shall include the following provision in any Subcontract procured pursuant to this Agreement:

- (i) Neither the Contractor nor any of its employees nor any of its subcontractors is or shall be an agent, servant, or employee of the New York City Economic Development Corporation or the City of New York by virtue of this contract or by virtue of any approval, permit, license, grant, right or other authorization given by the New York City Economic Development Corporation or the City of New York or any of its officers, agents or employees.
- (ii) The Contractor shall defend, indemnify and hold New York City Economic Development Corporation and the City of New York, including their officers and employees, harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages on account of any injuries or death to any person or damage to any property and from costs and expenses to which New York City Economic Development Corporation and the City of New York, including their officers and employees, may be subjected or which they may suffer or incur allegedly arising out of or in connection with any operations of the Contractor and/or its subcontractors to the extent resulting from any negligent act of commission or omission, any intentional tortious act, or failure to comply with the provisions of this agreement or of the law. Insofar as the facts or law relating to any claim would preclude New York City Economic Development Corporation and the City of New York from being completely indemnified by the Contractor, the New York City Economic Development Corporation and the City of New

York shall be partially indemnified by the Contractor to the fullest extent permitted by law.

- (iii) The Contractor shall defend, indemnify and hold New York City Economic Development Corporation and the City of New York, harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages and from costs and expenses to which New York City Economic Development Corporation and the City of New York may be subject to or which they may suffer or incur allegedly arising out of or in connection with any infringement by the Contractor of any copyright, trade secrets, trademark or patent rights or any other property or personal right of any third party by the Contractor and/or its subcontractors in the performance of this Agreement. The Contractor shall defend, indemnify, and hold New York City Economic Development Corporation and the City of New York, harmless regardless of whether or not the alleged infringement arises out of compliance with the Agreement's scope of services/scope of work. Insofar as the facts or law relating to any claim would preclude the New York City Economic Development Corporation and the City of New York from being completely indemnified by the Contractor, the New York City Economic Development Corporation and the City of New York shall be partially indemnified by the Contractor to the fullest extent permitted by law.
- (iv) The indemnification provisions set forth in this section shall not be limited in any way by the Contractor's obligations to obtain and maintain insurance as provided in this section.

(h) Insurance. The Subrecipient shall require the Contractor and any of its subcontractors involved in the performance of this Agreement to maintain the insurance required pursuant to section 4.06 of the Master Agreement.

9.4. Access to Records. The Subrecipient shall cause each Person with whom Subrecipient executes a Subcontract to furnish all information and reports required hereunder and shall permit access to its books, records and accounts by the City or its Representatives, HUD or its agent, other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations and provisions stated herein.

9.5. Subcontract Provisions. The Subrecipient shall include the provisions of Sections 10.1 and 10.2 in every Subcontract or purchase order, specifically or by reference, so that such provisions shall be binding upon each of its own subrecipients or subcontractors.

10. PERSONNEL AND PARTICIPANT CONDITIONS

10.1. Civil Rights, Affirmative Action and Other Requirements. The Subrecipient shall comply with all applicable Requirements of Law, including all applicable Requirements of Law concerning civil rights, non-discrimination in employment and with respect to individuals with disabilities or handicaps, equal opportunity and affirmative action programs, prohibitions on certain activities (including political activities, inherently religious activities, lobbying, political patronage, and nepotism activities), labor standards (including those under the Davis-Bacon Act) and any other Requirements of Law applicable to Subrecipient in connection with this Agreement, the Program or otherwise.

10.2. Minority- and Women-Owned Business (M/WBE). The Subrecipient shall use its best efforts to afford Small Businesses, and Minority and Women's Business Enterprises the maximum practicable opportunity to participate in the performance of this Agreement. The Subrecipient may rely on written representations by businesses regarding their status as Minority and Women's Business Enterprises in lieu of an independent investigation.

10.3. Conflict of Interest. The Subrecipient shall comply with all applicable Requirements of Law concerning conflicts of interest (including the provisions of 24 CFR 84.42 and 24 CFR 570.611).

10.4. Lobbying Certification. The Subrecipient hereby certifies that:

(b) if any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a

Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;

(c) Subrecipient shall require that the language of sub-Sections (a) and (b) of this certification be included in all Subcontracts and that all Contractors shall certify and disclose accordingly; and

(d) this certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Subrecipient acknowledges that Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

11. ENVIRONMENTAL CONDITIONS

11.1. General. The Subrecipient shall comply with all environmental requirements imposed under applicable Requirements of Law. Pursuant to Section 570.503(b)(5)(i) of the CDBG Rules, the Subrecipient shall not be responsible for the environmental responsibilities as described in 24 CFR 570.604 or for the performance of any other Requirements of Law which are to be the obligation or responsibility of any other Person.

(b) Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251, et seq., as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder; and

(c) Environmental Protection Agency regulations pursuant to 40 CFR Part 50, as amended.

11.3. Flood Disaster Protection. In accordance with the requirements of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001), the Subrecipient shall assure that for activities located in an area identified by the Federal Emergency Management Agency as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained as a condition of financial assistance for acquisition or construction purposes (including rehabilitation).

11.4. Lead-Based Paint. The Subrecipient agrees that any construction or rehabilitation of structures containing residential units with assistance provided under this Agreement shall be subject to HUD Lead-Based Paint Regulations at 24 CFR 570.608, and 24 CFR Part 35, Subpart B. Such regulations pertain to all CDBG-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice should also point out that if lead-based paint is found on the property, abatement measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and/or abatement may be conducted.

12. EVENTS OF DEFAULT AND TERMINATION

12.1. Events of Default.

(a) The occurrence and continuance following notice to the Subrecipient and a reasonable opportunity to cure of any of the following events shall constitute an “Event of Default”:

- (i) pursuant to 24 CFR 85.43, if the Subrecipient for any reason materially fails to comply in a timely manner with any terms of this Agreement; or
- (ii) if the Subrecipient uses any Program Funds for Eligible Costs incurred for Eligible Purposes, or Program Assets for any purposes other than one of the Eligible Purposes; or
- (iii) if the Subrecipient submits any Required Reports to the City, HUD or any of their respective Representatives or auditors, which are incorrect or incomplete in any material respect.

(b) If this Agreement is terminated by either Party prior to the end of the Term, the Party terminating this Agreement shall give advance Notice of such termination (a “Termination Notice”) to the other Party of no less than thirty (30) days. All Termination Notices given hereunder shall set forth in reasonable detail the reasons for such termination, the date on which such termination shall become effective, and, in the case of partial termination, the provisions of this Agreement that are to be terminated. If, in the case of a partial termination, the City or HUD in its sole discretion determines that the remaining portion of the award of the Grant Funds contemplated herein will not accomplish the purpose for which such award was made, the City or HUD may terminate this Agreement in its entirety.

12.2. Termination. Upon the occurrence and during the continuance of an Event of Default, the City may take any or all of the following actions, without prejudice to the rights of the City to enforce claims against the Subrecipient:

12.3. Remedies Cumulative. All of the City’s remedies under the Program Documents shall be cumulative, may be exercised simultaneously against the Subrecipient or in such order and with respect to the Subrecipient as the City may deem desirable, and are not intended to be exhaustive.

12.4. Termination for Convenience. This Agreement is subject to the termination for convenience provisions set forth in 24 CFR 85.44.

12.5. Termination Undertakings. Upon the end of the Term or the earlier termination of this Agreement:

(a) Pursuant to Section 570.503(b)(7) of the CDBG Rules, Subrecipient shall promptly transfer to the City by wire transfer to an account designated by the City all Program Funds and other CDBG-DR funds on hand or controlled by the Subrecipient, and all accounts receivable attributable to the use of Program Funds under this Agreement;

(f) Subrecipient shall deliver to the City all Program Documents and other deliverables, if any, as specified in the Scopes of Work.

12.6. Acquired or Improved Real Property. Pursuant to Section 570.503(b)(7) of the CDBG Rules, upon the end of the Term or the earlier termination of this Agreement, if Subrecipient has control over any real property that was acquired or improved by Subrecipient, in whole or in part, with Program Funds in excess of twenty-five thousand dollars (\$25,000), then Subrecipient shall cause such real property to be used for a CDBG National Objective pursuant to Section 570.208 of the CDBG Rules until the date that is the fifth (5th) anniversary of the last day of the Term or the effective date of the earlier termination of this Agreement, or for such longer period of time as the City deems appropriate. If the Subrecipient fails to cause such real property to be used in such manner for such prescribed period of time, then upon receipt of written Notice from the City the Subrecipient shall pay to the City an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG-DR funds for acquisition of, or improvement to, such real property. All such payments shall constitute Program Income to the City. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of such five (5)-year period or such longer period of time as the City may have deemed to be appropriate.

SCHEDULE II

Scope of Work--Neighborhood Game-Changer Investment Competition

General

The activities under this program will be managed by the Subrecipient, which may in its discretion procure Contractor(s) if it deems it necessary to implement such program activities. Consistent with the requirements of this Agreement, the Subrecipient shall be reimbursed for any Eligible Costs incurred in carrying out program activities within eligible budget amounts.

Program activities are focused on jump-starting economic activity in the five key areas - the East and South Shores of Staten Island, Southern Manhattan, Southern Brooklyn, the Brooklyn and Queens East River Waterfront, and South Queens (collectively, the "Impact Areas") by allocating, through "Race-to-the-Top"-style competitions, grants to the most innovative and effective investment ideas for spurring long-term economic growth. Possible ideas could include attraction of growing companies and/or companies of significant size; attraction of companies that serve the needs of underserved populations, including those with disabilities; or other transformative investments in the Impact Areas.

To the extent required by CDBG Rules and Requirements of Law, the activities under this program described below shall be subject to prior approval by HUD. With respect to each activity, Subrecipient and its contractor(s) shall implement the activity in accordance with applicable CDBG Rules and Requirements of Law. Pursuant to 24 CFR 570.503 the following steps shall constitute the scope of work and measurable budget performance benchmarks for the Activity described.

- Subrecipient shall administer the Neighborhood Game-Changer Investment Competition (the "Competition"). As a first step in launching the Competition, the Subrecipient shall, in compliance with HUD requirements, issue a Request for Proposals (the "RFP") intended to harness the best ideas to enhance the vitality, connectivity and economic strength of the Impact Areas. The RFP will invite organizations, businesses, and institutions (each a "Respondent") to submit proposals (each a "Proposal") to execute a "game changing" project and/or program that will catalyze significant long-term economic growth in an Impact Area.
- Proposals will be evaluated based on their ability to generate substantial economic activity in the Impact Areas, create new jobs, demonstrate significant investment on the part of the respondent, bring permanent investment to an Impact Area, increase accessibility of the Impact Areas, leverage CDBG-DR Funds to attract additional public or private investment, and build physical and/or human capital that will make the Impact Areas more resilient, with a preference for Low-Moderate Income ("LMI") areas. Proposals should generate meaningful economic growth both directly, through new job creation, and indirectly, by anchoring new or existing institutions and/or industries and catalyzing significant secondary benefits to the local economies.

- Each Proposal will be reviewed to determine if it is responsive to the RFP criteria and to determine if the activities described in such Proposals are eligible under CDBG Rules.
- Subrecipient shall enter into subcontracts with the award recipients which subcontracts shall comply with all applicable CDBG Rules and Requirements of Law.
- Subrecipient shall be responsible for the implementation of the subcontract provisions including draw down of funds.
- Subrecipient shall be responsible for all required compliance monitoring steps for the subcontracts.

In order to implement the foregoing, Subrecipient will carry out the activities described in the Action Plan for the Neighborhood Game-Changer Competition and in addition to the foregoing shall prepare:

- a scope of work with benchmark timelines
- policies and procedures for the competition
- any needed RFPs for Subcontractor support
- a line item budget to support this Scope of Work

The above work shall become an amendment to this Agreement upon submission of the details of each aspect of such work by Subrecipient to OMB and OMB's written approval, which shall not be withheld based on programmatic preferences. If OMB does not provide its approval, it will work in good faith with Subrecipient to modify the proposed amendment, on terms mutually acceptable to Subrecipient and OMB, in order to implement the Program. To accomplish the above work and to be in compliance with CDBG Rules, Subrecipient shall prepare and provide OMB with a budget delineating the costs to carry out the four steps identified above. Upon approval of the budget by OMB, it shall become a part of this agreement authorizing Subrecipient to incur costs to carry out the plan and program development.

(i) the Agency has received from the City's Office of Management and Budget instructions to proceed, evidencing compliance with the National Environmental Policy Act, as amended, and with regulations of the U.S. Department of Housing and Urban Development, related thereto, found at 24 CFR Part 58; and

(ii) the Contractor has been notified of such instructions by the Agency. Furthermore, the Contractor and the City mutually agree that the Contractor shall not advance any funds, from any source without limitation, to pay for costs intended to be paid for under this Agreement prior to the receipt and notification described in this paragraph (a), and the City shall not reimburse the Contractor for any costs incurred in violation of this provision.

(c) Title VIII of the Civil Rights Act of 1968 (P.L. 90-284; 42 U.S.C. §§ 3602-3620), as amended, which prohibits discrimination in the sale or rental of housing and in the provision of brokerage services based on race, color, religion, sex, national origin, disability, or familial status, and which requires affirmative action in the furtherance of Fair Housing objectives.

(d) Executive Order 11063, as amended by Executive Order 12259, pursuant to regulations issued at 24 CFR Part 107 which prohibits discrimination on the basis of race, color, religion, sex or national origin and requires equal opportunity in housing constructed, operated or provided with federal funds.

(e) Title VI of the Civil Rights Act of 1964 (P.L. 88-352; 42 U.S.C. §§ 2000d *et seq.*) and implementing regulations in 24 CFR Part 1, which states that no person shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any Program or activity made possible by, or resulting from, this agreement. The provisions of this Article 2(d) shall be incorporated in and made a part of all subcontracts executed in connection with this agreement.

(f) Section 3 of the Housing and Urban Development Act of 1968 (P.L. 90-448). Pursuant to 24 CFR § 135.38, the Contractor agrees to the following:

(i) The work to be performed under this Agreement is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701 u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly

persons who are recipients of HUD assistance for housing.

(ii) The parties to this Agreement agree to comply with HUD'S regulations in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this Agreement, the parties to this Agreement certify that they are under no contractual or other impediments that would prevent them from complying with the Part 135 regulations.

(iii) The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

(iv) The Contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the Subcontractor is in violation of the regulations in 24 CFR Part 135. The Contractor will not subcontract with any Subcontractor where the Contractor has notice or knowledge that the Subcontractor has been found in violation of the regulations in 24 CFR Part 135.

(v) The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected but before the Agreement is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 CFR Part 135.

(vi) Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this Agreement for default, and debarment or suspension from future HUD assisted contracts.

(vii) With respect to work performed in connection with Section 3 covered Indian Housing Assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this Agreement. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this Agreement that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).

(g) Lead-Based Paint Poison Prevention provisions found in 24 CFR § 570.608, the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821-4846), the Residential Lead Based Paint Hazard Reduction Act of 1992 (U.S.C. §§ 4851-4856, and 24 CFR Part 35, subparts A, B, J, K, and R. This Article 2(f) is to be included in all subcontracts, for work in connection with this Agreement, which

relate to residential structures.

(h) Pursuant to the provisions in 24 CFR § 570.605, Section 202(a) of the Flood Disaster Protection Act of 1973 (42 U.S.C. § 4106), and the regulations in 44 CFR Parts 59-79 apply to this Agreement.

(i) Consistent with 24 CFR § 570.614, the Contractor warrants that all services, programs, and/or Construction (including design and alteration) under this Agreement shall be performed in accordance with all federal, state and local laws and regulations regarding accessibility standards for persons with disabilities including, but not limited to, the following: Section 504 of the Rehabilitation Act, the Architectural Barriers Act of 1968 (42 U.S.C. § 4151-4157), the Uniform Federal Accessibility Standards (Appendix A to 24 CFR Part 40 and Appendix A to 41 CFR Part 101-19, subpart 101-19.6), and the Americans with Disabilities Act (42 U.S.C. § 12131; 47 U.S.C. §§ 155, 201, 218, and 225).

(j) The Historic Preservation Act of 1966 (P.L. 89-665; 16 U.S.C. §§ 470 *et seq.*), the Archeological and Historic Preservation Act of 1974 (P.L. 93-291; 16 U.S.C. §§ 469-469c), Executive Order 11593 and regulations at 36 CFR Part 800. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a Federal, state, or local historic property list.

(k) The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. §§ 4601-4655) and regulations at 49 CFR Part 24.

(l) Uniform Administrative Requirements.

(i) Subrecipients that are governmental entities, including those that are public agencies or authorities, shall comply with the following:

1. Federal Office of Management and Budget (OMB) circular A-87, Cost Principles for State, Local and Indian Tribal Governments;

3. The sections of 24 CFR Part 84, Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and other Non-Profit Organizations, that are set forth in 24 CFR § 570.502(b). The provisions of 24 CFR Part 84 implement OMB circular A-110;
4. Federal Office of Management and Budget (OMB) Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations (rev. 6/27/03).
5. Execution of a subrecipient agreement.

(iii) Contractors shall comply with the provisions of 24 CFR Part 85 and 48 CFR Part 31, as applicable.

(m) The Contractor agrees that if any income is generated from the Community Development Block Grant Program funded activities, Contractor shall return such income to the City's Community Development Block Grant Program unless expressly authorized by the City. Such funds are subject to all applicable requirements governing the use of Community Development Block Program Funds, including 24 CFR § 570.503(b)(3), which provides that, at the end of the program year, the City may require remittance of all or part of any program income balances (including investments thereof) held by the Subrecipient (except those needed for immediate cash needs, cash balances of a revolving loan fund, cash balances from a lump sum drawdown, or cash or investments held for section 108 security needs).

(n) If the Contractor is, or may be deemed to be, a religious or denominational institution or organization operated for religious purposes which is supervised or controlled by or in connection with a religious or denominational institution or organization, the Contractor agrees that in connection with services to be provided under this Agreement:

(i) it shall not discriminate against any employee or applicant for employment on the basis of religion and shall not limit employment or give preference in employment to persons on the basis of religion.

(ii) it shall not discriminate against any person applying for such public services on the basis of religion or religious belief and shall not limit such services or give preference to persons on the basis of religion or religious belief.

(iii) it shall provide no religious instruction or counseling, conduct no religious worship or services, engage in no religious proselytizing, and exert no other religious influence in the provision of such public services.

(iv) it shall not use CDBG funds for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. CDBG funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under 24 CFR Part 570. Where a structure is used for both eligible and inherently religious activities, CDBG funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to CDBG funds in 24 CFR Part 570. Sanctuaries, chapels, or other rooms that a CDBG-funded

religious congregation uses as its principal place of worship, however, are ineligible for CDBG-funded improvements. Disposition of real property is subject to 24 CFR § 570.200(j)(5).

(o) Executive Order 11246, as amended, and the implementing regulations contained in 41 CFR Chapter 60, as amended, prohibit discrimination in employment due to race, color, religion, sex or national origin during the performance of all Federal or federally assisted contracts.

(i) during the performance of this Agreement the Contractor agrees as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, sex, religion or national origin.
3. The Contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other Agreement or understanding, a notice to be provided by the Agency contracting officer, advising the labor union or worker's representatives of the Contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, as amended, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, as amended, and of the rules, regulations and relevant orders of the Secretary of Labor.
5. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, as amended, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the Department and the Secretary of Labor for purposes of investigations to ascertain compliance with such rules, regulations, and orders.
6. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules,

regulations, or orders, this Agreement may be cancelled, terminated or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted Construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, as amended, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, as amended, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

7. The Contractor will include the provisions of this Article 2(n) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, as amended, so that provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions, including sanctions for non-compliance: Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into such litigation to protect the interest of the United States.

(p) The Contractor agrees that if it enters a Construction subcontract as part of its Agreement with the City, and this Construction subcontract is for an amount more than \$10,000, the notice found at FEDERAL EXHIBIT 1 of this Agreement must be included in that Construction subcontract.

ARTICLE 3
ADDITIONAL FEDERAL CONDITIONS FOR CONSTRUCTION

In the event that this Agreement involves Construction work, design for Construction or Construction services, all such work or services performed or administered by the Contractor shall be subject to the following requirements in addition to those set forth in Article 2.

- (a) Federal Labor Standards: The Contractor will comply with the following:
 - (i) The Davis-Bacon Act (40 U.S.C. §§ 3141 et seq.): In Construction contracts involving an excess of \$2000, unless exclusively in connection with the rehabilitation of residential property containing fewer than 8 units, all laborers and mechanics must be paid at a rate not less than those determined by the Secretary of Labor to be prevailing for the City, which rates are to be provided by the Agency. These wage rates are a federally mandated minimum only, and will be superseded by any State or City requirement mandating higher wage rates. The Contractor also agrees to comply with Department of Labor Regulations pursuant to the Davis-Bacon Act found in 29 CFR Parts 1, 3, 5 and 7 which enforce statutory labor standards provisions.
 - (ii) Sections 103 and 107 of the Contract Work Hours and Safe Standards Act (40 U.S.C. §§ 3701 *et seq.*), which provides that no laborer or mechanic shall be required or permitted to work more than eight hours in a calendar day or in excess of forty hours in any workweek, unless such laborer or mechanic is paid at an overtime rate of 1½ times his/her basic rate of pay for all hours worked in excess of these limits, under any Construction Agreement costing in excess of \$2000. In the event of a violation of this provision, the Contractor shall not only be liable to any affected employee for his/her unpaid wages, but shall be additionally liable to the United States for liquidated damages.
 - (iii) The Copeland “Anti-Kickback” Act (18 U.S.C. § 874), as supplemented by the regulations contained in 29 CFR Part 3, requiring that all laborers and mechanics shall be paid unconditionally and not less often than once a week, and prohibiting all but “permissible” salary deductions.
 - (iv) The more complete detailed statement of Federal Labor Standards annexed hereto as FEDERAL EXHIBIT 2.
 - (v) The provisions of Article 3(a) of this Agreement shall be included in all subcontracts for work in connection with this Agreement.
- (b) Executive Order 11246, as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 CFR chapter 60) for Construction contracts or subcontracts in excess of \$10,000.

Standard Federal Equal Employment Opportunity Construction Contract Specifications for Contracts and Subcontracts in Excess of \$10,000.

1. As used in these specifications:
 - a. “Covered area” means the geographical area described in the solicitation from which this Agreement resulted;
 - b. “Director” means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;
 - c. “Employer identification number” means the Federal Social Security number used on the Employer’s Quarterly Federal Tax Return, U.S. Treasury Department Form 941.
 - d. “Minority” includes:
 - (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
 - (ii) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);
 - (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
 - (iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).
2. Whenever the Contractor, or any Subcontractor at any tier, subcontracts a portion of the work involving any Construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this Agreement resulted.
3. If the Contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each Contractor or Subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other Contractors or Subcontractors toward a goal in an approved Plan does not excuse any covered Contractor’s or Subcontractor’s failure to take good faith efforts to achieve the Plan goals and timetables.
4. The Contractor shall implement the specific affirmative action standards provided in paragraphs 7 a

through p of these specifications. The goals set forth in the solicitation from which this Agreement resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each Construction trade in which it has employees in the covered area. Covered Construction Contractors performing Construction work in geographical areas where they do not have a Federal or federally assisted Construction contract shall apply the minority and female goals established for the geographical areas where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The Contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.

5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.
6. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.
7. The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:
 - a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Construction project. The Contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
 - b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organization's responses.
 - c. Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

d. Provide immediate written notification to the Director when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.

f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where Construction work is performed.

g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on-site supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of Construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

i. Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a Contractor's work force.

k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.

l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

m. Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.

n. Ensure that all facilities and company activities are non-segregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female Construction contractors and suppliers, including circulation of solicitations to minority and female Contractor associations and other business associations.

p. Conduct a review, at least annually, of all supervisor's adherence to and performance under the Contractor's EEO policies and affirmative action obligations.

8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (7a through p). The efforts of a Contractor association, joint Contractor-union, Contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under 7a through p of these specifications provided that the Contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the Program are reflected in the Contractor's minority and female work force participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.

9. A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).

10. The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

11. The Contractor shall not enter into any Subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246 or suspended or is otherwise excluded from or ineligible for participation in federal assistance programs.

12. The Contractor shall carry out such sanctions and penalties for violation of these

specifications and of the Equal Opportunity Clause, including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any Contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.

13. The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR 60-4.8.

14. The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, Construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, Contractors shall not be required to maintain separate records.

15. Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for hiring of local or other areas residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

ARTICLE 4 **NONDISCRIMINATION**

(a) The Contractor shall not, in any Program or activity receiving funds under this Agreement, discriminate against any person on the grounds of race, color, national origin, religion, sex, age, or disability. The Contractor agrees to comply with provisions of 24 CFR Part 6, 8, and 146.

ARTICLE 5 **RECORDS AND AUDITS**

(a) Records shall be maintained in accordance with requirements prescribed by HUD and/or the City with respect to all matters covered by this Agreement and retained for at least three years after the City makes final payments and all other pending matters concerning this Agreement are closed.

(b) At such times on such forms as HUD and/or the City may require, there shall be furnished to HUD and/or the City such statements, records, reports, data and information, as HUD and/or the City may request pertaining to matters covered by this Agreement. At a minimum, such forms will include the following:

- (i) Annual Data Collection Report forms for the purpose of including specific Program description, accomplishment, expenditure and beneficiary information in the City's Annual Performance Report.

- (ii) Annual Property Register forms for the purpose of tracking the use of CDBG purchased real property.

(c) At any time during normal business hours and as often as the City, the Agency, HUD, Inspector General, U.S. General Accounting Office, and/or the Comptroller General of the United States may deem necessary, the Contractor shall make available for examination to the City, HUD, Inspector General, U.S. General Accounting Office and/or representatives of the Comptroller General all of its books, accounts, records, reports, files, and other papers or property with respect to all matters covered by this Agreement and shall permit the City, HUD and/or representatives of the Comptroller General and the U.S. General Accounting Office to audit, examine, make excerpts of, and make transcriptions from such books, accounts, records, reports, files, and other papers or property and to make audits of all contracts, invoices, materials, payrolls, records or personnel, conditions of employment and other data relating to all matters covered by this Agreement.

ARTICLE 6

UNEARNED PAYMENTS

Unearned payments under this Agreement may be suspended or terminated upon refusal to accept any additional conditions that may be imposed by HUD at any time, or if the Grant to the City under the Act is suspended or terminated. Unearned payments received by the Contractor will be returned to the City. All interest on funds advanced to the Contractor will be returned to the City.

ARTICLE 7

DISBURSEMENT RESTRICTIONS

No money under this Agreement shall be disbursed by the Agency to any Contractor except pursuant to a written contract which incorporates the applicable Supplementary General Conditions and unless the Contractor is in compliance with HUD requirements with regard to accounting and fiscal matters, to the extent they are applicable, and provided that the Agency has completed HUD requirements, including but not limited to environmental certifications pursuant to 24 CFR 58.

ARTICLE 8

DOCUMENTATION OF COSTS

Federal Labor Standards Provisions

**U.S. Department of Housing
and Urban Development
Office of Labor Relations**

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (I) **Minimum Wages.** All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section I(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(II) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(II) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(II)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(III) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(IV) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract in the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (I) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been

communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(II) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) **Apprentices.** Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who

is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) **Trainees.** Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(III) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (I) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be

awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(II) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(III) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1010, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration . . . makes, utters or publishes any statement knowing the same to be false . . . shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

(3) Withholding for unpaid wages and liquidated damages. (4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. (3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. 2. REPRESENTATIONS AND WARRANTIES

Section 2.01 Procurement of Agreement

A. The Contractor represents and warrants that no person or entity (other than an officer, partner, or employee working solely for the Contractor) has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for a commission, percentage, brokerage fee, contingent fee or any other direct or indirect compensation. Notwithstanding the preceding sentence, the Contractor may retain consultants to draft proposals, negotiate contracts, and perform other similar services. The Contractor further represents and warrants that no payment, gift, or thing of value has been made, given, or promised to obtain this or any other agreement between the parties. The Contractor makes such representations and warranties to induce the City to enter into this Agreement and the City relies upon such representations and warranties in the execution of this Agreement.

B. For any breach or violation of the representations and warranties set forth in Paragraph A above, the Commissioner shall have the right to annul this Agreement without liability, entitling the City to recover all monies paid to the Contractor; and the Contractor shall not make claim for, or be entitled to recover, any sum or sums due under this Agreement. The rights and remedies of the City provided in this Section are not exclusive and are in addition to all other rights and remedies allowed by Law or under this Agreement.

Section 2.02 Conflicts of Interest

A. The Contractor represents and warrants that neither it nor any of its directors, officers, members, partners or employees, has any interest nor shall they acquire any interest, directly or indirectly, which conflicts in any manner or degree with the performance of this Agreement. The Contractor further represents and warrants that no person having such interest or possible interest shall be employed by or connected with the Contractor in the performance of this Agreement.

B. Consistent with Charter § 2604 and other related provisions of the Charter, the Admin. Code and the New York State Penal Law, no elected official or other officer or employee of the City, nor any person whose salary is payable, in whole or in part, from the City Treasury, shall participate in any decision relating to this Agreement which affects his or her personal interest or the interest of any corporation, partnership or other entity in which he or she is,

directly or indirectly, interested; nor shall any such official, officer, employee, or person have any interest in, or in the proceeds of, this Agreement. This Paragraph B shall not prevent directors, officers, members, partners, or employees of the Contractor from participating in decisions relating to this Agreement where their sole personal interest is in the Contractor.

C. The Contractor shall not employ a person or permit a person to serve as a member of the Board of Directors or as an officer of the Contractor if such employment or service would violate Chapter 68 of the Charter.

D. Except as provided in Paragraph E below, the Contractor's employees and members of their immediate families, as defined in Paragraph F below, may not serve on the Board of Directors of the Contractor ("Board"), or any committee with authority to order personnel actions affecting his or her job, or which, either by rule or by practice, regularly nominates, recommends or screens candidates for employment in the program to be operated pursuant to this Agreement.

E. If the Board has more than five (5) members, then Contractor's employees and members of their immediate families may serve on the Board, or any committee with authority to order personnel actions affecting his or her job, or which, either by rule or by practice, regularly nominates, recommends or screens candidates for employment in the program to be operated pursuant to this Agreement, provided that (i) Contractor's employees and members of their immediate families are prohibited from voting on any such personnel matters, including but not limited to any matters directly affecting their own salary or other compensation, and shall fully disclose all conflicts and potential conflicts to the Board, and (ii) Contractor's employees and members of their immediate families may not serve in the capacity either of Chairperson or Treasurer of the Board (or equivalent titles), nor constitute more than one-third of either the Board or any such committee.

F. Without the prior written consent of the Commissioner, no person may hold a job or position with the Contractor over which a member of his or her immediate family exercises any supervisory, managerial or other authority whatsoever whether such authority is reflected in a job title or otherwise, unless such job or position is wholly voluntary and unpaid. A member of an immediate family includes: husband, wife, domestic partner, father, father-in-law, mother, mother-in-law, brother, brother-in-law, sister, sister-in-law, son, son-in-law, daughter, daughter-in-law, niece, nephew, aunt, uncle, first cousin, and separated spouse. Where a member of an immediate family has that status because of that person's relationship to a spouse (e.g., father-in-law), that status shall also apply to a relative of a domestic partner. For purposes of this Section, a member of the Board is deemed to exercise authority over all employees of the Contractor.

G. If the Contractor has contracts with the City that in the aggregate during any twelve-month period have a value of more than One Million Dollars (\$1,000,000) and such amount constitutes more than fifty percent (50%) of the Contractor's total revenues, then the Contractor must have a minimum of five (5) persons on its Board.

H. Paragraphs D-H of this Section 2.02 apply only if Contractor is a not-for-profit corporation.

Section 2.03 Fair Practices

A. The Contractor and each person signing on its behalf certifies, under penalties of perjury, that to the best of its, his or her knowledge and belief:

1. The prices and other material terms set forth in this Agreement have been arrived at independently, without collusion, consultation, communication, or agreement with any other bidder or proposer or with any competitor as to any matter relating to such prices or terms for the purpose of restricting competition;

2. Unless otherwise required by Law or where a schedule of rates or prices is uniformly established by a government agency through regulation, policy or directive, the prices and other material terms set forth in this Agreement which have been quoted in this Agreement and on the bid or proposal submitted by the Contractor have not been knowingly disclosed by the Contractor, directly or indirectly, to any other bidder or proposer or to any competitor prior to the bid or proposal opening; and

3. No attempt has been made or will be made by the Contractor to induce any other person or entity to submit or not to submit a bid or proposal for the purpose of restricting competition.

B. The fact that the Contractor (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has sold the same items to other customers at the same prices and/or terms being bid or proposed, does not constitute, without more, a disclosure within the meaning of this Section.

Section 2.04 VENDEX

The Contractor represents and warrants that it and its principals have duly executed and filed all required VENDEX Questionnaires and, if applicable, Certificates of No Change, pursuant to PPB Rule § 2-08 and in accordance with the policies and procedures of the Mayor's Office of Contract Services. The Contractor understands that the Department's reliance upon the completeness and veracity of the information stated therein is a material condition to the execution of this Agreement, and represents and warrants that the information it and its principals have provided is accurate and complete.

Section 2.05 Political Activity

The Contractor's provision of services under this Agreement shall not include any partisan political activity or any activity to further the election or defeat of any candidate for public, political, or party office, nor shall any of the funds provided under this Agreement be used for such purposes.

Section 2.06 Religious Activity

There shall be no religious worship, instruction or proselytizing as part of or in connection with the Contractor's provision of services under this Agreement, nor shall any of the funds provided under this Agreement be used for such purposes.

Section 2.07 Unlawful Discriminatory Practices: Admin. Code § 6-123

As required by Admin. Code § 6-123, the Contractor will not engage in any unlawful discriminatory practice as defined in and pursuant to the terms of Title 8 of the City Administrative Code. The Contractor shall include a provision in any agreement with a first-level subcontractor performing services under this Agreement for an amount in excess of Fifty Thousand Dollars (\$50,000) that such subcontractor shall not engage in any such unlawful discriminatory practice.

Section 2.08 Bankruptcy and Reorganization

In the event that the Contractor files for bankruptcy or reorganization under Chapter Seven or Chapter Eleven of the United States Bankruptcy Code, the Contractor shall disclose such action to the Department within seven (7) days of filing.

3. ASSIGNMENT AND SUBCONTRACTING

Section 3.01 Assignment

A. The Contractor shall not assign, transfer, convey or otherwise dispose of this Agreement, or the right to execute it, or the right, title or interest in or to it or any part of it, or assign, by power of attorney or otherwise, any of the monies due or to become due under this Agreement, without the prior written consent of the Commissioner. The giving of any such consent to a particular assignment shall not dispense with the necessity of such consent to any further or other assignments. Any such assignment, transfer, conveyance or other disposition without such written consent shall be void.

B. Before entering into any such assignment, transfer, conveyance or other disposal of this Agreement, the Contractor shall submit a written request for approval to the Department giving the name and address of the proposed assignee. The proposed assignee's VENDEX questionnaire must be submitted within thirty (30) Days after the ACCO has granted preliminary written approval of the proposed assignee, if required. Upon the request of the Department, the Contractor shall provide any other information demonstrating that the proposed assignee has the necessary facilities, skill, integrity, past experience and financial resources to perform the specified services in accordance with the terms and conditions of this Agreement. The Agency shall make a final determination in writing approving or disapproving the assignee after receiving all requested information.

C. Failure to obtain the prior written consent to such an assignment, transfer, conveyance, or other disposition may result in the revocation and annulment of this Agreement, at the option of the Commissioner. The City shall thereupon be relieved and discharged from

any further liability and obligation to the Contractor, its assignees, or transferees, who shall forfeit all monies earned under this Agreement, except so much as may be necessary to pay the Contractor's employees.

D. The provisions of this Section shall not hinder, prevent, or affect an assignment by the Contractor for the benefit of its creditors made pursuant to the Laws of the State.

E. This Agreement may be assigned, in whole or in part, by the City to any corporation, agency, or instrumentality having authority to accept such assignment. The City shall provide the Contractor with written notice of any such assignment.

Section 3.02 Subcontracting

A. The Contractor shall not enter into any subcontract for an amount greater than Five Thousand Dollars (\$5,000) for the performance of its obligations, in whole or in part, under this Agreement without the prior approval by the Department of the subcontractor. The Department hereby grants approval for all subcontracts for an amount that does not exceed Five Thousand Dollars (\$5,000). The Contractor must submit monthly reports to the Department indicating all such subcontractors. All subcontracts must be in writing.

B. Prior to entering into any subcontract for an amount greater than Five Thousand Dollars (\$5,000), the Contractor shall submit a written request for the approval of the proposed subcontractor to the Department giving the name and address of the proposed subcontractor and the portion of the services that it is to perform and furnish. At the request of the Department, a copy of the proposed subcontract shall be submitted to the Department. The proposed subcontractor's VENDEX Questionnaire must be submitted, if required, within thirty (30) Days after the ACCO has granted preliminary approval of the proposed subcontractor. Upon the request of the Department, the Contractor shall provide any other information demonstrating that the proposed subcontractor has the necessary facilities, skill, integrity, past experience and financial resources to perform the specified services in accordance with the terms and conditions of this Agreement. The Agency shall make a final determination in writing approving or disapproving the subcontractor after receiving all requested information. For proposed subcontracts that do not exceed Twenty-five Thousand Dollars (\$25,000), the Department's approval shall be deemed granted if the Department does not issue a written approval or disapproval within forty-five (45) Days of the Department's receipt of the written request for approval or, if applicable, within forty-five (45) Days of the Department's acknowledged receipt of fully completed VENDEX Questionnaires for the subcontractor.

C. All subcontracts shall contain provisions specifying that:

1. The work performed by the subcontractor must be in accordance with the terms of the agreement between the City and the Contractor;

2. Nothing contained in the agreement between the Contractor and the subcontractor shall impair the rights of the City;

3. Nothing contained in the agreement between the Contractor and the subcontractor, or under the agreement between the City and the Contractor, shall create any contractual relation between the subcontractor and the City; and

4. The subcontractor specifically agrees to be bound by Section 4.07 and Article 5 of this Appendix C and specifically agrees that the City may enforce such provisions directly against the subcontractor as if the City were a party to the subcontract.

D. The Contractor agrees that it is as fully responsible to the Department for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by such subcontractors as it is for the acts and omissions of any person directly employed by it.

E. For determining the value of a subcontract, all subcontracts with the same subcontractor shall be aggregated.

F. The Department may revoke the approval of a subcontractor granted or deemed granted pursuant to Paragraphs (A) and (B) of this section if revocation is deemed to be in the interest of the City in writing on no less than ten (10) Days' notice unless a shorter period is warranted by considerations of health, safety, integrity issues or other similar factors. Upon the effective date of such revocation, the Contractor shall cause the subcontractor to cease all work under the Agreement. The City shall not incur any further obligation for services performed by such subcontractor pursuant to this Agreement beyond the effective date of the revocation. The City shall pay for services provided by the subcontractor in accordance with this Agreement prior to the effective date of revocation.

G. The Department's approval of a subcontractor shall not relieve the Contractor of any of its responsibilities, duties and liabilities under this Agreement. At the request of the Department, the Contractor shall provide the Department a copy of any subcontract.

H. Individual employer-employee contracts are not subcontracts subject to the requirements of this Section.

4. LABOR PROVISIONS

Section 4.01 Independent Contractor Status

The Contractor and the Department agree that the Contractor is an independent contractor and not an employee of the Department or the City. Accordingly, neither the Contractor nor its employees or agents will hold themselves out as, or claim to be, officers or employees of the City, or of any department, agency or unit of the City, by reason of this Agreement, and they will not, by reason of this Agreement, make any claim, demand or application to or for any right or benefit applicable to an officer or employee of the City, including, but not limited to, Workers' Compensation coverage, Disability Benefits coverage, Unemployment Insurance benefits, Social Security coverage or employee retirement membership or credit.

Section 4.02 Employees

All persons who are employed by the Contractor and all consultants or independent contractors who are retained by the Contractor to perform services under this Agreement are neither employees of the City nor under contract with the City. The Contractor, and not the City, is responsible for their work, direction, compensation, and personal conduct while engaged under this Agreement. Nothing in the Agreement shall impose any liability or duty on the City for the acts, omissions, liabilities or obligations of the Contractor, or any officer, employee, or agent of the Contractor, or for taxes of any nature, or for any right or benefit applicable to an officer or employee of the City, including, but not limited to, Workers' Compensation coverage, Disability Benefits coverage, Unemployment Insurance benefits, Social Security coverage or employee retirement membership or credit. Section 4.03 Removal of Individuals Performing Work

The Contractor shall not have anyone perform work under this Agreement who is not competent, faithful and skilled in the work for which he or she shall be employed. Whenever the Commissioner shall inform the Contractor, in writing, that any individual is, in his or her opinion, incompetent, unfaithful, or unskilled, such individual shall no longer perform work under this Agreement. Prior to making a determination to direct a Contractor that an individual shall no longer perform work under this Agreement, the Commissioner shall provide the Contractor an opportunity to be heard on no less than five (5) Days' written notice. The Commissioner may direct the Contractor not to allow the individual from performing work under the Agreement pending the opportunity to be heard and the Commissioner's determination.

Section 4.04 Minimum Wage

Except for those employees whose minimum wage is required to be fixed pursuant to Sections 220 or 230 of the New York State Labor Law or by City Administrative Code § 6-109, all persons employed by the Contractor in the performance of this Agreement shall be paid, without subsequent deduction or rebate, unless expressly authorized by Law, not less than the minimum wage as prescribed by Law. Any breach of this Section shall be deemed a material breach of this Agreement.

Section 4.05 Non-Discrimination: New York State Labor Law § 220-e

A. If this Agreement is for the construction, alteration or repair of any public building or public work or for the manufacture, sale, or distribution of materials, equipment, or supplies, the Contractor agrees, as required by New York State Labor Law § 220-e, that:

1. In the hiring of employees for the performance of work under this Agreement or any subcontract hereunder, neither the Contractor, subcontractor, nor any person acting on behalf of such Contractor or subcontractor, shall by reason of race, creed, color, disability, sex or national origin discriminate against any citizen of the State

of New York who is qualified and available to perform the work to which the employment relates;

2. Neither the Contractor, subcontractor, nor any person on his or her behalf shall, in any manner, discriminate against or intimidate any employee hired for the performance of work under this Agreement on account of race, creed, color, disability, sex or national origin;

3. There may be deducted from the amount payable to the Contractor by the City under this Agreement a penalty of Fifty Dollars (\$50) for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of this Agreement; and

4. This Agreement may be terminated by the City, and all monies due or to become due hereunder may be forfeited, for a second or any subsequent violation of the terms or conditions of this Section.

B. The provisions of this Section shall be limited to operations performed within the territorial limits of the State of New York.

Section 4.06 Non-Discrimination: Admin. Code § 6-108

If this Agreement is for the construction, alteration or repair of buildings or the construction or repair of streets or highways, or for the manufacture, sale, or distribution of materials, equipment or supplies, the Contractor agrees, as required by New York City Administrative Code § 6-108, that:

A. It shall be unlawful for any person engaged in the construction, alteration or repair of buildings or engaged in the construction or repair of streets or highways pursuant to a contract with the City or engaged in the manufacture, sale or distribution of materials, equipment or supplies pursuant to a contract with the City to refuse to employ or to refuse to continue in any employment any person on account of the race, color or creed of such person.

B. It shall be unlawful for any person or any servant, agent or employee of any person, described in Paragraph A above, to ask, indicate or transmit, orally or in writing, directly or indirectly, the race, color, creed or religious affiliation of any person employed or seeking employment from such person, firm or corporation.

C. Breach of the foregoing provisions shall be deemed a breach of a material provision of this Agreement.

D. Any person, or the employee, manager or owner of or officer of such firm or corporation who shall violate any of the provisions of this Section shall, upon conviction thereof, be punished by a fine of not more than One Hundred Dollars (\$100) or by imprisonment for not more than thirty (30) Days, or both.

Section 4.07 Non-Discrimination: E.O. 50 -- Equal Employment Opportunity

A. This Agreement is subject to the requirements of City Executive Order No. 50 (1980) ("E.O. 50"), as revised, and the rules set forth at 66 RCNY § 10-01 et seq. No agreement will be awarded unless and until these requirements have been complied with in their entirety. The Contractor agrees that it:

1. Will not discriminate unlawfully against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, marital status, sexual orientation or citizenship status with respect to all employment decisions including, but not limited to, recruitment, hiring, upgrading, demotion, downgrading, transfer, training, rates of pay or other forms of compensation, layoff, termination, and all other terms and conditions of employment;

2. Will not discriminate unlawfully in the selection of subcontractors on the basis of the owners', partners' or shareholders' race, color, creed, national origin, sex, age, disability, marital status, sexual orientation, or citizenship status;

3. Will state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that all qualified applicants will receive consideration for employment without unlawful discrimination based on race, color, creed, national origin, sex, age, disability, marital status, sexual orientation or citizenship status, and that it is an equal employment opportunity employer;

4. Will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or memorandum of understanding, written notification of its equal employment opportunity commitments under E.O. 50 and the rules and regulations promulgated thereunder;

5. Will furnish before this Agreement is awarded all information and reports including an Employment Report which are required by E.O. 50, the rules and regulations promulgated thereunder, and orders of the City Department of Small Business Services, Division of Labor Services ("DLS"); and

6. Will permit DLS to have access to all relevant books, records, and accounts for the purposes of investigation to ascertain compliance with such rules, regulations, and orders.

B. The Contractor understands that in the event of its noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations, or orders, such noncompliance shall constitute a material breach of this Agreement and noncompliance with E.O. 50 and the rules and regulations promulgated thereunder. After a hearing held pursuant to the rules of DLS, the Director of DLS may direct the Commissioner to impose any or all of the following sanctions:

1. Disapproval of the Contractor; and/or

2. Suspension or termination of the Agreement; and/or
3. Declaring the Contractor in default; and/or
4. In lieu of any of the foregoing sanctions, imposition of an employment program.

C. Failure to comply with E.O. 50 and the rules and regulations promulgated thereunder in one or more instances may result in the Department declaring the Contractor to be non-responsible.

D. The Contractor agrees to include the provisions of the foregoing Paragraphs in every subcontract or purchase order in excess of One Hundred Thousand Dollars (\$100,000) to which it becomes a party unless exempted by E.O. 50 and the rules and regulations promulgated thereunder, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Director of DLS as a means of enforcing such provisions including sanctions for noncompliance. A supplier of unfinished products to the Contractor needed to produce the item contracted for shall not be considered a subcontractor or vendor for purposes of this Paragraph.

E. The Contractor further agrees that it will refrain from entering into any subcontract or modification thereof subject to E.O. 50 and the rules and regulations promulgated thereunder with a subcontractor who is not in compliance with the requirements of E.O. 50 and the rules and regulations promulgated thereunder. A supplier of unfinished products to the Contractor needed to produce the item contracted for shall not be considered a subcontractor for purposes of this Paragraph.

F. Nothing contained in this Section shall be construed to bar any religious or denominational institution or organization, or any organization operated for charitable or educational purposes, that is operated, supervised or controlled by or in connection with a religious organization, from lawfully limiting employment or lawfully giving preference to persons of the same religion or denomination or from lawfully making such selection as is calculated by such organization to promote the religious principles for which it is established or maintained.

In addition, if any litigation, claim, or audit concerning this Agreement has commenced before the expiration of the six-year period, the records must be retained until the completion of such litigation, claim, or audit. Any books, records and other documents that are created in an electronic format in the regular course of business may be retained in an electronic format. Section 5.03 Inspection

A. At any time during the Agreement or during the record retention period set forth in section 5.02, the City, including the Department and the Department’s Office of the Inspector General, as well as City, State and federal auditors and any other persons duly authorized by the City shall, upon reasonable notice, have full access to and the right to examine and copy all books, records, and other documents maintained or retained by or on behalf of the Contractor pursuant to this Article. Notwithstanding any provision herein regarding notice of inspection, all books, records and other documents of the Contractor kept pursuant to this Agreement shall be subject to immediate inspection, review, and copying by the Department’s Office of the Inspector General and/or the Comptroller without prior notice and at no additional cost to the City. The Contractor shall make such books, records and other documents available for inspection in the City of New York or shall reimburse the City for expenses associated with the out-of-City inspection.

B. The Department shall have the right to have representatives of the Department or of the City, State or federal government present to observe the services being performed.

C. The Contractor shall not be entitled to final payment until the Contractor has complied with any request for inspection or access given under this Section.

Section 5.04 Audit

A. This Agreement and all books, records, documents, and other evidence required to be maintained or retained pursuant to this Agreement, including all vouchers or invoices presented for payment and the books, records, and other documents upon which such vouchers or invoices are based (e.g., reports, cancelled checks, accounts, and all other similar material), are subject to audit by (i) the City, including the Comptroller, the Department, and the Department’s Office of the Inspector General, (ii) the State, (iii) the federal government, and (iv) other persons

duly authorized by the City. Such audits may include examination and review of the source and application of all funds whether from the City, the State, the federal government, private sources or otherwise.

B. Audits by the City, including the Comptroller, the Department, and the Department's Office of the Inspector General, are performed pursuant to the powers and responsibilities conferred by the Charter and the Admin. Code, as well as all orders, rules, and regulations promulgated pursuant to the Charter and Admin. Code.

C. The Contractor shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the Department and by the Comptroller in the exercise of his/her powers under Law.

D. The Contractor shall not be entitled to final payment until the Contractor has complied with the requirements of this Section.

Where performance of this Agreement involves use by the Contractor of any City books, records, documents, or data (in hard copy, or electronic or other format now known or developed in the future) at City facilities or offices, the Contractor shall not remove any such data (in the format in which it originally existed, or in any other converted or derived format) from such facility or office without the prior written approval of the Department's designated official. Upon the request by the Department at any time during the Agreement or after the Agreement has expired or terminated, the Contractor shall return to the Department any City books, records, documents, or data that has been removed from City premises.

Section 5.06 Electronic Records

As used in this Appendix C, the terms books, records, documents, and other data refer to electronic versions as well as hard copy versions.

Section 5.07 Investigations Clause

A. The Contractor agrees to cooperate fully and faithfully with any investigation, audit or inquiry conducted by a State or City agency or authority that is empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath, or conducted by the Inspector General of a governmental agency that is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license that is the subject of the investigation, audit or inquiry.

B. 1. If any person who has been advised that his or her statement, and any information from such statement, will not be used against him or her in any subsequent criminal proceeding refuses to testify before a grand jury or other governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath concerning the award of or performance under any

transaction, agreement, lease, permit, contract, or license entered into with the City, or State, or any political subdivision or public authority thereof, or the Port Authority of New York and New Jersey, or any local development corporation within the City, or any public benefit corporation organized under the Laws of the State, or;

2. If any person refuses to testify for a reason other than the assertion of his or her privilege against self-incrimination in an investigation, audit or inquiry conducted by a City or State governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to take testimony under oath, or by the Inspector General of the governmental agency that is a party in interest in, and is seeking testimony concerning the award of, or performance under, any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision thereof or any local development corporation within the City, then;

C. 1. The Commissioner or Agency Head whose agency is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license shall convene a hearing, upon not less than five (5) Days written notice to the parties involved to determine if any penalties should attach for the failure of a person to testify.

2. If any non-governmental party to the hearing requests an adjournment, the Commissioner or Agency Head who convened the hearing may, upon granting the adjournment, suspend any contract, lease, permit, or license pending the final determination pursuant to Paragraph E below without the City incurring any penalty or damages for delay or otherwise.

D. The penalties that may attach after a final determination by the Commissioner or Agency Head may include but shall not exceed:

1. The disqualification for a period not to exceed five (5) years from the date of an adverse determination for any person, or any entity of which such person was a member at the time the testimony was sought, from submitting bids for, or transacting business with, or entering into or obtaining any contract, lease, permit or license with or from the City; and/or

2. The cancellation or termination of any and all such existing City contracts, leases, permits or licenses that the refusal to testify concerns and that have not been assigned as permitted under this Agreement, nor the proceeds of which pledged, to an unaffiliated and unrelated institutional lender for fair value prior to the issuance of the notice scheduling the hearing, without the City incurring any penalty or damages on account of such cancellation or termination; monies lawfully due for goods delivered, work done, rentals, or fees accrued prior to the cancellation or termination shall be paid by the City.

E. The Commissioner or Agency Head shall consider and address in reaching his or her determination and in assessing an appropriate penalty the factors in Paragraphs (1) and (2) below. He or she may also consider, if relevant and appropriate, the criteria established in

Paragraphs (3) and (4) below, in addition to any other information that may be relevant and appropriate:

1. The party's good faith endeavors or lack thereof to cooperate fully and faithfully with any governmental investigation or audit, including but not limited to the discipline, discharge, or disassociation of any person failing to testify, the production of accurate and complete books and records, and the forthcoming testimony of all other members, agents, assignees or fiduciaries whose testimony is sought.

2. The relationship of the person who refused to testify to any entity that is a party to the hearing, including, but not limited to, whether the person whose testimony is sought has an ownership interest in the entity and/or the degree of authority and responsibility the person has within the entity.

3. The nexus of the testimony sought to the subject entity and its contracts, leases, permits or licenses with the City.

4. The effect a penalty may have on an unaffiliated and unrelated party or entity that has a significant interest in an entity subject to penalties under Paragraph D above, provided that the party or entity has given actual notice to the Commissioner or Agency Head upon the acquisition of the interest, or at the hearing called for in Paragraph (C)(1) above gives notice and proves that such interest was previously acquired. Under either circumstance, the party or entity must present evidence at the hearing demonstrating the potential adverse impact a penalty will have on such person or entity.

F. Definitions

1. The term "license" or "permit" as used in this Section shall be defined as a license, permit, franchise, or concession not granted as a matter of right.

future employment or other benefits or thing of value, by or on behalf of any employee of the City or other person or entity for any purpose that may be related to the procurement or obtaining of this Agreement by the Contractor, or affecting the performance of this Agreement.

Section 5.08 Confidentiality

A. The Contractor agrees to hold confidential, both during and after the completion or termination of this Agreement, all of the reports, information, or data, furnished to, or prepared, assembled or used by, the Contractor under this Agreement. The Contractor agrees that such reports, information, or data shall not be made available to any person or entity without the prior written approval of the Department. The Contractor agrees to maintain the confidentiality of such reports, information, or data by using a reasonable degree of care, and using at least the same degree of care that the Contractor uses to preserve the confidentiality of its own confidential information. In the event that the data contains social security numbers or other Personal Identifying Information, as such term is defined in Paragraph B of this Section, the Contractor shall utilize best practice methods (e.g., encryption of electronic records) to protect the confidentiality of such data. The obligation under this Section to hold reports, information or data confidential shall not apply where the City would be required to disclose such reports, information or data pursuant to the State Freedom of Information Law (“FOIL”), provided that the Contractor provides advance notice to the City, in writing or by e-mail, that it intends to disclose such reports, information or data and the City does not inform the contractor, in writing or by e-mail, that such reports, information, or data are not subject to disclosure under FOIL.

B. The Contractor shall provide notice to the Department within three (3) days of the discovery by the Contractor of any breach of security, as defined in Admin. Code § 10-501(b), of any data, encrypted or otherwise, in use by the Contractor that contains social security numbers or other personal identifying information as defined in Admin. Code § 10-501 (“Personal Identifying Information”), where such breach of security arises out of the acts or omissions of the Contractor or its employees, subcontractors, or agents. Upon the discovery of such security breach, the Contractor shall take reasonable steps to remediate the cause or causes of such breach, and shall provide notice to the Department of such steps. In the event of such breach of security, without limiting any other right of the City, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover the costs of notifications and/or other actions mandated by any Law, or administrative or judicial order, to address the breach, and including any fines or disallowances imposed by the State or federal government as a result of the disclosure. The City shall also have the right to withhold further payments hereunder for the purpose of set-off in sufficient sums to cover the costs of credit monitoring services for the victims of such a breach of security by a national credit reporting agency, and/or any other commercially reasonable preventive measure. The Department shall provide the Contractor with written notice and an opportunity to comment on such measures prior to implementation. Alternatively, at the City’s discretion, or if monies remaining to be earned or paid under this Agreement are insufficient to cover the costs detailed above, the Contractor shall pay directly for the costs, detailed above, if any.

C. The Contractor shall restrict access to confidential information to persons who have a legitimate work related purpose to access such information. The Contractor agrees that it will instruct its officers, employees, and agents to maintain the confidentiality of any and all information required to be kept confidential by this Agreement.

D. The Contractor, and its officers, employees, and agents shall notify the Department, at any time either during or after completion or termination of this Agreement, of any intended statement to the press or any intended issuing of any material for publication in any media of communication (print, news, television, radio, Internet, etc.) regarding the services provided or the data collected pursuant to this Agreement at least twenty-four (24) hours prior to any statement to the press or at least five (5) business Days prior to the submission of the material for publication, or such shorter periods as are reasonable under the circumstances. The Contractor may not issue any statement or submit any material for publication that includes confidential information as prohibited by this Section 5.08.

E. At the request of the Department, the Contractor shall return to the Department any and all confidential information in the possession of the Contractor or its subcontractors. If the Contractor or its subcontractors are legally required to retain any confidential information, the Contractor shall notify the Department in writing and set forth the confidential information that it intends to retain and the reasons why it is legally required to retain such information. The Contractor shall confer with the Department, in good faith, regarding any issues that arise from the Contractor retaining such confidential information. If the Department does not request such information, or the Law does not require otherwise, such information shall be maintained in accordance with the requirements set forth in Section 5.02.

F. A breach of this Section shall constitute a material breach of this Agreement for which the Department may terminate this Agreement pursuant to Article 10. The Department reserves any and all other rights and remedies in the event of unauthorized disclosure.

6. COPYRIGHTS, PATENTS, INVENTIONS, AND ANTITRUST

Section 6.01 Copyrights

A. Any reports, documents, data, photographs, deliverables, and/or other materials produced pursuant to this Agreement, and any and all drafts and/or other preliminary materials in any format related to such items produced pursuant to this Agreement, shall upon their creation become the exclusive property of the City.

B. Any reports, documents, data, photographs, deliverables, and/or other materials provided pursuant to this Agreement (“Copyrightable Materials”) shall be considered “work-made-for-hire” within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. § 101, and the City shall be the copyright owner thereof and of all aspects, elements and components thereof in which copyright protection might exist. To the extent that the Copyrightable Materials do not qualify as “work-made-for-hire,” the Contractor hereby irrevocably transfers, assigns and conveys exclusive copyright ownership in and to the Copyrightable Materials to the City, free and clear of any liens, claims, or other encumbrances.

The Contractor shall retain no copyright or intellectual property interest in the Copyrightable Materials. The Copyrightable Materials shall be used by the Contractor for no purpose other than in the performance of this Agreement without the prior written permission of the City. The Department may grant the Contractor a license to use the Copyrightable Materials on such terms as determined by the Department and set forth in the license.

C. The Contractor acknowledges that the City may, in its sole discretion, register copyright in the Copyrightable Materials with the United States Copyright Office or any other government agency authorized to grant copyright registrations. The Contractor shall fully cooperate in this effort, and agrees to provide any and all documentation necessary to accomplish this.

D. The Contractor represents and warrants that the Copyrightable Materials: (i) are wholly original material not published elsewhere (except for material that is in the public domain); (ii) do not violate any copyright Law; (iii) do not constitute defamation or invasion of the right of privacy or publicity; and (iv) are not an infringement, of any kind, of the rights of any third party. To the extent that the Copyrightable Materials incorporate any non-original material, the Contractor has obtained all necessary permissions and clearances, in writing, for the use of such non-original material under this Agreement, copies of which shall be provided to the City upon execution of this Agreement.

E. If the services under this Agreement are supported by a federal grant of funds, the federal and State government reserves a royalty-free, non-exclusive irrevocable license to reproduce, publish, or otherwise use and to authorize others to use, for federal or State government purposes, the copyright in any Copyrightable Materials developed under this Agreement.

F. If the Contractor publishes a work dealing with any aspect of performance under this Agreement, or with the results of such performance, the City shall have a royalty-free, non-exclusive irrevocable license to reproduce, publish, or otherwise use such work for City governmental purposes.

Section 6.02 Patents and Inventions

The Contractor shall promptly and fully report to the Department any discovery or invention arising out of or developed in the course of performance of this Agreement. If the services under this Agreement are supported by a federal grant of funds, the Contractor shall promptly and fully report to the federal government for the federal government to make a determination as to whether patent protection on such invention shall be sought and how the rights in the invention or discovery, including rights under any patent issued thereon, shall be disposed of and administered in order to protect the public interest.

Section 6.03 Pre-existing Rights

In no case shall Sections 6.01 and 6.02 apply to, or prevent the Contractor from asserting or protecting its rights in any discovery, invention, report, document, data, photograph,

deliverable, or other material in connection with or produced pursuant to this Agreement that existed prior to or was developed or discovered independently from the activities directly related to this Agreement.

Section 6.04 Antitrust

The policy or policies shall include an endorsement to cover the liability assumed by the Contractor under this Agreement arising out of the negligent performance of professional services or caused by an error, omission or negligent act of the Contractor or anyone employed by the Contractor.

B. All subcontractors of the Contractor providing professional services under this Agreement for which Professional Liability Insurance is reasonably commercially available shall

also maintain such insurance in the amount of at least One Million Dollars (\$1,000,000) per claim, and the Contractor shall provide to the Department, at the time of the request for subcontractor approval, evidence of such Professional Liability Insurance on forms acceptable to the Department.

C. Claims-made policies will be accepted for Professional Liability Insurance. All such policies shall have an extended reporting period option or automatic coverage of not less than two (2) years. If available as an option, the Contractor shall purchase extended reporting period coverage effective on cancellation or termination of such insurance unless a new policy is secured with a retroactive date, including at least the last policy year.

Section 7.04 Workers' Compensation, Disability Benefits, and Employer's Liability Insurance

B. All insurance policies shall be primary (and non-contributing) to any insurance or self-insurance maintained by the City.

C. The Contractor shall be solely responsible for the payment of all premiums for all required insurance policies and all deductibles or self-insured retentions to which such policies are subject, whether or not the City is an insured under the policy.

D. There shall be no self-insurance program with regard to any insurance required under this Article unless approved in writing by the Commissioner. Any such self-insurance program shall provide the City with all rights that would be provided by traditional insurance required under this Article, including but not limited to the defense obligations that insurers are required to undertake in liability policies.

E. The City's limits of coverage for all types of insurance required under this Article shall be the greater of (i) the minimum limits set forth in this Article or (ii) the limits provided to the Contractor as Named Insured under all primary, excess, and umbrella policies of that type of coverage.

Section 7.08 Proof of Insurance

A. For Workers' Compensation Insurance, Disability Benefits Insurance, and Employer's Liability Insurance, the Contractor shall file one of the following within ten (10) Days of award of this Agreement. ACORD forms are not acceptable proof of workers' compensation coverage.

5. Other proof of insurance in a form acceptable to the City.

B. For each policy required under this Agreement, except for Workers' Compensation Insurance, Disability Benefits Insurance, Employer's Liability Insurance, and Unemployment Insurance, the Contractor shall file a Certificate of Insurance with the Department within ten (10) Days of award of this Agreement. All Certificates of Insurance shall be (a) in a form acceptable to the City and certify the issuance and effectiveness of such policies of insurance, each with the specified minimum limits; and (b) accompanied by the endorsement in the Contractor's general liability policy by which the City has been made an additional insured pursuant to Section 7.02(B). All Certificate(s) of Insurance shall be accompanied by either a duly executed "Certification by Broker" in the form attached to this Appendix C or copies of all policies referenced in the Certificate of Insurance. If complete policies have not yet been issued, binders are acceptable, until such time as the complete policies have been issued, at which time such policies shall be submitted.

C. Certificates of Insurance confirming renewals of insurance shall be submitted to the Commissioner prior to the expiration date of coverage of policies required under this Article. Such Certificates of Insurance shall comply with the requirements of Section 7.08 (A) and Section 7.08(B), as applicable.

D. The Contractor shall provide the City with a copy of any policy required under this Article upon the demand for such policy by the Commissioner or the New York City Law Department.

E. Acceptance by the Commissioner of a certificate or a policy does not excuse the Contractor from maintaining policies consistent with all provisions of this Article (and ensuring that subcontractors maintain such policies) or from any liability arising from its failure to do so.

F. In the event the Contractor receives notice, from an insurance company or other person, that any insurance policy required under this Article shall expire or be cancelled or terminated for any reason, the Contractor shall immediately forward a copy of such notice to both the Commissioner, Department of Small Business Services, 110 William Street, 7th Floor, New York, New York 10038, Att: First Deputy Commissioner and the New York City Comptroller, Attn: Office of Contract Administration, Municipal Building, One Centre Street, Room 1005, New York, New York 10007.

Section 7.09 Miscellaneous

A. Whenever notice of loss, damage, occurrence, accident, claim or suit is required under a general liability policy maintained in accordance with this Article, the Contractor shall provide the insurer with timely notice thereof on behalf of the City. Such notice shall be given even where the Contractor may not have coverage under such policy (for example, where one of Contractor's employees was injured). Such notice shall expressly specify that "this notice is being given on behalf of the City of New York as Additional Insured" and contain the following information: the number of the insurance policy; the name of the named insured; the date and location of the damage, occurrence, or accident; the identity of the persons or things injured, damaged, or lost; and the title of the claim or suit, if applicable. The Contractor shall simultaneously send a copy of such notice to the City of New York c/o Insurance Claims Specialist, Affirmative Litigation Division, New York City Law Department, 100 Church Street, New York, New York 10007. If the Contractor fails to comply with the requirements of this paragraph, the Contractor shall indemnify the City for all losses, judgments, settlements and expenses, including reasonable attorneys' fees, arising from an insurer's disclaimer of coverage citing late notice by or on behalf of the City.

B. The Contractor's failure to maintain any of the insurance required by this Article shall constitute a material breach of this Agreement. Such breach shall not be waived or otherwise excused by any action or inaction by the City at any time.

C. Insurance coverage in the minimum amounts required in this Article shall not relieve the Contractor or its subcontractors of any liability under this Agreement, nor shall it

preclude the City from exercising any rights or taking such other actions as are available to it under any other provisions of this Agreement or Law.

D. The Contractor waives all rights against the City, including its officials and employees for any damages or losses that are covered under any insurance required under this Article (whether or not such insurance is actually procured or claims are paid thereunder) or any other insurance applicable to the operations of the Contractor and/or its subcontractors in the performance of this Agreement.

E. In the event the Contractor requires any subcontractor to procure insurance with regard to any operations under this Agreement and requires such subcontractor to name the Contractor as an additional insured under such insurance, the Contractor shall ensure that such entity also name the City, including its officials and employees, as an additional insured with coverage at least as broad as the most recently issued ISO form CG 20 26.

8. PROTECTION OF PERSONS AND PROPERTY AND INDEMNIFICATION

Section 8.01 Reasonable Precautions

The Contractor shall take all reasonable precautions to protect all persons and the property of the City and of others from damage, loss or injury resulting from the Contractor's and/or its subcontractors' operations under this Agreement.

Section 8.02 Protection of City Property

The Contractor assumes the risk of, and shall be responsible for, any loss or damage to City property, including property and equipment leased by the City, used in the performance of this Agreement, where such loss or damage is caused by any tortious act, or failure to comply with the provisions of this Agreement or of Law by the Contractor, its officers, employees, agents or subcontractors.

Section 8.03 Indemnification

The Contractor shall defend, indemnify and hold the City, its officers and employees harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages on account of any injuries or death to any person or damage to any property and from costs and expenses to which the City, its officers and employees may be subjected or which it may suffer or incur allegedly arising out of or in connection with any operations of the Contractor and/or its subcontractors to the extent resulting from any negligent act of commission or omission, any intentional tortious act, or failure to comply with the provisions of this Agreement or of the Laws. Insofar as the facts or Law relating to any claim would preclude the City from being completely indemnified by the Contractor, the City shall be partially indemnified by the Contractor to the fullest extent permitted by Law.

Section 8.04 Infringement Indemnification

The Contractor shall defend, indemnify and hold the City harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages and from costs and expenses to which the City may be subject to or which it may suffer or incur allegedly arising out of or in connection with any infringement by the Contractor of any copyright, trade secrets, trademark or patent rights or any other property or personal right of any third party by the Contractor and/or its subcontractors in the performance of this Agreement. The Contractor shall defend, indemnify, and hold the City harmless regardless of whether or not the alleged infringement arises out of compliance with the Agreement's scope of services/scope of work. Insofar as the facts or Law relating to any claim would preclude the City from being completely indemnified by the Contractor, the City shall be partially indemnified by the Contractor to the fullest extent permitted by Law.

Section 8.05 Indemnification Obligations Not Limited By Insurance Obligation

The indemnification provisions set forth in this Article shall not be limited in any way by the Contractor's obligations to obtain and maintain insurance as provided in this Agreement.

Section 8.06 Actions By or Against Third Parties

A. In the event any claim is made or any action brought in any way relating to Agreement, other than an action between the City and the Contractor, the Contractor shall diligently render to the City without additional compensation all assistance which the City may reasonably require of the Contractor.

B. The Contractor shall report to the Department in writing within five (5) business Days of the initiation by or against the Contractor of any legal action or proceeding in connection with or relating to this Agreement.

Section 8.07 Withholding of Payments

A. In the event that any claim is made or any action is brought against the City for which the Contractor may be required to indemnify the City pursuant to this Agreement, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover the said claim or action.

B. In the event that any City property is lost or damaged as set forth in Section 8.02, except for normal wear and tear, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover such loss or damage.

C. The City shall not, however, impose a setoff in the event that an insurance company that provided liability insurance pursuant to Article 7 above has accepted the City's tender of the claim or action without a reservation of rights.

D. The Department may, at its option, withhold for purposes of set-off any monies due to the Contractor under this Agreement up to the amount of any disallowances or questioned

costs resulting from any audits of the Contractor or to the amount of any overpayment to the Contractor with regard to this Agreement.

E. The rights and remedies of the City provided for in this Section shall not be exclusive and are in addition to any other rights and remedies provided by Law or this Agreement.

Section 8.08 No Third Party Rights

The provisions of this Agreement shall not be deemed to create any right of action in favor of third parties against the Contractor or the City or their respective officers and employees.

9. CONTRACT CHANGES

Section 9.01 Contract Changes

Changes to this Agreement may be made only as duly authorized by the ACCO or his or her designee and in accordance with the PPB Rules. Any amendment or change to this Agreement shall not be valid unless made in writing and signed by authorized representatives of both parties. Contractors deviating from the requirements of this Agreement without a duly approved and executed change order document, or written contract modification or amendment, do so at their own risk.

Section 9.02 Changes Through Fault of Contractor

In the event that any change is required in the data, documents, deliverables, or other services to be provided under this Agreement because of negligence or error of the Contractor, no additional compensation shall be paid to the Contractor for making such change, and the Contractor is obligated to make such change without additional compensation.

10. TERMINATION, DEFAULT, AND REDUCTIONS IN FUNDING

Section 10.01 Termination by the City Without Cause

A. The City shall have the right to terminate this Agreement, in whole or in part, without cause, in accordance with the provisions of Section 10.05.

B. If the City terminates this Agreement pursuant to this Section, the following provisions apply. The City shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date set by the City pursuant to Section 10.05. The City shall pay for services provided in accordance with this Agreement prior to the termination date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be

construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

Section 10.02 Reductions in Federal, State and/or City Funding

A. This Agreement is funded in whole or in part by funds secured from the federal, State and/or City governments. Should there be a reduction or discontinuance of such funds by action of the federal, State and/or City governments, the City shall have, in its sole discretion, the right to terminate this Agreement in whole or in part, or to reduce the funding and/or level of services of this Agreement caused by such action by the federal, State and/or City governments, including, in the case of the reduction option, but not limited to, the reduction or elimination of programs, services or service components; the reduction or elimination of contract-reimbursable staff or staff-hours, and corresponding reductions in the budget of this Agreement and in the total amount payable under this Agreement. Any reduction in funds pursuant to this Section shall be accompanied by an appropriate reduction in the services performed under this Agreement.

B. In the case of the reduction option referred to in Paragraph A, above, any such reduction shall be effective as of the date set forth in a written notice thereof to the Contractor, which shall be not less than thirty (30) Days from the date of such notice. Prior to sending such notice of reduction, the Department shall advise the Contractor that such option is being exercised and afford the Contractor an opportunity to make within seven (7) Days any suggestion(s) it may have as to which program(s), service(s), service component(s), staff or staff-hours might be reduced or eliminated, provided, however, that the Department shall not be bound to utilize any of the Contractor's suggestions and that the Department shall have sole discretion as to how to effectuate the reductions.

C. If the City reduces funding pursuant to this Section, the following provisions apply. The City shall pay for services provided in accordance with this Agreement prior to the reduction date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of reduction and falling due after the reduction date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

D. To the extent that the reduction in public funds is a result of the State determining that the Contractor may receive medical assistance funds pursuant to title eleven of article five of the Social Services Law to fund the services contained within the scope of a program under this Agreement, then the notice and effective date provisions of this section shall not apply, and the Department may reduce such public funds authorized under this Agreement by informing the Contractor of the amount of the reduction and revising attachments to this agreement as appropriate.

Section 10.03 Contractor Default

A. The City shall have the right to declare the Contractor in default:

1. Upon a breach by the Contractor of a material term or condition of this Agreement, including unsatisfactory performance of the services;
2. Upon insolvency or the commencement of any proceeding by or against the Contractor, either voluntarily or involuntarily, under the Bankruptcy Code or relating to the insolvency, receivership, liquidation, or composition of the Contractor for the benefit of creditors;
3. If the Contractor refuses or fails to proceed with the services under the Agreement when and as directed by the Commissioner;
4. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities are indicted or convicted after execution of the Agreement under any state or federal law of any of the following:
 - a. a criminal offense incident to obtaining or attempting to obtain or performing a public or private contract;
 - b. fraud, embezzlement, theft, bribery, forgery, falsification, or destruction of records, or receiving stolen property;
 - c. a criminal violation of any state or federal antitrust law;
 - d. violation of the Racketeer Influence and Corrupt Organization Act, 18 U.S.C. § 1961 et seq., or the Mail Fraud Act, 18 U.S.C. § 1341 et seq., for acts in connection with the submission of bids or proposals for a public or private contract;
 - e. conspiracy to commit any act or omission that would constitute grounds for conviction or liability under any statute described in subparagraph (d) above; or
 - f. an offense indicating a lack of business integrity that seriously and directly affects responsibility as a City vendor.
5. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities are subject to a judgment of civil liability under any state or federal antitrust law for acts or omissions in connection with the submission of bids or proposals for a public or private contract; or
6. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities makes or causes to be made any false, deceptive, or fraudulent

material statement, or fail to make a required material statement in any bid, proposal, or application for City or other government work.

B. The right to declare the Contractor in default shall be exercised by sending the Contractor a written notice of the conditions of default, signed by the Commissioner, setting forth the ground or grounds upon which such default is declared (“Notice to Cure”). The Contractor shall have ten (10) Days from receipt of the Notice to Cure or any longer period that is set forth in the Notice to Cure to cure the default. The Commissioner may temporarily suspend services under the Agreement pending the outcome of the default proceedings pursuant to this Section.

C. If the conditions set forth in the Notice to Cure are not cured within the period set forth in the Notice to Cure, the Commissioner may declare the Contractor in default pursuant to this Section. Before the Commissioner may exercise his or her right to declare the Contractor in default, the Commissioner shall give the Contractor an opportunity to be heard upon not less than five (5) business days’ notice. The Commissioner may, in his or her discretion, provide for such opportunity to be in writing or in person. Such opportunity to be heard shall not occur prior to the end of the cure period but notice of such opportunity to be heard may be given prior to the end of the cure period and may be given contemporaneously with the Notice to Cure.

D. After the opportunity to be heard, the Commissioner may terminate the Agreement, in whole or in part, upon finding the Contractor in default pursuant to this Section, in accordance with the provisions of Section 10.05.

E. The Commissioner, after declaring the Contractor in default, may have the services under the Agreement completed by such means and in such manner, by contract with or without public letting, or otherwise, as he or she may deem advisable in accordance with applicable PPB Rules. After such completion, the Commissioner shall certify the expense incurred in such completion, which shall include the cost of re-letting. Should the expense of such completion, as certified by the Commissioner, exceed the total sum which would have been payable under the Agreement if it had been completed by the Contractor, any excess shall be promptly paid by the Contractor upon demand by the City. The excess expense of such completion, including any and all related and incidental costs, as so certified by the Commissioner, and any liquidated damages assessed against the Contractor, may be charged against and deducted out of monies earned by the Contractor.

Section 10.04 Force Majeure

A. For purposes of this Agreement, a force majeure event is an act or event beyond the control and without any fault or negligence of the Contractor (“Force Majeure Event”). Such events may include, but are not limited to, fire, flood, earthquake, storm or other natural disaster, civil commotion, war, terrorism, riot, and labor disputes not brought about by any act or omission of the Contractor.

B. In the event the Contractor cannot comply with the terms of the Agreement (including any failure by the Contractor to make progress in the performance of the services)

because of a Force Majeure Event, then the Contractor may ask the Commissioner to excuse the nonperformance and/or terminate the Agreement. If the Commissioner, in his or her reasonable discretion, determines that the Contractor cannot comply with the terms of the Agreement because of a Force Majeure Event, then the Commissioner shall excuse the nonperformance and may terminate the Agreement. Such a termination shall be deemed to be without cause.

C. If the City terminates the Agreement pursuant to this Section, the following provisions apply. The City shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date. The City shall pay for services provided in accordance with this Agreement prior to the termination date. Any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

Section 10.05 Procedures for Termination

A. The Department and/or the City shall give the Contractor written notice of any termination of this Agreement. Such notice shall specify the applicable provision(s) under which the Agreement is terminated and the effective date of the termination. Except as otherwise provided in this Agreement, the notice shall comply with the provisions of this Section. For termination without cause, the effective date of the termination shall not be less than ten (10) Days from the date the notice is personally delivered, or fifteen (15) Days from the date the notice is either sent by certified mail, return receipt requested, or sent by fax and deposited in a post office box regularly maintained by the United States Postal Service in a postage pre-paid envelope. In the case of termination for default, the effective date of the termination shall be as set forth above for a termination without cause or such earlier date as the Commissioner may determine. If the City terminates the Agreement in part, the Contractor shall continue the performance of the Agreement to the extent not terminated.

B. Upon termination or expiration of this Agreement, the Contractor shall comply with the City close-out procedures, including but not limited to:

1. Accounting for and refunding to the Department, within forty-five (45) Days, any unexpended funds which have been advanced to the Contractor pursuant to this Agreement;
2. Furnishing within forty-five (45) Days an inventory to the Department of all equipment, appurtenances and property purchased through or provided under this Agreement and carrying out any Department or City directive concerning the disposition of such equipment, appurtenances and property;
3. Turning over to the Department or its designees all books, records, documents and material specifically relating to this Agreement that the Department has requested be turned over;

4. Submitting to the Department, within ninety (90) Days, a final statement and report relating to the Agreement. The report shall be made by a certified public accountant or a licensed public accountant; and

5. Providing reasonable assistance to the Department in the transition, if any, to a new contractor.

Section 10.06 Miscellaneous Provisions

A. The Commissioner, in addition to any other powers set forth in this Agreement or by operation of Law, may suspend, in whole or in part, any part of the services to be provided under this Agreement whenever in his or her judgment such suspension is required in the best interest of the City. If the Commissioner suspends this Agreement pursuant to this Section, the City shall not incur or pay any further obligation pursuant to this Agreement beyond the suspension date until such suspension is lifted. The City shall pay for services provided in accordance with this Agreement prior to the suspension date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of suspension and falling due during the suspension period shall be paid by the City in accordance with the terms of this Agreement.

B. Notwithstanding any other provisions of this Agreement, the Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of the Contractor's breach of the Agreement, and the City may withhold payments to the Contractor for the purpose of set-off in the amount of damages due to the City from the Contractor.

C. The rights and remedies of the City provided in this Article shall not be exclusive and are in addition to all other rights and remedies provided by Law or under this Agreement.

11. PROMPT PAYMENT AND ELECTRONIC FUNDS TRANSFER

Section 11.01 Prompt Payment

A. The prompt payment provisions of PPB Rule § 4-06 are applicable to payments made under this Agreement. The provisions generally require the payment to the Contractor of interest on payments made after the required payment date, as set forth in the PPB Rules.

B. The Contractor shall submit a proper invoice to receive payment, except where the Agreement provides that the Contractor will be paid at predetermined intervals without having to submit an invoice for each scheduled payment.

C. Determination of interest due will be made in accordance with the PPB Rules and the applicable rate of interest shall be the rate in effect at the time of payment.

Section 11.02 Electronic Funds Transfer

A. In accordance with Admin. Code § 6-107.1, the Contractor agrees to accept payments under this Agreement from the City by electronic funds transfer. An electronic funds transfer is any transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, which is initiated through an electronic terminal, telephonic instrument or computer or magnetic tape so as to order, instruct, or authorize a financial institution to debit or credit an account. Prior to the first payment made under this Agreement, the Contractor shall designate one financial institution or other authorized payment agent and shall complete the “EFT Vendor Payment Enrollment Form” available from the Agency or at <http://www.nyc.gov/dof> in order to provide the commissioner of the Department of Finance with information necessary for the Contractor to receive electronic funds transfer payments through the designated financial institution or authorized payment agent. The crediting of the amount of a payment to the appropriate account on the books of a financial institution or other authorized payment agent designated by the Contractor shall constitute full satisfaction by the City for the amount of the payment under this Agreement. The account information supplied by the Contractor to facilitate the electronic funds transfer shall remain confidential to the fullest extent provided by Law.

B. The Agency Head may waive the application of the requirements of this Section to payments on contracts entered into pursuant to Charter § 315. In addition, the commissioner of the Department of Finance and the Comptroller may jointly issue standards pursuant to which the Agency may waive the requirements of this Section for payments in the following circumstances: (i) for individuals or classes of individuals for whom compliance imposes a hardship; (ii) for classifications or types of checks; or (iii) in other circumstances as may be necessary in the best interest of the City.

C. This Section is applicable to contracts valued at Twenty-Five Thousand Dollars (\$25,000) and above.

12. CLAIMS

Section 12.01 Choice of Law

This Agreement shall be deemed to be executed in the City and State of New York, regardless of the domicile of the Contractor, and shall be governed by and construed in accordance with the Laws of the State of New York (notwithstanding New York choice of law or conflict of law principles) and the Laws of the United States, where applicable.

Section 12.02 Jurisdiction and Venue

The parties agree that any and all claims asserted by or against the City arising under or related to this Agreement shall solely be heard and determined either in the courts of the United States located in the City or in the courts of the State located in the City and County of New York. The parties shall consent to the dismissal and/or transfer of any claims asserted in any other venue or forum to the proper venue or forum. If the Contractor initiates any action in breach of this Section, the Contractor shall be responsible for and shall promptly reimburse the

City for any attorneys' fees incurred by the City in removing the action to a proper court consistent with this Section.

Section 12.03 Resolution of Disputes

A. Except as provided in Subparagraphs (A)(1) and (A)(2) below, all disputes between the City and the Contractor that arise under, or by virtue of, this Agreement shall be finally resolved in accordance with the provisions of this Section and PPB Rule § 4-09. This procedure shall be the exclusive means of resolving any such disputes.

1. This Section shall not apply to disputes concerning matters dealt with in other sections of the PPB Rules or to disputes involving patents, copyrights, trademarks, or trade secrets (as interpreted by the courts of New York State) relating to proprietary rights in computer software, or to termination other than for cause.

2. For construction and construction-related services this Section shall apply only to disputes about the scope of work delineated by the Agreement, the interpretation of Agreement documents, the amount to be paid for extra work or disputed work performed in connection with the Agreement, the conformity of the Contractor's work to the Agreement, and the acceptability and quality of the Contractor's work; such disputes arise when the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head makes a determination with which the Contractor disagrees. For construction, this Section shall not apply to termination of the Agreement for cause or other than for cause.

B. All determinations required by this Section shall be clearly stated, with a reasoned explanation for the determination based on the information and evidence presented to the party making the determination. Failure to make such determination within the time required by this Section shall be deemed a non-determination without prejudice that will allow application to the next level.

C. During such time as any dispute is being presented, heard, and considered pursuant to this Section, the Agreement terms shall remain in full force and effect and, unless otherwise directed by the ACCO or Engineer, the Contractor shall continue to perform work in accordance with the Agreement and as directed by the ACCO or City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head. Failure of the Contractor to continue the work as directed shall constitute a waiver by the Contractor of any and all claims being presented pursuant to this Section and a material breach of contract.

D. Presentation of Dispute to Agency Head.

1. Notice of Dispute and Agency Response. The Contractor shall present its dispute in writing ("Notice of Dispute") to the Agency Head within the time specified herein, or, if no time is specified, within thirty (30) Days of receiving written notice of the determination or action that is the subject of the dispute. This notice requirement shall not be read to replace any other notice requirements contained in the Agreement.

The Notice of Dispute shall include all the facts, evidence, documents, or other basis upon which the Contractor relies in support of its position, as well as a detailed computation demonstrating how any amount of money claimed by the Contractor in the dispute was arrived at. Within thirty (30) Days after receipt of the complete Notice of Dispute, the ACCO or, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, shall submit to the Agency Head all materials he or she deems pertinent to the dispute. Following initial submissions to the Agency Head, either party may demand of the other the production of any document or other material the demanding party believes may be relevant to the dispute. The requested party shall produce all relevant materials that are not otherwise protected by a legal privilege recognized by the courts of New York State. Any question of relevancy shall be determined by the Agency Head whose decision shall be final. Willful failure of the Contractor to produce any requested material whose relevancy the Contractor has not disputed, or whose relevancy has been affirmatively determined, shall constitute a waiver by the Contractor of its claim.

2. Agency Head Inquiry. The Agency Head shall examine the material and may, in his or her discretion, convene an informal conference with the Contractor and the ACCO and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, to resolve the issue by mutual consent prior to reaching a determination. The Agency Head may seek such technical or other expertise as he or she shall deem appropriate, including the use of neutral mediators, and require any such additional material from either or both parties as he or she deems fit. The Agency Head's ability to render, and the effect of, a decision hereunder shall not be impaired by any negotiations in connection with the dispute presented, whether or not the Agency Head participated therein. The Agency Head may or, at the request of any party to the dispute, shall compel the participation of any other contractor with a contract related to the work of this Agreement and that contractor shall be bound by the decision of the Agency Head. Any contractor thus brought into the dispute resolution proceeding shall have the same rights and obligations under this Section as the Contractor initiating the dispute.

3. Agency Head Determination. Within thirty (30) Days after the receipt of all materials and information, or such longer time as may be agreed to by the parties, the Agency Head shall make his or her determination and shall deliver or send a copy of such determination to the Contractor and ACCO and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, together with a statement concerning how the decision may be appealed.

4. Finality of Agency Head Decision. The Agency Head's decision shall be final and binding on all parties, unless presented to the Contract Dispute Resolution Board ("CDRB") pursuant to this Section. The City may not take a petition to the CDRB. However, should the Contractor take such a petition, the City may seek, and the CDRB

may render, a determination less favorable to the Contractor and more favorable to the City than the decision of the Agency Head.

E. Presentation of Dispute to the Comptroller. Before any dispute may be brought by the Contractor to the CDRB, the Contractor must first present its claim to the Comptroller for his or her review, investigation, and possible adjustment.

1. Time, Form, and Content of Notice. Within thirty (30) Days of receipt of a decision by the Agency Head, the Contractor shall submit to the Comptroller and to the Agency Head a Notice of Claim regarding its dispute with the Agency. The Notice of Claim shall consist of (i) a brief statement of the substance of the dispute, the amount of money, if any, claimed and the reason(s) the Contractor contends the dispute was wrongly decided by the Agency Head; (ii) a copy of the decision of the Agency Head; and (iii) a copy of all materials submitted by the Contractor to the Agency, including the Notice of Dispute. The Contractor may not present to the Comptroller any material not presented to the Agency Head, except at the request of the Comptroller.

2. Agency Response. Within thirty (30) Days of receipt of the Notice of Claim, the Agency shall make available to the Comptroller a copy of all material submitted by the Agency to the Agency Head in connection with the dispute. The Agency may not present to the Comptroller any material not presented to the Agency Head, except at the request of the Comptroller.

3. Comptroller Investigation. The Comptroller may investigate the claim in dispute and, in the course of such investigation, may exercise all powers provided in Admin. Code §§ 7-201 and 7-203. In addition, the Comptroller may demand of either party, and such party shall provide, whatever additional material the Comptroller deems pertinent to the claim, including original business records of the Contractor. Willful failure of the Contractor to produce within fifteen (15) Days any material requested by the Comptroller shall constitute a waiver by the Contractor of its claim. The Comptroller may also schedule an informal conference to be attended by the Contractor, Agency representatives, and any other personnel desired by the Comptroller.

4. Opportunity of Comptroller to Compromise or Adjust Claim. The Comptroller shall have forty-five (45) Days from his or her receipt of all materials referred to in Paragraph (E)(3) above to investigate the disputed claim. The period for investigation and compromise may be further extended by agreement between the Contractor and the Comptroller, to a maximum of ninety (90) Days from the Comptroller's receipt of all the materials. The Contractor may not present its petition to the CDRB until the period for investigation and compromise delineated in this Paragraph has expired. In compromising or adjusting any claim hereunder, the Comptroller may not revise or disregard the terms of the Agreement.

F. Contract Dispute Resolution Board. There shall be a Contract Dispute Resolution Board composed of:

1. the chief administrative law judge of the Office of Administrative Trials and Hearings (“OATH”) or his or her designated OATH administrative law judge, who shall act as chairperson, and may adopt operational procedures and issue such orders consistent with this Section as may be necessary in the execution of the CDRB’s functions, including, but not limited to, granting extensions of time to present or respond to submissions;

2. the City Chief Procurement Officer (“CCPO”) or his or her designee; any designee shall have the requisite background to consider and resolve the merits of the dispute and shall not have participated personally and substantially in the particular matter that is the subject of the dispute or report to anyone who so participated; and

3. a person with appropriate expertise who is not an employee of the City. This person shall be selected by the presiding administrative law judge from a prequalified panel of individuals, established, and administered by OATH, with appropriate background to act as decision-makers in a dispute. Such individuals may not have a contract or dispute with the City or be an officer or employee of any company or organization that does, or regularly represent persons, companies, or organizations having disputes with the City.

G. Petition to CDRB. In the event the claim has not been settled or adjusted by the Comptroller within the period provided in this Section, the Contractor, within thirty (30) Days thereafter, may petition the CDRB to review the Agency Head determination.

1. Form and Content of Petition by the Contractor. The Contractor shall present its dispute to the CDRB in the form of a petition, which shall include (i) a brief statement of the substance of the dispute, the amount of money, if any, claimed, and the reason(s) the Contractor contends that the dispute was wrongly decided by the Agency Head; (ii) a copy of the decision of the Agency Head; (iii) copies of all materials submitted by the Contractor to the Agency; (iv) a copy of the decision of the Comptroller, if any, and (v) copies of all correspondence with, and material submitted by the Contractor to, the Comptroller’s Office. The Contractor shall concurrently submit four complete sets of the petition: one to the Corporation Counsel (Attn: Commercial and Real Estate Litigation Division), and three to the CDRB at OATH’s offices, with proof of service on the Corporation Counsel. In addition, the Contractor shall submit a copy of the statement of the substance of the dispute, cited in (i) above, to both the Agency Head and the Comptroller.

2. Agency Response. Within thirty (30) Days of receipt of the petition by the Corporation Counsel, the Agency shall respond to the statement of the Contractor and make available to the CDRB all material it submitted to the Agency Head and Comptroller. Three complete copies of the Agency response shall be submitted to the CDRB at OATH’s offices and one to the Contractor. Extensions of time for submittal of the Agency response shall be given as necessary upon a showing of good cause or, upon the consent of the parties, for an initial period of up to thirty (30) Days.

3. Further Proceedings. The CDRB shall permit the Contractor to present its case by submission of memoranda, briefs, and oral argument. The CDRB shall also permit the Agency to present its case in response to the Contractor by submission of memoranda, briefs, and oral argument. If requested by the Corporation Counsel, the Comptroller shall provide reasonable assistance in the preparation of the Agency's case. Neither the Contractor nor the Agency may support its case with any documentation or other material that was not considered by the Comptroller, unless requested by the CDRB. The CDRB, in its discretion, may seek such technical or other expert advice as it shall deem appropriate and may seek, on its own or upon application of a party, any such additional material from any party as it deems fit. The CDRB, in its discretion, may combine more than one dispute between the parties for concurrent resolution.

4. CDRB Determination. Within forty-five (45) Days of the conclusion of all submissions and oral arguments, the CDRB shall render a decision resolving the dispute. In an unusually complex case, the CDRB may render its decision in a longer period of time, not to exceed ninety (90) Days, and shall so advise the parties at the commencement of this period. The CDRB's decision must be consistent with the terms of this Agreement. Decisions of the CDRB shall only resolve matters before the CDRB and shall not have precedential effect with respect to matters not before the CDRB.

5. Notification of CDRB Decision. The CDRB shall send a copy of its decision to the Contractor, the ACCO, the Corporation Counsel, the Comptroller, the CCPO, and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head. A decision in favor of the Contractor shall be subject to the prompt payment provisions of the PPB Rules. The required payment date shall be thirty (30) Days after the date the parties are formally notified of the CDRB's decision.

6. Finality of CDRB Decision. The CDRB's decision shall be final and binding on all parties. Any party may seek review of the CDRB's decision solely in the form of a challenge, filed within four months of the date of the CDRB's decision, in a court of competent jurisdiction of the State of New York, County of New York pursuant to Article 78 of the Civil Practice Law and Rules. Such review by the court shall be limited to the question of whether or not the CDRB's decision was made in violation of lawful procedure, was affected by an error of Law, or was arbitrary and capricious or an abuse of discretion. No evidence or information shall be introduced or relied upon in such proceeding that was not presented to the CDRB in accordance with PPB Rules § 4-09.

H. Any termination, cancellation, or alleged breach of the Agreement prior to or during the pendency of any proceedings pursuant to this Section shall not affect or impair the ability of the Agency Head or CDRB to make a binding and final decision pursuant to this Section.

Section 12.04 Claims and Actions

A. Any claim against the City or Department based on this Agreement or arising out of this Agreement that is not subject to dispute resolution under the PPB Rules or this Agreement shall not be made or asserted in any legal proceeding, unless the Contractor shall have strictly complied with all requirements relating to the giving of notice and of information with respect to such claims as provided in this Agreement.

B. No action shall be instituted or maintained on any such claims unless such action shall be commenced within six (6) months after the date of filing with the Comptroller of the certificate for the final payment under this Agreement, or within six (6) months of the termination or expiration of this Agreement, or within six (6) months after the accrual of the cause of action, whichever first occurs.

Section 12.05 No Claim Against Officers, Agents or Employees

No claim shall be made by the Contractor against any officer, agent, or employee of the City in their personal capacity for, or on account of, anything done or omitted in connection with this Agreement.

Section 12.06 General Release

The acceptance by the Contractor or its assignees of the final payment under this Agreement, whether by check, wire transfer, or other means, and whether pursuant to invoice, voucher, judgment of any court of competent jurisdiction or any other administrative means, shall constitute and operate as a release of the City from any and all claims of and liability to the Contractor, of which the Contractor was aware or should reasonably have been aware, arising out of the performance of this Agreement based on actions of the City prior to such acceptance of final payment, excepting any disputes that are the subject of pending dispute resolution procedures.

Section 12.07 No Waiver

Waiver by either the Department or the Contractor of a breach of any provision of this Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless and until the same shall be agreed to in writing by the parties as set forth in Section 9.01.

13. APPLICABLE LAWS

Section 13.01 PPB Rules

This Agreement is subject to the PPB Rules. In the event of a conflict between the PPB Rules and a provision of this Agreement, the PPB Rules shall take precedence.

Section 13.02 All Legal Provisions Deemed Included

Each and every provision required by Law to be inserted in this Agreement is hereby deemed to be a part of this Agreement, whether actually inserted or not.

Section 13.03 Severability / Unlawful Provisions Deemed Stricken

If this Agreement contains any unlawful provision not an essential part of the Agreement and which shall not appear to have been a controlling or material inducement to the making of this Agreement, the unlawful provision shall be deemed of no effect and shall, upon notice by either party, be deemed stricken from the Agreement without affecting the binding force of the remainder.

Section 13.04 Compliance With Laws

The Contractor shall perform all services under this Agreement in accordance with all applicable Laws as are in effect at the time such services are performed.

Section 13.05 Americans with Disabilities Act (ADA)

A. This Agreement is subject to the provisions of Subtitle A of Title II of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12131 et seq. (“ADA”) and regulations promulgated pursuant thereto, see 28 CFR Part 35. The Contractor shall not discriminate against an individual with a disability, as defined in the ADA, in providing services, programs, or activities pursuant to this Agreement. If directed to do so by the Department to ensure the Contractor’s compliance with the ADA during the term of this Agreement, the Contractor shall prepare a plan (“Compliance Plan”) which lists its program site(s) and describes in detail, how it intends to make the services, programs and activities set forth in the scope of services herein readily accessible and usable by individuals with disabilities at such site(s). APPENDIX D

WHISTLEBLOWER PROTECTION EXPANSION ACT RIDER

1. In accordance with Section 12-113 of the New York City Administrative Code,

(a) Any subcontractor of the Subrecipient under this Agreement whose subcontract exceeds \$100,000 (a "Covered Subcontractor") shall not take an adverse personnel action with respect to an officer or employee in retaliation for such officer or employee making a report of information concerning conduct which such officer or employee knows or reasonably believes to involve corruption, criminal activity, conflict of interest, gross mismanagement or abuse of authority by any officer or employee relating to this Agreement to (i) the Commissioner of the Department of Investigation, (ii) a member of the New York City Council, the City's Public Advocate or the Comptroller, or (iii) the City Chief Procurement Officer, OMB Chief Contracting Officer ("OMB ACCO") or OMB Commissioner.

(b) If any of a Covered Subcontractor's officers or employees believes that he or she has been the subject of an adverse personnel action in violation of subsection (a) above, he or she shall be entitled to bring a cause of action against the Covered Subcontractor to recover all relief necessary to make him or her whole. Such relief may include but is not limited to: (i) an injunction to restrain continued retaliation, (ii) reinstatement to the position such employee would have had but for the retaliation or to an equivalent position, (iii) reinstatement of full fringe benefits and seniority rights, (iv) payment of two times back pay, plus interest, and (v) compensation for any special damages sustained as a result of the retaliation, including litigation costs and reasonable attorney's fees. An officer or employee described in this paragraph may bring an action in any court of competent jurisdiction for such relief. An officer or employee who brings a cause of action pursuant to this paragraph shall notify the OMB ACCO or OMB Commissioner of such action; provided, however, that failure to provide such notice shall not be a jurisdictional defect, and shall not be a defense to an action brought pursuant to this paragraph. This paragraph shall not be deemed to create a right of action against the City, any public agency or other public entity, or the Subrecipient, nor shall any such public agency, entity or corporation be made a party to an action brought pursuant to this subdivision.

(c) Officers and employees of the Subrecipient are subject to and protected by Section 12-113b.1 and e.1 of the New York City Administrative Code.

2. In accordance with Section 6-132 of the New York City Administrative Code, the Subrecipient and Covered Subcontractors shall post a notice in the form provided by the City in a prominent and accessible place on any site where work by it pursuant to this Agreement or covered subcontract hereunder, respectively, is performed that contains information about:

3. For the purposes of this Section, “adverse personnel action” includes dismissal, demotion, suspension, disciplinary action, negative performance evaluation, any action resulting in loss of staff, office space, equipment or other benefit, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected officer or employee.

NOTICE TO BIDDERS

As of March 2013 the City has implemented a new web based subcontractor reporting system through the City's Payee Information Portal (PIP), available at www.nyc.gov/pip. In order to use the new system, a PIP account will be required. Detailed instructions on creating a PIP account and using the new system are also available at that site. Additional assistance with PIP may be received by emailing the Financial Information Services Agency Help Desk at pip@fisa.nyc.gov.

In order to obtain subcontractor approval under section 3.02 of Appendix C or Article 17 of the Standard Construction Contract and PPB Rule § 4-13 Contractor is required to list the subcontractor in the system. For each subcontractor listed, Contractor is required to provide the following information: maximum contract value, description of subcontractor work, start and end date of the subcontract and identification of the subcontractor's industry. Thereafter, Contractor will be required to report in the system the payments made to each subcontractor within 30 days of making the payment. If any of the required information changes throughout the term of the contract, Contractor will be required to revise the information in the system.

Failure of the Contractor to list a subcontractor and/or to report subcontractor payments in a timely fashion may result in the Agency declaring the Contractor in default of the Contract and will subject Contractor to liquidated damages in the amount of \$100 per day for each day that the Contractor fails to identify a subcontractor along with the required information about the subcontractor and/or fails to report payments to a subcontractor, beyond the time frames set forth herein or in the notice from the City. For construction contracts, the provisions of Article 15 of the Standard Construction Contract shall govern the issue of liquidated damages.

Contractor hereby agrees to these provisions.

Updated Text For Schedule II (Substitute text follows)

“ **General**

The activities under this program will be managed by the Subrecipient, which may in its discretion procure Contractor(s) if it deems it necessary to implement such program activities. Consistent with the requirements of this Agreement, the Subrecipient shall be reimbursed for any Eligible Costs incurred in carrying out program activities within eligible budget amounts.

Program activities are focused on jump-starting economic activity in the five key areas - the East and South Shores of Staten Island, Southern Manhattan, Southern Brooklyn, the Brooklyn and Queens East River Waterfront, and South Queens (collectively, the “Impact Areas”) by allocating, through “Race-to-the-Top”-style competitions, grants to the most innovative and effective investment ideas for spurring long-term economic growth. Possible ideas could include attraction of growing companies and/or companies of significant size; attraction of companies that serve the needs of underserved populations, including those with disabilities; or other transformative investments in the Impact Areas.

To the extent required by CDBG Rules and Requirements of Law, the activities under this program described below shall be subject to prior approval by HUD. With respect to each activity, Subrecipient and its contractor(s) shall implement the activity in accordance with applicable CDBG Rules and Requirements of Law. Pursuant to 24 CFR 570.503 the following steps shall constitute the scope of work and measurable budget performance benchmarks for the Activity described.

- Subrecipient shall administer the Neighborhood Game-Changer Investment Competition (the “Competition”). As a first step in launching the Competition, the Subrecipient shall, in compliance with HUD requirements, issue a Request for Proposals (the “RFP”) intended to harness the best ideas to enhance the vitality, connectivity and economic strength of the Impact Areas. The RFP will invite organizations, businesses, and institutions (each a “Respondent”) to submit proposals (each a “Proposal”) to execute a “game changing” project and/or program that will catalyze significant long-term economic growth in an Impact Area.
- Proposals will be evaluated based on their ability to generate substantial economic activity in the Impact Areas, create new jobs, demonstrate significant investment on the part of the respondent, bring permanent investment to an Impact Area, increase accessibility of the Impact Areas, leverage CDBG-DR Funds to attract additional public or private investment, and build physical and/or human capital that will make the Impact Areas more resilient, with a preference for Low-Moderate Income (“LMI”) areas. Proposals should generate meaningful economic growth both directly, through new job creation, and indirectly, by anchoring new or existing institutions and/or industries and catalyzing significant secondary benefits to the local economies.

- Each Proposal will be reviewed to determine if it is responsive to the RFP criteria and to determine if the activities described in such Proposals are eligible under CDBG Rules.
- Subrecipient shall enter into subcontracts with the award recipients which subcontracts shall comply with all applicable CDBG Rules and Requirements of Law.
- Subrecipient shall be responsible for the implementation of the subcontract provisions including draw down of funds.
- Subrecipient shall be responsible for all required compliance monitoring steps for the subcontracts.

In order to implement the foregoing, Subrecipient will carry out the activities described in the Action Plan for the Neighborhood Game-Changer Competition and in addition to the foregoing shall prepare the following deliverables:

- a scope of work with benchmark timelines
- policies and procedures for the competition
- any needed RFPs for Subcontractor support
- a line item budget to support this Scope of Work

Each of the above deliverables shall constitute a supplement to this Schedule II upon submission of the details of each aspect of such work by Subrecipient to OMB and OMB's written approval, which shall not be withheld based on programmatic preferences. If OMB does not provide its approval, it will work in good faith with Subrecipient to modify the deliverables, on terms mutually acceptable to Subrecipient and OMB, in order to implement the Program. To accomplish the work covered by each such deliverable, and to be in compliance with CDBG Rules, Subrecipient shall prepare and provide OMB with line item budgets delineating the costs to carry out each of the four items of work identified above. Upon approval of each such budget by OMB, the approved budget shall constitute a supplement to and a part of this Agreement authorizing Subrecipient to incur costs to carry out the plan and program development.
