Liquidated damages shall not be imposed if alternate Consultant staff approved by a designated HRO supervisor are provided to cover the work, or for the first two (2) absences by any regularly assigned Consultant staff. Liquidated damages as specified herein will be imposed however, if more than 2 Consultant staff are absent on any given business day.

Notwithstanding the foregoing or anything to the contrary in this Contract, Consultant shall not be responsible for liquidated damages for any Consultant staff absences beyond the reasonable control of the Consultant including but not limited to governmental preemption in connection with a national emergency, war or act of war, insurrection, riot, act of public enemy, terrorist acts, labor disputes, accidents, mechanical failure and acts of God (including fire, flood or abnormal adverse weather conditions).

The NYCEDC, on behalf of the City, may deduct and retain out of the monies which may become due hereunder, the amount of any such liquidated damages; and in case the amount which may become due hereunder shall be less than the amount of liquidated damages suffered by the NYCEDC or the City, the Consultant shall pay the difference.

9.2. "Section 3" Clause.

(a) Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this Agreement, shall be a condition of the Federal financial assistance provided under this Agreement and binding upon the City, the Subrecipient and any of the Subrecipient's Contractors. Failure to fulfill these requirements shall subject the City, the Subrecipient and any of the Contractors, their successors and assigns, to those sanctions specified in the Grant Agreement. The Subrecipient hereby certifies to the City and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

(b) The Subrecipient shall comply with these "Section 3" requirements and shall include the following language in all Subcontracts:

"The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701). Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located."

(c) The Subrecipient further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the

neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

(d) The Subrecipient hereby certifies to the City and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

(e) Notifications. If Subrecipient has a collective bargaining agreement or other contract or understanding with any labor organization or similar group of workers, the Subrecipient shall send to each such labor organization or the Representative of such group of workers a notice advising such labor organization or worker's Representative of its obligations under this Section 9.2, and shall post copies of such notice in conspicuous places available to employees and applicants for employment or training.

(f) Subcontracts. The Subrecipient shall include this Section 3 clause in every Subcontract and shall take appropriate action pursuant to each such Subcontract upon a finding that the Person to receive Program Funds thereunder is in violation of Requirements of Law. The Subrecipient shall not enter into any Subcontract with any Person where Subrecipient has notice or knowledge that such Person has been found in violation of regulations under 24 CFR Part 135 and shall not enter into any Subcontract with any Person unless such Person has first provided Subrecipient with a preliminary statement of ability to comply with the requirements of all applicable Requirements of Law.

9.3. Subcontracts.

(a) Approvals. The Subrecipient shall not enter into any Subcontract with any Person to assist with the Subrecipient's performance of its obligations under this Agreement without the written approval of the City prior to the execution of such agreement. The Subrecipient shall provide the City with documentation concerning the selection process prior to its approval of any Subcontract.

(b) Monitoring. In accordance with guidelines to be issued by the City, the Subrecipient shall monitor all Subcontracted services on a regular basis to assure contract compliance. Results of monitoring efforts shall be summarized in written reports and supported with documented evidence of follow-up actions taken to correct areas of noncompliance.

(c) Content. The Subrecipient shall cause all of the provisions of this Agreement in its entirety to be included in and made a part of any Subcontract executed in the performance of this Agreement. Each Subcontract shall comply with and include the provisions required to be included in such Subcontract pursuant to Section 3.08 of Appendix C.

(d) Selection Process. The Subrecipient shall undertake to insure that all Subcontracts with Contractors entered into by Subrecipient in performing its obligations hereunder shall be awarded on a fair and open competition basis in accordance with applicable procurement requirements including all CDBG Rules. Executed copies of all Subcontracts shall

LDCMT-30-751

be forwarded to the City. The City shall be provided with the documentation concerning the selection process prior to the execution of any Subcontract.

(e) Performance Requirements and Liquidated Damages. The Subrecipient shall incorporate performance requirements and liquidated damages provisions into each procured contract or agreement.

(f) Local Resources. The City encourages the Subrecipient to understand the local community and use local resources where appropriate. The Subrecipient shall include the following provision in each procured contract or agreement: "Subrecipient encourages the contractor to understand the local community and use local resources where appropriate."

(g) Indemnification. The Subrecipient shall include the following provision in any Subcontract procured pursuant to this Agreement:

- (i) Neither the Contractor nor any of its employees nor any of its subcontractors is or shall be an agent, servant, or employee of the New York City Economic Development Corporation or the City of New York by virtue of this contract or by virtue of any approval, permit, license, grant, right or other authorization given by the New York City Economic Development Corporation or the City of New York or any of its officers, agents or employees.
- (ii) The Contractor shall defend, indemnify and hold New York City Economic Development Corporation and the City of New York, including their officers and employees, harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages on account of any injuries or death to any person or damage to any property and from costs and expenses to which New York City Economic Development Corporation and the City of New York, including their officers and employees, may be subjected or which they may suffer or incur allegedly arising out of or in connection with any operations of the Contractor and/or its subcontractors to the extent resulting from any negligent act of commission or omission, any intentional tortious act, or failure to comply with the provisions of this agreement or of the law. Insofar as the facts or law relating to any claim would preclude New York City Economic Development Corporation and the City of New York from being completely indemnified by the Contractor, the New York City Economic Development Corporation and the City of New York shall be partially indemnified by the Contractor to the fullest extent permitted by law.
- (iii) The Contractor shall defend, indemnify and hold New York City Economic Development Corporation and the City of New York, harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages and from costs and expenses to which New York City

Economic Development Corporation and the City of New York may be subject to or which they may suffer or incur allegedly arising out of or in connection with any infringement by the Contractor of any copyright, trade secrets, trademark or patent rights or any other property or personal right of any third party by the Contractor and/or its subcontractors in the performance of this Agreement. The Contractor shall defend, indemnify, and hold New York City Economic Development Corporation and the City of New York, harmless regardless of whether or not the alleged infringement arises out of compliance with the Agreement's scope of services/scope of work. Insofar as the facts or law relating to any claim would preclude the New York City Economic Development Corporation and the City of New York from being completely indemnified by the Contractor, the New York City Economic Development Corporation and the City of New York shall be partially indemnified by the Contractor to the fullest extent permitted by law.

- (iv) The indemnification provisions set forth in this section shall not be limited in any way by the Contractor's obligations to obtain and maintain insurance as provided in this section.

(h) Insurance. The Subrecipient shall require the Contractor and any of its subcontractors involved in the performance of this Agreement to maintain the insurance required pursuant to section 4.06 of the Master Agreement.

9.4. Access to Records. The Subrecipient shall cause each Person with whom Subrecipient executes a Subcontract to furnish all information and reports required hereunder and shall permit access to its books, records and accounts by the City or its Representatives, HUD or its agent, other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations and provisions stated herein.

9.5. Subcontract Provisions. The Subrecipient shall include the provisions of Sections 10.1 and 10.2 in every Subcontract or purchase order, specifically or by reference, so that such provisions shall be binding upon each of its own subrecipients or subcontractors.

10. PERSONNEL AND PARTICIPANT CONDITIONS

10.1. Civil Rights, Affirmative Action and Other Requirements. The Subrecipient shall comply with all applicable Requirements of Law, including all applicable Requirements of Law concerning civil rights, non-discrimination in employment and with respect to individuals with disabilities or handicaps, equal opportunity and affirmative action programs, prohibitions on certain activities (including political activities, inherently religious activities, lobbying, political patronage, and nepotism activities), labor standards (including those under the Davis-Bacon Act) and any other Requirements of Law applicable to Subrecipient in connection with this Agreement, the Program or otherwise.

10.2. Minority- and Women-Owned Business (M/WBE). The Subrecipient shall use its best efforts to afford Small Businesses, and Minority and Women's Business Enterprises the maximum practicable opportunity to participate in the performance of this Agreement. (b) if any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;

(c) Subrecipient shall require that the language of sub-Sections (a) and (b) of this certification be included in all Subcontracts and that all Contractors shall certify and disclose accordingly; and

(d) this certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Subrecipient acknowledges that Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

11. ENVIRONMENTAL CONDITIONS

11.1. General. The Subrecipient shall comply with all environmental requirements imposed under applicable Requirements of Law. Pursuant to Section 570.503(b)(5)(i) of the CDBG Rules, the Subrecipient shall not be responsible for the environmental responsibilities as

(c) Environmental Protection Agency regulations pursuant to 40 CFR Part 50, as amended.

11.3. Flood Disaster Protection. In accordance with the requirements of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001), the Subrecipient shall assure that for activities located in an area identified by the Federal Emergency Management Agency as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained as a condition of financial assistance for acquisition or construction purposes (including rehabilitation).

11.4. Lead-Based Paint. The Subrecipient agrees that any construction or rehabilitation of structures containing residential units with assistance provided under this Agreement shall be subject to HUD Lead-Based Paint Regulations at 24 CFR 570.608, and 24 CFR Part 35, Subpart B. Such regulations pertain to all CDBG-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice should also point out that if lead-based paint is found on the property, abatement measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and/or abatement may be conducted.

11.5. Historic Preservation.

12. EVENTS OF DEFAULT AND TERMINATION

12.1. Events of Default.

(a) The occurrence and continuance following notice to the Subrecipient and a reasonable opportunity to cure of any of the following events shall constitute an "Event of Default":

- (i) pursuant to 24 CFR 85.43, if the Subrecipient for any reason materially fails to comply in a timely manner with any terms of this Agreement; or
- (ii) if the Subrecipient uses any Program Funds for Eligible Costs incurred for Eligible Purposes, or Program Assets for any purposes other than one of the Eligible Purposes; or

All Termination Notices given hereunder shall set forth in reasonable detail the reasons for such termination, the date on which such termination shall become effective, and, in the case of partial termination, the provisions of this Agreement that are to be terminated. If, in the case of a partial termination, the City or HUD in its sole discretion determines that the remaining portion of the award of the Grant Funds contemplated herein will not accomplish the purpose for which such award was made, the City or HUD may terminate this Agreement in its entirety.

12.2. Termination. Upon the occurrence and during the continuance of an Event of Default, the City may take any or all of the following actions, without prejudice to the rights of the City to enforce claims against the Subrecipient:

12.3. Remedies Cumulative. All of the City's remedies under the Program Documents shall be cumulative, may be exercised simultaneously against the Subrecipient or in such order and with respect to the Subrecipient as the City may deem desirable, and are not intended to be exhaustive.

(f) Subrecipient shall deliver to the City all Program Documents and other deliverables, if any, as specified in the Scope of Work.

12.6. Acquired or Improved Real Property. LDCMT-30-751

of the last day of the Term or the effective date of the earlier termination of this Agreement, or for such longer period of time as the City deems appropriate. If the Subrecipient fails to cause such real property to be used in such manner for such prescribed period of time, then upon receipt of written Notice from the City the Subrecipient shall pay to the City an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG-DR funds for acquisition of, or improvement to, such real property. All such payments shall constitute Program Income to the City. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of such five (5)-year period or such longer period of time as the City may have deemed to be appropriate.

SCHEDULE I

Scope of Work, Housing Recovery Program

General:

Retain consultants to provide pre-construction services, architectural scoping services and construction inspection services for the rehabilitation and reconstruction of NYC houses, which includes single-family homes (one to two units) that are either occupied by the homeowner or year-round tenants, or three- to four-unit buildings that are owner-occupied and for multi-family buildings (five or more units) and three- to four-unit properties that are not owner-occupied.

Specific:

1. Pre-Construction Services
2. Architectural Scoping Services
3. Construction Inspection Services
4. On-Call Management and Economic Development Consulting Services

Roles and Responsibilities:

As set forth in Section 6.3 of this Agreement, and notwithstanding any provisions to the contrary, it is the express understanding of the Parties that the City, acting through HRO, will assume all programmatic, reporting, monitoring and compliance responsibilities in connection with this Agreement. The Subrecipient assumes the limited procurement responsibilities to: issue Requests for Proposals to contract with the vendors who will perform the tasks set forth in this Scope of Work; conduct an evaluation process to select such vendors; execute the contract documents with the selected vendors; and, upon receipt of certification from HRO as to eligibility and compliance with CDBG Rules and the applicable contract for a requested payment, process such payment request to OMB and upon receipt of funds from OMB make payment to Contractor.

The scopes of work recited below are informational, and are subject to the language in the final contracts negotiated with each selected vendor.

1. Pre-Construction Services

The New York City Economic Development Corporation (NYCEDC) will retain two Consultants to provide Pre-Construction Professional Services. These programs are designed to help NYC residents directly affected by Hurricane Sandy to achieve permanent, sustainable housing solutions. The Consultant will play an essential role in ensuring that the program accurately assesses the level of damage incurred at a building and prepare estimates of the cost to complete rehabilitation or repair of the building, including the development and implementation of appropriate strategies to address resiliency issues or mitigate environmental concerns.

This solicitation for this program is issued by NYCEDC in support of the Mayor's Office of Housing Recovery Operations (HRO). Programmatic oversight will be provided by HRO. While NYCEDC will hold the contracts for this work, HRO will primarily oversee the contract services and provide direction and feedback to the selected Consultants.

In response to housing needs incurred as a result of Hurricane Sandy, the City of New York (the City) applied for assistance through the Department of Housing and Urban Development (HUD) Community Development Block Grant-Disaster Recovery (CDBG-DR) program. This solicitation will build the capacity for the City to deliver assistance under the CDBG-DR program. This solicitation seeks Consultants to provide the following services:

- Task I: Damage Assessments and Cost to Complete
 - Complete inspection report verifying damage was a result of the Storm (structural, electrical, plumbing, visual mold inspection, testing for lead based paint, etc.) and photo documentation of existing conditions.
 - Develop a cost estimate of total damage caused by the Storm that will be used to determine whether the unit is "substantially" damaged.
 - Assessment of remaining work to rehabilitate building.
 - Determine the scope and quality (code compliance) of any repairs completed by Homeowner for use in Duplication of Benefits determination by Case Manager (case management not in scope).
 - On-site collection of Environmental Data for environmental review.
 - Not in scope: detailed cost estimate and case management services.
- Task II: Professional Engineering Services
 - Feasibility review to determine appropriate housing recovery activity.

- Other planning and engineering services necessary to evaluate special circumstances related to housing recovery options (land use issues, feasibility of hazard mitigations, elevation surveys, etc).
- Task III: Environmental Review and Environmental Data Management
 - Desktop and Tier II site-specific environmental screening.
 - Production of site-specific environmental review records.
 - Developing site-specific mitigation plans, where required.
- Task IV: Appraisal Services
 - Determine Fair Market Value (FMV) of home pre-storm to be used in determination of substantial damage. If storm damage to home is equal or greater than fifty percent of FMV pre-storm, the home qualifies as substantially damaged.

The following background section provides context for the services to be provided under Tasks I through IV.

I. BACKGROUND: COMMUNITY DEVELOPMENT BLOCK GRANT—DISASTER RECOVERY (CDBG-DR) HOUSING PROGRAMS OVERVIEW

The City's Housing Recovery Programs are designed to meet the unmet housing assistance needs described in the NYC CDBG-DR Action Plan and help people affected by Hurricane Sandy - including homeowners and tenants of rental properties - achieve permanent, sustainable housing solutions that allow them to remain in New York City and, where possible, return to their neighborhoods.

The objectives of the programs include:

1. Help people affected by Sandy directly by replacing and rehabilitating housing units, including identifying opportunities for mitigation enhancement measures;
2. Help people affected by Sandy by improving the resilience of their housing units while restoring their buildings/residences;
3. Support resilience improvements to reduce risk and strengthen neighborhoods in flood zones; and,
4. Leverage philanthropic investments to address immediate gaps with flexible capital and maximize CDBG-DR dollars at scale.

To pursue these objectives, the City has built programs that incorporate lessons from past disasters; build upon stakeholder input from agencies and relevant organizations across the city, state, and national levels; and, leverage the experience of locally-based organizations to ensure the diverse needs and particular contexts of affected residents are addressed. Our focus is to provide assistance to affected New Yorkers quickly while ensuring accountability and proper use of funds. We have also accounted for the complexities faced by affected residents working through the assistance process and therefore embedded quality customer service and counseling

LDCMT-30-751

options to help people understand their options and the impacts (financial and otherwise) of their decisions. The City's strategy will balance speedy response with adequate planning and take into account the distinct needs of different communities. For program operations, the City will maximize private and non-profit sector expertise and the deep experience of the NYC housing infrastructure while putting appropriate accountability and oversight mechanisms in place.

The City's housing recovery programs are designed to meet the unmet housing assistance needs described in the NYC CDBG-DR Action Plan and help people affected by Hurricane Sandy—including homeowners and tenants of rental properties—achieve permanent, sustainable housing solutions that allow them to remain in New York City and, where possible, return to their neighborhoods.

Housing Program Overview

The City will have two programs, each with several permanent housing recovery paths that maximize coordination across agencies. In this way, the City's programs will leverage scale, where possible, while providing solutions tailored for the different needs of homeowners or landlords in need of assistance (e.g., by geography, building type and size). Specifically, the City will have the following core programs to provide assistance to those who suffered damage from Sandy:

NYC Houses—Grants for reconstruction or rehabilitation of homes that have been destroyed or damaged by Sandy. Assistance will incorporate resilience measures for homes that are destroyed or have substantial damages defined by the NYC CDBG-DR Action Plan.

The City will also use CDBG-DR to create a rental subsidy program to serve extremely low-income households displaced by Hurricane Sandy. The City will assist households in finding apartments in the existing affordable housing portfolio.

Multi-family Building Rehabilitation—Grants, low-interest loans, and/or credit support for rebuilding or rehabilitation of multi-family rental buildings that have suffered damage. Rebuilding or rehabilitation will incorporate resilience measures for those multi-family buildings that have been destroyed or have suffered major damage. Grant disbursement will be managed through a mechanism separate from the Consultant responding to this solicitation

The initial funding will allow the City to serve a segment of its targeted population, as follows:

- **NYC Houses:** The City will prioritize assistance for those with the most severe damage and owners with the highest level of financial need. Accordingly, the City's first priority will be to assist up to 1,000 units of low, moderate and middle income homeowners whose primary residences or rental properties with year-round tenants were destroyed or had major damage. The City will also assist up to 8,300 low, moderate, and middle

income households whose primary residences experienced moderate damage.

- **Multi-family buildings:** The city will invest in its multi-family housing stock—both affordable and market rate, capitalizing on the strong HPD and HDC institutional infrastructure. Through this first round of funding, the City will rehabilitate and enhance the resiliency of approximately 13,000 units of housing for low, moderate, and middle income New Yorkers.
- **Public housing:** The City will allocate \$120 million to design and construct improvements to public housing directly impacted by Hurricane Sandy. The first phase of this program is to install permanent emergency generators at 100 of NYCHA's most vulnerable buildings that were impacted. Accordingly, a portion of this allocation will be used as the non-federal share for FEMA Public Assistance projects.

Preliminary estimates suggest potential rehabilitation needs for a total of ~20,000 single-family buildings (1–4 units) and ~1800 multi-family buildings (ranging from 5 to 558 units with an average building size of 60 units). These estimates also suggest potential reconstruction of ~800 single-family buildings and ~20 multi-family buildings. The lowest income households will be prioritized.

The City of New York has decided to proceed with a tiered environmental review in accordance with provisions identified in 24 CFR 58.15. This approach addresses broad programs and issues in initial Tier 1 or systems-level analyses, and analyzes site-specific proposals and impacts in subsequent tier studies. The initial Tier 1 or broad-level review is being conducted for the programs identified (separate from this solicitation). The broader Tier I reviews will establish the standards and processes to be followed in the site-specific reviews.

Task III: Environmental Review and Environmental Data and Document Management

Environmental Review

The Consultant will be required to assist the City in developing and implementing a written strategy for reviewing and complying with HUD environmental requirements for each applicant to NYC's CDBG-DR housing recovery programs over the course of all allocations. This task is broken into two elements:

1. Site-Specific Environmental Review
2. Environmental Data and Document Management

Site-Specific Environmental Review

The Consultant will be expected to propose and implement strategies intended to engage the public as well as governmental agencies in the NEPA environmental review process. Efficient consultation will be required with federal, state and/or city agencies such as: the United States Fish and Wildlife Service; New York State Department of Environmental Conservation, New York State Office of Parks and Recreation/State Historic Preservation Officer (SHPO); New York City Mayor's Office of Environmental Coordination, New York City Mayor's Office of Remediation, NYC Landmarks Preservation Commission (LPC), Department of Environmental Protection, New York City Department of Parks and Recreation.

To the extent that circumstances and or conditions dictate the need for community level studies the Consultant shall recommend the approach, breadth, and scope of such analyses.

As determined by the Tier I Programmatic Environmental Review, the Consultant will utilize HUD's statutory worksheet to complete site-specific analyses and develop and implement a series

of site checklists for use in the application review to ensure compliance with applicable HUD regulations, governing laws, Executive Orders, et al. (Draft of Tier I is attached at link above).

The Consultant will use these checklists to conduct site checks and/or field visits, as needed, to homeowner properties and their surrounding areas in order to complete said checklists. Site-specific Environmental Reviews shall be sufficient to meet requirements in accordance with 24 CFR part 58. Finally, the Consultant will support the development of potential mitigation alternatives, as required, for sites with potential environmental impacts and/or known issues.

Project scoping will involve field inspections for the purposes of initiating agency consultations, screening for hazardous and or toxic sites/conditions, and other notable site conditions.

Deliverables for this scope element include:

- Site-specific Statutory checklist and environmental review documentation
- Completed, validated, written report(s) on environmental significance, if any, per application site or by logical grouping of project(s), delivered in a format which is compatible with the City's case management system

900 multi-family buildings
- Field visits as required
- Capability to rapidly adjust to changes in the volume of site specific reviews to be completed within required timeframe.

2) Environmental Data and Document Management

The Consultant will prepare and implement plan for the control and management of all documents produced under this contract and for the environmental data collected in support of the Environmental Desktop Reviews. The plan will clearly describe how Pre-construction Services case deliverables will be controlled in both hard and soft copy. The plan should indicate basic metadata that will be captured for each document to aid in document retrieval and how the

files are uploaded to the HRO Program Case Management System. The plan will indicate how hard copy files will be minimized and centrally managed and the quality control procedures to ensure compliance with the document management plan.

The plan shall also clearly indicate how the use of existing environmental data resources are maximized, including the identification of previously performed environmental reviews by NEPA cooperating federal agencies.

The Consultant will also develop and maintain a geographic information system (GIS) for all relevant information necessary to support the Environmental Review Record for the NYC Housing Recovery Programs. The foundation data for the GIS exists and will be shared with the Consultant.

Deliverables under this scope element include:

- Environmental Data and Document Management Plan
- Provision of relevant environmental data to support environmental reviews in a form which can be integrated with NYC data systems
- Assist the City's environmental officer to maintain the Environmental Review Record

Task VI: Appraisal Services

The Consultant will provide appraisal services for the City.

Under both the NYC Houses and Multi-family Building Rehabilitation program, an appraisal might be ordered for pre-storm fair market value of the building for each applicant with substantial damage to their building.

Deliverables for this scope element include:

- Appraisal of the pre-storm fair market value of each individual building requested by the City

Service level requirements:

- Targeted start of appraisal orders is July 1, 2013, with the bulk of orders expected to be completed over a 4 – 6 month period
- Each appraisal should be completed within one week of being assigned a property
- Expected assessments: 10,000 single family homes (1-4 unit) 900 multi-family buildings

- **Capability to rapidly adjust to changes in the volume of appraisals to be completed within required timeframe**

2. Architectural Scoping Services

The New York City Economic Development Corporation (NYCEDC) is seeking architectural scoping services to support the home assessment program. This solicitation for this program is issued by NYCEDC in support of the Mayor's Office of Housing Recovery Operations (HRO). Programmatic oversight will be provided by HRO. While NYCEDC will hold the contracts for this work, HRO will primarily oversee the contract services and provide direction and feedback to the selected Consultants through its agent the New York City Department of Environmental Protection ("DEP").

The City anticipates that approximately 8,000 to 12,000 homes will require preparation of a detailed scoping document (Work Order) describing home damage. Most homes that enter this program, will have sustained less than 50% physical damage based on the pre-storm fair market value of the home. A small percentage of homes will have received greater than 50% damage and a small percentage of homes will require raising pursuant to NYC Department of Buildings code requirements.

The selected vendor(s) will be responsible for creating comprehensive work order packages and itemized quantity take-off cost estimates of qualifying home repairs consistent with Federal, State and local requirements. The scoping documents for each home will include a list of unit price quantities, general floor plans of flood damaged areas, simple floor plan and elevation drawings of kitchen and bathroom repairs, a photographic inventory of the existing conditions, and general notes on hazardous mitigation requirements.

The selected vendor(s) is expected to have extensive experience in single family dwelling home design and familiarity with Federal Housing and Urban Development (HUD) CDBG requirements for home reconstruction.

TASK 1. PROJECT MANAGEMENT

The selected vendor(s) shall provide a sufficient and well-organized project administration team to manage the project throughout the entire period of the Contract including proper supervision of all staff and subcontracted services.

Task 1.1 Project Execution Plan

The selected vendor(s) shall develop and implement a Project Execution Plan (PEP) detailing the manner in which the project will be planned, managed and executed. The objective of the PEP is to define the approach to be used by the project team to deliver the intended project and how

project information will be communicated. The PEP shall be updated as necessary to reflect changes in the project and all revisions will be submitted to DEP for review and comment.

Task 1.2 Monthly Progress Reports and Weekly Progress Meetings

The selected vendor(s) shall prepare and submit a Monthly Progress Report detailing activities completed in previous month, activities anticipated in upcoming month, expenditure against planned budget, schedule progress against planned schedule, and critical issues. The Monthly Progress Reports shall be clear and concise.

The Project Manager of the selected vendor(s) shall attend a weekly coordination meeting with the Program Director to review progress, discuss of items requiring feedback and review a list of outstanding issues requiring resolution.

The selected vendor(s) shall prepare a monthly invoice which includes a full accounting of all staff, number of hours, loaded hourly rate, sub-consultants and Other Direct Costs organized by individual scope task for tasks to be paid on a time and material basis. For tasks paid by lump sum, verification of the units shall be provided. Complete back up of all timesheets and other direct costs are required to substantiate billing.

TASK 2. DEVELOP POLICIES AND PROCEDURES

The selected vendor(s) shall prepare detailed procedures for the execution of home inspections including but not limited to written standard operating procedures, checklists, and floor plan and elevation "quick" forms, etc. The goal of the procedures is to create a consistent and efficient process of working with the homeowners and contractors to finalize the scoping document and initiate construction. All staff will be trained on these procedures and will be expected to comply with all policies and procedures in execution of the work without exception.

TASK 3. CONDUCT HOME INSPECTIONS AND PREPARE WORK ORDERS

Conduct site visit of home and prepare DRAFT Work Orders of qualifying home repairs. Results of the Preliminary Damage Assessment performed by the Housing Recovery Office will be provided for each home. The Preliminary Damage Assessment provides a general description of eligible repairs and includes results of all hazards analysis and associated hazard mitigation requirements. The selected vendor(s) will build a detailed Work Order of all necessary repairs. General services under this sub-task include the following:

- Review damage assessment and environmental review reports performed on the home during the Intake Process to verify work required in the home.
- Verify that a Right of Entry has been signed by the homeowner to allow access to the home.
- Inspect home and prepare detailed quantity take-offs for all necessary repairs. Record

LDCMT-30-751

quantities and produce quick floor plans and elevations sufficient for basic kitchen and bath layouts in the electronic tablet (see Task 4). The unit price items will be based on the Xactimate estimating software package.

- Record written descriptions of hazardous remediation for lead, mold, and asbestos in addition to identified unit price quantities.
- Prepare detailed photographic inventory of the home (using electronic tablet) during inspection including all areas of damage and planned repairs. All photographs shall be properly logged and labeled consistent with documented procedures to facilitate ease of retrieval.
- Coordinate selection of all eligible options with homeowners including, but not limited to, basic kitchen layout, cabinetry, finishes, flooring, kitchen and bathroom fixtures, non-luxury appliances, etc.
- Identify appropriate repair duration (15 days, 30 Days, 45 Days, 60 Days or 90 Days) depending on extent of damage. The repair schedule will be used as a basis of assessing liquidated damages to the contractors.
- Identify and record contractor start date on the home, based on assessment of advance need to procure supplies.
- Conduct final walk through of home with selected General Contractor to confirm scope and solicit final sign-off of the document from Contractor and Homeowner.

It is intended that these services will be completed in 1 home visit limited to approximately 4 hours. If final agreement on homeowner selected materials and layouts cannot be completed within these time frames, the homeowner will be required to make an appointment at a customer service station to finalize the selection process. All appointments for home visits to conduct investigations and prepare Work Orders will be made by a City Customer Service Representative.

TASK 4 DEVELOP TABLET-BASED WORK ORDER SYSTEM

Develop tablet-based system to record unit price quantities (e.g. Xactimate Software), store photo inventory of the home, provide visual images of allowable materials, and produce quick floor plans and elevations of storm-damaged homes. In addition to producing completed work order packages, the tablet will serve as a valuable communication tool with the homeowner to finalize overall home floor plans, and specifically, kitchen and bathroom plan and elevation drawings. The system shall allow visual imaging sufficient for quick optioneering of various layout configurations for "on the spot" communication with homeowners, and record selected options and materials for key home components (e.g. cabinet style, toilet, kitchen sink, etc.). Output from the tablet shall automatically create simple 8-1/2" x 11" plan and elevation drawings and document homeowner selected materials, including standard photographs that will be incorporated into the overall scope package for the building general contractor. Selected

vendor(s) will be responsible for providing tablets and wireless printers and configuring tablets to produce Work Order documents.

TASK 5 QUALITY MANAGEMENT

The selected vendor(s) will provide centralized independent review of all scoping documents prior to finalization including review of photographs, unit price list, floor plans, elevations, etc. to verify eligibility, completeness, accuracy, local code compliance, and compliance with HUD Single Family Housing Rehabilitation Standards, and the HUD CPD Green Building Retrofit Checklist. Any quality issues identified during review shall be corrected prior to contractor sign-off of the scoping document. It is expected that all quality sign-offs will be completed within 24 hours of submittal of a draft Scope of Work Package.

TASK 6 PREPARE ENGINEERING DRAWINGS AND INSPECTION FOR HOME RAISING

It is anticipated that approximately 250 to 500 homes will require raising in order to comply with NYC Department of Buildings code requirements. The selected vendor will be responsible for conducting all field investigations and producing signed and sealed engineering drawings and specifications for DOB approval. Upon DOB approval, the vendor shall prepare bid documents for the City's General Contractor to prepare a Non-Prepriced cost proposal. The Engineer of Record will also be required to perform a final inspection on the house raise to support final acceptance of the Job Order.

TASK 7 REVIEW/APPROVAL OF POTENTIAL CHANGE ORDERS

The selected vendor(s) shall be responsible for reviewing and recommending changes to the original scope document including an evaluation of a time extension to complete the extra work. Potential scope changes must be submitted in writing from the General Contractor and where applicable, an electronic photo inventory of the changed condition must be provided. Where necessary, the architect shall make a home visit to verify the change condition; otherwise, the photographic inventory provided by the contractor shall be used to assess the changed condition. All contractor submissions and owner approval of changed conditions shall be made electronically into the City's web-based data management system. It is expected that all change requests shall be reviewed and approved within 48 hours of submission from the General Contractor. Requests for changes must be approved by the vendor(s) prior to the initiation of the work.

TASK 8 REQUESTS FOR INFORMATION/CLARIFICATION

The selected vendor(s) shall be responsible for reviewing and responding to scope related requests for information (RFI) from the General Contractor. The General Contractor must submit all RFIs through the web-based Construction Management System. It is expected that all RFIs shall be responded to within 48 hours of receipt.

TASK 9 SUBMITTAL REVIEW

The General Contractors will be required to provide basic submittals of materials for all unit price items for review and approval. The General Contractors may also be required to provide submittals related to house raising as requested in the Non-Prepriced Bid Documents. The selected vendor(s) will be required to review the submissions for compliance with the contract specifications as well as HUD Single Family Housing Rehabilitation Specifications. Each selected contractor is expected to provide submittals within 30 days of contract registration for all unit price items. The selected vendor(s) is expected to review all submittals within 14 days of the initial submission. Substitutions for approved submittals may be received throughout the construction period and the selected vendor(s) is expected to review and approve individual submissions within 48 hours of submission.

3. **Construction Inspection Services**

The New York City Economic Development Corporation (NYCEDC) is seeking construction inspection ("Inspection") services to support the home rehabilitation program. This solicitation for this program is issued by NYCEDC in support of the Mayor's Office of Housing Recovery Operations (HRO). Programmatic oversight will be provided by HRO. While NYCEDC will hold the contracts for this work, HRO will primarily oversee the contract services and provide direction and feedback to the selected vendors through its agent the New York City Department of Environmental Protection ("DEP").

The selected vendor(s) will be responsible for conducting interim and final acceptance inspections of allowable rehabilitation work ("Work") performed at participating homes to ensure conformance with the contract specifications as detailed in the Job Order and to review and approve payments to the contractors on each home. Home construction will be performed by either a City-provided General contractor or a contractor selected by the homeowner. In either case, a detailed job order of Work will be prepared and will form the basis of all inspection services.

The selected vendor will also be responsible for performing Special Inspections as required under the New York City Building code and must be certified in accordance with section 101-06 of the NYC Building Code where applicable. The inspection services provided under this contract do not replace any inspections performed by the NYC Buildings Department for the purposes of permit compliance (e.g. electrical inspections).

The selected vendor(s) is expected to have extensive experience in single family dwelling home inspection and familiarity with Federal Housing and Urban Development (HUD) CDBG requirements for home reconstruction and be familiar with the NYC Building Code requirements for residential construction including dwellings of up to four individual units.

TASK 2. PROJECT MANAGEMENT

The selected vendor(s) shall provide a sufficient and well-organized project administration team to manage the project throughout the entire period of the Contract including proper supervision of all staff and subcontracted services.

Task 2.1 Project Execution Plan

The selected vendor(s) shall develop and implement a Project Execution Plan (PEP) detailing the manner in which the project will be planned, managed and executed. The objective of the PEP is to define the approach to be used by the project team to deliver the intended project and how

LDCMT-30-751

project information will be communicated. The PEP shall be updated as necessary to reflect changes in the project and all revisions will be submitted to DEP for review and comment.

Task 2.2 Monthly Progress Reports and Weekly Progress Meetings

The selected vendor(s) shall prepare and submit a Monthly Progress Report detailing activities completed in previous month, activities anticipated in upcoming month, expenditure against planned budget, schedule progress against planned schedule, and critical issues. The Monthly Progress Reports shall be clear and concise.

The Project Manager of the selected vendor(s) shall attend a weekly coordination meeting with the DEP Reconstruction Program Director to review progress, discuss of items requiring feedback and review a list of outstanding issues requiring resolution.

The selected vendor(s) shall prepare a monthly invoice which includes a full accounting of all staff, number of hours, loaded hourly rate, sub-consultants and Other Direct Costs organized by individual scope task for tasks to be paid on a time and material basis. For tasks paid by lump sum, verification of the units shall be provided. Complete back up of all timesheets and other direct costs are required to substantiate billing.

TASK 2. DEVELOP POLICIES AND PROCEDURES/STAFF TRAINING

Prior to beginning work, the selected vendor(s) shall prepare detailed procedures for the execution of home inspections including but not limited to written standard operating procedures and checklists. All staff will be thoroughly trained on these procedures and will be expected to comply with all policies and procedures in execution of the Work without exception. Periodic update training will be expected to maintain compliance.

TASK 3 QUALITY MANAGEMENT

The selected vendor(s) will develop and implement a quality management plan to ensure the overall quality of the inspection services. Plan implementation shall include audits of all services and submission of audit reports to the DEP Rehabilitation Program Office for review. Corrective action reports shall be prepared where program implementation deficiencies are observed.

TASK 4. CONDUCT HOME INSPECTIONS

For all inspection work described below, it is the Contractor's responsibility to request inspection services at the noted Work progress milestones described below. The Contractor will be

required to utilize the City's Construction Management Information System ("CMIS") to request inspections. The inspections must be requested by the Contractor at least 3 days in advance.

Task 4.1 Inspection of Homes NOT Elevated

For participating homes that are not required to be elevated, the selected vendor will be required to perform two (2) inspections for conformance with the Job Order document.

- a. In-Progress Inspection: The first inspection will be conducted prior to the Contractor "closing" up walls and other surfaces so that all Work that can be observed
- b. Final Acceptance Inspection: Once the Work has been completed and all DOB inspections have been completed

During each inspection, the inspector will inspect the Work performed by the contractor for:

- conformance to the Job Order including documentation of all quantities installed against the recorded quantities in the Job Order,
- general workmanship,
- code compliance
- compliance with contract specifications

The inspector will record the results of the inspection in the tablet system software to be provided by the DEP Reconstruction Program Director ("Tablet system") and also prepare a detailed photographic inventory of the home (using electronic tablet) including all areas of damage and repair work. All photographs shall be properly logged and labeled consistent with documented procedures to facilitate ease of retrieval.

It is intended that each inspection will be completed in approximately 1 to 4 hours depend on the size of the property and the complexity of the damage.

Task 4.2 Inspection of Homes Elevated

In addition to the In-Progress and Final Acceptance Inspections described in Task 4.1, additional on-site inspections shall be performed for homes that require raising. Three (3) additional inspections are required:

- a. Pre-Conditions Inspection: Prior to the start of the raising process,
- b. Elevation On-Site Inspection: During the raising process (1 to 2 days max),
- c. Final Elevation Inspection: Once the permanent structural support has been completed

At each step in the process, the inspector will prepare a detailed photographic inventory of the pre-existing, post-elevation, and post structural support system completion conditions. Summary of Scope

The Mayor's Office of Housing Recovery Operations (HRO) requests services to assist in providing permanent housing solutions in the aftermath of the late season hurricane event that hit New York in October 2012 known as Superstorm Sandy. The HRO was created by Executive Order of the Mayor's Office with the mission of returning New York City residents to a permanent home within 18 months of the disaster. In order to achieve its mission, HRO has created a program to utilize Community Development Block Grant Disaster Relief ("CDBG-DR") funding from the U.S. Department of Housing and Urban Development ("HUD"), and will need the following support:

- Support in the development, coordination, and operation of CDBG-DR funded housing programs, including recommendations and refinement of operational models and procedures, management analysis, general project management, and operations recommendations,
- Communications and outreach support to NYC communities
- Support in federal environmental review requirements
- Refinement of "unmet" need estimates as defined by HUD in its Disaster Relief Appropriations Act of 2013 (Public Law 113-2, January 29, 2013) based on data from program applicants and damage assessments of properties
- Analysis of client characteristics and comparison to demography of affected neighborhoods, and support of outreach activities to ensure program participation
- Support the ongoing activities of the Program Management Office

The Project Manager will assign tasks throughout the term of the contract based on needs described below, using the attached rate schedule. Where tasks involve support and deliverables as needed/required, the Project Manager will assign tasks and may request specific qualifications and experience/expertise corresponding with the levels in the Rate Schedule.

Task I – Communications and Outreach Support

The Consultant will provide expert services and support to the City for Program Outreach to Sandy victims and the broader NYC community. Outreach efforts have included soliciting community and stakeholder input from constituents, elected officials, and community groups, fostering dialogue from small group conversations to large-town hall style meetings, leveraging existing outreach efforts across NYC agencies, and direct engagement through online social media.

Support will include analysis of the effectiveness of existing outreach activities, development of detailed strategies to reach targeted communities and demographics, and the development and production of a suite of multi-media communication materials to support effective outreach.

1st Deliverable Due Weekly: Analysis of the effectiveness of existing outreach activities based on target demographics in affected areas

2nd Deliverable Due Monthly for 6 months, then as required: Development of detailed strategies to reach targeted communities and demographics

3rd Deliverable Due Monthly for 6 months, then as required: Development and production of a suite of multi-media communication materials to support effective outreach

Task II – Programmatic Environmental Support

An environmental review is the process of reviewing a property (“project”) and its potential environmental impacts to determine whether it meets federal, state, and local environmental standards. The environmental review process is triggered when federal funds are used solely or in combination with other funds to finance a project. All projects receiving HUD assistance must have an environmental review in compliance with 24 CFR Part 58 to ensure that the proposed project does not negatively impact the surrounding environment and that the project site itself is safe for development. Every project’s environmental impact must be in compliance with the National Environmental Protection Act (NEPA), and other related Federal and state environmental laws. Environmental review responsibilities must be completed prior to implementation and committal (obligation) of any funds for the approved project, but the extent of the review varies.

The Environmental Reviews will follow the Tiering process described at 24 CFR 58.15. The Tier 1 environmental review involves a broad analysis of relevant, general environmental conditions in the target area. The Tier 1 review also provides structure for the Tier 2 review by establishing

LDCMT-30-751

procedures for site-specific environmental compliance. The Tier 2 review focuses on site-specific environmental conditions that cannot be adequately evaluated at the Tier 1 level.

A Tier 1 Environmental Review is expected to be out for Public Comment prior to the start of this effort. The Consultant will provide expert services in support of the completion of the Tier 1 Environmental Review. Services could include but would not be limited to response to public comment on the potential impact of the proposed program activities on the environment, revision to the Tier 1 Environmental Review based on public input and Agency Consultations, development and negotiation of Programmatic Agreements with Agencies or stakeholder groups with regard to environmental, cultural, or historic mitigations, etc. Provide support to ensure compliance with the Tier 1 and HUD NEPA requirements during the execution of lower tier (Tier 2) analyses. Support the coordination and publication of required public notices under the Environmental Compliance Program.

1st Deliverable: Support the completion of the Tier 1 Environmental Review, including but not be limited to response to public comment on the potential impact of the proposed program activities on the environment, revision to the Tier 1 Environmental Review based on public input and Agency Consultations

2nd Deliverable: Compliance reviews of Tier 1 and 2 Environmental Reviews, including providing support to ensure compliance with the Tier 1 and HUD NEPA requirements during the execution of lower tier (Tier 2) analyses and supporting the coordination and publication of required public notices under the Environmental Compliance Program

Task III – Program Management Operations Support

The Program Management Office (PMO) oversees the execution of the Housing Recovery Program. PMO provides overall generation administration as well as support to our vendors.

The Consultant shall provide Subject Matter Experts and staff augmentation for the Program Management Office, as required, to support the implementation of the City's Housing Recovery Operations. Support could include but is not limited to the following areas: Project Controls Specialists, Cost Controls, Document Management, Quality Assurance/Quality Control Specialists, Financial Analysts, CDBG-DR Experts, Duplication of Benefits Experts, Fair Housing Experts, and Data and Reporting Analysts. The Consultant will support ad-hoc problem-solving design-related hurdles as they arise.

Task IV – CDBG-DR Policy Support

The City's housing recovery programs are designed to meet the unmet housing assistance needs described in the NYC CDBG-DR Action Plan (<http://www.nyc.gov/cdbg>), which is incorporated into this solicitation by reference, and help people affected by Hurricane Sandy – including homeowners and tenants of rental properties – achieve permanent, sustainable housing solutions that allow them to remain in New York City and, where possible, return to their neighborhoods.

The objectives of the programs include:

1. Help people affected by Sandy directly by replacing and rehabilitating housing units, including identifying opportunities for mitigation enhancement measures;
2. Help people affected by Sandy by improving the resilience of their housing units while restoring their buildings/residences;
3. Support resilience improvements to reduce risk and strengthen neighborhoods in flood zones; and,
4. Leverage philanthropic investments to address immediate gaps with flexible capital and maximize CDBG-DR dollars at scale.

To pursue these objectives, the City has built programs that incorporate lessons from past disasters; built upon stakeholder input from agencies and relevant organizations across the city, state, and national levels; and, leveraged the experience of locally-based organizations to ensure the diverse needs and particular contexts of NYC's affected residents are addressed. HRO's focus is to provide assistance to affected New Yorkers quickly while ensuring accountability and proper use of funds. HRO has also accounted for the complexities faced by affected residents working through the assistance process and therefore embedded quality customer service and counseling options to help people understand their options and the impacts (financial and otherwise) of their decisions. The City's strategy will balance speedy response with adequate planning, support equity, and take into account the distinct needs of different communities and abilities of those community members. For program operations, the City will maximize private and non-profit sector expertise and the deep experience of the housing infrastructure in NYC while putting appropriate accountability and oversight mechanisms in place to ensure compliance with HUD regulatory requirements found at 24 CFR 570 and as defined by HUD in its Disaster Relief Appropriations Act of 2013 (Public Law 113-2, January 29, 2013).

The City's housing recovery programs are designed to meet the unmet housing assistance needs described in the NYC CDBG-DR Action Plan and help people affected by Hurricane Sandy – including homeowners and tenants of rental properties – achieve permanent, sustainable housing solutions that allow them to remain in New York City and, where possible, return to their neighborhoods.

The Consultant shall provide expert support in monitoring the effectiveness of the Housing Recovery Program and, as necessary, support changes to the Action Plan and ongoing program design. In addition, the Consultant shall monitor the effectiveness and appropriateness of established Program Guidelines, Policies and Procedures. The Consultant will provide expert review and analysis in support of appropriate revisions or waivers, as necessary, to ensure consistency throughout the program execution.

The Contractor also agrees to comply with Department of Labor Regulations pursuant to the Davis-Bacon Act found in 29 CFR Parts 1, 3, 5 and 7 which enforce statutory labor standards provisions.

In the event of a violation of this provision, the Contractor shall not only be liable to any affected employee for his/her unpaid wages, but shall be additionally liable to the United States for liquidated damages.
 - (iii) The Copeland "Anti-Kickback" Act (18 U.S.C. § 874), as supplemented by the regulations contained in 29 CFR Part 3, requiring that all laborers and mechanics shall be paid unconditionally and not less often than once a week, and prohibiting all but "permissible" salary deductions.
 - (iv) The more complete detailed statement of Federal Labor Standards annexed hereto as FEDERAL EXHIBIT 2.
 - (v) The provisions of Article 3(a) of this Agreement shall be included in all subcontracts for work in connection with this Agreement.

**Standard Federal Equal Employment Opportunity Construction Contract Specifications
for Contracts and Subcontracts in Excess of \$10,000.**

1. As used in these specifications:
 - a. "Covered area" means the geographical area described in the solicitation from which this Agreement resulted;
 - b. "Director" means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;
 - c. "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941.
 - d. "Minority" includes:
 - (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
 - (ii) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);
 - (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
 - (iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).
2. Whenever the Contractor, or any Subcontractor at any tier, subcontracts a portion of the work involving any Construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this Agreement resulted.
3. If the Contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each Contractor or Subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other Contractors or Subcontractors toward a goal in an approved Plan does not excuse any covered Contractor's or Subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.
4. The Contractor shall implement the specific affirmative action standards provided in paragraphs 7 a

through p of these specifications. The goals set forth in the solicitation from which this Agreement resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each Construction trade in which it has employees in the covered area. Covered Construction Contractors performing Construction work in geographical areas where they do not have a Federal or federally assisted Construction contract shall apply the minority and female goals established for the geographical areas where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The Contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.

5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.
6. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.
7. The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:
 - a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Construction project. The Contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
 - b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organization's responses.
 - c. Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

- d. Provide immediate written notification to the Director when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.
- e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.
- f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where Construction work is performed.
- g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on-site supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of Construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
- h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.
- i. Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.
- j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a Contractor's work force.
- k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.

l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

m. Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.

n. Ensure that all facilities and company activities are non-segregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female Construction contractors and suppliers, including circulation of solicitations to minority and female Contractor associations and other business associations.

p. Conduct a review, at least annually, of all supervisor's adherence to and performance under the Contractor's EEO policies and affirmative action obligations.

8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (7a through p). The efforts of a Contractor association, joint Contractor-union, Contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under 7a through p of these specifications provided that the Contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the Program are reflected in the Contractor's minority and female work force participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.

9. A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).

10. The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

11. The Contractor shall not enter into any Subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246 or suspended or is otherwise excluded from or ineligible for participation in federal assistance programs.

12. The Contractor shall carry out such sanctions and penalties for violation of these

specifications and of the Equal Opportunity Clause, including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any Contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.

13. The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR 60-4.8.

14. The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, Construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, Contractors shall not be required to maintain separate records.

15. Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for hiring of local or other areas residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

ARTICLE 4 **NONDISCRIMINATION**

(a) The Contractor shall not, in any Program or activity receiving funds under this Agreement, discriminate against any person on the grounds of race, color, national origin, religion, sex, age, or disability. The Contractor agrees to comply with provisions of 24 CFR Part 6, 8, and 146.

Unearned payments received by the Contractor will be returned to the City. All interest on funds advanced to the Contractor will be returned to the City.

These goals are applicable to all the Contractor's Construction work (whether or not it is Federal or federally assisted) performed in the covered area. If the Contractor performs Construction work in a geographical area located outside of the covered area, it shall apply the goals established for such geographical area where the work is actually performed. With regard to this second area, the Contractor also is subject to the goals for both its federally involved and nonfederally involved Construction.

Applicability

The Project or Program in which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section (b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein; Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program. Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. **Withholding.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract in the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. **(f) Payrolls and basic records.** Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been

communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(1) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(i), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(H)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1801 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who

is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(III) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract.

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract.

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (I) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be

awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(II) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(III) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1010, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration . . . makes, utters or publishes any statement knowing the same to be false . . . shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds \$100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act. (Public Law 91-54, 83 Stat 95). 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

A. The Contractor represents and warrants that no person or entity (other than an officer, partner, or employee working solely for the Contractor) has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for a commission, percentage, brokerage fee, contingent fee or any other direct or indirect compensation. Notwithstanding the preceding sentence, the Contractor may retain consultants to draft proposals, negotiate contracts, and perform other similar services. The Contractor further represents and warrants that no payment, gift, or thing of value has been made, given, or promised to obtain this or any other agreement between the parties. The Contractor makes such representations and warranties to induce the City to enter into this Agreement and the City relies upon such representations and warranties in the execution of this Agreement.

B. For any breach or violation of the representations and warranties set forth in Paragraph A above, the Commissioner shall have the right to annul this Agreement without liability, entitling the City to recover all monies paid to the Contractor; and the Contractor shall not make claim for, or be entitled to recover, any sum or sums due under this Agreement. The rights and remedies of the City provided in this Section are not exclusive and are in addition to all other rights and remedies allowed by Law or under this Agreement.

Section 2.02 Conflicts of Interest

A. The Contractor represents and warrants that neither it nor any of its directors, officers, members, partners or employees, has any interest nor shall they acquire any interest, directly or indirectly, which conflicts in any manner or degree with the performance of this Agreement. The Contractor further represents and warrants that no person having such interest or possible interest shall be employed by or connected with the Contractor in the performance of this Agreement.

B. Consistent with Charter § 2604 and other related provisions of the Charter, the Admin. Code and the New York State Penal Law, no elected official or other officer or employee of the City, nor any person whose salary is payable, in whole or in part, from the City Treasury,

shall participate in any decision relating to this Agreement which affects his or her personal interest or the interest of any corporation, partnership or other entity in which he or she is, directly or indirectly, interested; nor shall any such official, officer, employee, or person have any interest in, or in the proceeds of, this Agreement. This Paragraph B shall not prevent directors, officers, members, partners, or employees of the Contractor from participating in decisions relating to this Agreement where their sole personal interest is in the Contractor.

C. The Contractor shall not employ a person or permit a person to serve as a member of the Board of Directors or as an officer of the Contractor if such employment or service would violate Chapter 68 of the Charter.

D. Except as provided in Paragraph E below, the Contractor's employees and members of their immediate families, as defined in Paragraph F below, may not serve on the Board of Directors of the Contractor ("Board"), or any committee with authority to order personnel actions affecting his or her job, or which, either by rule or by practice, regularly nominates, recommends or screens candidates for employment in the program to be operated pursuant to this Agreement.

E. If the Board has more than five (5) members, then Contractor's employees and members of their immediate families may serve on the Board, or any committee with authority to order personnel actions affecting his or her job, or which, either by rule or by practice, regularly nominates, recommends or screens candidates for employment in the program to be operated pursuant to this Agreement, provided that (i) Contractor's employees and members of their immediate families are prohibited from voting on any such personnel matters, including but not limited to any matters directly affecting their own salary or other compensation, and shall fully disclose all conflicts and potential conflicts to the Board, and (ii) Contractor's employees and members of their immediate families may not serve in the capacity either of Chairperson or Treasurer of the Board (or equivalent titles), nor constitute more than one-third of either the Board or any such committee.

F. Without the prior written consent of the Commissioner, no person may hold a job or position with the Contractor over which a member of his or her immediate family exercises any supervisory, managerial or other authority whatsoever whether such authority is reflected in a job title or otherwise, unless such job or position is wholly voluntary and unpaid. A member of an immediate family includes: husband, wife, domestic partner, father, father-in-law, mother, mother-in-law, brother, brother-in-law, sister, sister-in-law, son, son-in-law, daughter, daughter-in-law, niece, nephew, aunt, uncle, first cousin, and separated spouse. Where a member of an immediate family has that status because of that person's relationship to a spouse (e.g., father-in-law), that status shall also apply to a relative of a domestic partner. For purposes of this Section, a member of the Board is deemed to exercise authority over all employees of the Contractor.

G. If the Contractor has contracts with the City that in the aggregate during any twelve-month period have a value of more than One Million Dollars (\$1,000,000) and such amount constitutes more than fifty percent (50%) of the Contractor's total revenues, then the Contractor must have a minimum of five (5) persons on its Board.

H. Paragraphs D-H of this Section 2.02 apply only if Contractor is a not-for-profit corporation.

A. The Contractor and each person signing on its behalf certifies, under penalties of perjury, that to the best of its, his or her knowledge and belief:

1. The prices and other material terms set forth in this Agreement have been arrived at independently, without collusion, consultation, communication, or agreement with any other bidder or proposer or with any competitor as to any matter relating to such prices or terms for the purpose of restricting competition;

2. Unless otherwise required by Law or where a schedule of rates or prices is uniformly established by a government agency through regulation, policy or directive, the prices and other material terms set forth in this Agreement which have been quoted in this Agreement and on the bid or proposal submitted by the Contractor have not been knowingly disclosed by the Contractor, directly or indirectly, to any other bidder or proposer or to any competitor prior to the bid or proposal opening; and

3. No attempt has been made or will be made by the Contractor to induce any other person or entity to submit or not to submit a bid or proposal for the purpose of restricting competition.

B. The fact that the Contractor (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has sold the same items to other customers at the same prices and/or terms being bid or proposed, does not constitute, without more, a disclosure within the meaning of this Section.

Section 2.04 VENDEX

The giving of any such consent to a particular assignment shall not dispense with the necessity of such consent to any further or other assignments. Any such assignment, transfer, conveyance or other disposition without such written consent shall be void.

B. Before entering into any such assignment, transfer, conveyance or other disposal of this Agreement, the Contractor shall submit a written request for approval to the Department giving the name and address of the proposed assignee. The proposed assignee's VENDEX questionnaire must be submitted within thirty (30) Days after the ACCO has granted preliminary written approval of the proposed assignee, if required. Failure to obtain the prior written consent to such an assignment, transfer, conveyance, or other disposition may result in the revocation and annulment of this Agreement, at the option of the Commissioner. The City shall thereupon be relieved and discharged from any further liability and obligation to the Contractor, its assignees, or transferees, who shall forfeit all monies earned under this Agreement, except so much as may be necessary to pay the Contractor's employees.

D. The provisions of this Section shall not hinder, prevent, or affect an assignment by the Contractor for the benefit of its creditors made pursuant to the Laws of the State.

E. This Agreement may be assigned, in whole or in part, by the City to any corporation, agency, or instrumentality having authority to accept such assignment. The City shall provide the Contractor with written notice of any such assignment.

Section 3.02 Subcontracting

At the request of the Department, a copy of the proposed subcontract shall be submitted to the Department. The proposed subcontractor's VENDEX Questionnaire must be submitted, if required, within thirty (30) Days after the ACCO has granted preliminary approval of the proposed subcontractor. Upon the request of the Department, the Contractor shall provide any other information demonstrating that the proposed subcontractor has the necessary facilities, skill, integrity, past experience and financial resources to perform the specified services in accordance with the terms and conditions of this Agreement. The Agency shall make a final determination in writing approving or disapproving the subcontractor after receiving all requested information. For proposed subcontracts that do not exceed Twenty-five Thousand Dollars (\$25,000), the Department's approval shall be deemed granted if the Department does not issue a written approval or disapproval within forty-five (45) Days of the Department's receipt of the written request for approval or, if applicable, within forty-five (45) Days of the Department's acknowledged receipt of fully completed VENDEX Questionnaires for the subcontractor.

D. The Contractor agrees that it is as fully responsible to the Department for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by such subcontractors as it is for the acts and omissions of any person directly employed by it.

E. For determining the value of a subcontract, all subcontracts with the same subcontractor shall be aggregated.

F. The Department may revoke the approval of a subcontractor granted or deemed granted pursuant to Paragraphs (A) and (B) of this section if revocation is deemed to be in the interest of the City in writing on no less than ten (10) Days' notice unless a shorter period is warranted by considerations of health, safety, integrity issues or other similar factors. Upon the effective date of such revocation, the Contractor shall cause the subcontractor to cease all work under the Agreement. The City shall not incur any further obligation for services performed by such subcontractor pursuant to this Agreement beyond the effective date of the revocation. The City shall pay for services provided by the subcontractor in accordance with this Agreement prior to the effective date of revocation.

G. The Department's approval of a subcontractor shall not relieve the Contractor of any of its responsibilities, duties and liabilities under this Agreement. At the request of the Department, the Contractor shall provide the Department a copy of any subcontract.

1. Will not discriminate unlawfully against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, marital status, sexual orientation or citizenship status with respect to all employment decisions including, but not limited to, recruitment, hiring, upgrading, demotion, downgrading, transfer, training, rates of pay or other forms of compensation, layoff, termination, and all other terms and conditions of employment;

B. The Contractor understands that in the event of its noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations, or orders, such noncompliance shall constitute a material breach of this Agreement and noncompliance with E.O. 50 and the rules and regulations promulgated thereunder. B. Any reports, documents, data, photographs, deliverables, and/or other materials provided pursuant to this Agreement ("Copyrightable Materials") shall be considered "work-made-for-hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. § 101, and the City shall be the copyright owner thereof and of all aspects, elements and components thereof in which copyright protection might exist. To the extent that the Copyrightable Materials do not qualify as "work-made-for-hire," the Contractor hereby irrevocably transfers, assigns and conveys exclusive copyright ownership in and to the Copyrightable Materials to the City, free and clear of any liens, claims, or other encumbrances. The Contractor shall retain no copyright or intellectual property interest in the Copyrightable Materials. The Copyrightable Materials shall be used by the Contractor for no purpose other than in the performance of this Agreement without the prior written permission of the City. The Department may grant the Contractor a license to use the Copyrightable Materials on such terms as determined by the Department and set forth in the license.

C. The Contractor acknowledges that the City may, in its sole discretion, register copyright in the Copyrightable Materials with the United States Copyright Office or any other government agency authorized to grant copyright registrations. The Contractor shall fully cooperate in this effort, and agrees to provide any and all documentation necessary to accomplish this.

D. The Contractor represents and warrants that the Copyrightable Materials: (i) are wholly original material not published elsewhere (except for material that is in the public domain); (ii) do not violate any copyright Law; (iii) do not constitute defamation or invasion of the right of privacy or publicity; and (iv) are not an infringement, of any kind, of the rights of any third party. To the extent that the Copyrightable Materials incorporate any non-original material, the Contractor has obtained all necessary permissions and clearances, in writing, for the use of such non-original material under this Agreement, copies of which shall be provided to the City upon execution of this Agreement.

E. If the services under this Agreement are supported by a federal grant of funds, the federal and State government reserves a royalty-free, non-exclusive irrevocable license to reproduce, publish, or otherwise use and to authorize others to use, for federal or State government purposes, the copyright in any Copyrightable Materials developed under this Agreement.

F. If the Contractor publishes a work dealing with any aspect of performance under this Agreement, or with the results of such performance, the City shall have a royalty-free, non-exclusive irrevocable license to reproduce, publish, or otherwise use such work for City governmental purposes.

Section 6.02 Patents and Inventions

The Contractor shall promptly and fully report to the Department any discovery or invention arising out of or developed in the course of performance of this Agreement. If the services under this Agreement are supported by a federal grant of funds, the Contractor shall promptly and fully report to the federal government for the federal government to make a

determination as to whether patent protection on such invention shall be sought and how the rights in the invention or discovery, including rights under any patent issued thereon, shall be disposed of and administered in order to protect the public interest.

Section 6.03 Pre-existing Rights

In no case shall Sections 6.01 and 6.02 apply to, or prevent the Contractor from asserting or protecting its rights in any discovery, invention, report, document, data, photograph, deliverable, or other material in connection with or produced pursuant to this Agreement that existed prior to or was developed or discovered independently from the activities directly related to this Agreement.

Section 6.04 Antitrust

The Contractor hereby assigns, sells, and transfers to the City all right, title and interest in and to any claims and causes of action arising under the antitrust laws of the State or of the United States relating to the particular goods or services procured by the City under this Agreement.

7. INSURANCE

The Contractor shall not commence performing services under this Agreement unless and until all insurance required by this Article is in effect, and shall ensure continuous insurance coverage in the manner, form, and limits required by this Article throughout the term of the Agreement.

Section 7.02 Commercial General Liability Insurance

A. The Contractor shall maintain Commercial General Liability Insurance covering the Contractor as Named Insured and the City as an Additional Insured in the amount of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall protect the City and the Contractor from claims for property damage and/or bodily injury, including death that may arise from any of the operations under this Agreement. Coverage under this insurance shall be at least as broad as that provided by the most recently issued Insurance Services Office ("ISO") Form CG 0001, and shall be "occurrence" based rather than "claims-made."

B. Such Commercial General Liability Insurance shall name the City, together with its officials and employees, as an Additional Insured with coverage at least as broad as the most recently issued ISO Form CG 20 10.

Section 7.03 Professional Liability Insurance

A. At the Department's direction, if professional services are provided pursuant to this Agreement, the Contractor shall maintain and submit evidence of Professional Liability

Insurance appropriate to the type(s) of such services to be provided under this Agreement in the amount of at least One Million Dollars (\$1,000,000) per claim. The policy or policies shall include an endorsement to cover the liability assumed by the Contractor under this Agreement arising out of the negligent performance of professional services or caused by an error, omission or negligent act of the Contractor or anyone employed by the Contractor.

B. All subcontractors of the Contractor providing professional services under this Agreement for which Professional Liability Insurance is reasonably commercially available shall also maintain such insurance in the amount of at least One Million Dollars (\$1,000,000) per claim, and the Contractor shall provide to the Department, at the time of the request for subcontractor approval, evidence of such Professional Liability Insurance on forms acceptable to the Department.

C. Claims-made policies will be accepted for Professional Liability Insurance. All such policies shall have an extended reporting period option or automatic coverage of not less than two (2) years. If available as an option, the Contractor shall purchase extended reporting period coverage effective on cancellation or termination of such insurance unless a new policy is secured with a retroactive date, including at least the last policy year.

Section 7.04 Workers' Compensation, Disability Benefits, and Employer's Liability Insurance

The Contractor shall maintain, and ensure that each subcontractor maintains, Workers' Compensation Insurance, Disability Benefits Insurance, and Employer's Liability Insurance in accordance with the Laws of the State on behalf of, or with regard to, all employees providing services under this Agreement.

Section 7.05 Unemployment Insurance

To the extent required by Law, the Contractor shall provide Unemployment Insurance for its employees.

A. If vehicles are used in the provision of services under this Agreement, then the Contractor shall maintain Business Automobile Liability insurance in the amount of at least One Million Dollars (\$1,000,000) each accident combined single limit for liability arising out of ownership, maintenance or use of any owned, non-owned, or hired vehicles to be used in connection with this Agreement. Coverage shall be at least as broad as the most recently issued ISO Form CA0001.

B. If vehicles are used for transporting hazardous materials, the Business Automobile Liability Insurance shall be endorsed to provide pollution liability broadened coverage for covered vehicles (endorsement CA 99 48) as well as proof of MCS-90.

Section 7.07 General Requirements for Insurance Coverage and Policies

A. All required insurance policies shall be maintained with companies that may lawfully issue the required policy and have an A.M. Best rating of at least A- / "VII" or a Standard and Poor's rating of at least A, unless prior written approval is obtained from the City Law Department.

B. All insurance policies shall be primary (and non-contributing) to any insurance or self-insurance maintained by the City.

C. The Contractor shall be solely responsible for the payment of all premiums for all required insurance policies and all deductibles or self-insured retentions to which such policies are subject, whether or not the City is an insured under the policy.

D. There shall be no self-insurance program with regard to any insurance required under this Article unless approved in writing by the Commissioner. Any such self-insurance program shall provide the City with all rights that would be provided by traditional insurance required under this Article, including but not limited to the defense obligations that insurers are required to undertake in liability policies.

E. The City's limits of coverage for all types of insurance required under this Article shall be the greater of (i) the minimum limits set forth in this Article or (ii) the limits provided to the Contractor as Named Insured under all primary, excess, and umbrella policies of that type of coverage.

Section 7.08 Proof of Insurance

A. For Workers' Compensation Insurance, Disability Benefits Insurance, and Employer's Liability Insurance, the Contractor shall file one of the following within ten (10) Days of award of this Agreement. ACORD forms are not acceptable proof of workers' compensation coverage.

1. C-105.2 Certificate of Workers' Compensation Insurance;
2. U-26.3 -- State Insurance Fund Certificate of Workers' Compensation Insurance;
3. Request for WC/DB Exemption (Form CE-200);
4. Equivalent or successor forms used by the New York State Workers' Compensation Board; or
5. Other proof of insurance in a form acceptable to the City.

B. For each policy required under this Agreement, except for Workers' Compensation Insurance, Disability Benefits Insurance, Employer's Liability Insurance, and Unemployment Insurance, the Contractor shall file a Certificate of Insurance with the Department within ten (10) Days of award of this Agreement. All Certificates of Insurance shall

be (a) in a form acceptable to the City and certify the issuance and effectiveness of such policies of insurance, each with the specified minimum limits; and (b) accompanied by the endorsement in the Contractor's general liability policy by which the City has been made an additional insured pursuant to Section 7.02(B). All Certificate(s) of Insurance shall be accompanied by either a duly executed "Certification by Broker" in the form attached to this Appendix C or copies of all policies referenced in the Certificate of Insurance. If complete policies have not yet been issued, binders are acceptable, until such time as the complete policies have been issued, at which time such policies shall be submitted.

C. Certificates of Insurance confirming renewals of insurance shall be submitted to the Commissioner prior to the expiration date of coverage of policies required under this Article. Such Certificates of Insurance shall comply with the requirements of Section 7.08 (A) and Section 7.08(B), as applicable.

D. The Contractor shall provide the City with a copy of any policy required under this Article upon the demand for such policy by the Commissioner or the New York City Law Department.

E. Acceptance by the Commissioner of a certificate or a policy does not excuse the Contractor from maintaining policies consistent with all provisions of this Article (and ensuring that subcontractors maintain such policies) or from any liability arising from its failure to do so.

F. In the event the Contractor receives notice, from an insurance company or other person, that any insurance policy required under this Article shall expire or be cancelled or terminated for any reason, the Contractor shall immediately forward a copy of such notice to both the Commissioner, Department of Small Business Services, 110 William Street, 7th Floor, New York, New York 10038, Attn: First Deputy Commissioner and the New York City Comptroller, Attn: Office of Contract Administration, Municipal Building, One Centre Street, Room 1005, New York, New York 10007.

Section 7.09 Miscellaneous

A. Whenever notice of loss, damage, occurrence, accident, claim or suit is required under a general liability policy maintained in accordance with this Article, the Contractor shall provide the insurer with timely notice thereof on behalf of the City. Such notice shall be given even where the Contractor may not have coverage under such policy (for example, where one of Contractor's employees was injured). Such notice shall expressly specify that "this notice is being given on behalf of the City of New York as Additional Insured" and contain the following information: the number of the insurance policy; the name of the named insured; the date and location of the damage, occurrence, or accident; the identity of the persons or things injured, damaged, or lost; and the title of the claim or suit, if applicable. The Contractor shall simultaneously send a copy of such notice to the City of New York c/o Insurance Claims Specialist, Affirmative Litigation Division, New York City Law Department, 100 Church Street, New York, New York 10007. If the Contractor fails to comply with the requirements of this paragraph, the Contractor shall indemnify the City for all losses, judgments, settlements and

expenses, including reasonable attorneys' fees, arising from an insurer's disclaimer of coverage citing late notice by or on behalf of the City.

B. The Contractor's failure to maintain any of the insurance required by this Article shall constitute a material breach of this Agreement. Such breach shall not be waived or otherwise excused by any action or inaction by the City at any time.

C. Insurance coverage in the minimum amounts required in this Article shall not relieve the Contractor or its subcontractors of any liability under this Agreement, nor shall it preclude the City from exercising any rights or taking such other actions as are available to it under any other provisions of this Agreement or Law.

D. The Contractor waives all rights against the City, including its officials and employees for any damages or losses that are covered under any insurance required under this Article (whether or not such insurance is actually procured or claims are paid thereunder) or any other insurance applicable to the operations of the Contractor and/or its subcontractors in the performance of this Agreement.

E. In the event the Contractor requires any subcontractor to procure insurance with regard to any operations under this Agreement and requires such subcontractor to name the Contractor as an additional insured under such insurance, the Contractor shall ensure that such entity also name the City, including its officials and employees, as an additional insured with coverage at least as broad as the most recently issued ISO form CG 20 26.

8. PROTECTION OF PERSONS AND PROPERTY AND INDEMNIFICATION

Section 8.01 Reasonable Precautions

The Contractor shall take all reasonable precautions to protect all persons and the property of the City and of others from damage, loss or injury resulting from the Contractor's and/or its subcontractors' operations under this Agreement.

Section 8.02 Protection of City Property

The Contractor assumes the risk of, and shall be responsible for, any loss or damage to City property, including property and equipment leased by the City, used in the performance of this Agreement, where such loss or damage is caused by any tortious act, or failure to comply with the provisions of this Agreement or of Law by the Contractor, its officers, employees, agents or subcontractors.

Section 8.03 Indemnification

The Contractor shall defend, indemnify and hold the City, its officers and employees harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages on account of any injuries or death to any person or damage to any property and from costs and expenses to which the City, its officers and employees may be

subjected or which it may suffer or incur allegedly arising out of or in connection with any operations of the Contractor and/or its subcontractors to the extent resulting from any negligent act of commission or omission, any intentional tortious act, or failure to comply with the provisions of this Agreement or of the Laws. Insofar as the facts or Law relating to any claim would preclude the City from being completely indemnified by the Contractor, the City shall be partially indemnified by the Contractor to the fullest extent permitted by Law.

Section 8.04 Infringement Indemnification

The Contractor shall defend, indemnify and hold the City harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages and from costs and expenses to which the City may be subject to or which it may suffer or incur allegedly arising out of or in connection with any infringement by the Contractor of any copyright, trade secrets, trademark or patent rights or any other property or personal right of any third party by the Contractor and/or its subcontractors in the performance of this Agreement. The Contractor shall defend, indemnify, and hold the City harmless regardless of whether or not the alleged infringement arises out of compliance with the Agreement's scope of services/scope of work. Insofar as the facts or Law relating to any claim would preclude the City from being completely indemnified by the Contractor, the City shall be partially indemnified by the Contractor to the fullest extent permitted by Law.

Section 8.05 Indemnification Obligations Not Limited By Insurance Obligation

The indemnification provisions set forth in this Article shall not be limited in any way by the Contractor's obligations to obtain and maintain insurance as provided in this Agreement.

Section 8.06 Actions By or Against Third Parties

A. In the event any claim is made or any action brought in any way relating to Agreement, other than an action between the City and the Contractor, the Contractor shall diligently render to the City without additional compensation all assistance which the City may reasonably require of the Contractor.

B. The Contractor shall report to the Department in writing within five (5) business Days of the initiation by or against the Contractor of any legal action or proceeding in connection with or relating to this Agreement.

Section 8.07 Withholding of Payments

A. In the event that any claim is made or any action is brought against the City for which the Contractor may be required to indemnify the City pursuant to this Agreement, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover the said claim or action.

B. In the event that any City property is lost or damaged as set forth in Section 8.02, except for normal wear and tear, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover such loss or damage.

C. The City shall not, however, impose a setoff in the event that an insurance company that provided liability insurance pursuant to Article 7 above has accepted the City's tender of the claim or action without a reservation of rights.

D. The Department may, at its option, withhold for purposes of set-off any monies due to the Contractor under this Agreement up to the amount of any disallowances or questioned costs resulting from any audits of the Contractor or to the amount of any overpayment to the Contractor with regard to this Agreement.

E. The rights and remedies of the City provided for in this Section shall not be exclusive and are in addition to any other rights and remedies provided by Law or this Agreement.

Section 8.08 No Third Party Rights

The provisions of this Agreement shall not be deemed to create any right of action in favor of third parties against the Contractor or the City or their respective officers and employees.

9. CONTRACT CHANGES

Section 9.01 Contract Changes

Changes to this Agreement may be made only as duly authorized by the ACCO or his or her designee and in accordance with the PPB Rules. Any amendment or change to this Agreement shall not be valid unless made in writing and signed by authorized representatives of both parties. Contractors deviating from the requirements of this Agreement without a duly approved and executed change order document, or written contract modification or amendment, do so at their own risk.

Section 9.02 Changes Through Fault of Contractor

In the event that any change is required in the data, documents, deliverables, or other services to be provided under this Agreement because of negligence or error of the Contractor, no additional compensation shall be paid to the Contractor for making such change, and the Contractor is obligated to make such change without additional compensation.

10. TERMINATION, DEFAULT, AND REDUCTIONS IN FUNDING

Section 10.01 Termination by the City Without Cause

A. The City shall have the right to terminate this Agreement, in whole or in part, without cause, in accordance with the provisions of Section 10.05.

B. If the City terminates this Agreement pursuant to this Section, the following provisions apply. The City shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date set by the City pursuant to Section 10.05. The City shall pay for services provided in accordance with this Agreement prior to the termination date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

Section 10.02 Reductions in Federal, State and/or City Funding

A. This Agreement is funded in whole or in part by funds secured from the federal, State and/or City governments. Should there be a reduction or discontinuance of such funds by action of the federal, State and/or City governments, the City shall have, in its sole discretion, the right to terminate this Agreement in whole or in part, or to reduce the funding and/or level of services of this Agreement caused by such action by the federal, State and/or City governments, including, in the case of the reduction option, but not limited to, the reduction or elimination of programs, services or service components; the reduction or elimination of contract-reimbursable staff or staff-hours, and corresponding reductions in the budget of this Agreement and in the total amount payable under this Agreement. Any reduction in funds pursuant to this Section shall be accompanied by an appropriate reduction in the services performed under this Agreement.

B. In the case of the reduction option referred to in Paragraph A, above, any such reduction shall be effective as of the date set forth in a written notice thereof to the Contractor, which shall be not less than thirty (30) Days from the date of such notice. Prior to sending such notice of reduction, the Department shall advise the Contractor that such option is being exercised and afford the Contractor an opportunity to make within seven (7) Days any suggestion(s) it may have as to which program(s), service(s), service component(s), staff or staff-hours might be reduced or eliminated, provided, however, that the Department shall not be bound to utilize any of the Contractor's suggestions and that the Department shall have sole discretion as to how to effectuate the reductions.

C. If the City reduces funding pursuant to this Section, the following provisions apply. The City shall pay for services provided in accordance with this Agreement prior to the reduction date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of reduction and falling due after the reduction date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

D. To the extent that the reduction in public funds is a result of the State determining that the Contractor may receive medical assistance funds pursuant to title eleven of article five of

the Social Services Law to fund the services contained within the scope of a program under this Agreement, then the notice and effective date provisions of this section shall not apply, and the Department may reduce such public funds authorized under this Agreement by informing the Contractor of the amount of the reduction and revising attachments to this agreement as appropriate.

Section 10.03 Contractor Default

- A. The City shall have the right to declare the Contractor in default:
1. Upon a breach by the Contractor of a material term or condition of this Agreement, including unsatisfactory performance of the services;
 2. Upon insolvency or the commencement of any proceeding by or against the Contractor, either voluntarily or involuntarily, under the Bankruptcy Code or relating to the insolvency, receivership, liquidation, or composition of the Contractor for the benefit of creditors;
 3. If the Contractor refuses or fails to proceed with the services under the Agreement when and as directed by the Commissioner;
 4. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities are indicted or convicted after execution of the Agreement under any state or federal law of any of the following:
 - a. a criminal offense incident to obtaining or attempting to obtain or performing a public or private contract;
 - b. fraud, embezzlement, theft, bribery, forgery, falsification, or destruction of records, or receiving stolen property;
 - c. a criminal violation of any state or federal antitrust law;
 - d. violation of the Racketeer Influence and Corrupt Organization Act, 18 U.S.C. § 1961 et seq., or the Mail Fraud Act, 18 U.S.C. § 1341 et seq., for acts in connection with the submission of bids or proposals for a public or private contract;
 - e. conspiracy to commit any act or omission that would constitute grounds for conviction or liability under any statute described in subparagraph (d) above; or
 - f. an offense indicating a lack of business integrity that seriously and directly affects responsibility as a City vendor.

5. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities are subject to a judgment of civil liability under any state or federal antitrust law for acts or omissions in connection with the submission of bids or proposals for a public or private contract; or

6. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities makes or causes to be made any false, deceptive, or fraudulent material statement, or fail to make a required material statement in any bid, proposal, or application for City or other government work.

B. The right to declare the Contractor in default shall be exercised by sending the Contractor a written notice of the conditions of default, signed by the Commissioner, setting forth the ground or grounds upon which such default is declared ("Notice to Cure"). The Contractor shall have ten (10) Days from receipt of the Notice to Cure or any longer period that is set forth in the Notice to Cure to cure the default. The Commissioner may temporarily suspend services under the Agreement pending the outcome of the default proceedings pursuant to this Section.

C. If the conditions set forth in the Notice to Cure are not cured within the period set forth in the Notice to Cure, the Commissioner may declare the Contractor in default pursuant to this Section. Before the Commissioner may exercise his or her right to declare the Contractor in default, the Commissioner shall give the Contractor an opportunity to be heard upon not less than five (5) business days' notice. The Commissioner may, in his or her discretion, provide for such opportunity to be in writing or in person. Such opportunity to be heard shall not occur prior to the end of the cure period but notice of such opportunity to be heard may be given prior to the end of the cure period and may be given contemporaneously with the Notice to Cure.

D. After the opportunity to be heard, the Commissioner may terminate the Agreement, in whole or in part, upon finding the Contractor in default pursuant to this Section, in accordance with the provisions of Section 10.05.

E. The Commissioner, after declaring the Contractor in default, may have the services under the Agreement completed by such means and in such manner, by contract with or without public letting, or otherwise, as he or she may deem advisable in accordance with applicable PPB Rules. After such completion, the Commissioner shall certify the expense incurred in such completion, which shall include the cost of re-letting. Should the expense of such completion, as certified by the Commissioner, exceed the total sum which would have been payable under the Agreement if it had been completed by the Contractor, any excess shall be promptly paid by the Contractor upon demand by the City. The excess expense of such completion, including any and all related and incidental costs, as so certified by the Commissioner, and any liquidated damages assessed against the Contractor, may be charged against and deducted out of monies earned by the Contractor.

Section 10.04 Force Majeure

A. For purposes of this Agreement, a force majeure event is an act or event beyond the control and without any fault or negligence of the Contractor ("Force Majeure Event"). Such events may include, but are not limited to, fire, flood, earthquake, storm or other natural disaster, civil commotion, war, terrorism, riot, and labor disputes not brought about by any act or omission of the Contractor.

B. In the event the Contractor cannot comply with the terms of the Agreement (including any failure by the Contractor to make progress in the performance of the services) because of a Force Majeure Event, then the Contractor may ask the Commissioner to excuse the nonperformance and/or terminate the Agreement. If the Commissioner, in his or her reasonable discretion, determines that the Contractor cannot comply with the terms of the Agreement because of a Force Majeure Event, then the Commissioner shall excuse the nonperformance and may terminate the Agreement. Such a termination shall be deemed to be without cause.

C. If the City terminates the Agreement pursuant to this Section, the following provisions apply. The City shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date. The City shall pay for services provided in accordance with this Agreement prior to the termination date. Any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

Section 10.05 Procedures for Termination

A. The Department and/or the City shall give the Contractor written notice of any termination of this Agreement. Such notice shall specify the applicable provision(s) under which the Agreement is terminated and the effective date of the termination. Except as otherwise provided in this Agreement, the notice shall comply with the provisions of this Section. For termination without cause, the effective date of the termination shall not be less than ten (10) Days from the date the notice is personally delivered, or fifteen (15) Days from the date the notice is either sent by certified mail, return receipt requested, or sent by fax and deposited in a post office box regularly maintained by the United States Postal Service in a postage pre-paid envelope. In the case of termination for default, the effective date of the termination shall be as set forth above for a termination without cause or such earlier date as the Commissioner may determine. If the City terminates the Agreement in part, the Contractor shall continue the performance of the Agreement to the extent not terminated.

B. Upon termination or expiration of this Agreement, the Contractor shall comply with the City close-out procedures, including but not limited to:

1. Accounting for and refunding to the Department, within forty-five (45) Days, any unexpended funds which have been advanced to the Contractor pursuant to this Agreement;

2. Furnishing within forty-five (45) Days an inventory to the Department of all equipment, appurtenances and property purchased through or provided under this Agreement and carrying out any Department or City directive concerning the disposition of such equipment, appurtenances and property;

3. Turning over to the Department or its designees all books, records, documents and material specifically relating to this Agreement that the Department has requested be turned over;

4. Submitting to the Department, within ninety (90) Days, a final statement and report relating to the Agreement. The report shall be made by a certified public accountant or a licensed public accountant; and

5. Providing reasonable assistance to the Department in the transition, if any, to a new contractor.

Section 10.06 Miscellaneous Provisions

A. The Commissioner, in addition to any other powers set forth in this Agreement or by operation of Law, may suspend, in whole or in part, any part of the services to be provided under this Agreement whenever in his or her judgment such suspension is required in the best interest of the City. If the Commissioner suspends this Agreement pursuant to this Section, the City shall not incur or pay any further obligation pursuant to this Agreement beyond the suspension date until such suspension is lifted. The City shall pay for services provided in accordance with this Agreement prior to the suspension date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of suspension and falling due during the suspension period shall be paid by the City in accordance with the terms of this Agreement.

B. Notwithstanding any other provisions of this Agreement, the Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of the Contractor's breach of the Agreement, and the City may withhold payments to the Contractor for the purpose of set-off in the amount of damages due to the City from the Contractor.

C. The rights and remedies of the City provided in this Article shall not be exclusive and are in addition to all other rights and remedies provided by Law or under this Agreement.

11. PROMPT PAYMENT AND ELECTRONIC FUNDS TRANSFER

Section 11.01 Prompt Payment

A. The prompt payment provisions of PPB Rule § 4-06 are applicable to payments made under this Agreement. The provisions generally require the payment to the Contractor of interest on payments made after the required payment date, as set forth in the PPB Rules.

B. The Contractor shall submit a proper invoice to receive payment, except where the Agreement provides that the Contractor will be paid at predetermined intervals without having to submit an invoice for each scheduled payment.

C. Determination of interest due will be made in accordance with the PPB Rules and the applicable rate of interest shall be the rate in effect at the time of payment.

Section 11.02 Electronic Funds Transfer

A. In accordance with Admin. Code § 6-107.1, the Contractor agrees to accept payments under this Agreement from the City by electronic funds transfer. An electronic funds transfer is any transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, which is initiated through an electronic terminal, telephonic instrument or computer or magnetic tape so as to order, instruct, or authorize a financial institution to debit or credit an account. Prior to the first payment made under this Agreement, the Contractor shall designate one financial institution or other authorized payment agent and shall complete the "EFT Vendor Payment Enrollment Form" available from the Agency or at <http://www.nyc.gov/dof> in order to provide the commissioner of the Department of Finance with information necessary for the Contractor to receive electronic funds transfer payments through the designated financial institution or authorized payment agent. The crediting of the amount of a payment to the appropriate account on the books of a financial institution or other authorized payment agent designated by the Contractor shall constitute full satisfaction by the City for the amount of the payment under this Agreement. The account information supplied by the Contractor to facilitate the electronic funds transfer shall remain confidential to the fullest extent provided by Law.

B. The Agency Head may waive the application of the requirements of this Section to payments on contracts entered into pursuant to Charter § 315. In addition, the commissioner of the Department of Finance and the Comptroller may jointly issue standards pursuant to which the Agency may waive the requirements of this Section for payments in the following circumstances: (i) for individuals or classes of individuals for whom compliance imposes a hardship; (ii) for classifications or types of checks; or (iii) in other circumstances as may be necessary in the best interest of the City.

C. This Section is applicable to contracts valued at Twenty-Five Thousand Dollars (\$25,000) and above.

12. CLAIMS

Section 12.01 Choice of Law

This Agreement shall be deemed to be executed in the City and State of New York, regardless of the domicile of the Contractor, and shall be governed by and construed in accordance with the Laws of the State of New York (notwithstanding New York choice of law or conflict of law principles) and the Laws of the United States, where applicable.

Section 12.02 Jurisdiction and Venue

The parties agree that any and all claims asserted by or against the City arising under or related to this Agreement shall solely be heard and determined either in the courts of the United States located in the City or in the courts of the State located in the City and County of New York. The parties shall consent to the dismissal and/or transfer of any claims asserted in any other venue or forum to the proper venue or forum. If the Contractor initiates any action in breach of this Section, the Contractor shall be responsible for and shall promptly reimburse the City for any attorneys' fees incurred by the City in removing the action to a proper court consistent with this Section.

Section 12.03 Resolution of Disputes

A. Except as provided in Subparagraphs (A)(1) and (A)(2) below, all disputes between the City and the Contractor that arise under, or by virtue of, this Agreement shall be finally resolved in accordance with the provisions of this Section and PPB Rule § 4-09. This procedure shall be the exclusive means of resolving any such disputes.

1. This Section shall not apply to disputes concerning matters dealt with in other sections of the PPB Rules or to disputes involving patents, copyrights, trademarks, or trade secrets (as interpreted by the courts of New York State) relating to proprietary rights in computer software, or to termination other than for cause.

2. For construction and construction-related services this Section shall apply only to disputes about the scope of work delineated by the Agreement, the interpretation of Agreement documents, the amount to be paid for extra work or disputed work performed in connection with the Agreement, the conformity of the Contractor's work to the Agreement, and the acceptability and quality of the Contractor's work; such disputes arise when the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head makes a determination with which the Contractor disagrees. For construction, this Section shall not apply to termination of the Agreement for cause or other than for cause.

B. All determinations required by this Section shall be clearly stated, with a reasoned explanation for the determination based on the information and evidence presented to the party making the determination. Failure to make such determination within the time required by this Section shall be deemed a non-determination without prejudice that will allow application to the next level.

C. During such time as any dispute is being presented, heard, and considered pursuant to this Section, the Agreement terms shall remain in full force and effect and, unless otherwise directed by the ACCO or Engineer, the Contractor shall continue to perform work in accordance with the Agreement and as directed by the ACCO or City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head. Failure of the Contractor to continue the work as directed shall constitute a waiver by the Contractor of any and all claims being presented pursuant to this Section and a material breach of contract.

D. Presentation of Dispute to Agency Head.

1. Notice of Dispute and Agency Response. The Contractor shall present its dispute in writing ("Notice of Dispute") to the Agency Head within the time specified herein, or, if no time is specified, within thirty (30) Days of receiving written notice of the determination or action that is the subject of the dispute. This notice requirement shall not be read to replace any other notice requirements contained in the Agreement. The Notice of Dispute shall include all the facts, evidence, documents, or other basis upon which the Contractor relies in support of its position, as well as a detailed computation demonstrating how any amount of money claimed by the Contractor in the dispute was arrived at. Within thirty (30) Days after receipt of the complete Notice of Dispute, the ACCO or, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, shall submit to the Agency Head all materials he or she deems pertinent to the dispute. Following initial submissions to the Agency Head, either party may demand of the other the production of any document or other material the demanding party believes may be relevant to the dispute. The requested party shall produce all relevant materials that are not otherwise protected by a legal privilege recognized by the courts of New York State. Any question of relevancy shall be determined by the Agency Head whose decision shall be final. Willful failure of the Contractor to produce any requested material whose relevancy the Contractor has not disputed, or whose relevancy has been affirmatively determined, shall constitute a waiver by the Contractor of its claim.

2. Agency Head Inquiry. The Agency Head shall examine the material and may, in his or her discretion, convene an informal conference with the Contractor and the ACCO and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, to resolve the issue by mutual consent prior to reaching a determination. The Agency Head may seek such technical or other expertise as he or she shall deem appropriate, including the use of neutral mediators, and require any such additional material from either or both parties as he or she deems fit. The Agency Head's ability to render, and the effect of, a decision hereunder shall not be impaired by any negotiations in connection with the dispute presented, whether or not the Agency Head participated therein. The Agency Head may or, at the request of any party to the dispute, shall compel the participation of any other contractor with a contract related to the work of this Agreement and that contractor shall be bound by the decision of the Agency Head. Any contractor thus brought into the dispute resolution proceeding shall have the same rights and obligations under this Section as the Contractor initiating the dispute.

3. Agency Head Determination. Within thirty (30) Days after the receipt of all materials and information, or such longer time as may be agreed to by the parties, the Agency Head shall make his or her determination and shall deliver or send a copy of such determination to the Contractor and ACCO and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City

Engineering Audit Officer, or other designee of the Agency Head, together with a statement concerning how the decision may be appealed.

4. Finality of Agency Head Decision. The Agency Head's decision shall be final and binding on all parties, unless presented to the Contract Dispute Resolution Board ("CDRB") pursuant to this Section. The City may not take a petition to the CDRB. However, should the Contractor take such a petition, the City may seek, and the CDRB may render, a determination less favorable to the Contractor and more favorable to the City than the decision of the Agency Head.

E. Presentation of Dispute to the Comptroller. Before any dispute may be brought by the Contractor to the CDRB, the Contractor must first present its claim to the Comptroller for his or her review, investigation, and possible adjustment.

1. Time, Form, and Content of Notice. Within thirty (30) Days of receipt of a decision by the Agency Head, the Contractor shall submit to the Comptroller and to the Agency Head a Notice of Claim regarding its dispute with the Agency. The Notice of Claim shall consist of (i) a brief statement of the substance of the dispute, the amount of money, if any, claimed and the reason(s) the Contractor contends the dispute was wrongly decided by the Agency Head; (ii) a copy of the decision of the Agency Head; and (iii) a copy of all materials submitted by the Contractor to the Agency, including the Notice of Dispute. The Contractor may not present to the Comptroller any material not presented to the Agency Head, except at the request of the Comptroller.

2. Agency Response. Within thirty (30) Days of receipt of the Notice of Claim, the Agency shall make available to the Comptroller a copy of all material submitted by the Agency to the Agency Head in connection with the dispute. The Agency may not present to the Comptroller any material not presented to the Agency Head, except at the request of the Comptroller.

3. Comptroller Investigation. The Comptroller may investigate the claim in dispute and, in the course of such investigation, may exercise all powers provided in Admin. Code §§ 7-201 and 7-203. In addition, the Comptroller may demand of either party, and such party shall provide, whatever additional material the Comptroller deems pertinent to the claim, including original business records of the Contractor. Willful failure of the Contractor to produce within fifteen (15) Days any material requested by the Comptroller shall constitute a waiver by the Contractor of its claim. The Comptroller may also schedule an informal conference to be attended by the Contractor, Agency representatives, and any other personnel desired by the Comptroller.

4. Opportunity of Comptroller to Compromise or Adjust Claim. The Comptroller shall have forty-five (45) Days from his or her receipt of all materials referred to in Paragraph (E)(3) above to investigate the disputed claim. The period for investigation and compromise may be further extended by agreement between the Contractor and the Comptroller, to a maximum of ninety (90) Days from the Comptroller's receipt of all the materials. The Contractor may not present its petition to

the CDRB until the period for investigation and compromise delineated in this Paragraph has expired. In compromising or adjusting any claim hereunder, the Comptroller may not revise or disregard the terms of the Agreement.

F. Contract Dispute Resolution Board. There shall be a Contract Dispute Resolution Board composed of:

1. the chief administrative law judge of the Office of Administrative Trials and Hearings ("OATH") or his or her designated OATH administrative law judge, who shall act as chairperson, and may adopt operational procedures and issue such orders consistent with this Section as may be necessary in the execution of the CDRB's functions, including, but not limited to, granting extensions of time to present or respond to submissions;

2. the City Chief Procurement Officer ("CCPO") or his or her designee; any designee shall have the requisite background to consider and resolve the merits of the dispute and shall not have participated personally and substantially in the particular matter that is the subject of the dispute or report to anyone who so participated; and

3. a person with appropriate expertise who is not an employee of the City. This person shall be selected by the presiding administrative law judge from a prequalified panel of individuals, established, and administered by OATH, with appropriate background to act as decision-makers in a dispute. Such individuals may not have a contract or dispute with the City or be an officer or employee of any company or organization that does, or regularly represent persons, companies, or organizations having disputes with the City.

G. Petition to CDRB. In the event the claim has not been settled or adjusted by the Comptroller within the period provided in this Section, the Contractor, within thirty (30) Days thereafter, may petition the CDRB to review the Agency Head determination.

1. Form and Content of Petition by the Contractor. The Contractor shall present its dispute to the CDRB in the form of a petition, which shall include (i) a brief statement of the substance of the dispute, the amount of money, if any, claimed, and the reason(s) the Contractor contends that the dispute was wrongly decided by the Agency Head; (ii) a copy of the decision of the Agency Head; (iii) copies of all materials submitted by the Contractor to the Agency; (iv) a copy of the decision of the Comptroller, if any, and (v) copies of all correspondence with, and material submitted by the Contractor to, the Comptroller's Office. The Contractor shall concurrently submit four complete sets of the petition: one to the Corporation Counsel (Attn: Commercial and Real Estate Litigation Division), and three to the CDRB at OATH's offices, with proof of service on the Corporation Counsel. In addition, the Contractor shall submit a copy of the statement of the substance of the dispute, cited in (i) above, to both the Agency Head and the Comptroller.

2. Agency Response. Within thirty (30) Days of receipt of the petition by the Corporation Counsel, the Agency shall respond to the statement of the Contractor and make available to the CDRB all material it submitted to the Agency Head and Comptroller. Three complete copies of the Agency response shall be submitted to the CDRB at OATH's offices and one to the Contractor. Extensions of time for submittal of the Agency response shall be given as necessary upon a showing of good cause or, upon the consent of the parties, for an initial period of up to thirty (30) Days.

3. Further Proceedings. The CDRB shall permit the Contractor to present its case by submission of memoranda, briefs, and oral argument. The CDRB shall also permit the Agency to present its case in response to the Contractor by submission of memoranda, briefs, and oral argument. If requested by the Corporation Counsel, the Comptroller shall provide reasonable assistance in the preparation of the Agency's case. Neither the Contractor nor the Agency may support its case with any documentation or other material that was not considered by the Comptroller, unless requested by the CDRB. The CDRB, in its discretion, may seek such technical or other expert advice as it shall deem appropriate and may seek, on its own or upon application of a party, any such additional material from any party as it deems fit. The CDRB, in its discretion, may combine more than one dispute between the parties for concurrent resolution.

4. CDRB Determination. Within forty-five (45) Days of the conclusion of all submissions and oral arguments, the CDRB shall render a decision resolving the dispute. In an unusually complex case, the CDRB may render its decision in a longer period of time, not to exceed ninety (90) Days, and shall so advise the parties at the commencement of this period. The CDRB's decision must be consistent with the terms of this Agreement. Decisions of the CDRB shall only resolve matters before the CDRB and shall not have precedential effect with respect to matters not before the CDRB.

5. Notification of CDRB Decision. The CDRB shall send a copy of its decision to the Contractor, the ACCO, the Corporation Counsel, the Comptroller, the CCPO, and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head. A decision in favor of the Contractor shall be subject to the prompt payment provisions of the PPB Rules. The required payment date shall be thirty (30) Days after the date the parties are formally notified of the CDRB's decision.

6. Finality of CDRB Decision. The CDRB's decision shall be final and binding on all parties. Any party may seek review of the CDRB's decision solely in the form of a challenge, filed within four months of the date of the CDRB's decision, in a court of competent jurisdiction of the State of New York, County of New York pursuant to Article 78 of the Civil Practice Law and Rules. Such review by the court shall be limited to the question of whether or not the CDRB's decision was made in violation of lawful procedure, was affected by an error of Law, or was arbitrary and capricious or an abuse of discretion. No evidence or information shall be introduced or relied upon in such proceeding that was not presented to the CDRB in accordance with PPB Rules § 4-09.

H. Any termination, cancellation, or alleged breach of the Agreement prior to or during the pendency of any proceedings pursuant to this Section shall not affect or impair the ability of the Agency Head or CDRB to make a binding and final decision pursuant to this Section.

Section 12.04 Claims and Actions

A. Any claim against the City or Department based on this Agreement or arising out of this Agreement that is not subject to dispute resolution under the PPB Rules or this Agreement shall not be made or asserted in any legal proceeding, unless the Contractor shall have strictly complied with all requirements relating to the giving of notice and of information with respect to such claims as provided in this Agreement.

B. No action shall be instituted or maintained on any such claims unless such action shall be commenced within six (6) months after the date of filing with the Comptroller of the certificate for the final payment under this Agreement, or within six (6) months of the termination or expiration of this Agreement, or within six (6) months after the accrual of the cause of action, whichever first occurs.

Section 12.05 No Claim Against Officers, Agents or Employees

No claim shall be made by the Contractor against any officer, agent, or employee of the City in their personal capacity for, or on account of, anything done or omitted in connection with this Agreement.

Section 12.06 General Release

The acceptance by the Contractor or its assignees of the final payment under this Agreement, whether by check, wire transfer, or other means, and whether pursuant to invoice, voucher, judgment of any court of competent jurisdiction or any other administrative means, shall constitute and operate as a release of the City from any and all claims of and liability to the Contractor, of which the Contractor was aware or should reasonably have been aware, arising out of the performance of this Agreement based on actions of the City prior to such acceptance of final payment, excepting any disputes that are the subject of pending dispute resolution procedures.

Section 12.07 No Waiver

Waiver by either the Department or the Contractor of a breach of any provision of this Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless and until the same shall be agreed to in writing by the parties as set forth in Section 9.01.

13. APPLICABLE LAWS

Section 13.01 PPB Rules

This Agreement is subject to the PPB Rules. In the event of a conflict between the PPB Rules and a provision of this Agreement, the PPB Rules shall take precedence.

Section 13.02 All Legal Provisions Deemed Included

Each and every provision required by Law to be inserted in this Agreement is hereby deemed to be a part of this Agreement, whether actually inserted or not.

Section 13.03 Severability / Unlawful Provisions Deemed Stricken

If this Agreement contains any unlawful provision not an essential part of the Agreement and which shall not appear to have been a controlling or material inducement to the making of this Agreement, the unlawful provision shall be deemed of no effect and shall, upon notice by either party, be deemed stricken from the Agreement without affecting the binding force of the remainder.

Section 13.04 Compliance With Laws

The Contractor shall perform all services under this Agreement in accordance with all applicable Laws as are in effect at the time such services are performed.

Section 13.05 Americans with Disabilities Act (ADA)

A. This Agreement is subject to the provisions of Subtitle A of Title II of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12131 et seq. ("ADA") and regulations promulgated pursuant thereto, see 28 CFR Part 35. The Contractor shall not discriminate against an individual with a disability, as defined in the ADA, in providing services, programs, or activities pursuant to this Agreement. If directed to do so by the Department to ensure the Contractor's compliance with the ADA during the term of this Agreement, the Contractor shall prepare a plan ("Compliance Plan") which lists its program site(s) and describes in detail, how it intends to make the services, programs and activities set forth in the scope of services herein readily accessible and usable by individuals with disabilities at such site(s). In the event that the program site is not readily accessible and usable by individuals with disabilities, contractor shall also include in the Compliance Plan, a description of reasonable alternative means and methods that result in making the services, programs or activities provided under this Agreement, readily accessible to and usable by individuals with disabilities, including but not limited to people with visual, auditory or mobility disabilities. The Contractor shall submit the Compliance Plan to the ACCO for review within ten (10) Days after being directed to do so and shall abide by the Compliance Plan and implement any action detailed in the Compliance Plan to make the services, programs, or activities accessible and usable by the disabled.

B. The Contractor's failure to either submit a Compliance Plan as required herein or implement an approved Compliance Plan may be deemed a material breach of this Agreement and result in the City terminating this Agreement.

4. The Contractor shall, at the earliest practicable or next regularly scheduled printing of its own forms, subject to approval by the Department, physically incorporate the voter registration forms with its own application forms in a manner that permits the voter registration portion to be detached therefrom. 2. In the event the Department receives and transmits completed registration forms from applicants who wish to have the forms transmitted to the City Board of Elections, the Contractor shall similarly provide such service, in the manner and to the extent specified by the Department.

3. 3. The Contractor shall communicate to applicants that the completion of voter registration forms is voluntary.

4. The Contractor and the Contractor's employees shall not:

a. seek to influence an applicant's political preference or party designation;

b. display any political preference or party allegiance;

c. make any statement to an applicant or take any action the purpose or effect of which is to discourage the applicant from registering to vote; or

d. make any statement to an applicant or take any action the purpose or effect of which is to lead the applicant to believe that a decision to register or not to register has any bearing on the availability of services or benefits.

E. The Contractor, as defined above and in this Agreement, agrees that the covenants and representations in this Section are material conditions of this Agreement.

F. The provisions of this Section do not apply where the services under this Agreement are supported by a federal or State grant of funds and the source of funds prohibits the use of federal or State funds for the purposes of this Section.

Section 13.07 Participation in an International Boycott

A. The Contractor agrees that neither the Contractor nor any substantially-owned affiliated company is participating or shall participate in an international boycott in violation of the provisions of the federal Export Administration Act of 1979, as amended, 50 U.S.C. Appendix. §§ 2401 et seq., or the regulations of the United States Department of Commerce promulgated thereunder.

B. Upon the final determination by the Commerce Department or any other agency of the United States as to, or conviction of, the Contractor or a substantially-owned affiliated company thereof, of participation in an international boycott in violation of the provisions of the Export Administration Act of 1979, as amended, or the regulations promulgated thereunder, the Comptroller may, at his or her option, render forfeit and void this Agreement.

B. The Contractor agrees that the covenants and representations in Paragraph A above are material conditions to this Agreement.

C. This Section does not apply if the Contractor is a not-for-profit corporation.

4. The Contractor will ensure that its employees do not make any statement to an applicant for services or client or take any action the purpose or effect of which is to lead the applicant or client to believe that a decision to request public health insurance or a pamphlet has any bearing on their eligibility to receive or the availability of services or benefits.

5. The Contractor will comply with: (i) any procedures established by the participating City agency to implement Charter §1069; (ii) any determination of the commissioner or head of the participating City agency (which is concurred in by the commissioner of the Department of Health and Mental Hygiene) to exclude a program, in whole or in part, from the requirements of Charter § 1069; and (iii) any determination of the commissioner or head of the participating City agency (which is concurred in by the commissioner of the Department of Health and Mental Hygiene) as to which Workforce Investment Act of 1998 offices providing workforce development services shall be required to fulfill the obligations under Charter § 1069.

3. For the purposes of this Section, "adverse personnel action" includes dismissal, demotion, suspension, disciplinary action, negative performance evaluation, any action resulting in loss of staff, office space, equipment or other benefit, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected officer or employee.

NOTICE TO BIDDERS

As of March 2013 the City has implemented a new web based subcontractor reporting system through the City's Payee Information Portal (PIP), available at www.nyc.gov/pip. In order to use the new system, a PIP account will be required. Detailed instructions on creating a PIP account and using the new system are also available at that site. Additional assistance with PIP may be received by emailing the Financial Information Services Agency Help Desk at pip@fisa.nyc.gov.

In order to obtain subcontractor approval under section 3.02 of Appendix C or Article 17 of the Standard Construction Contract and PPB Rule § 4-13 Contractor is required to list the subcontractor in the system. For each subcontractor listed, Contractor is required to provide the following information: maximum contract value, description of subcontractor work, start and end date of the subcontract and identification of the subcontractor's industry. Thereafter, Contractor will be required to report in the system the payments made to each subcontractor within 30 days of making the payment. If any of the required information changes throughout the term of the contract, Contractor will be required to revise the information in the system.

Failure of the Contractor to list a subcontractor and/or to report subcontractor payments in a timely fashion may result in the Agency declaring the Contractor in default of the Contract and will subject Contractor to liquidated damages in the amount of \$100 per day for each day that the Contractor fails to identify a subcontractor along with the required information about the subcontractor and/or fails to report payments to a subcontractor, beyond the time frames set forth herein or in the notice from the City. For construction contracts, the provisions of Article 15 of the Standard Construction Contract shall govern the issue of liquidated damages.

Contractor hereby agrees to these provisions.

The Contractor(s) will play an essential role in ensuring that the program accurately assesses the size (amount of material to be disturbed or, in the case of cleanups, the dimensions of the area to be cleaned) in relation to the scope of the overall project as per Asbestos Rule and Regulations, Title 15, Chapter 1 of the Rules of the City of New York. While NYCEDC will solicit and hold the contract(s) for this work, HRO will primarily oversee the contract services and provide direction and feedback to the selected Contractor(s).
2. The Contractor(s) shall furnish all labor, materials, supplies and equipment necessary and required to perform asbestos inspections and prepare asbestos survey reports of registrants of the City's Build it Back program to restore storm damaged residential properties. The vast majority of registrants will be from single family dwellings (1 to 4 residential units) but some multi-family dwellings (typically 6 or fewer dwellings) will also be inspected. Each dwelling that requires rehabilitation will require an inspection.
 - a. Only persons certified by the New York City Department of Environmental Protection (DEP) as Certified Asbestos Investigators (CAIs) and/or by New York State Department of Labor (NYS DOL) as Asbestos Inspectors may perform the inspection work, select and collect bulk samples for analysis, and complete reports and forms.
3. The Contractor(s) shall provide services to perform the sampling and laboratory analysis of bulk asbestos samples.
 - a. Bulk sample analysis of asbestos through Polarized Light Microscopy (PLM), PLM with Gravimetric Matrix Reduction, or Transmission Electron Microscopy (TEM) with Gravimetric Matrix Reduction, shall only be performed by laboratories with the appropriate accreditation in the New York State Department of Health Environmental Laboratory Approval Program (ELAP).

5. The Contractor(s) shall be available and prepared to provide all required services at the direction of the Mayor's Office of Housing Recovery Operations (HRO). The Contractor(s) should be able to adjust the number of inspectors up or down with proper

notice.

A. EXECUTION

1. All work shall be performed to minimize the creation of airborne emissions; protect the health and safety of all personnel and welfare of the public; and avoid adverse environmental impacts.
2. The Contractor(s) shall prepare and provide a copy of their sampling procedure(s) to the HRO for review and approval prior to starting work under this contract.
3. Individuals performing services associated with this contract shall receive City HRO photo ID badges. Individuals are required to have these badges on their person at all times.
4. Individuals performing asbestos inspections shall thoroughly inspect the work site in all areas where work is expected to occur, as identified by HRO's Consultants, to identify the presence of Presumed Asbestos Containing Materials (PACM) and Suspect Miscellaneous Asbestos Containing Materials (ACM) as listed in 12 NYCRR 56-5.1(f)(1).
5. If it is expected that PACM or Suspect Miscellaneous ACM will be disturbed as part of the execution of the rehabilitation activities, bulk samples shall be collected by the inspector, unless the material is assumed to be asbestos containing.
 - a. Materials may be assumed to be asbestos containing only where sampling is not practical, and the final report shall provide an explanation for the assumption.
6. Bulk sampling of PACM and Suspect Miscellaneous ACM shall be performed in accordance with the minimum requirements established by the Environmental Protection Agency's (EPA) Asbestos Hazard Emergency Response Act (AHERA).
 - a. Bulk samples shall be taken by whatever method minimizes the potential for fiber release. Any material which remains exposed as a result of the sampling procedure shall be properly patched with a suitable-similar material and sealed.
 - b. The inspector shall ensure the bulk sample area is thoroughly cleaned of any dust or debris resulting from the collection of samples.
7. The Contractor(s) shall establish, maintain and document a complete chain of custody for all bulk samples collected. The chain of custody shall include a unique identification number of each sample collected.
8. Bulk samples shall be submitted for analysis by a laboratory with the appropriate accreditation in the New York State Department of Health ELAP. Laboratory analysis shall discontinue after the detection of the first positive homogenous sample.

- a. For non-organically bound (NOB) samples, the certified laboratory will analyze the first homogeneous sample using the PLM Gravimetric Matrix Reduction method (ELAP Item 198.6), and if the result is positive for asbestos, the certified laboratory will discontinue the analysis for the remainder of the homogenous samples. Samples with negative results shall be analyzed by the quantitative TEM method (ELAP Item 198.4). If the result is positive for asbestos, the analysis will discontinue for the remainder of the homogenous samples.
9. If following the investigation, it is not expected that PACM nor Suspect Miscellaneous ACM will be disturbed, sampling results indicate there is no presence of ACM, or the amount of ACM to be disturbed meets the quantities defined as a Minor Project by the DEP, the Certified Asbestos Investigator (CAI) shall complete and file an Asbestos Assessment Report (ACP-5 Form).
 10. Following the completion of each asbestos investigation, a survey report that reflects the condition of the work area(s) at the time of the inspection shall be prepared. The survey report shall contain, at minimum, the following:
