**PART II
GENERAL TERMS AND CONDITIONS**

The Corporation and the Consultant agree as follows:

**ARTICLE 1
PERFORMANCE OF SERVICES**

1.1 **Services.** The Corporation hereby retains and engages the Consultant and the Consultant agrees to perform the Services as described in **Appendix B** (Scope of Services), attached hereto.

1.2 **Time for Performance of Services/Term/Delays and Force Majeure.**

1.2.1 The Consultant shall commence the Services upon or promptly after the Commencement Date and shall complete the Services and each phase of the Services within the time or times stated for Final Completion as set forth in **Appendix B**, and in accordance with any directive given and Progress Schedule approved by the Corporation, unless this Contract is earlier terminated pursuant to Article 3 hereof.

1.2.2 This Contract shall be for the Term as set forth in Part I, Section 1.5 unless sooner terminated pursuant to Article 3 hereof.

1.2.3 If the Consultant has been delayed and as a result will be unable to complete performance fully and satisfactorily within the time fixed therefor, the Consultant may be granted an extension of time fixed for performance equal to the period the Consultant was actually and necessarily delayed upon submission of evidence of the causes of the delay, subject to the written approval of the Director in his or her sole discretion. The decision of the Director as to the granting of the extension and its length shall be binding upon the Consultant.

1.2.4 Subject to the Corporation's determination and approval, the Corporation may extend the time or times for performance of the Services where such performance has been substantially obstructed, hindered or delayed by reason of acts of Force Majeure. The Consultant shall have no claim against the Corporation or the City for any loss or damage sustained by the Consultant nor for any extra compensation in the form of an increase in the Maximum Contract Price, or otherwise, through such delay, hindrance or obstruction.

1.3 Complete Work and Timing and Sequence/Meetings. It is the intent of the parties that the provisions of this Contract shall not be construed so as to limit the Services, but that the Services shall include all acts necessary to fully and finally complete the work described in **Appendix B** hereof. The Consultant shall schedule and perform the Services in a manner so as to permit their completion diligently and expeditiously. The Principal, the Person in Charge and such other Representatives of the Consultant as may be required under the circumstances shall be available to meet with the Director or her or his designee as often as necessary to effectively perform the Services, and as often as may be specified in **Appendix B**.

1.4 Authority of Director/Performance of Services.

1.4.1 The Services to be performed by the Consultant shall at all times be subject to the review, direction and control of the Director, whose decision shall be final and binding upon the Consultant. The Director shall have the right to determine the amount, quality, acceptability and fitness of the Services and her or his approval shall be a condition precedent to the right of the Consultant to receive any compensation under this Contract. The Director shall act reasonably in exercising her or his authority under this Contract. The Director and any other person or agent duly authorized to act for and on behalf of the Corporation shall not, by virtue of such authority or action, be liable in any manner to the Consultant.

1.4.2 The Consultant shall perform all of the Services in a prudent and professional manner and in accordance with standards and practices as are customary for such Services in the New York City Metropolitan Statistical Area.

1.5 Changes to the Services.

1.5.1 The Consultant shall not make any changes in the Services without prior authorization in writing from the Director. The Consultant shall revise or correct any Work Product submitted in accordance with this Contract until accepted by the Director and accepted by all agencies whose approval is required by law, without additional compensation or time extension. Any changes to the performance of the Services or the Work Product which are necessary due to improper performance of the Services, a defect of design, unworkability of details or other fault or error of the Consultant shall be made by the Consultant, also without additional compensation or time extension.

1.5.2 The Director shall have the right to alter the Services, provided however, that if the Consultant believes that any work or services that it has been directed to perform as a result of such alteration is beyond the Scope of Services and constitutes Extra Work, the Consultant shall so Notify the Director within three (3) days of such directive. The Director shall determine whether such altered Services are (i) within the Scope of Services; or (ii) Extra Work that is substantially within the general purview of the Scope of Services and constitutes an Allowable Additional Cost; or (iii) Extra Work requiring an amendment to the Scope of Services and the Contract. The Director's determination shall be final, binding and conclusive.

1.5.3 The Director reserves the right to reduce the Scope of Services under this Contract by Notice to the Consultant specifying the nature and extent of such reduction. The Consultant shall be compensated for all Services satisfactorily performed prior to the reduction

and for Services satisfactorily performed thereafter. If said reduction results in a credit for the Corporation, such credit shall be immediately due and owing to Corporation, and the Consultant shall either pay such credit to the Corporation or the Corporation may withhold the credit amount from any future payments by the Corporation to the Consultant, at the exclusive option of the Corporation.

1.6 Equipment.

1.6.1 The Consultant, at its own expense, shall secure all supplies, materials and equipment required to perform and complete the Services.

1.6.2 The Consultant, at its sole cost and expense, shall bear the risk of loss for any supplies, materials and equipment used to perform the Services whether such loss arises by reason of fire, theft, vandalism, negligence or any other cause whatsoever. Consultant, at its sole cost and expense, shall promptly replace or repair all such lost, stolen or damaged supplies, materials and equipment.

1.6.3 The Consultant, at its sole cost and expense, shall maintain all of its supplies, materials and equipment in good working and serviceable order so as to enable the Consultant to perform the Services in a first-class and professional manner.

1.6.4 The Consultant shall be solely responsible for the means and methods and the safety and protection of all its employees and shall assume all liability for injuries, including death, that may occur to such employees due to the act, omission, negligence, fault or default of the Consultant.

1.7 Services Subject to City Contract, Indemnification and Third Party Beneficiary. This Contract is a subcontract under the City Contract. The Consultant acknowledges that it has reviewed the City Contract and agrees to comply with the City Contract with respect to the Services and not to violate, or through its acts or failure to act cause the Corporation to violate, the City Contract. The Consultant agrees to defend, indemnify and hold harmless the Corporation from any claim, liability or judgment to which the Corporation may be subject because of any such action or failure to act. The City shall be a third party beneficiary of this Contract and shall have a direct cause of action against the Consultant in the event that any claim be made or any cause of action be brought against the Corporation or City or if the Consultant breaches this Contract.

1.8 Acts to be Performed by the Corporation. The Corporation shall perform the following acts in connection with this Contract:

1.8.1 The Corporation shall make available to the Consultant all relevant technical data (subject to the provisions of Part II, Section 5.3 herein) in regard to the Contract which is in the possession of the Corporation.

ARTICLE 2
COMPENSATION

2.1 Payments.

2.1.1 Subject to, and in accordance with this Article 2, the Corporation shall pay to the Consultant, and the Consultant agrees to accept, in full consideration for the Services, and for all expenses of the Consultant in connection therewith, including Subcontractors' Costs and Allowable Additional Costs, an amount not to exceed the Maximum Contract Price, payable as provided for in this Section 2.1 and in Appendix C.

2.1.2 Requisitions shall be in a form reasonably acceptable to the Corporation and shall be supported by any appropriate or necessary documentation or other evidence relating to the amounts set forth in the Requisition, as the Corporation may reasonably require including, but not limited to invoices, receipts and vouchers from Subcontractors and suppliers, information related to M/WBEs required under Section 9.6 and, where applicable, the time sheets and/or certified payroll reports of the Consultant's staff and its Principal.

2.1.3 Each Requisition submitted to the Corporation by the Consultant shall constitute a representation that, except as specifically set forth in the Requisition, as of the date of the Requisition, all representations and warranties made by the Consultant in Article 7 are true, complete and accurate as if made as of the date of the submission of the Requisition.

2.1.4 The Director shall review the Requisitions and the Work Product. If, in her or his judgment, the Services have been satisfactorily performed in accordance with this Contract, the Director will approve the Requisition. All payments to the Consultant will be made in accordance with this Article 2.

2.1.5 Subject to Section 3.5, Final Payment will be due only upon Final Completion.

2.1.6 The Consultant, with the Director's prior approval, may exceed the Maximum Payment allocated to a particular Portion of the Services if the Consultant by Notice determines that the Maximum Payment initially allocated to the Portion is insufficient to adequately perform the Portion of the Services and if the Consultant demonstrates to the Director a savings with respect to another Portion of the Services which is at least equal to the amount of such excess. However, notwithstanding the above, in no event shall the Corporation pay the Consultant more than the Maximum Contract Price.

2.1.7 All Requisitions must be submitted to the Corporation's Accounts Payable Department.

2.2 Miscellaneous Payment Provisions.

2.2.1 In addition to its rights under Section 9.10, if the Corporation shall have reasonable grounds for believing that:

(i) the Consultant will be unable to perform the Services or any Portion thereof fully and satisfactorily in accordance with any Progress Schedule, or

(ii) a meritorious claim exists or will exist against the Corporation, the Consultant or the City arising out of the act, omission or negligence of the Consultant or the Consultant's breach of any provision of this Contract,

then the Corporation may withhold payment of any amount otherwise due and payable to the Consultant hereunder. Any amount so withheld may be retained by the Corporation for such period as it may deem advisable to protect the Corporation and the City against any loss and may, after Notice to the Consultant, be applied in satisfaction of any claim herein described.

2.2.2 The Corporation shall not be deemed to have released the Consultant from any claim or liability, or to have waived any cause of action arising from any breach of this Contract by virtue of making payments to the Consultant.

2.2.3 Upon acceptance by the Consultant of the Final Payment to be paid pursuant to this Contract, the Consultant agrees that it shall be deemed to have fully released the Corporation and the City from any and all claims, demands and causes of action whatsoever which the Consultant has or may have against the Corporation or the City in connection with this Contract and, upon the request of the Corporation, shall execute a release to such effect.

2.2.4 All payments to the Consultant under this Contract shall be subject to all applicable Legal Requirements.

2.3 Electronic Funds Transfers. All payments due under this Contract in excess of \$100,000 shall be made by Electronic Funds Transfer. Upon execution of this Contract, and in no event later than its submission of its first Requisition, the Consultant shall complete and submit to the Corporation the "EFT Vendor Payment Enrollment Form" annexed to Appendix C. The Consultant shall update such information to the extent necessary for EFT payments to be made. The Corporation shall not be obligated to make any payment in excess of \$100,000 unless such information is provided and shall be entitled to rely solely on the information provided by the Consultant. Payments to the Corporation shall be made by check unless the Corporation Notifies the Consultant to make payments by EFT.

The Consultant and all of its Subcontractors and Representatives shall cease all Services, or any specified Portion thereof, immediately or as of the date specified in the Notice.

ARTICLE 4

PERSONNEL AND SUBCONTRACTORS

4.1 Personnel.

4.1.1 The Consultant shall employ at its own expense all personnel and retain all Subcontractors as may be required to perform the Services, and shall be solely responsible for their work, compensation, direction and conduct during the performance of this Contract. The personnel of the Consultant and any Subcontractor shall cooperate fully with the personnel of the Corporation including, without limitation, the Director, and, in the event any personnel of the Consultant or any Subcontractor fails to cooperate, the Consultant shall relieve them of their duties of performance under this Contract.

4.1.2 The Consultant shall submit to the Director, prior to performance of Services by such personnel, resumes of the Consultant's personnel and those of its Subcontractors' personnel who will perform the Services. The experience and training of such personnel is a material inducement for the Corporation to enter into this Contract and make payment for the Services.

The Consultant and its Subcontractors are expected to use such personnel to perform the Services. If the Consultant or a Subcontractor proposes to substitute any other personnel for those heretofore identified, it shall assign persons with equivalent or better experience and training and shall submit the resumes of such proposed substitute personnel to the Director and obtain the Director's prior approval of the substitution. Notwithstanding anything contained herein to the contrary, all personnel furnished by the Consultant as required under this Contract shall be employees of the Consultant or approved Subcontractors of the Consultant and not employees or subcontractors of the Corporation or the City.

4.2 Subcontractors.

4.2.1 The Consultant is authorized to enter into subcontracts for specialized professional services as required for performance of the Services subject to the prior written approval of the Director as to the Subcontractor, the scope of services, compensation, and the Principal or other member(s) of the Consultant's staff responsible for supervising the performance of the Subcontractor's activities. The Consultant, and not the Corporation, is responsible for the Subcontractor's work, acts and omissions.

4.2.2 The Consultant shall pay any Subcontractors approved by the Corporation for work that has been satisfactorily performed no later than thirty (30) days from the date of Consultant's receipt of payments from the Corporation.

4.2.3 The Consultant is solely responsible for the payments to the Subcontractors. Upon receipt of evidence of Consultant default hereunder with respect to its obligations to make payments to its Subcontractors, the Corporation reserves the right, after three (3) calendar days prior Notice, to retain any money due the Consultant and pay directly for labor, materials, equipment, Services and all other obligations of the Consultant and to deduct the amount of any such direct payments from any payments or amounts then due or thereafter to become due to the Consultant.

4.2.4 The Consultant shall inform all Subcontractors fully of the terms and conditions of this Contract. All subcontracts shall provide that:

- (i) there is no privity of contract between the Subcontractor and the Corporation or the City;
- (ii) neither the Corporation nor the City will incur any liability by virtue of any act, omission, negligence, or obligation of the Subcontractor or the Consultant;
- (iii) the Subcontractor shall indemnify, defend and hold harmless the Corporation and the City, their agents, employees, members, directors, officials and officers against any and all claims, judgments or liabilities to which they may be subject (including, without limitation, any and all claims for injuries to persons (including death) and damage to property) because of any negligence or any fault or default of the Subcontractor, its agents, employees or subcontractors or the breach of the Subcontractor's obligations under the subcontract;
- (iv) the Subcontractor's Requisitions shall conform to the same requirements and include the representations, warranties and agreements set forth in Sections 2.1.2 and 2.1.3;
- (v) the "Events of Default" set forth in Section 3.3.2 as grounds for termination for cause shall be "Events of Default" and grounds for termination of the Subcontractor for cause;

(vi) the subcontract may be assigned without the written consent of the Subcontractor to the City, NYCEDC or any other corporation, agency or instrumentality having authority to accept the assignment; and

(vii) all work and services performed under the subcontract shall strictly comply with the requirements of this Contract.

If the Consultant fails to include the provisions set forth in this Section 4.2.4 in any subcontract, the Consultant hereby agrees to indemnify, defend and hold harmless the Corporation and the City and their Representatives against any and all claims, damages, awards, judgments, liabilities, expenses, fines, penalties, costs and/or fees incurred by or imposed upon the Corporation and the City and their Representatives, including reasonable fees, as a result of said failure.

4.2.5 The Consultant shall provide the Corporation with a list of all Subcontractors employed for the performance of the Services whose subcontract amount totals \$25,000 or more. The Consultant will furnish each such Subcontractor whose Subcontract amount totals less than \$100,000 with the Corporation's internal qualification and background investigation forms. The Consultant will furnish each such subcontractor whose subcontract amount totals \$100,000 or more with the Mayor's Office of Contracts Investigations Forms. These forms will be provided by the Corporation to the Consultant. The Consultant shall cause each such Subcontractor to fill out and complete the forms in a timely fashion but in no event later than the commencement of the Services performed by such Subcontractor pursuant to its subcontract.

4.3 Person in Charge. The Consultant has designated a Person-in-Charge who will have primary responsibility to perform and/or supervise and coordinate the performance of the Services. The Consultant shall retain no copyright or other intellectual property interest in the Work Product.

5.2.10 The Consultant acknowledges that the decision to accept the Work Product for use, incorporation, transmission, display or publication is within the sole discretion of the Director.

5.2.11 Consultant agrees that it will cooperate in providing any other documentation necessary to effectuate the intent of this Section of the Contract.

5.2.12 The Consultant shall not make any unauthorized use of copyrighted, trademarked or other protected materials or intellectual property and agrees to defend, indemnify and hold harmless the Corporation and the City and their respective officers, officials, agents, members, directors, and employees against any damage or liability arising out of the Consultant's infringement or unauthorized use of any such material or property.

5.3 Confidential Information.

5.3.1 The Consultant shall hold all Confidential Information provided by the Corporation in the strictest confidence. Consultant agrees to:

- (i) use the Confidential Information solely for evaluation and the performance of the Services under this Contract;
- (ii) not disclose the Confidential Information outside of its Subcontractors who have agreed in advance in writing to be bound by the terms of this Section 5.3 and its employees and to limit dissemination to only those Subcontractors and employees who have a need to know it in order to accomplish the Services;
- (iii) execute any confidentiality agreements required by any governmental or other entities or individuals which provide any information, records, data, materials, documents or electronic files to Consultant for use in performance of the Services; and

Consultant shall defend, hold harmless and indemnify the Corporation for any and all claims, losses, expenses and/or damages arising out of breach of this Section 5.3 or unauthorized use of the Confidential Information.

ARTICLE 6

INDEMNIFICATION, CLAIMS AND INSURANCE

6.1 Indemnification of the Corporation and the City.

6.1.1 The Consultant shall indemnify, defend and hold harmless the Corporation and the City, their agents and employees from any and all claims, judgments or liabilities to which they may be subject because of any negligence or any fault or default of the Consultant, its agents, employees or subcontractors or the breach of the Consultant's obligations under the Contract.

6.1.2 The Consultant shall be solely responsible for all injuries to persons, including death, or damage to property sustained during its operations and work under this Contract resulting from any negligence, fault or default of the Consultant or of its employees, authorized agents, servants, independent contractors or subcontractors retained by the Consultant pursuant to this Contract. The Consultant agrees to indemnify, defend and hold the Corporation and the City harmless from any liability upon any and all claims for injuries to persons (including death) and damage to property on account of negligence, fault or default of the Consultant, its employees, authorized agents, servants, independent contractors and subcontractors retained by the Consultant.

6.2 Claims or Actions Against the Corporation.

6.2.1 The Consultant shall look solely to the funds appropriated by the Corporation for this Contract for the satisfaction of any claim or cause of action the Consultant may have against the Corporation in connection with this Contract or the failure of the Corporation to perform any of its obligations hereunder. In no event shall the Corporation's aggregate liability hereunder in connection herewith or related to the performance of the Services exceed the Maximum Contract Price.

6.2.2 Upon acceptance by the Consultant of the Final Payment to be paid pursuant to this Contract, the Consultant agrees that it shall be deemed to have released the Corporation from

any and all claims, causes of action, and liability to the Consultant, its Representatives, successors and assigns, in connection with this Contract or the performance of the Services.

6.2.3 No member, director, employee, servant, officer, agent or other person authorized to act on behalf of the Corporation shall have any personal liability in connection with this Contract or any failure of the Corporation to perform its obligations hereunder.

6.2.4 No person or entity shall have any right against the Director or any member, director, employee, servant or officer, agent of the City or the Corporation or other person authorized to act on their behalf or any claim against the City or the Corporation by reason of the failure or refusal to withhold money pursuant to Section 2.2.1 hereof.

6.2.5 The Consultant agrees that no cause of action against the Corporation in connection with this Contract or the Services shall lie or be maintained by the Consultant, its successors or assigns unless such action is commenced within six months after (i) the termination of this Contract, or (ii) the accrual of the cause of action, whichever is earlier.

6.2.6 If any claim is made or any action brought relating to this Contract or the Services, whether or not the Consultant is a party, the Consultant shall diligently render to the Corporation any and all assistance that the Corporation may require of the Consultant, without compensation.

6.2.7 The provisions of this Section shall not waive, limit or in any way prejudice any other right of the Corporation or the City.

6.3 Insurance.

6.3.1 At all times during the performance of the work or Services in connection with this Contract or for such other time periods as the Corporation may require, the Consultant, at its sole cost and expense, shall purchase and maintain the insurance described in this Section 6.3 and the annexed Appendix E, as may be applicable and as may be required by the Corporation.

6.3.2 Consultant shall purchase and maintain insurance with insurance companies that:

- (i) are acceptable to the Corporation;
- (ii) are rated A:X or better by A.M. Best Company; and
- (iii) are licensed to issue such insurance by the New York State Department of

Insurance.

6.3.3 The insurance policies purchased and maintained by the Consultant shall:

- (i) be in form and substance satisfactory to the Corporation;
- (ii) be in the minimum face policy amounts set forth in Appendix E;
- (iii) list all individuals and entities identified in Appendix E as Additional Insureds except in the case of any workers' compensation, automobile liability and professional liability policies required to be maintained hereunder; and
- (iv) contain the provisions set forth in Appendix E.

6.3.4 Coverage for the individuals and entities identified in Appendix E as Additional Insureds shall be written into those policies set forth in Section 6.3.3(iii) above as an endorsement at least as broad as ISO Form CG 20 10 (07/04 ed.).

6.3.5 The Consultant shall make and maintain timely premium payments for all policies required hereunder.

6.3.6 The Consultant shall require that each of its Subcontractors, prior to the commencement of their work, purchase and maintain, or be covered by, at no cost or expense to the Corporation or the City, the same types and amounts of insurance and meet all of the same requirements as required of the Consultant as set forth in this Article 6 and Appendix E. The Consultant hereby covenants and warrants that its Subcontractors shall purchase and maintain the policies required by this Section in the amounts and for the periods required by this Section.

6.3.7 Prior to the commencement of the Services the Consultant shall forward to the Corporation's Contract Administration and Procurement Department at least three (3) original certificates of insurance for each policy required for compliance with this Contract, for itself and its Subcontractors substantially as set forth in Appendix E. The Consultant shall also provide an original certificate of insurance to each of the Additional Insureds.

6.3.8 The Consultant shall provide the Corporation and the Additional Insureds written confirmation of the renewal of any policy required hereunder at least thirty (30) days prior to the expiration of any such policy.

6.3.9 Unless otherwise agreed to in writing by the Corporation, the types of insurance to be purchased and maintained by the Consultant and its Subcontractors are as follows:

(i) Workers' Compensation, Disability Benefits, and Employer's Liability Insurance. The Consultant shall purchase and maintain and shall require each of its Subcontractors to purchase and maintain workers' compensation, disability benefits insurance in statutory amounts, and employer's liability insurance in the amounts set forth in Appendix E, for all of its employees engaged in the Services. The failure of the Consultant to comply with this Section 6.3.9(i) shall make this Contract voidable at the option of the Corporation.

(ii) Commercial General Liability. The Consultant shall purchase and maintain commercial general liability insurance, including owner's protective liability insurance, to protect the Corporation, the City and the Additional Insureds, the Consultant and its Subcontractors against any and all claims for property damage, personal injury and death arising out of the Services performed by the Consultant and its Subcontractors, and any work incidental thereto. The commercial general liability insurance policy must also include products and completed operations coverage, which shall include a provision that coverage will extend for a period of at least twelve (12) months from the date of final completion and acceptance by the Corporation of all of the Services. The certificate of insurance must indicate that such insurance is on a "per occurrence" and an aggregate basis. The commercial general liability policy shall be in a form at least as broad in coverage as ISO Form CG 00 01 (10/01). The additional insured protection must be as broad as coverage that would be afforded through use of ISO Forms CG 20 26, CG 20 33 and CG 20 37. The liability policy(ies) certificate of insurance must indicate cross-liability coverage providing severability of interests so that, except with respect to the limits of insurance,

and any rights or duties specifically assigned to the first named insured, coverage will respond as if separate policies were in force for each insured. If at any time the commercial general liability policy should be canceled, terminated, or modified so that the insurance is not in effect as above required, then the Consultant shall suspend performance of the Services if the Corporation shall so direct. If the Contract is so suspended, no extension of time shall be due on account thereof. If the Contract is not suspended, whether or not because of omission of the Corporation to order suspension, then the Corporation may, at its sole option, obtain insurance affording coverage equal to that required hereunder, the cost of such insurance to be payable by the Consultant to the Corporation.

(iii) Automobile Liability Insurance. The Consultant shall purchase and maintain automobile liability insurance covering all automobiles used in connection with the work or Services under this Contract whether owned, non-owned and/or hired automobiles.

(iv) Umbrella/Excess Liability Coverage. If the Consultant purchases or maintains umbrella/excess liability insurance, such insurance should specifically list the Consultant's commercial general liability, comprehensive automobile liability and employer's liability as primary coverages, to protect the Corporation, the City, the Additional Insureds, the Consultant and its Subcontractors from any and all claims in excess of the underlying policy limits for such primary coverages. The certificate of insurance must indicate that such insurance afforded by this Section 6.3.9(iv) is on a "per occurrence" basis and an aggregate basis.

(v) If applicable, any additional policies as may be described in Appendix E.

6.3.10 As a condition precedent to payment of any amounts owing to the Consultant by the Corporation, the Consultant shall, unless otherwise expressly agreed to in writing by the Corporation, provide to the Corporation the original certificates of insurance required under this Contract and shall on demand provide true copies of policies and endorsements to policies showing compliance with the insurance requirements set forth in this Article 6 and Appendix E.

6.3.11 The policies to be maintained by the Consultant hereunder that are subject to the Additional Insured requirements set forth in Section 6.3.3 (iii) above shall constitute the primary coverage for claims arising out of this Contract, and shall state that insurance, if any, carried by the Corporation, the City or the Additional Insureds will not be called upon to contribute to a loss that would otherwise be paid by the Consultant's insurer. The Consultant shall comply with the provisions of all policies required pursuant to this Contract, and shall give the insurer, the Corporation, the City and the Additional Insureds due and timely Notice of all claims, accidents and losses promptly upon its acquiring knowledge of the same.

6.3.12 The insurance provisions of this Article 6 shall be in addition to any rights that the Corporation, the City and the Additional Insureds may have under any hold harmless and indemnification provisions of this Contract and any other right provided by this Contract or by law. The Consultant shall not violate or permit to be violated any term or condition of the policies.

6.3.13 The Commercial General Liability and Umbrella Excess Liability Coverage policies must be endorsed to show that these primary and/or excess policies are to be considered primary and non-contributory. In addition, the Commercial General Liability and Umbrella/Excess Liability Coverage policies must provide that (i) the Additional Insured protection afforded under the Consultant's policies shall be primary and not on an excess or

contributing basis with any policies which may be available to the Corporation, and (ii) that the Consultant's policies, primary and excess, must be exhausted before implicating any Corporation policy available.

6.3.14 In order to ensure vertical erosion of liability limits provided by the Consultant under this Contract, the Consultant agrees to permit the Corporation's staff and/or the Corporation's insurance consultants to review the Consultant's liability policy language for all liability policies and to endorse those policies to clarify the hierarchy of policies in the event of a claim.

The local law creates a program for participation by minority and women-owned business enterprises (MBEs and WBEs) in City procurement. As stated in the Section 6-129, the intent of the program is to address the impact of discrimination on the City's procurement process, and to promote the public interest in avoiding fraud and favoritism in the procurement process, increasing competition for City business and lowering contract costs. The Corporation endorses these goals and participation by MBEs and WBEs in the provision of the Services. The following goals and provisions are integral to achieve these goals. The Consultant shall comply with all requirements of the Corporation's M/WBE Program applicable to this Contract.

9.2 Minority and Women -Owned Business Enterprises. In order to be considered M/WBEs for purposes of this Contract, the M/WBEs must have received certification as such by DSBS.

The Target Subcontracting Percentage is the percentage of the total Contract that the Corporation anticipates that the Consultant would in the normal course of business award to one or more Subcontractors for amounts under \$1 million. The Target Subcontracting Percentage applicable to this Contract is set forth in Part I, Section 1.12.1. The Consultant shall be subject to said Target Subcontracting Percentage.

9.4 Participation Goal. The Participation Goal is expressed as a percentage that represents the total dollar value of subcontracts under this Contract for amounts under \$1 million to be performed by M/WBEs compared to the total dollar value of all subcontracts under this Contract for amounts under \$1 million. The Participation Goal applicable to this Contract is set forth in Part I, Section 1.12.2. The Consultant shall be subject to the Participation Goal, unless the Corporation grants a modification of this goal pursuant to Section 9.8.

The Consultant's updated M/WBE Plan shall be subject to the Corporation's approval and must set forth:

- (i) the total amount paid to Subcontractors (including Subcontractors that are not MBEs or WBEs);
- (ii) the names, addresses and contact numbers of each MBE or WBE hired as a Subcontractor pursuant to such plan as well as the dates and amounts paid to each MBE or WBE.

9.6.4 In addition to the foregoing, the Consultant shall submit a final, cumulative M/WBE Compliance Report to the Corporation with its Requisition for Final Payment. The Consultant shall set forth in such final report the information required by Section 9.6.3 in connection with all Services rendered by the Consultant and its Subcontractors during the entire Contract Term.

9.7 Change Orders. If the Consultant requests a change order having a value that exceeds 10 percent of the Contract, the Corporation will establish an M/WBE participation goal for the work to be performed pursuant to the change order.

9.8 Modification of the Consultant's M/WBE Subcontractor Utilization Plan. The Consultant may request modification of its M/WBE Subcontractor Utilization Plan after the award of the Contract. The Corporation may grant such request if it determines that the Consultant has established, with appropriate documentary and other evidence, that the Consultant has made all reasonable, good faith efforts to meet the Participation Goal set for the Contract. In making such determination, the Corporation will consider, along with any other relevant factors, evidence submitted by the Consultant showing that the Consultant has, without limitation, and as applicable:

- (i) advertised opportunities to participate in the Contract, where appropriate, in general circulation media, trade and professional association publications and small business media, and publications of minority and women's business organizations;

10.11.4 The Corporation or the City may impose the following penalties after a final determination by the Commissioner that penalties should attach for the failure of a person to testify:

(i) the disqualification for a period not to exceed five (5) years from the date of an adverse determination of any person, or any entity of which such person was a member at the time the testimony was sought, from submitting bids for, or transacting business with, or entering into or obtaining any contract, lease, permit or license with or from the City or the Corporation, as the case may be; and/or

(ii) the cancellation or termination of any and all such existing City or Corporation contracts, leases, permits or licenses that the refusal to testify concerns and that have not been assigned as permitted under this Contract, nor the proceeds of which pledged, to an unaffiliated and unrelated institutional lender for fair value prior to the issuance of the notice scheduling the hearing, without the City or the Corporation incurring any penalty or damages on account of such cancellation or termination; monies lawfully due for goods delivered, work done, rentals, or fees accrued prior to the cancellation or termination shall be paid by the City or the Corporation, as the case may be.

APPENDIX B
SCOPE OF SERVICES

Introduction/Objective

Hurricane Sandy impacted approximately 64,000 residential buildings in New York City including 17,000 single family dwellings (one and two family buildings). The City is launching a Community Development Block Grant (CDBG) Program to provide financial assistance to impacted homeowners for residential repairs. As part of this program, the City will be conducting detailed assessments of damaged homes and creating Work Orders for distribution to participating General Contractors. The New York City Housing Recovery Office (HRO) is seeking professional architectural services to support the home assessment program.

The City anticipates that approximately 8,000 to 10,000 will require preparation of a detailed scoping document (Work Order) describing home damage. Most homes that enter this program, will have sustained less than 50% physical damage based on the pre-storm fair market value of the home. A small percentage of homes will have received greater than 50% damage and will require the home to be raised.

The selected vendor(s) will be responsible for creating comprehensive work order packages and cost estimates of qualifying home repairs consistent with Federal, State and local requirements. The scoping documents for each home will include a list of unit price quantities, general floor plans of flood damaged areas, simple floor plan and elevation drawings of kitchen and bathroom repairs, a photographic inventory of the existing conditions, and general notes on hazardous mitigation requirements.

The selected vendor(s) is expected to have extensive experience in single family dwelling home design and familiarity with Federal Housing and Urban Development (HUD) CDBG requirements for home reconstruction.

Contracts will be awarded to up to 3 architectural firms based on the selection criteria described in this solicitation.

TASK 1. PROJECT MANAGEMENT

The selected vendor(s) shall provide a sufficient and well-organized project administration team to manage the project throughout the entire period of the Contract including proper supervision of all staff and subcontracted services.

Task 1.1 Project Execution Plan

The selected vendor(s) shall implement a Project Execution Plan (PEP) detailing the manner in which the project will be planned, managed and executed. The objective of the PEP is to define the approach to be used by the project team to deliver the intended project and how project information will be communicated. The PEP shall be updated as necessary to reflect changes in the project and all revisions will be submitted to DEP for review and comment.

Task 1.2 Monthly Progress Reports and Weekly Progress Meetings

The selected vendor(s) shall prepare and submit a Monthly Progress Report detailing activities completed in previous month, activities anticipated in upcoming month, expenditure against planned budget,

schedule progress against planned schedule, and critical issues. The Monthly Progress Reports shall be clear and concise.

The Project Manager of the selected vendor(s) shall attend a weekly coordination meeting with the Program Director to review progress, discuss of items requiring feedback and review a list of outstanding issues requiring resolution.

The selected vendor(s) shall prepare a monthly invoice which includes a full accounting of all staff, number of hours, loaded hourly rate, sub-consultants and Other Direct Costs organized by individual scope task. Complete back up of all timesheets and other direct costs are required to substantiate billing.

TASK 2. Training and Review POLICIES AND PROCEDURES

The selected vendor(s) shall review the detailed procedures for the execution of home inspections including but not limited to written standard operating procedures, checklists, and floor plan and elevation “quick” forms, etc. The goal of the procedures is to create a consistent and efficient process of working with the homeowners and contractors to finalize the scoping document and initiate construction. All staff will be trained on these procedures and will be expected to comply with all policies and procedures in execution of the work without exception.

TASK 3. CONDUCT HOME INSPECTIONS AND PREPARE WORK ORDERS

Conduct site visit of home and prepare DRAFT Work Order of qualifying home repairs. Results of the Preliminary Damage Assessment performed by the Housing Recovery Office will be provided for each home. The Preliminary Damage Assessment provides a general description of eligible repairs and includes results of all hazards analysis and associated hazard mitigation requirements. The selected vendor(s) will build a detailed Work Order of all necessary repairs. General services under this sub-task include the following:

- Review assessment and environmental review performed on home during the Intake Process to verify work required in the home.
- Verify that a Right of Entry has been signed by the homeowner to allow access to the home.
- Inspect home and prepare detailed quantity take-offs for all necessary repairs. Record quantities and produce quick floor plans and elevations sufficient for basic kitchen and bath layouts in the electronic tablet (see Task 4). The unit price items will be based on the Xactimate estimating software package.
- Record written descriptions of hazardous remediation for lead, mold, and asbestos in addition to identified unit price quantities.
- Prepare detailed photographic inventory of the home (using electronic tablet) during inspection including all areas of damage and planned repairs. All photographs shall be properly logged and labeled consistent with documented procedures to facilitate ease of retrieval.
- Coordinate selection of all eligible options with homeowners including, but not limited to, basic kitchen layout, cabinetry, finishes, flooring, kitchen and bathroom fixtures, non-luxury appliances, etc.
- Identify appropriate repair duration (30 Days, 45 Days, 60 Days or 90 Days) depending on extent of damage. The repair schedule will be used as a basis of assessing liquidated damages to the contractors.

- Identify and record contractor start date on the home, based on assessment of advance need to procure supplies.
- Conduct final walk through of home with selected General Contractor to confirm scope and solicit final sign-off of the document from Contractor and Homeowner.

It is intended that these services will be completed in no more than 2 home visits, with each visit limited to approximately 4 hours. If final agreement on homeowner selected materials and layouts cannot be completed within these time frames, the homeowner will be required to make an appointment at a customer service station to finalize the selection process. All appointments for home visits to conduct investigations and prepare Work Orders will be made by a City Customer Service Representative.

TASK 5. QUALITY MANAGEMENT

The selected vendor(s) will provide centralized independent review of all scoping documents prior to finalization including review of photographs, unit price list, floor plans, elevations, etc. to verify eligibility, completeness, accuracy, local code compliance, and compliance with HUD Single Family Housing Rehabilitation Standards, and the HUD CPD Green Building Retrofit Checklist. Any quality issues identified during review shall be corrected prior to contractor sign-off of the scoping document. It is expected that all quality sign-offs will be completed within 24 hours of submittal of a draft Scope of Work Package.

TASK 6 BUILDING HOME ELEVATION DESIGN DOCUMENTS

					ODCs	618,810
					Task Total	5,578,835

List of Assumptions

1. Survey team home site visits will be scheduled and confirmed by HRO. Surveys will be performed by teams of two when home owners opt to use the grant funded program. For those home owners electing to select their own contractors, only one field surveyor will perform the home visit with the contractor. Perez will provide the survey teams with private cars, as many of the coastal locations are remote with limited public transportation. Each unit will be counted as one survey so that, for example, a 4-unit house will count as 4 surveys.
2. Prior to each home visit, a team leader will review City reports on each property and prepare notes to brief each field survey team prior to the home site visit. The City reports include the Preliminary Damage Assessment, the Right of Entry Form, and the Environmental Assessment Report prepared by others who have identified hazardous materials on site (including asbestos, lead paint and mold). Once a team is assigned to a particular property, the Preliminary Damage Assessment, the Environmental Assessment Report, and the team leader's brief will be provided to the surveyors. Perez will equip each survey team with a GPS digital camera, a laser measure, and safety gear in a backpack including hard hats, safety vests, logo shirts, first aid kits, flashlights/head lamps and respirators. HRO will equip each team with a tablet computer, a printer and the JOC architectural scoping software. Each car will also be equipped with a foldable ladder, folding table and four folding chairs.
3. One member of each team will be primarily responsible for photography and obtaining measurements, creating a schematic (single-line) floor plan, and noting quantities for replacement. The other team member will work with the homeowner to discuss equipment and finish material choices and assist with selection of materials; develop kitchen layout and a bathroom layout with 3D views of the kitchen and bathrooms on the tablet. All work scopes will be determined by visual inspection only, destructive testing is not included. The team in consultation with the general contractor shall identify appropriate repair durations (14 days, 28 Days, 42 Days, 56 Days or 94 Days) and record the contractor's written commitment to a start date on JOC for the home.
4. After the assessment team leaves the house with the signed JOC, the Perez survey field team members will upload their data and photos to the City's project server. The work of this task excludes applications for or obtaining any permits; design of special systems including sprinklers; and/or specialized tests and any work related to detection, testing, remediation and/or removal of hazardous materials.
5. Each survey team will be comprised of one surveyor level I (\$130/hour) and one surveyor level II (\$90/hour). Each team of two surveyors will spend an average of 4 hours at each job order location.
6. 10 Survey teams will perform approximately 2 home surveys per day:
 - Approximately 90 Surveys per week;
 - Approximately 360 Surveys per month;
 - Approximately 5,000 Surveys over 15 months.
7. Fee per Home Survey:
 - \$1,116 per each home survey, including ODC expenses;
 - \$800 for each Do It Yourself home survey;
 - \$800 for each No Show appointment by Contractor and/or Homeowner
8. The Field Teams, Team Leaders and Managers will attend bi-weekly training sessions to be held by the City over a period of six months, for four hours each session. The purpose of such meetings shall be to review best practices, lessons learned, and to increase efficiency and accuracy.

APPENDIX F

E.O. 50 SUPPLY & SERVICE RIDER

EQUAL EMPLOYMENT OPPORTUNITY

[Note: for purposes of this rider, the “contractor” means the Consultant identified in this Contract]

This contract is subject to the requirements of Executive Order No. 50 (April 25, 1980) (§10-14) as revised (“E.O.50”) and the Rules and Regulations promulgated thereunder. No contract will be awarded unless and until these requirements have been complied with in their entirety. By signing this contract, the contractor agrees that it:

- (1) will not discriminate unlawfully against any employee or applicant for employment because of race, creed, color, national origin, sex, age, handicap, marital status, sexual orientation or citizenship status with respect to all employment decisions including, but not limited to, recruitment, hiring, upgrading, demotion, downgrading, transfer, training, rates of pay or other forms of compensation, layoff, termination, and all other terms and conditions of employment;
- (2) will not discriminate in the selection of subcontractors on the basis of the owner’s, partners’ or shareholders’ race, color, creed, national origin, sex, age, handicap, marital status or sexual orientation or citizenship status;
- (3) will state in all solicitations or advertisements for employees placed by or on behalf of the contractor that all qualified applicants will receive consideration for employment without regard to race, creed, color, national origin, sex, age, handicap, marital status, sexual orientation or citizenship status, or it is an equal employment opportunity employer;
- (4) will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or memorandum of understanding, written notification of its equal employment opportunity commitments under E.O. 50 (§10-14) and the rules and regulations promulgated thereunder; and
- (5) will furnish before the contract is awarded all information and reports including an Employment Report which are required by E.O. 50 (§10-14), the rules and regulations promulgated thereunder, and orders of the Director of the Division of Labor Services (the “Division”). Copies of all required reports are available upon request from the contracting agency; and
- (6) will permit the Division to have access to all relevant books, records and accounts for the purposes of investigation to ascertain compliance with such rules, regulations, and orders.

The contractor understands that in the event of its noncompliance with the nondiscrimination clauses of this contract or with any such rules, regulations, or orders, such noncompliance shall constitute a material breach of the contract and noncompliance with E.O. 50 (§10-14) and the rules and regulations promulgated thereunder. After a hearing held pursuant to the rules of the Division, the Director may direct the imposition by the contracting agency head of any or all of the following sanctions:

- (i) disapproval of the contractor;
- (ii) suspension or termination of the contract;
- (iii) declaring the contractor in default; or
- (iv) in lieu of any of the foregoing sanctions, the Director may impose an employment program.

The Director of the Division may recommend to the contracting agency head that a contractor who has repeatedly failed to comply with E.O. 50 (§10-14) and the rules and regulations promulgated thereunder be determined to be nonresponsible.

The contractor agrees to include the provisions of the foregoing paragraphs in every subcontract or purchase order in excess of New York City's small purchase limit established by rule of New York City's Procurement Policy Board to which it becomes a party unless exempted by E.O. 50 (§10-14) and the rules and regulations promulgated thereunder, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Director of the Division of Labor Services as a means of enforcing such provisions including sanctions for noncompliance.

The contractor further agrees that it will refrain from entering into any contract or contract modification subject to E.O. 50 (§10-14) and the rules and regulations promulgated thereunder with a subcontractor who is not in compliance with the requirements of E.O. 50 (§10-14) and the rules and regulations promulgated thereunder.

Insofar as the facts or law relating to any claim would preclude New York City Economic Development Corporation and the City of New York from being completely indemnified by the Contractor, the New York City Economic Development Corporation and the City of New York shall be partially indemnified by the Contractor to the fullest extent permitted by law.
- (iii) The Contractor shall defend, indemnify and hold New York City Economic Development Corporation and the City of New York, harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages and from costs and expenses to which New York City

Economic Development Corporation and the City of New York may be subject to or which they may suffer or incur allegedly arising out of or in connection with any infringement by the Contractor of any copyright, trade secrets, trademark or patent rights or any other property or personal right of any third party by the Contractor and/or its subcontractors in the performance of this Agreement. The Contractor shall defend, indemnify, and hold New York City Economic Development Corporation and the City of New York, harmless regardless of whether or not the alleged infringement arises out of compliance with the Agreement's scope of services/scope of work. Insofar as the facts or law relating to any claim would preclude the New York City Economic Development Corporation and the City of New York from being completely indemnified by the Contractor, the New York City Economic Development Corporation and the City of New York shall be partially indemnified by the Contractor to the fullest extent permitted by law.

- (iv) The indemnification provisions set forth in this section shall not be limited in any way by the Contractor's obligations to obtain and maintain insurance as provided in this section.

(c) Subrecipient shall require that the language of sub-Sections (a) and (b) of this certification be included in all Subcontracts and that all Contractors shall certify and disclose accordingly; and

(d) this certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Subrecipient acknowledges that Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. 11.2. Air and Water. The Subrecipient agrees to comply with the following requirements insofar as they apply to the performance of this Agreement:

(a) Clean Air Act, 42 U.S.C. 7401, et seq.;

(b) Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251, et seq., as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder; and

(c) Environmental Protection Agency regulations pursuant to 40 CFR Part 50, as amended.

11.3. Flood Disaster Protection. In accordance with the requirements of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001), the Subrecipient shall assure that for activities located in an area identified by the Federal Emergency Management Agency as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained as a condition of financial assistance for acquisition or construction purposes (including rehabilitation).

11.4. Lead-Based Paint. The Subrecipient agrees that any construction or rehabilitation of structures containing residential units with assistance provided under this Agreement shall be subject to HUD Lead-Based Paint Regulations at 24 CFR 570.608, and 24 CFR Part 35, Subpart B. Such regulations pertain to all CDBG-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice should also point out that if lead-based paint is found on the property, abatement measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and/or abatement may be conducted.

11.5. Historic Preservation.

(a) The Subrecipient agrees to comply with the Historic Preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470) and the procedures set forth in 36 CFR Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties, insofar as they apply to the performance of this Agreement.

for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a Federal, state, or local historic property list.

12. EVENTS OF DEFAULT AND TERMINATION

12.1. Events of Default.

(a) The occurrence and continuance following notice to the Subrecipient and a reasonable opportunity to cure of any of the following events shall constitute an “Event of Default”:

- (i) pursuant to 24 CFR 85.43, if the Subrecipient for any reason materially fails to comply in a timely manner with any terms of this Agreement; or
- (ii) if the Subrecipient uses any Program Funds for Eligible Costs incurred for Eligible Purposes, or Program Assets for any purposes other than one of the Eligible Purposes; or
- (iii) if the Subrecipient submits any Required Reports to the City, HUD or any of their respective Representatives or auditors, which are incorrect or incomplete in any material respect.

(b) If this Agreement is terminated by either Party prior to the end of the Term, the Party terminating this Agreement shall give advance Notice of such termination (a “Termination Notice”) to the other Party of no less than thirty (30) days. All Termination Notices given hereunder shall set forth in reasonable detail the reasons for such termination, the date on which such termination shall become effective, and, in the case of partial termination, the provisions of this Agreement that are to be terminated. If, in the case of a partial termination, the City or HUD in its sole discretion determines that the remaining portion of the award of the Grant Funds contemplated herein will not accomplish the purpose for which such award was made, the City or HUD may terminate this Agreement in its entirety.

12.2. Termination. Upon the occurrence and during the continuance of an Event of Default, the City may take any or all of the following actions, without prejudice to the rights of the City to enforce claims against the Subrecipient:

(a) Termination or Suspension. Pursuant to the applicable General Requirements of Law (including Section 570.502 of the CDBG Rules), prior to the end of the Term and subject to the applicable notice and cure periods, this Agreement may be or terminated, or temporarily suspended:

(e), in which case the Commitment Period and such obligation shall automatically terminate) and, at all times thereafter, any Disbursement made by the City shall be in the City's sole and absolute discretion.

12.3. Remedies Cumulative. All of the City's remedies under the Program Documents shall be cumulative, may be exercised simultaneously against the Subrecipient or in such order and with respect to the Subrecipient as the City may deem desirable, and are not intended to be exhaustive.

12.4. Termination for Convenience. This Agreement is subject to the termination for convenience provisions set forth in 24 CFR 85.44.

12.5. Termination Undertakings. Upon the end of the Term or the earlier termination of this Agreement:

(a) Pursuant to Section 570.503(b)(7) of the CDBG Rules, Subrecipient shall promptly transfer to the City by wire transfer to an account designated by the City all Program Funds and other CDBG-DR funds on hand or controlled by the Subrecipient, and all accounts receivable attributable to the use of Program Funds under this Agreement;

(f) Subrecipient shall deliver to the City all Program Documents and other deliverables, if any, as specified in the Scope of Work.

12.6. Acquired or Improved Real Property. Pursuant to Section 570.503(b)(7) of the CDBG Rules, upon the end of the Term or the earlier termination of this Agreement, if Subrecipient has control over any real property that was acquired or improved by Subrecipient, in whole or in part, with Program Funds in excess of twenty-five thousand dollars (\$25,000), then Subrecipient shall cause such real property to be used for a CDBG National Objective pursuant to Section 570.208 of the CDBG Rules until the date that is the fifth (5th) anniversary

of the last day of the Term or the effective date of the earlier termination of this Agreement, or for such longer period of time as the City deems appropriate. If the Subrecipient fails to cause such real property to be used in such manner for such prescribed period of time, then upon receipt of written Notice from the City the Subrecipient shall pay to the City an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG-DR funds for acquisition of, or improvement to, such real property. All such payments shall constitute Program Income to the City. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of such five (5)-year period or such longer period of time as the City may have deemed to be appropriate.

2. Architectural Scoping Services
3. Construction Inspection Services
4. On-Call Management and Economic Development Consulting Services

Roles and Responsibilities:

As set forth in Section 6.3 of this Agreement, and notwithstanding any provisions to the contrary, it is the express understanding of the Parties that the City, acting through HRO, will assume all programmatic, reporting, monitoring and compliance responsibilities in connection with this Agreement. The Subrecipient assumes the limited procurement responsibilities to: issue Requests for Proposals to contract with the vendors who will perform the tasks set forth in this Scope of Work; conduct an evaluation process to select such vendors; execute the contract documents with the selected vendors; and, upon receipt of certification from HRO as to eligibility and compliance with CDBG Rules and the applicable contract for a requested payment, process such payment request to OMB and upon receipt of funds from OMB make payment to Contractor.

The scopes of work recited below are informational, and are subject to the language in the final contracts negotiated with each selected vendor.

1. **Pre-Construction Services**

The New York City Economic Development Corporation (NYCEDC) will retain two Consultants to provide Pre-Construction Professional Services. These programs are designed to help NYC residents directly affected by Hurricane Sandy to achieve permanent, sustainable housing solutions. The Consultant will play an essential role in ensuring that the program accurately assesses the level of damage incurred at a building and prepare estimates of the cost to complete rehabilitation or repair of the building, including the development and implementation of appropriate strategies to address resiliency issues or mitigate environmental concerns.

This solicitation for this program is issued by NYCEDC in support of the Mayor's Office of Housing Recovery Operations (HRO). Programmatic oversight will be provided by HRO. While NYCEDC will hold the contracts for this work, HRO will primarily oversee the contract services and provide direction and feedback to the selected Consultants.

In response to housing needs incurred as a result of Hurricane Sandy, the City of New York (the City) applied for assistance through the Department of Housing and Urban Development (HUD) Community Development Block Grant-Disaster Recovery (CDBG-DR) program. This solicitation will build the capacity for the City to deliver assistance under the CDBG-DR program. This solicitation seeks Consultants to provide the following services:

- Task I: Damage Assessments and Cost to Complete
 - Complete inspection report verifying damage was a result of the Storm (structural, electrical, plumbing, visual mold inspection, testing for lead based paint, etc.) and photo documentation of existing conditions.
 - Develop a cost estimate of total damage caused by the Storm that will be used to determine whether the unit is “substantially” damaged.
 - Assessment of remaining work to rehabilitate building.
 - Determine the scope and quality (code compliance) of any repairs completed by Homeowner for use in Duplication of Benefits determination by Case Manager (case management not in scope).
 - On-site collection of Environmental Data for environmental review.
 - Not in scope: detailed cost estimate and case management services.
- Task II: Professional Engineering Services
 - Feasibility review to determine appropriate housing recovery activity.

- Other planning and engineering services necessary to evaluate special circumstances related to housing recovery options (land use issues, feasibility of hazard mitigations, elevation surveys, etc).
- Task III: Environmental Review and Environmental Data Management
 - Desktop and Tier II site-specific environmental screening.
 - Production of site-specific environmental review records.
 - Developing site-specific mitigation plans, where required.
- Task IV: Appraisal Services
 - Determine Fair Market Value (FMV) of home pre-storm to be used in determination of substantial damage. If storm damage to home is equal or greater than fifty percent of FMV pre-storm, the home qualifies as substantially damaged.

The following background section provides context for the services to be provided under Tasks I through IV.

I. BACKGROUND: COMMUNITY DEVELOPMENT BLOCK GRANT—DISASTER RECOVERY (CDBG-DR) HOUSING PROGRAMS OVERVIEW

The City's Housing Recovery Programs are designed to meet the unmet housing assistance needs described in the NYC CDBG-DR Action Plan and help people affected by Hurricane Sandy - including homeowners and tenants of rental properties - achieve permanent, sustainable housing solutions that allow them to remain in New York City and, where possible, return to their neighborhoods.

The objectives of the programs include:

1. Help people affected by Sandy directly by replacing and rehabilitating housing units, including identifying opportunities for mitigation enhancement measures;
2. Help people affected by Sandy by improving the resilience of their housing units while restoring their buildings/residences;
3. Support resilience improvements to reduce risk and strengthen neighborhoods in flood zones; and,
4. Leverage philanthropic investments to address immediate gaps with flexible capital and maximize CDBG-DR dollars at scale.

To pursue these objectives, the City has built programs that incorporate lessons from past disasters; build upon stakeholder input from agencies and relevant organizations across the city, state, and national levels; and, leverage the experience of locally-based organizations to ensure the diverse needs and particular contexts of affected residents are addressed. Our focus is to provide assistance to affected New Yorkers quickly while ensuring accountability and proper use of funds. We have also accounted for the complexities faced by affected residents working through the assistance process and therefore embedded quality customer service and counseling

LDCMT-30-751

options to help people understand their options and the impacts (financial and otherwise) of their decisions. The City's strategy will balance speedy response with adequate planning and take into account the distinct needs of different communities. For program operations, the City will maximize private and non-profit sector expertise and the deep experience of the NYC housing infrastructure while putting appropriate accountability and oversight mechanisms in place.

The City's housing recovery programs are designed to meet the unmet housing assistance needs described in the NYC CDBG-DR Action Plan and help people affected by Hurricane Sandy—including homeowners and tenants of rental properties—achieve permanent, sustainable housing solutions that allow them to remain in New York City and, where possible, return to their neighborhoods.

Housing Program Overview

The City will have two programs, each with several permanent housing recovery paths that maximize coordination across agencies. In this way, the City's programs will leverage scale, where possible, while providing solutions tailored for the different needs of homeowners or landlords in need of assistance (e.g., by geography, building type and size). Specifically, the City will have the following core programs to provide assistance to those who suffered damage from Sandy:

NYC Houses—Grants for reconstruction or rehabilitation of homes that have been destroyed or damaged by Sandy. Assistance will incorporate resilience measures for homes that are destroyed or have substantial damages defined by the NYC CDBG-DR Action Plan.

The City will also use CDBG-DR to create a rental subsidy program to serve extremely low-income households displaced by Hurricane Sandy. The City will assist households in finding apartments in the existing affordable housing portfolio.

Multi-family Building Rehabilitation—Grants, low-interest loans, and/or credit support for rebuilding or rehabilitation of multi-family rental buildings that have suffered damage. Rebuilding or rehabilitation will incorporate resilience measures for those multi-family buildings that have been destroyed or have suffered major damage. Grant disbursement will be managed through a mechanism separate from the Consultant responding to this solicitation

The initial funding will allow the City to serve a segment of its targeted population, as follows:

- **NYC Houses:** The City will prioritize assistance for those with the most severe damage and owners with the highest level of financial need. Accordingly, the City's first priority will be to assist up to 1,000 units of low, moderate and middle income homeowners whose primary residences or rental properties with year-round tenants were destroyed or had major damage. The City will also assist up to 8,300 low, moderate, and middle

income households whose primary residences experienced moderate damage.

- **Multi-family buildings:** The city will invest in its multi-family housing stock—both affordable and market rate, capitalizing on the strong HPD and HDC institutional infrastructure. Through this first round of funding, the City will rehabilitate and enhance the resiliency of approximately 13,000 units of housing for low, moderate, and middle income New Yorkers.
- **Public housing:** The City will allocate \$120 million to design and construct improvements to public housing directly impacted by Hurricane Sandy. The first phase of this program is to install permanent emergency generators at 100 of NYCHA’s most vulnerable buildings that were impacted. Accordingly, a portion of this allocation will be used as the non-federal share for FEMA Public Assistance projects.

Preliminary estimates suggest potential rehabilitation needs for a total of ~20,000 single-family buildings (1–4 units) and ~1800 multi-family buildings (ranging from 5 to 558 units with an average building size of 60 units). These estimates also suggest potential reconstruction of ~800 single-family buildings and ~20 multi-family buildings. The lowest income households will be prioritized.

The City of New York has decided to proceed with a tiered environmental review in accordance with provisions identified in 24 CFR 58.15. This approach addresses broad programs and issues in initial Tier 1 or systems-level analyses, and analyzes site-specific proposals and impacts in subsequent tier studies. The initial Tier 1 or broad-level review is being conducted for the programs identified (separate from this solicitation). The broader Tier I reviews will establish the standards and processes to be followed in the site-specific reviews.

Site-Specific Environmental Review

The Consultant will be expected to propose and implement strategies intended to engage the public as well as governmental agencies in the NEPA environmental review process. Efficient consultation will be required with federal, state and/or city agencies such as: the United States Fish and Wildlife Service; New York State Department of Environmental Conservation, New York State Office of Parks and Recreation/State Historic Preservation Officer (SHPO); New York City Mayor's Office of Environmental Coordination, New York City Mayor's Office of Remediation, NYC Landmarks Preservation Commission (LPC), Department of Environmental Protection, New York City Department of Parks and Recreation.

To the extent that circumstances and or conditions dictate the need for community level studies the Consultant shall recommend the approach, breadth, and scope of such analyses.

As determined by the Tier I Programmatic Environmental Review, the Consultant will utilize HUD's statutory worksheet to complete site-specific analyses and develop and implement a series

of site checklists for use in the application review to ensure compliance with applicable HUD regulations, governing laws, Executive Orders, et al. (Draft of Tier 1 is attached at link above).

The Consultant will use these checklists to conduct site checks and/or field visits, as needed, to homeowner properties and their surrounding areas in order to complete said checklists. Site-specific Environmental Reviews shall be sufficient to meet requirements in accordance with 24 CFR part 58. Finally, the Consultant will support the development of potential mitigation alternatives, as required, for sites with potential environmental impacts and/or known issues.

Project scoping will involve field inspections for the purposes of initiating agency consultations, screening for hazardous and or toxic sites/conditions, and other notable site conditions.

Deliverables for this scope element include:

The plan will clearly describe how Pre-construction Services case deliverables will be controlled in both hard and soft copy. The plan should indicate basic metadata that will be captured for each document to aid in document retrieval and how the

files are uploaded to the HRO Program Case Management System. The plan will indicate how hard copy files will be minimized and centrally managed and the quality control procedures to ensure compliance with the document management plan.

The plan shall also clearly indicate how the use of existing environmental data resources are maximized, including the identification of previously performed environmental reviews by NEPA cooperating federal agencies.

The Consultant will also develop and maintain a geographic information system (GIS) for all relevant information necessary to support the Environmental Review Record for the NYC Housing Recovery Programs. The foundation data for the GIS exists and will be shared with the Consultant.

2. **Architectural Scoping Services**

The New York City Economic Development Corporation (NYCEDC) is seeking architectural scoping services to support the home assessment program. This solicitation for this program is issued by NYCEDC in support of the Mayor's Office of Housing Recovery Operations (HRO). Programmatic oversight will be provided by HRO. While NYCEDC will hold the contracts for this work, HRO will primarily oversee the contract services and provide direction and feedback to the selected Consultants through its agent the New York City Department of Environmental Protection (“DEP”).

The City anticipates that approximately 8,000 to 12,000 homes will require preparation of a detailed scoping document (Work Order) describing home damage. Most homes that enter this program, will have sustained less than 50% physical damage based on the pre-storm fair market value of the home. A small percentage of homes will have received greater than 50% damage and a small percentage of homes will require raising pursuant to NYC Department of Buildings code requirements.

The selected vendor(s) will be responsible for creating comprehensive work order packages and itemized quantity take-off cost estimates of qualifying home repairs consistent with Federal, State and local requirements. The scoping documents for each home will include a list of unit price quantities, general floor plans of flood damaged areas, simple floor plan and elevation drawings of kitchen and bathroom repairs, a photographic inventory of the existing conditions, and general notes on hazardous mitigation requirements.

The selected vendor(s) is expected to have extensive experience in single family dwelling home design and familiarity with Federal Housing and Urban Development (HUD) CDBG requirements for home reconstruction.

TASK 1. PROJECT MANAGEMENT

The selected vendor(s) shall provide a sufficient and well-organized project administration team to manage the project throughout the entire period of the Contract including proper supervision of all staff and subcontracted services.

Task 1.1 Project Execution Plan

The selected vendor(s) shall develop and implement a Project Execution Plan (PEP) detailing the manner in which the project will be planned, managed and executed. The objective of the PEP is to define the approach to be used by the project team to deliver the intended project and how

project information will be communicated. The PEP shall be updated as necessary to reflect changes in the project and all revisions will be submitted to DEP for review and comment.

Task 1.2 Monthly Progress Reports and Weekly Progress Meetings

The selected vendor(s) shall prepare and submit a Monthly Progress Report detailing activities completed in previous month, activities anticipated in upcoming month, expenditure against planned budget, schedule progress against planned schedule, and critical issues. The Monthly Progress Reports shall be clear and concise.

The Project Manager of the selected vendor(s) shall attend a weekly coordination meeting with the Program Director to review progress, discuss of items requiring feedback and review a list of outstanding issues requiring resolution.

The selected vendor(s) shall prepare a monthly invoice which includes a full accounting of all staff, number of hours, loaded hourly rate, sub-consultants and Other Direct Costs organized by individual scope task for tasks to be paid on a time and material basis. For tasks paid by lump sum, verification of the units shall be provided. Complete back up of all timesheets and other direct costs are required to substantiate billing.

TASK 2. DEVELOP POLICIES AND PROCEDURES

The selected vendor(s) shall prepare detailed procedures for the execution of home inspections including but not limited to written standard operating procedures, checklists, and floor plan and elevation “quick” forms, etc. The goal of the procedures is to create a consistent and efficient process of working with the homeowners and contractors to finalize the scoping document and initiate construction. All staff will be trained on these procedures and will be expected to comply with all policies and procedures in execution of the work without exception.

TASK 3. CONDUCT HOME INSPECTIONS AND PREPARE WORK ORDERS

Conduct site visit of home and prepare DRAFT Work Orders of qualifying home repairs. Results of the Preliminary Damage Assessment performed by the Housing Recovery Office will be provided for each home. The Preliminary Damage Assessment provides a general description of eligible repairs and includes results of all hazards analysis and associated hazard mitigation requirements. The selected vendor(s) will build a detailed Work Order of all necessary repairs. General services under this sub-task include the following:

- Review damage assessment and environmental review reports performed on the home during the Intake Process to verify work required in the home.
- Verify that a Right of Entry has been signed by the homeowner to allow access to the home.
- Inspect home and prepare detailed quantity take-offs for all necessary repairs. Record

LDCMT-30-751

quantities and produce quick floor plans and elevations sufficient for basic kitchen and bath layouts in the electronic tablet (see Task 4). The unit price items will be based on the Xactimate estimating software package.

- Record written descriptions of hazardous remediation for lead, mold, and asbestos in addition to identified unit price quantities.
- Prepare detailed photographic inventory of the home (using electronic tablet) during inspection including all areas of damage and planned repairs. All photographs shall be properly logged and labeled consistent with documented procedures to facilitate ease of retrieval.
- Coordinate selection of all eligible options with homeowners including, but not limited to, basic kitchen layout, cabinetry, finishes, flooring, kitchen and bathroom fixtures, non-luxury appliances, etc.
- Identify appropriate repair duration (15 days, 30 Days, 45 Days, 60 Days or 90 Days) depending on extent of damage. The repair schedule will be used as a basis of assessing liquidated damages to the contractors.
- Identify and record contractor start date on the home, based on assessment of advance need to procure supplies.
- Conduct final walk through of home with selected General Contractor to confirm scope and solicit final sign-off of the document from Contractor and Homeowner.

It is intended that these services will be completed in 1 home visit limited to approximately 4 hours. If final agreement on homeowner selected materials and layouts cannot be completed within these time frames, the homeowner will be required to make an appointment at a customer service station to finalize the selection process. All appointments for home visits to conduct investigations and prepare Work Orders will be made by a City Customer Service Representative.

TASK 4 DEVELOP TABLET-BASED WORK ORDER SYSTEM

Develop tablet-based system to record unit price quantities (e.g. Xactimate Software), store photo inventory of the home, provide visual images of allowable materials, and produce quick floor plans and elevations of storm-damaged homes. In addition to producing completed work order packages, the tablet will serve as a valuable communication tool with the homeowner to finalize overall home floor plans, and specifically, kitchen and bathroom plan and elevation drawings. The system shall allow visual imaging sufficient for quick optioneering of various layout configurations for “on the spot” communication with homeowners, and record selected options and materials for key home components (e.g. cabinet style, toilet, kitchen sink, etc.). Output from the tablet shall automatically create simple 8-1/2” x 11” plan and elevation drawings and document homeowner selected materials, including standard photographs that will be incorporated into the overall scope package for the building general contractor. Selected

vendor(s) will be responsible for providing tablets and wireless printers and configuring tablets to produce Work Order documents.

TASK 5 QUALITY MANAGEMENT

The selected vendor(s) will provide centralized independent review of all scoping documents prior to finalization including review of photographs, unit price list, floor plans, elevations, etc. to verify eligibility, completeness, accuracy, local code compliance, and compliance with HUD Single Family Housing Rehabilitation Standards, and the HUD CPD Green Building Retrofit Checklist. Any quality issues identified during review shall be corrected prior to contractor sign-off of the scoping document. It is expected that all quality sign-offs will be completed within 24 hours of submittal of a draft Scope of Work Package.

TASK 6 PREPARE ENGINEERING DRAWINGS AND INSPECTION FOR HOME RAISING

It is anticipated that approximately 250 to 500 homes will require raising in order to comply with NYC Department of Buildings code requirements. 4. **On-Call Management and Economic Development Consulting Services**

Summary of Scope

The Mayor's Office of Housing Recovery Operations (HRO) requests services to assist in providing permanent housing solutions in the aftermath of the late season hurricane event that hit New York in October 2012 known as Superstorm Sandy. The HRO was created by Executive Order of the Mayor's Office with the mission of returning New York City residents to a permanent home within 18 months of the disaster. In order to achieve its mission, HRO has created a program to utilize Community Development Block Grant Disaster Relief ("CDBG-DR") funding from the U.S. Department of Housing and Urban Development ("HUD"), and will need the following support:

- Support in the development, coordination, and operation of CDBG-DR funded housing programs, including recommendations and refinement of operational models and procedures, management analysis, general project management, and operations recommendations,
- Communications and outreach support to NYC communities
- Support in federal environmental review requirements
- Refinement of "unmet" need estimates as defined by HUD in its Disaster Relief Appropriations Act of 2013 (Public Law 113-2, January 29, 2013) based on data from program applicants and damage assessments of properties
- Analysis of client characteristics and comparison to demography of affected neighborhoods, and support of outreach activities to ensure program participation
- Support the ongoing activities of the Program Management Office
- Support HRO's efforts to obtain additional federal funding, which includes, among other things, creating and modifying Action Plans

Where tasks involve support and deliverables as needed/required, the Project Manager will assign tasks and may request specific qualifications and experience/expertise corresponding with the levels in the Rate Schedule.

Task I – Communications and Outreach Support

The Consultant will provide expert services and support to the City for Program Outreach to Sandy victims and the broader NYC community. Outreach efforts have included soliciting community and stakeholder input from constituents, elected officials, and community groups, fostering dialogue from small group conversations to large-town hall style meetings, leveraging existing outreach efforts across NYC agencies, and direct engagement through online social media.

Support will include analysis of the effectiveness of existing outreach activities, development of detailed strategies to reach targeted communities and demographics, and the development and production of a suite of multi-media communication materials to support effective outreach.

2nd Deliverable Due Monthly for 6 months, then as required: Development of detailed strategies to reach targeted communities and demographics

3rd Deliverable Due Monthly for 6 months, then as required: Development and production of a suite of multi-media communication materials to support effective outreach

Task II – Programmatic Environmental Support

An environmental review is the process of reviewing a property (“project”) and its potential environmental impacts to determine whether it meets federal, state, and local environmental standards. The environmental review process is triggered when federal funds are used solely or in combination with other funds to finance a project. All projects receiving HUD assistance must have an environmental review in compliance with 24 CFR Part 58 to ensure that the proposed project does not negatively impact the surrounding environment and that the project site itself is safe for development. Every project’s environmental impact must be in compliance with the National Environmental Protection Act (NEPA), and other related Federal and state environmental laws. Environmental review responsibilities must be completed prior to implementation and committal (obligation) of any funds for the approved project, but the extent of the review varies.

The Environmental Reviews will follow the Tiering process described at 24 CFR 58.15. The Tier 1 environmental review involves a broad analysis of relevant, general environmental conditions in the target area. The Tier 1 review also provides structure for the Tier 2 review by establishing

LDCMT-30-751

procedures for site-specific environmental compliance. The Tier 2 review focuses on site-specific environmental conditions that cannot be adequately evaluated at the Tier 1 level.

A Tier 1 Environmental Review is expected to be out for Public Comment prior to the start of this effort. The Consultant will provide expert services in support of the completion of the Tier 1 Environmental Review. Services could include but would not be limited to response to public comment on the potential impact of the proposed program activities on the environment, revision to the Tier 1 Environmental Review based on public input and Agency Consultations, development and negotiation of Programmatic Agreements with Agencies or stakeholder groups with regard to environmental, cultural, or historic mitigations, etc. Provide support to ensure compliance with the Tier 1 and HUD NEPA requirements during the execution of lower tier (Tier 2) analyses. Support the coordination and publication of required public notices under the Environmental Compliance Program.

1st Deliverable: Support the completion of the Tier 1 Environmental Review, including but not be limited to response to public comment on the potential impact of the proposed program activities on the environment, revision to the Tier 1 Environmental Review based on public input and Agency Consultations

2nd Deliverable: Compliance reviews of Tier 1 and 2 Environmental Reviews, including providing support to ensure compliance with the Tier 1 and HUD NEPA requirements during the execution of lower tier (Tier 2) analyses and supporting the coordination and publication of required public notices under the Environmental Compliance Program

Task III – Program Management Operations Support

The Program Management Office (PMO) oversees the execution of the Housing Recovery Program. PMO provides overall generation administration as well as support to our vendors.

The Consultant shall provide Subject Matter Experts and staff augmentation for the Program Management Office, as required, to support the implementation of the City’s Housing Recovery Operations. Support could include but is not limited to the following areas: Project Controls Specialists, Cost Controls, Document Management, Quality Assurance/Quality Control Specialists, Financial Analysts, CDBG-DR Experts, Duplication of Benefits Experts, Fair Housing Experts, and Data and Reporting Analysts. The Consultant will support ad-hoc problem-solving design-related hurdles as they arise.

Task IV – CDBG-DR Policy Support

The City's housing recovery programs are designed to meet the unmet housing assistance needs described in the NYC CDBG-DR Action Plan (<http://www.nyc.gov/cdbg>), which is incorporated into this solicitation by reference, and help people affected by Hurricane Sandy – including homeowners and tenants of rental properties – achieve permanent, sustainable housing solutions that allow them to remain in New York City and, where possible, return to their neighborhoods.

The objectives of the programs include:

1. Help people affected by Sandy directly by replacing and rehabilitating housing units, including identifying opportunities for mitigation enhancement measures;
2. Help people affected by Sandy by improving the resilience of their housing units while restoring their buildings/residences;
3. Support resilience improvements to reduce risk and strengthen neighborhoods in flood zones; and,
4. Leverage philanthropic investments to address immediate gaps with flexible capital and maximize CDBG-DR dollars at scale.

To pursue these objectives, the City has built programs that incorporate lessons from past disasters; built upon stakeholder input from agencies and relevant organizations across the city, state, and national levels; and, leveraged the experience of locally-based organizations to ensure the diverse needs and particular contexts of NYC's affected residents are addressed. HRO's focus is to provide assistance to affected New Yorkers quickly while ensuring accountability and proper use of funds. HRO has also accounted for the complexities faced by affected residents working through the assistance process and therefore embedded quality customer service and counseling options to help people understand their options and the impacts (financial and otherwise) of their decisions. The City's strategy will balance speedy response with adequate planning, support equity, and take into account the distinct needs of different communities and abilities of those community members. For program operations, the City will maximize private and non-profit sector expertise and the deep experience of the housing infrastructure in NYC while putting appropriate accountability and oversight mechanisms in place to ensure compliance with HUD regulatory requirements found at 24 CFR 570 and as defined by HUD in its Disaster Relief Appropriations Act of 2013 (Public Law 113-2, January 29, 2013).

The City's housing recovery programs are designed to meet the unmet housing assistance needs described in the NYC CDBG-DR Action Plan and help people affected by Hurricane Sandy – including homeowners and tenants of rental properties – achieve permanent, sustainable housing solutions that allow them to remain in New York City and, where possible, return to their neighborhoods.

The Consultant shall provide expert support in monitoring the effectiveness of the Housing Recovery Program and, as necessary, support changes to the Action Plan and ongoing program design. In addition, the Consultant shall monitor the effectiveness and appropriateness of established Program Guidelines, Policies and Procedures. The Consultant will provide expert review and analysis in support of appropriate revisions or waivers, as necessary, to ensure consistency throughout the program execution.

FEDERAL CONDITIONS

This Agreement is subject to:

(b) Title 1 of the Housing and Community Development Act of 1974 (P.L. 93-383) as amended (The Act) and all rules, regulations and requirements now issued or hereafter issued pursuant to the Act; the Agreement may be suspended and/or terminated without liability to the City if the Grant to the City pursuant to the Act is suspended or terminated, and unless and until the City or Agency receives Community Development funds in an amount that is deemed sufficient to enable it to fund this Agreement, the City or Agency is under no obligation to make any payments to the Contractor. In this regard, the Agency is under no obligation to make any payments to the Contractor, and shall not make any such payment, and the Contractor shall not commence performance, until:

(i) the Agency has received from the City's Office of Management and Budget instructions to proceed, evidencing compliance with the National Environmental Policy Act, as amended, and with regulations of the U.S. Department of Housing and Urban Development, related thereto, found at 24 CFR Part 58; and

(ii) the Contractor has been notified of such instructions by the Agency. Furthermore, the Contractor and the City mutually agree that the Contractor shall not advance any funds, from any source without limitation, to pay for costs intended to be paid for under this Agreement prior to the receipt and notification described in this paragraph (a), and the City shall not reimburse the Contractor for any costs incurred in violation of this provision.

(c) Title VIII of the Civil Rights Act of 1968 (P.L. 90-284; 42 U.S.C. §§ 3602-3620), as amended, which prohibits discrimination in the sale or rental of housing and in the provision of brokerage services based on race, color, religion, sex, national origin, disability, or familial status, and which requires affirmative action in the furtherance of Fair Housing objectives.

(d) Executive Order 11063, as amended by Executive Order 12259, pursuant to regulations issued at 24 CFR Part 107 which prohibits discrimination on the basis of race, color, religion, sex or national origin and requires equal opportunity in housing constructed, operated or provided with federal funds.

(e) Title VI of the Civil Rights Act of 1964 (P.L. 88-352; 42 U.S.C. §§ 2000d *et seq.*) and implementing regulations in 24 CFR Part 1, which states that no person shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any Program or activity made possible by, or resulting from, this agreement. The provisions of this Article 2(d) shall be incorporated in and made a part of all subcontracts executed in connection with this agreement.

(f) Section 3 of the Housing and Urban Development Act of 1968 (P.L. 90-448). Pursuant to 24 CFR § 135.38, the Contractor agrees to the following:

(i) The work to be performed under this Agreement is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701 u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly

persons who are recipients of HUD assistance for housing.

(ii) The parties to this Agreement agree to comply with HUD'S regulations in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this Agreement, the parties to this Agreement certify that they are under no contractual or other impediments that would prevent them from complying with the Part 135 regulations.

(iii) The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

(iv) The Contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the Subcontractor is in violation of the regulations in 24 CFR Part 135. The Contractor will not subcontract with any Subcontractor where the Contractor has notice or knowledge that the Subcontractor has been found in violation of the regulations in 24 CFR Part 135.

(v) The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected but before the Agreement is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 CFR Part 135.

(vi) Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this Agreement for default, and debarment or suspension from future HUD assisted contracts.

(vii) With respect to work performed in connection with Section 3 covered Indian Housing Assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this Agreement. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this Agreement that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).

(g) Lead-Based Paint Poison Prevention provisions found in 24 CFR § 570.608, the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821-4846), the Residential Lead Based Paint Hazard Reduction Act of 1992 (U.S.C. §§ 4851-4856, and 24 CFR Part 35, subparts A, B, J, K, and R. This Article 2(f) is to be included in all subcontracts, for work in connection with this Agreement, which

relate to residential structures.

(h) Pursuant to the provisions in 24 CFR § 570.605, Section 202(a) of the Flood Disaster Protection Act of 1973 (42 U.S.C. § 4106), and the regulations in 44 CFR Parts 59-79 apply to this Agreement.

(i) Consistent with 24 CFR § 570.614, the Contractor warrants that all services, programs, and/or Construction (including design and alteration) under this Agreement shall be performed in accordance with all federal, state and local laws and regulations regarding accessibility standards for persons with disabilities including, but not limited to, the following: Section 504 of the Rehabilitation Act, the Architectural Barriers Act of 1968 (42 U.S.C. § 4151-4157), the Uniform Federal Accessibility Standards (Appendix A to 24 CFR Part 40 and Appendix A to 41 CFR Part 101-19, subpart 101-19.6), and the Americans with Disabilities Act (42 U.S.C. § 12131; 47 U.S.C. §§ 155, 201, 218, and 225).

(j) The Historic Preservation Act of 1966 (P.L. 89-665; 16 U.S.C. §§ 470 *et seq.*), the Archeological and Historic Preservation Act of 1974 (P.L. 93-291; 16 U.S.C. §§ 469-469c), Executive Order 11593 and regulations at 36 CFR Part 800. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a Federal, state, or local historic property list.

(k) The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. §§ 4601-4655) and regulations at 49 CFR Part 24.

(l) Uniform Administrative Requirements.

(i) Subrecipients that are governmental entities, including those that are public agencies or authorities, shall comply with the following:

1. Federal Office of Management and Budget (OMB) circular A-87, Cost Principles for State, Local and Indian Tribal Governments;
2. Federal Office of Management and Budget (OMB) circular A-133, Audits of States, Local Governments, and Non-Profit Organizations (rev. 6/27/03);
3. The sections of 24 CFR Part 85, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments, that are set forth in 24 CFR § 570.502(a).

(ii) Subrecipients, except those which are governmental entities, public agencies or authorities, shall comply with the following:

1. Federal Office of Management and Budget (OMB) circular A-122, Cost Principles Non-Profit Organizations;
2. In the event that the Contractor is an educational institution, Federal Office of Management and Budget (OMB) circular A-21, Cost Principles for Educational Institutions;

3. The sections of 24 CFR Part 84, Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and other Non-Profit Organizations, that are set forth in 24 CFR § 570.502(b). The provisions of 24 CFR Part 84 implement OMB circular A-110;
4. Federal Office of Management and Budget (OMB) Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations (rev. 6/27/03).
5. Execution of a subrecipient agreement.

(iii) Contractors shall comply with the provisions of 24 CFR Part 85 and 48 CFR Part 31, as applicable.

(m) The Contractor agrees that if any income is generated from the Community Development Block Grant Program funded activities, Contractor shall return such income to the City's Community Development Block Grant Program unless expressly authorized by the City. Such funds are subject to all applicable requirements governing the use of Community Development Block Program Funds, including 24 CFR § 570.503(b)(3), which provides that, at the end of the program year, the City may require remittance of all or part of any program income balances (including investments thereof) held by the Subrecipient (except those needed for immediate cash needs, cash balances of a revolving loan fund, cash balances from a lump sum drawdown, or cash or investments held for section 108 security needs).

(n) If the Contractor is, or may be deemed to be, a religious or denominational institution or organization operated for religious purposes which is supervised or controlled by or in connection with a religious or denominational institution or organization, the Contractor agrees that in connection with services to be provided under this Agreement:

(i) it shall not discriminate against any employee or applicant for employment on the basis of religion and shall not limit employment or give preference in employment to persons on the basis of religion.

(ii) it shall not discriminate against any person applying for such public services on the basis of religion or religious belief and shall not limit such services or give preference to persons on the basis of religion or religious belief.

(iii) it shall provide no religious instruction or counseling, conduct no religious worship or services, engage in no religious proselytizing, and exert no other religious influence in the provision of such public services.

(iv) it shall not use CDBG funds for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. CDBG funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under 24 CFR Part 570. Where a structure is used for both eligible and inherently religious activities, CDBG funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to CDBG funds in 24 CFR Part 570. Sanctuaries, chapels, or other rooms that a CDBG-funded

religious congregation uses as its principal place of worship, however, are ineligible for CDBG-funded improvements. Disposition of real property is subject to 24 CFR § 570.200(j)(5).

(o) Executive Order 11246, as amended, and the implementing regulations contained in 41 CFR Chapter 60, as amended, prohibit discrimination in employment due to race, color, religion, sex or national origin during the performance of all Federal or federally assisted contracts.

(i) during the performance of this Agreement the Contractor agrees as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, sex, religion or national origin.
3. The Contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other Agreement or understanding, a notice to be provided by the Agency contracting officer, advising the labor union or worker's representatives of the Contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, as amended, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, as amended, and of the rules, regulations and relevant orders of the Secretary of Labor.
5. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, as amended, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the Department and the Secretary of Labor for purposes of investigations to ascertain compliance with such rules, regulations, and orders.
6. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules,

regulations, or orders, this Agreement may be cancelled, terminated or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted Construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, as amended, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, as amended, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

7. The Contractor will include the provisions of this Article 2(n) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, as amended, so that provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions, including sanctions for non-compliance: Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into such litigation to protect the interest of the United States.

(p) The Contractor agrees that if it enters a Construction subcontract as part of its Agreement with the City, and this Construction subcontract is for an amount more than \$10,000, the notice found at FEDERAL EXHIBIT 1 of this Agreement must be included in that Construction subcontract.

ARTICLE 3
ADDITIONAL FEDERAL CONDITIONS FOR CONSTRUCTION

In the event that this Agreement involves Construction work, design for Construction or Construction services, all such work or services performed or administered by the Contractor shall be subject to the following requirements in addition to those set forth in Article 2.

- (a) Federal Labor Standards: The Contractor will comply with the following:
 - (i) The Davis-Bacon Act (40 U.S.C. §§ 3141 et seq.): In Construction contracts involving an excess of \$2000, unless exclusively in connection with the rehabilitation of residential property containing fewer than 8 units, all laborers and mechanics must be paid at a rate not less than those determined by the Secretary of Labor to be prevailing for the City, which rates are to be provided by the Agency. These wage rates are a federally mandated minimum only, and will be superseded by any State or City requirement mandating higher wage rates. The Contractor also agrees to comply with Department of Labor Regulations pursuant to the Davis-Bacon Act found in 29 CFR Parts 1, 3, 5 and 7 which enforce statutory labor standards provisions.
 - (ii) Sections 103 and 107 of the Contract Work Hours and Safe Standards Act (40 U.S.C. §§ 3701 et seq.), which provides that no laborer or mechanic shall be required or permitted to work more than eight hours in a calendar day or in excess of forty hours in any workweek, unless such laborer or mechanic is paid at an overtime rate of 1½ times his/her basic rate of pay for all hours worked in excess of these limits, under any Construction Agreement costing in excess of \$2000. In the event of a violation of this provision, the Contractor shall not only be liable to any affected employee for his/her unpaid wages, but shall be additionally liable to the United States for liquidated damages.
 - (iii) The Copeland “Anti-Kickback” Act (18 U.S.C. § 874), as supplemented by the regulations contained in 29 CFR Part 3, requiring that all laborers and mechanics shall be paid unconditionally and not less often than once a week, and prohibiting all but “permissible” salary deductions.
 - (iv) The more complete detailed statement of Federal Labor Standards annexed hereto as FEDERAL EXHIBIT 2.
 - (v) The provisions of Article 3(a) of this Agreement shall be included in all subcontracts for work in connection with this Agreement.
- (b) Executive Order 11246, as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 CFR chapter 60) for Construction contracts or subcontracts in excess of \$10,000.

Standard Federal Equal Employment Opportunity Construction Contract Specifications for Contracts and Subcontracts in Excess of \$10,000.

1. As used in these specifications:
 - a. “Covered area” means the geographical area described in the solicitation from which this Agreement resulted;
 - b. “Director” means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;
 - c. “Employer identification number” means the Federal Social Security number used on the Employer’s Quarterly Federal Tax Return, U.S. Treasury Department Form 941.
 - d. “Minority” includes:
 - (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
 - (ii) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);
 - (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
 - (iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).
2. Whenever the Contractor, or any Subcontractor at any tier, subcontracts a portion of the work involving any Construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this Agreement resulted.
3. If the Contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each Contractor or Subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other Contractors or Subcontractors toward a goal in an approved Plan does not excuse any covered Contractor’s or Subcontractor’s failure to take good faith efforts to achieve the Plan goals and timetables.
4. The Contractor shall implement the specific affirmative action standards provided in paragraphs 7 a

through p of these specifications. The goals set forth in the solicitation from which this Agreement resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each Construction trade in which it has employees in the covered area. Covered Construction Contractors performing Construction work in geographical areas where they do not have a Federal or federally assisted Construction contract shall apply the minority and female goals established for the geographical areas where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The Contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.

5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.
6. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.
7. The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:
 - a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Construction project. The Contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
 - b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organization's responses.
 - c. Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

d. Provide immediate written notification to the Director when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.

f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where Construction work is performed.

g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on-site supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of Construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

i. Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a Contractor's work force.

k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.

l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

m. Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.

n. Ensure that all facilities and company activities are non-segregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female Construction contractors and suppliers, including circulation of solicitations to minority and female Contractor associations and other business associations.

p. Conduct a review, at least annually, of all supervisor's adherence to and performance under the Contractor's EEO policies and affirmative action obligations.

8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (7a through p). The efforts of a Contractor association, joint Contractor-union, Contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under 7a through p of these specifications provided that the Contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the Program are reflected in the Contractor's minority and female work force participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.

9. A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).

10. The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

11. The Contractor shall not enter into any Subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246 or suspended or is otherwise excluded from or ineligible for participation in federal assistance programs.

12. The Contractor shall carry out such sanctions and penalties for violation of these

specifications and of the Equal Opportunity Clause, including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any Contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.

13. The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR 60-4.8.

14. The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Federal Labor Standards Provisions

U.S. Department of Housing and Urban Development Office of Labor Relations

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (I) **Minimum Wages.** All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(II) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(III) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(IV) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract in the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (I) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been

communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(II) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(I) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(II), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(I), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(II)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(III) The contractor or subcontractor shall make the records required under subparagraph A.3.(I) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(I) **Apprentices.** Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who

is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(II) **Trainees.** Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(III) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract.

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (I) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be

awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(II) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(III) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration..... makes, utters or publishes any statement knowing the same to be false..... shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds \$100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. 2. REPRESENTATIONS AND WARRANTIES

Section 2.01 Procurement of Agreement

A. The Contractor represents and warrants that no person or entity (other than an officer, partner, or employee working solely for the Contractor) has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for a commission, percentage, brokerage fee, contingent fee or any other direct or indirect compensation. Notwithstanding the preceding sentence, the Contractor may retain consultants to draft proposals, negotiate contracts, and perform other similar services. The Contractor further represents and warrants that no payment, gift, or thing of value has been made, given, or promised to obtain this or any other agreement between the parties. The Contractor makes such representations and warranties to induce the City to enter into this Agreement and the City relies upon such representations and warranties in the execution of this Agreement.

B. For any breach or violation of the representations and warranties set forth in Paragraph A above, the Commissioner shall have the right to annul this Agreement without liability, entitling the City to recover all monies paid to the Contractor; and the Contractor shall not make claim for, or be entitled to recover, any sum or sums due under this Agreement. The rights and remedies of the City provided in this Section are not exclusive and are in addition to all other rights and remedies allowed by Law or under this Agreement.

Section 2.02 Conflicts of Interest

A. The Contractor represents and warrants that neither it nor any of its directors, officers, members, partners or employees, has any interest nor shall they acquire any interest, directly or indirectly, which conflicts in any manner or degree with the performance of this Agreement. The Contractor further represents and warrants that no person having such interest or possible interest shall be employed by or connected with the Contractor in the performance of this Agreement.

B. Consistent with Charter § 2604 and other related provisions of the Charter, the Admin. Code and the New York State Penal Law, no elected official or other officer or employee of the City, nor any person whose salary is payable, in whole or in part, from the City Treasury,

shall participate in any decision relating to this Agreement which affects his or her personal interest or the interest of any corporation, partnership or other entity in which he or she is, directly or indirectly, interested; nor shall any such official, officer, employee, or person have any interest in, or in the proceeds of, this Agreement. This Paragraph B shall not prevent directors, officers, members, partners, or employees of the Contractor from participating in decisions relating to this Agreement where their sole personal interest is in the Contractor.

C. The Contractor shall not employ a person or permit a person to serve as a member of the Board of Directors or as an officer of the Contractor if such employment or service would violate Chapter 68 of the Charter.

D. Except as provided in Paragraph E below, the Contractor's employees and members of their immediate families, as defined in Paragraph F below, may not serve on the Board of Directors of the Contractor ("Board"), or any committee with authority to order personnel actions affecting his or her job, or which, either by rule or by practice, regularly nominates, recommends or screens candidates for employment in the program to be operated pursuant to this Agreement.

E. If the Board has more than five (5) members, then Contractor's employees and members of their immediate families may serve on the Board, or any committee with authority to order personnel actions affecting his or her job, or which, either by rule or by practice, regularly nominates, recommends or screens candidates for employment in the program to be operated pursuant to this Agreement, provided that (i) Contractor's employees and members of their immediate families are prohibited from voting on any such personnel matters, including but not limited to any matters directly affecting their own salary or other compensation, and shall fully disclose all conflicts and potential conflicts to the Board, and (ii) Contractor's employees and members of their immediate families may not serve in the capacity either of Chairperson or Treasurer of the Board (or equivalent titles), nor constitute more than one-third of either the Board or any such committee.

F. Without the prior written consent of the Commissioner, no person may hold a job or position with the Contractor over which a member of his or her immediate family exercises any supervisory, managerial or other authority whatsoever whether such authority is reflected in a job title or otherwise, unless such job or position is wholly voluntary and unpaid. A member of an immediate family includes: husband, wife, domestic partner, father, father-in-law, mother, mother-in-law, brother, brother-in-law, sister, sister-in-law, son, son-in-law, daughter, daughter-in-law, niece, nephew, aunt, uncle, first cousin, and separated spouse. Where a member of an immediate family has that status because of that person's relationship to a spouse (e.g., father-in-law), that status shall also apply to a relative of a domestic partner. For purposes of this Section, a member of the Board is deemed to exercise authority over all employees of the Contractor.

G. If the Contractor has contracts with the City that in the aggregate during any twelve-month period have a value of more than One Million Dollars (\$1,000,000) and such amount constitutes more than fifty percent (50%) of the Contractor's total revenues, then the Contractor must have a minimum of five (5) persons on its Board.

H. Paragraphs D-H of this Section 2.02 apply only if Contractor is a not-for-profit corporation.

Section 2.03 Fair Practices

A. The Contractor and each person signing on its behalf certifies, under penalties of perjury, that to the best of its, his or her knowledge and belief:

1. The prices and other material terms set forth in this Agreement have been arrived at independently, without collusion, consultation, communication, or agreement with any other bidder or proposer or with any competitor as to any matter relating to such prices or terms for the purpose of restricting competition;

2. Unless otherwise required by Law or where a schedule of rates or prices is uniformly established by a government agency through regulation, policy or directive, the prices and other material terms set forth in this Agreement which have been quoted in this Agreement and on the bid or proposal submitted by the Contractor have not been knowingly disclosed by the Contractor, directly or indirectly, to any other bidder or proposer or to any competitor prior to the bid or proposal opening; and

3. No attempt has been made or will be made by the Contractor to induce any other person or entity to submit or not to submit a bid or proposal for the purpose of restricting competition.

B. The fact that the Contractor (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has sold the same items to other customers at the same prices and/or terms being bid or proposed, does not constitute, without more, a disclosure within the meaning of this Section.

Section 2.04 VENDEX

The Contractor represents and warrants that it and its principals have duly executed and filed all required VENDEX Questionnaires and, if applicable, Certificates of No Change, pursuant to PPB Rule § 2-08 and in accordance with the policies and procedures of the Mayor's Office of Contract Services. The Contractor understands that the Department's reliance upon the completeness and veracity of the information stated therein is a material condition to the execution of this Agreement, and represents and warrants that the information it and its principals have provided is accurate and complete.

Section 2.05 Political Activity

The Contractor's provision of services under this Agreement shall not include any partisan political activity or any activity to further the election or defeat of any candidate for public, political, or party office, nor shall any of the funds provided under this Agreement be used for such purposes.

Section 2.06 Religious Activity

There shall be no religious worship, instruction or proselytizing as part of or in connection with the Contractor's provision of services under this Agreement, nor shall any of the funds provided under this Agreement be used for such purposes.

Section 2.07 Unlawful Discriminatory Practices: Admin. Code § 6-123

As required by Admin. Code § 6-123, the Contractor will not engage in any unlawful discriminatory practice as defined in and pursuant to the terms of Title 8 of the City Administrative Code. The Contractor shall include a provision in any agreement with a first-level subcontractor performing services under this Agreement for an amount in excess of Fifty Thousand Dollars (\$50,000) that such subcontractor shall not engage in any such unlawful discriminatory practice.

Section 2.08 Bankruptcy and Reorganization

In the event that the Contractor files for bankruptcy or reorganization under Chapter Seven or Chapter Eleven of the United States Bankruptcy Code, the Contractor shall disclose such action to the Department within seven (7) days of filing.

3. ASSIGNMENT AND SUBCONTRACTING

Section 3.01 Assignment

A. The Contractor shall not assign, transfer, convey or otherwise dispose of this Agreement, or the right to execute it, or the right, title or interest in or to it or any part of it, or assign, by power of attorney or otherwise, any of the monies due or to become due under this Agreement, without the prior written consent of the Commissioner. The giving of any such consent to a particular assignment shall not dispense with the necessity of such consent to any further or other assignments. Any such assignment, transfer, conveyance or other disposition without such written consent shall be void.

B. Before entering into any such assignment, transfer, conveyance or other disposal of this Agreement, the Contractor shall submit a written request for approval to the Department giving the name and address of the proposed assignee. The proposed assignee's VENDEX questionnaire must be submitted within thirty (30) Days after the ACCO has granted preliminary written approval of the proposed assignee, if required. Upon the request of the Department, the Contractor shall provide any other information demonstrating that the proposed assignee has the necessary facilities, skill, integrity, past experience and financial resources to perform the specified services in accordance with the terms and conditions of this Agreement. The Agency shall make a final determination in writing approving or disapproving the assignee after receiving all requested information.

C. Failure to obtain the prior written consent to such an assignment, transfer, conveyance, or other disposition may result in the revocation and annulment of this Agreement, at the option of the Commissioner. The City shall thereupon be relieved and discharged from any further liability and obligation to the Contractor, its assignees, or transferees, who shall forfeit all monies earned under this Agreement, except so much as may be necessary to pay the Contractor's employees.

D. The provisions of this Section shall not hinder, prevent, or affect an assignment by the Contractor for the benefit of its creditors made pursuant to the Laws of the State.

E. This Agreement may be assigned, in whole or in part, by the City to any corporation, agency, or instrumentality having authority to accept such assignment. The City shall provide the Contractor with written notice of any such assignment.

Section 3.02 Subcontracting

A. The Contractor shall not enter into any subcontract for an amount greater than Five Thousand Dollars (\$5,000) for the performance of its obligations, in whole or in part, under this Agreement without the prior approval by the Department of the subcontractor. The Department hereby grants approval for all subcontracts for an amount that does not exceed Five Thousand Dollars (\$5,000). The Contractor must submit monthly reports to the Department indicating all such subcontractors. All subcontracts must be in writing.

B. Prior to entering into any subcontract for an amount greater than Five Thousand Dollars (\$5,000), the Contractor shall submit a written request for the approval of the proposed subcontractor to the Department giving the name and address of the proposed subcontractor and the portion of the services that it is to perform and furnish. At the request of the Department, a copy of the proposed subcontract shall be submitted to the Department. The proposed subcontractor's VENDEX Questionnaire must be submitted, if required, within thirty (30) Days after the ACCO has granted preliminary approval of the proposed subcontractor. Upon the request of the Department, the Contractor shall provide any other information demonstrating that the proposed subcontractor has the necessary facilities, skill, integrity, past experience and financial resources to perform the specified services in accordance with the terms and conditions of this Agreement. The Agency shall make a final determination in writing approving or disapproving the subcontractor after receiving all requested information. For proposed subcontracts that do not exceed Twenty-five Thousand Dollars (\$25,000), the Department's approval shall be deemed granted if the Department does not issue a written approval or disapproval within forty-five (45) Days of the Department's receipt of the written request for approval or, if applicable, within forty-five (45) Days of the Department's acknowledged receipt of fully completed VENDEX Questionnaires for the subcontractor.

C. All subcontracts shall contain provisions specifying that:

1. The work performed by the subcontractor must be in accordance with the terms of the agreement between the City and the Contractor;

2. Nothing contained in the agreement between the Contractor and the subcontractor shall impair the rights of the City;

3. Nothing contained in the agreement between the Contractor and the subcontractor, or under the agreement between the City and the Contractor, shall create any contractual relation between the subcontractor and the City; and

4. The subcontractor specifically agrees to be bound by Section 4.07 and Article 5 of this Appendix C and specifically agrees that the City may enforce such provisions directly against the subcontractor as if the City were a party to the subcontract.

D. The Contractor agrees that it is as fully responsible to the Department for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by such subcontractors as it is for the acts and omissions of any person directly employed by it.

E. For determining the value of a subcontract, all subcontracts with the same subcontractor shall be aggregated.

F. The Department may revoke the approval of a subcontractor granted or deemed granted pursuant to Paragraphs (A) and (B) of this section if revocation is deemed to be in the interest of the City in writing on no less than ten (10) Days' notice unless a shorter period is warranted by considerations of health, safety, integrity issues or other similar factors. Upon the effective date of such revocation, the Contractor shall cause the subcontractor to cease all work under the Agreement. The City shall not incur any further obligation for services performed by such subcontractor pursuant to this Agreement beyond the effective date of the revocation. The City shall pay for services provided by the subcontractor in accordance with this Agreement prior to the effective date of revocation.

G. The Department's approval of a subcontractor shall not relieve the Contractor of any of its responsibilities, duties and liabilities under this Agreement. At the request of the Department, the Contractor shall provide the Department a copy of any subcontract.

H. Individual employer-employee contracts are not subcontracts subject to the requirements of this Section.

4. LABOR PROVISIONS

Section 4.01 Independent Contractor Status

The Contractor and the Department agree that the Contractor is an independent contractor and not an employee of the Department or the City. Accordingly, neither the Contractor nor its employees or agents will hold themselves out as, or claim to be, officers or employees of the City, or of any department, agency or unit of the City, by reason of this Agreement, and they will not, by reason of this Agreement, make any claim, demand or application to or for any right or benefit applicable to an officer or employee of the City, including, but not limited to, Workers'

2. Neither the Contractor, subcontractor, nor any person on his or her behalf shall, in any manner, discriminate against or intimidate any employee hired for the performance of work under this Agreement on account of race, creed, color, disability, sex or national origin;

3. There may be deducted from the amount payable to the Contractor by the City under this Agreement a penalty of Fifty Dollars (\$50) for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of this Agreement; and

4. This Agreement may be terminated by the City, and all monies due or to become due hereunder may be forfeited, for a second or any subsequent violation of the terms or conditions of this Section.

B. The provisions of this Section shall be limited to operations performed within the territorial limits of the State of New York.

Section 4.06 Non-Discrimination: Admin. Code § 6-108

A. It shall be unlawful for any person engaged in the construction, alteration or repair of buildings or engaged in the construction or repair of streets or highways pursuant to a contract with the City or engaged in the manufacture, sale or distribution of materials, equipment or supplies pursuant to a contract with the City to refuse to employ or to refuse to continue in any employment any person on account of the race, color or creed of such person.

B. It shall be unlawful for any person or any servant, agent or employee of any person, described in Paragraph A above, to ask, indicate or transmit, orally or in writing, directly or indirectly, the race, color, creed or religious affiliation of any person employed or seeking employment from such person, firm or corporation.

C. Breach of the foregoing provisions shall be deemed a breach of a material provision of this Agreement.

D. Any person, or the employee, manager or owner of or officer of such firm or corporation who shall violate any of the provisions of this Section shall, upon conviction thereof,

be punished by a fine of not more than One Hundred Dollars (\$100) or by imprisonment for not more than thirty (30) Days, or both.

Section 4.07 Non-Discrimination: E.O. 50 -- Equal Employment Opportunity

A. This Agreement is subject to the requirements of City Executive Order No. 50 (1980) ("E.O. 50"), as revised, and the rules set forth at 66 RCNY § 10-01 et seq. No agreement will be awarded unless and until these requirements have been complied with in their entirety. The Contractor agrees that it:

1. Will not discriminate unlawfully against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, marital status, sexual orientation or citizenship status with respect to all employment decisions including, but not limited to, recruitment, hiring, upgrading, demotion, downgrading, transfer, training, rates of pay or other forms of compensation, layoff, termination, and all other terms and conditions of employment;

2. Will not discriminate unlawfully in the selection of subcontractors on the basis of the owners', partners' or shareholders' race, color, creed, national origin, sex, age, disability, marital status, sexual orientation, or citizenship status;

3. Will state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that all qualified applicants will receive consideration for employment without unlawful discrimination based on race, color, creed, national origin, sex, age, disability, marital status, sexual orientation or citizenship status, and that it is an equal employment opportunity employer;

4. Will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or memorandum of understanding, written notification of its equal employment opportunity commitments under E.O. 50 and the rules and regulations promulgated thereunder;

5. Will furnish before this Agreement is awarded all information and reports including an Employment Report which are required by E.O. 50, the rules and regulations promulgated thereunder, and orders of the City Department of Small Business Services, Division of Labor Services ("DLS"); and

6. Will permit DLS to have access to all relevant books, records, and accounts for the purposes of investigation to ascertain compliance with such rules, regulations, and orders.

B. The Contractor understands that in the event of its noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations, or orders, such noncompliance shall constitute a material breach of this Agreement and noncompliance with E.O. 50 and the rules and regulations promulgated thereunder. After a hearing held

pursuant to the rules of DLS, the Director of DLS may direct the Commissioner to impose any or all of the following sanctions:

1. Disapproval of the Contractor; and/or
2. Suspension or termination of the Agreement; and/or
3. Declaring the Contractor in default; and/or
4. In lieu of any of the foregoing sanctions, imposition of an employment program.

C. Failure to comply with E.O. 50 and the rules and regulations promulgated thereunder in one or more instances may result in the Department declaring the Contractor to be non-responsible.

D. The Contractor agrees to include the provisions of the foregoing Paragraphs in every subcontract or purchase order in excess of One Hundred Thousand Dollars (\$100,000) to which it becomes a party unless exempted by E.O. 50 and the rules and regulations promulgated thereunder, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Director of DLS as a means of enforcing such provisions including sanctions for noncompliance. A supplier of unfinished products to the Contractor needed to produce the item contracted for shall not be considered a subcontractor or vendor for purposes of this Paragraph.

E. The Contractor further agrees that it will refrain from entering into any subcontract or modification thereof subject to E.O. 50 and the rules and regulations promulgated thereunder with a subcontractor who is not in compliance with the requirements of E.O. 50 and the rules and regulations promulgated thereunder. A supplier of unfinished products to the Contractor needed to produce the item contracted for shall not be considered a subcontractor for purposes of this Paragraph.

F. Nothing contained in this Section shall be construed to bar any religious or denominational institution or organization, or any organization operated for charitable or educational purposes, that is operated, supervised or controlled by or in connection with a religious organization, from lawfully limiting employment or lawfully giving preference to persons of the same religion or denomination or from lawfully making such selection as is calculated by such organization to promote the religious principles for which it is established or maintained.

5. RECORDS, AUDITS, REPORTS, AND INVESTIGATIONS

Any books, records, and other documents that are created in the regular course of business as a paper copy may be retained in an electronic format provided that the records satisfy the requirements of New York Civil Practice Law and Rules (“CPLR”) 4539(b), including the requirement that the reproduction is created in a manner “which does not permit additions, deletions, or changes without leaving a record of such additions, deletions, or changes.” Furthermore, the Contractor agrees to waive any objection to the admissibility of any such books, records or other documents on the grounds that such documents do not satisfy CPLR 4539(b).

Section 5.03 Inspection

A. At any time during the Agreement or during the record retention period set forth in section 5.02, the City, including the Department and the Department’s Office of the Inspector General, as well as City, State and federal auditors and any other persons duly authorized by the City shall, upon reasonable notice, have full access to and the right to examine and copy all books, records, and other documents maintained or retained by or on behalf of the Contractor pursuant to this Article. Notwithstanding any provision herein regarding notice of inspection, all books, records and other documents of the Contractor kept pursuant to this Agreement shall be subject to immediate inspection, review, and copying by the Department’s Office of the Inspector General and/or the Comptroller without prior notice and at no additional cost to the City. The Contractor shall make such books, records and other documents available for inspection in the City of New York or shall reimburse the City for expenses associated with the out-of-City inspection.

C. The Contractor shall not be entitled to final payment until the Contractor has complied with any request for inspection or access given under this Section.

Section 5.04 Audit

A. This Agreement and all books, records, documents, and other evidence required to be maintained or retained pursuant to this Agreement, including all vouchers or invoices

presented for payment and the books, records, and other documents upon which such vouchers or invoices are based (e.g., reports, cancelled checks, accounts, and all other similar material), are subject to audit by (i) the City, including the Comptroller, the Department, and the Department's Office of the Inspector General, (ii) the State, (iii) the federal government, and (iv) other persons duly authorized by the City. Such audits may include examination and review of the source and application of all funds whether from the City, the State, the federal government, private sources or otherwise.

B. Audits by the City, including the Comptroller, the Department, and the Department's Office of the Inspector General, are performed pursuant to the powers and responsibilities conferred by the Charter and the Admin. Code, as well as all orders, rules, and regulations promulgated pursuant to the Charter and Admin. Code.

C. The Contractor shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the Department and by the Comptroller in the exercise of his/her powers under Law.

D. The Contractor shall not be entitled to final payment until the Contractor has complied with the requirements of this Section.

Section 5.05 No Removal of Records from Premises

Where performance of this Agreement involves use by the Contractor of any City books, records, documents, or data (in hard copy, or electronic or other format now known or developed in the future) at City facilities or offices, the Contractor shall not remove any such data (in the format in which it originally existed, or in any other converted or derived format) from such facility or office without the prior written approval of the Department's designated official. Upon the request by the Department at any time during the Agreement or after the Agreement has expired or terminated, the Contractor shall return to the Department any City books, records, documents, or data that has been removed from City premises.

Section 5.06 Electronic Records

B. 1. If any person who has been advised that his or her statement, and any information from such statement, will not be used against him or her in any subsequent criminal proceeding refuses to testify before a grand jury or other governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath concerning the award of or performance under any transaction, agreement, lease, permit, contract, or license entered into with the City, or State, or any political subdivision or public authority thereof, or the Port Authority of New York and New Jersey, or any local development corporation within the City, or any public benefit corporation organized under the Laws of the State, or;

If any person refuses to testify for a reason other than the assertion of his or her privilege against self-incrimination in an investigation, audit or inquiry conducted by a City or State governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to take testimony under oath, or by the Inspector General of the governmental agency that is a party in interest in, and is seeking testimony concerning the award of, or performance under, any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision thereof or any local development corporation within the City, then;

C. 1. The Commissioner or Agency Head whose agency is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license shall convene a hearing, upon not less than five (5) Days written notice to the parties involved to determine if any penalties should attach for the failure of a person to testify.

2. If any non-governmental party to the hearing requests an adjournment, the Commissioner or Agency Head who convened the hearing may, upon granting the adjournment, suspend any contract, lease, permit, or license pending the final determination pursuant to Paragraph E below without the City incurring any penalty or damages for delay or otherwise.

D. The penalties that may attach after a final determination by the Commissioner or Agency Head may include but shall not exceed:

1. The disqualification for a period not to exceed five (5) years from the date of an adverse determination for any person, or any entity of which such person was a member at the time the testimony was sought, from submitting bids for, or transacting business with, or entering into or obtaining any contract, lease, permit or license with or from the City; and/or

2. The cancellation or termination of any and all such existing City contracts, leases, permits or licenses that the refusal to testify concerns and that have not been assigned as permitted under this Agreement, nor the proceeds of which pledged, to an unaffiliated and unrelated institutional lender for fair value prior to the issuance of the notice scheduling the hearing, without the City incurring any penalty or damages on account of such cancellation or termination; monies lawfully due for goods delivered,

work done, rentals, or fees accrued prior to the cancellation or termination shall be paid by the City.

E. The Commissioner or Agency Head shall consider and address in reaching his or her determination and in assessing an appropriate penalty the factors in Paragraphs (1) and (2) below. He or she may also consider, if relevant and appropriate, the criteria established in Paragraphs (3) and (4) below, in addition to any other information that may be relevant and appropriate:

1. The party's good faith endeavors or lack thereof to cooperate fully and faithfully with any governmental investigation or audit, including but not limited to the discipline, discharge, or disassociation of any person failing to testify, the production of accurate and complete books and records, and the forthcoming testimony of all other members, agents, assignees or fiduciaries whose testimony is sought.

2. The relationship of the person who refused to testify to any entity that is a party to the hearing, including, but not limited to, whether the person whose testimony is sought has an ownership interest in the entity and/or the degree of authority and responsibility the person has within the entity.

3. The nexus of the testimony sought to the subject entity and its contracts, leases, permits or licenses with the City.

4. The effect a penalty may have on an unaffiliated and unrelated party or entity that has a significant interest in an entity subject to penalties under Paragraph D above, provided that the party or entity has given actual notice to the Commissioner or Agency Head upon the acquisition of the interest, or at the hearing called for in Paragraph (C)(1) above gives notice and proves that such interest was previously acquired. Under either circumstance, the party or entity must present evidence at the hearing demonstrating the potential adverse impact a penalty will have on such person or entity.

Section 5.08 Confidentiality

A. The Contractor agrees to hold confidential, both during and after the completion or termination of this Agreement, all of the reports, information, or data, furnished to, or prepared, assembled or used by, the Contractor under this Agreement. The Contractor agrees that such reports, information, or data shall not be made available to any person or entity without the prior written approval of the Department. The Contractor agrees to maintain the confidentiality of such reports, information, or data by using a reasonable degree of care, and using at least the same degree of care that the Contractor uses to preserve the confidentiality of its own confidential information. In the event that the data contains social security numbers or other Personal Identifying Information, as such term is defined in Paragraph B of this Section, the Contractor shall utilize best practice methods (e.g., encryption of electronic records) to protect the confidentiality of such data. The obligation under this Section to hold reports, information or data confidential shall not apply where the City would be required to disclose such reports, information or data pursuant to the State Freedom of Information Law (“FOIL”), provided that the Contractor provides advance notice to the City, in writing or by e-mail, that it intends to disclose such reports, information or data and the City does not inform the contractor, in writing or by e-mail, that such reports, information, or data are not subject to disclosure under FOIL.

In the event of such breach of security, without limiting any other right of the City, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover the costs of notifications and/or other actions mandated by any Law, or administrative or judicial order, to address the breach, and including any fines or disallowances imposed by the State or federal government as a result of the disclosure. The City shall also have the right to withhold further payments hereunder for the purpose of set-off in sufficient sums to cover the costs of

If the Contractor or its subcontractors are legally required to retain any confidential information, the Contractor shall notify the Department in writing and set forth the confidential information that it intends to retain and the reasons why it is legally required to retain such information. The Contractor shall confer with the Department, in good faith, regarding any issues that arise from the Contractor retaining such confidential information. If the Department does not request such information, or the Law does not require otherwise, such information shall be maintained in accordance with the requirements set forth in Section 5.02.

F. A breach of this Section shall constitute a material breach of this Agreement for which the Department may terminate this Agreement pursuant to Article 10. The Department reserves any and all other rights and remedies in the event of unauthorized disclosure.

The Contractor shall retain no copyright or intellectual property interest in the Copyrightable Materials. The Copyrightable Materials shall be used by the Contractor for no purpose other than in the performance of this Agreement without the prior written permission of the City. C. The Contractor acknowledges that the City may, in its sole discretion, register copyright in the Copyrightable Materials with the United States Copyright Office or any other government agency authorized to grant copyright registrations. The Contractor shall fully cooperate in this effort, and agrees to provide any and all documentation necessary to accomplish this.

D. The Contractor represents and warrants that the Copyrightable Materials: (i) are wholly original material not published elsewhere (except for material that is in the public domain); (ii) do not violate any copyright Law; (iii) do not constitute defamation or invasion of the right of privacy or publicity; and (iv) are not an infringement, of any kind, of the rights of any third party. To the extent that the Copyrightable Materials incorporate any non-original material, the Contractor has obtained all necessary permissions and clearances, in writing, for the use of such non-original material under this Agreement, copies of which shall be provided to the City upon execution of this Agreement.

E. If the services under this Agreement are supported by a federal grant of funds, the federal and State government reserves a royalty-free, non-exclusive irrevocable license to reproduce, publish, or otherwise use and to authorize others to use, for federal or State government purposes, the copyright in any Copyrightable Materials developed under this Agreement.

In no case shall Sections 6.01 and 6.02 apply to, or prevent the Contractor from asserting or protecting its rights in any discovery, invention, report, document, data, photograph, deliverable, or other material in connection with or produced pursuant to this Agreement that existed prior to or was developed or discovered independently from the activities directly related to this Agreement.

D. There shall be no self-insurance program with regard to any insurance required under this Article unless approved in writing by the Commissioner. Any such self-insurance program shall provide the City with all rights that would be provided by traditional insurance required under this Article, including but not limited to the defense obligations that insurers are required to undertake in liability policies.

E. The City’s limits of coverage for all types of insurance required under this Article shall be the greater of (i) the minimum limits set forth in this Article or (ii) the limits provided to the Contractor as Named Insured under all primary, excess, and umbrella policies of that type of coverage.

E. Acceptance by the Commissioner of a certificate or a policy does not excuse the Contractor from maintaining policies consistent with all provisions of this Article (and ensuring that subcontractors maintain such policies) or from any liability arising from its failure to do so.

F. In the event the Contractor receives notice, from an insurance company or other person, that any insurance policy required under this Article shall expire or be cancelled or terminated for any reason, the Contractor shall immediately forward a copy of such notice to both the Commissioner, Department of Small Business Services, 110 William Street, 7th Floor, New York, New York 10038, Att: First Deputy Commissioner and the New York City Comptroller, Attn: Office of Contract Administration, Municipal Building, One Centre Street, Room 1005, New York, New York 10007.

Such notice shall be given even where the Contractor may not have coverage under such policy (for example, where one of Contractor's employees was injured). Such notice shall expressly specify that "this notice is being given on behalf of the City of New York as Additional Insured" and contain the following information: the number of the insurance policy; the name of the named insured; the date and location of the damage, occurrence, or accident; the identity of the persons or things injured, damaged, or lost; and the title of the claim or suit, if applicable. The Contractor shall simultaneously send a copy of such notice to the City of New York c/o Insurance Claims Specialist, Affirmative Litigation Division, New York City Law Department, 100 Church Street, New York, New York 10007. If the Contractor fails to comply with the requirements of this paragraph, the Contractor shall indemnify the City for all losses, judgments, settlements and

expenses, including reasonable attorneys' fees, arising from an insurer's disclaimer of coverage citing late notice by or on behalf of the City.

B. The Contractor's failure to maintain any of the insurance required by this Article shall constitute a material breach of this Agreement. Such breach shall not be waived or otherwise excused by any action or inaction by the City at any time.

C. Insurance coverage in the minimum amounts required in this Article shall not relieve the Contractor or its subcontractors of any liability under this Agreement, nor shall it preclude the City from exercising any rights or taking such other actions as are available to it under any other provisions of this Agreement or Law.

D. The Contractor waives all rights against the City, including its officials and employees for any damages or losses that are covered under any insurance required under this Article (whether or not such insurance is actually procured or claims are paid thereunder) or any other insurance applicable to the operations of the Contractor and/or its subcontractors in the performance of this Agreement.

E. In the event the Contractor requires any subcontractor to procure insurance with regard to any operations under this Agreement and requires such subcontractor to name the Contractor as an additional insured under such insurance, the Contractor shall ensure that such entity also name the City, including its officials and employees, as an additional insured with coverage at least as broad as the most recently issued ISO form CG 20 26.

Section 8.02 Protection of City Property

The Contractor assumes the risk of, and shall be responsible for, any loss or damage to City property, including property and equipment leased by the City, used in the performance of this Agreement, where such loss or damage is caused by any tortious act, or failure to comply with the provisions of this Agreement or of Law by the Contractor, its officers, employees, agents or subcontractors.

Section 8.03 Indemnification

The Contractor shall defend, indemnify and hold the City, its officers and employees harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages on account of any injuries or death to any person or damage to any property and from costs and expenses to which the City, its officers and employees may be

subjected or which it may suffer or incur allegedly arising out of or in connection with any operations of the Contractor and/or its subcontractors to the extent resulting from any negligent act of commission or omission, any intentional tortious act, or failure to comply with the provisions of this Agreement or of the Laws. Insofar as the facts or Law relating to any claim would preclude the City from being completely indemnified by the Contractor, the City shall be partially indemnified by the Contractor to the fullest extent permitted by Law.

Section 8.04 Infringement Indemnification

The Contractor shall defend, indemnify and hold the City harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages and from costs and expenses to which the City may be subject to or which it may suffer or incur allegedly arising out of or in connection with any infringement by the Contractor of any copyright, trade secrets, trademark or patent rights or any other property or personal right of any third party by the Contractor and/or its subcontractors in the performance of this Agreement. The Contractor shall defend, indemnify, and hold the City harmless regardless of whether or not the alleged infringement arises out of compliance with the Agreement's scope of services/scope of work. Insofar as the facts or Law relating to any claim would preclude the City from being completely indemnified by the Contractor, the City shall be partially indemnified by the Contractor to the fullest extent permitted by Law.

Section 8.05 Indemnification Obligations Not Limited By Insurance Obligation

The indemnification provisions set forth in this Article shall not be limited in any way by the Contractor's obligations to obtain and maintain insurance as provided in this Agreement.

Section 8.06 Actions By or Against Third Parties

A. In the event any claim is made or any action brought in any way relating to Agreement, other than an action between the City and the Contractor, the Contractor shall diligently render to the City without additional compensation all assistance which the City may reasonably require of the Contractor.

B. The Contractor shall report to the Department in writing within five (5) business Days of the initiation by or against the Contractor of any legal action or proceeding in connection with or relating to this Agreement.

Section 8.07 Withholding of Payments

A. In the event that any claim is made or any action is brought against the City for which the Contractor may be required to indemnify the City pursuant to this Agreement, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover the said claim or action.

B. In the event that any City property is lost or damaged as set forth in Section 8.02, except for normal wear and tear, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover such loss or damage.

C. The City shall not, however, impose a setoff in the event that an insurance company that provided liability insurance pursuant to Article 7 above has accepted the City's tender of the claim or action without a reservation of rights.

D. The Department may, at its option, withhold for purposes of set-off any monies due to the Contractor under this Agreement up to the amount of any disallowances or questioned costs resulting from any audits of the Contractor or to the amount of any overpayment to the Contractor with regard to this Agreement.

E. The rights and remedies of the City provided for in this Section shall not be exclusive and are in addition to any other rights and remedies provided by Law or this Agreement.

Section 8.08 No Third Party Rights

The provisions of this Agreement shall not be deemed to create any right of action in favor of third parties against the Contractor or the City or their respective officers and employees.

9. CONTRACT CHANGES

Section 9.01 Contract Changes

Changes to this Agreement may be made only as duly authorized by the ACCO or his or her designee and in accordance with the PPB Rules. Any amendment or change to this Agreement shall not be valid unless made in writing and signed by authorized representatives of both parties. Contractors deviating from the requirements of this Agreement without a duly approved and executed change order document, or written contract modification or amendment, do so at their own risk.

Section 9.02 Changes Through Fault of Contractor

In the event that any change is required in the data, documents, deliverables, or other services to be provided under this Agreement because of negligence or error of the Contractor, no additional compensation shall be paid to the Contractor for making such change, and the Contractor is obligated to make such change without additional compensation.

10. TERMINATION, DEFAULT, AND REDUCTIONS IN FUNDING

Section 10.01 Termination by the City Without Cause

A. The City shall have the right to terminate this Agreement, in whole or in part, without cause, in accordance with the provisions of Section 10.05.

B. If the City terminates this Agreement pursuant to this Section, the following provisions apply. The City shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date set by the City pursuant to Section 10.05. The City shall pay for services provided in accordance with this Agreement prior to the termination date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

Section 10.02 Reductions in Federal, State and/or City Funding

A. This Agreement is funded in whole or in part by funds secured from the federal, State and/or City governments. Should there be a reduction or discontinuance of such funds by action of the federal, State and/or City governments, the City shall have, in its sole discretion, the right to terminate this Agreement in whole or in part, or to reduce the funding and/or level of services of this Agreement caused by such action by the federal, State and/or City governments, including, in the case of the reduction option, but not limited to, the reduction or elimination of programs, services or service components; the reduction or elimination of contract-reimbursable staff or staff-hours, and corresponding reductions in the budget of this Agreement and in the total amount payable under this Agreement. Any reduction in funds pursuant to this Section shall be accompanied by an appropriate reduction in the services performed under this Agreement.

B. In the case of the reduction option referred to in Paragraph A, above, any such reduction shall be effective as of the date set forth in a written notice thereof to the Contractor, which shall be not less than thirty (30) Days from the date of such notice. Prior to sending such notice of reduction, the Department shall advise the Contractor that such option is being exercised and afford the Contractor an opportunity to make within seven (7) Days any suggestion(s) it may have as to which program(s), service(s), service component(s), staff or staff-hours might be reduced or eliminated, provided, however, that the Department shall not be bound to utilize any of the Contractor's suggestions and that the Department shall have sole discretion as to how to effectuate the reductions.

C. If the City reduces funding pursuant to this Section, the following provisions apply. The City shall pay for services provided in accordance with this Agreement prior to the reduction date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of reduction and falling due after the reduction date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

D. To the extent that the reduction in public funds is a result of the State determining that the Contractor may receive medical assistance funds pursuant to title eleven of article five of

the Social Services Law to fund the services contained within the scope of a program under this Agreement, then the notice and effective date provisions of this section shall not apply, and the Department may reduce such public funds authorized under this Agreement by informing the Contractor of the amount of the reduction and revising attachments to this agreement as appropriate.

Section 10.03 Contractor Default

A. The City shall have the right to declare the Contractor in default:

1. Upon a breach by the Contractor of a material term or condition of this Agreement, including unsatisfactory performance of the services;

2. Upon insolvency or the commencement of any proceeding by or against the Contractor, either voluntarily or involuntarily, under the Bankruptcy Code or relating to the insolvency, receivership, liquidation, or composition of the Contractor for the benefit of creditors;

3. If the Contractor refuses or fails to proceed with the services under the Agreement when and as directed by the Commissioner;

4. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities are indicted or convicted after execution of the Agreement under any state or federal law of any of the following:

a. a criminal offense incident to obtaining or attempting to obtain or performing a public or private contract;

b. fraud, embezzlement, theft, bribery, forgery, falsification, or destruction of records, or receiving stolen property;

c. a criminal violation of any state or federal antitrust law;

d. violation of the Racketeer Influence and Corrupt Organization Act, 18 U.S.C. § 1961 et seq., or the Mail Fraud Act, 18 U.S.C. § 1341 et seq., for acts in connection with the submission of bids or proposals for a public or private contract;

e. conspiracy to commit any act or omission that would constitute grounds for conviction or liability under any statute described in subparagraph (d) above; or

f. an offense indicating a lack of business integrity that seriously and directly affects responsibility as a City vendor.

5. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities are subject to a judgment of civil liability under any state or federal antitrust law for acts or omissions in connection with the submission of bids or proposals for a public or private contract; or

6. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities makes or causes to be made any false, deceptive, or fraudulent material statement, or fail to make a required material statement in any bid, proposal, or application for City or other government work.

B. The right to declare the Contractor in default shall be exercised by sending the Contractor a written notice of the conditions of default, signed by the Commissioner, setting forth the ground or grounds upon which such default is declared (“Notice to Cure”). The Contractor shall have ten (10) Days from receipt of the Notice to Cure or any longer period that is set forth in the Notice to Cure to cure the default. The Commissioner may temporarily suspend services under the Agreement pending the outcome of the default proceedings pursuant to this Section.

C. If the conditions set forth in the Notice to Cure are not cured within the period set forth in the Notice to Cure, the Commissioner may declare the Contractor in default pursuant to this Section. Before the Commissioner may exercise his or her right to declare the Contractor in default, the Commissioner shall give the Contractor an opportunity to be heard upon not less than five (5) business days’ notice. The Commissioner may, in his or her discretion, provide for such opportunity to be in writing or in person. Such opportunity to be heard shall not occur prior to the end of the cure period but notice of such opportunity to be heard may be given prior to the end of the cure period and may be given contemporaneously with the Notice to Cure.

D. After the opportunity to be heard, the Commissioner may terminate the Agreement, in whole or in part, upon finding the Contractor in default pursuant to this Section, in accordance with the provisions of Section 10.05.

E. The Commissioner, after declaring the Contractor in default, may have the services under the Agreement completed by such means and in such manner, by contract with or without public letting, or otherwise, as he or she may deem advisable in accordance with applicable PPB Rules. After such completion, the Commissioner shall certify the expense incurred in such completion, which shall include the cost of re-letting. Should the expense of such completion, as certified by the Commissioner, exceed the total sum which would have been payable under the Agreement if it had been completed by the Contractor, any excess shall be promptly paid by the Contractor upon demand by the City. The excess expense of such completion, including any and all related and incidental costs, as so certified by the Commissioner, and any liquidated damages assessed against the Contractor, may be charged against and deducted out of monies earned by the Contractor.

Section 10.04 Force Majeure

A. For purposes of this Agreement, a force majeure event is an act or event beyond the control and without any fault or negligence of the Contractor (“Force Majeure Event”). Such events may include, but are not limited to, fire, flood, earthquake, storm or other natural disaster, civil commotion, war, terrorism, riot, and labor disputes not brought about by any act or omission of the Contractor.

B. In the event the Contractor cannot comply with the terms of the Agreement (including any failure by the Contractor to make progress in the performance of the services) because of a Force Majeure Event, then the Contractor may ask the Commissioner to excuse the nonperformance and/or terminate the Agreement. If the Commissioner, in his or her reasonable discretion, determines that the Contractor cannot comply with the terms of the Agreement because of a Force Majeure Event, then the Commissioner shall excuse the nonperformance and may terminate the Agreement. Such a termination shall be deemed to be without cause.

C. If the City terminates the Agreement pursuant to this Section, the following provisions apply. The City shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date. The City shall pay for services provided in accordance with this Agreement prior to the termination date. Any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

Section 10.05 Procedures for Termination

A. The Department and/or the City shall give the Contractor written notice of any termination of this Agreement. Such notice shall specify the applicable provision(s) under which the Agreement is terminated and the effective date of the termination. Except as otherwise provided in this Agreement, the notice shall comply with the provisions of this Section. For termination without cause, the effective date of the termination shall not be less than ten (10) Days from the date the notice is personally delivered, or fifteen (15) Days from the date the notice is either sent by certified mail, return receipt requested, or sent by fax and deposited in a post office box regularly maintained by the United States Postal Service in a postage pre-paid envelope. In the case of termination for default, the effective date of the termination shall be as set forth above for a termination without cause or such earlier date as the Commissioner may determine. If the City terminates the Agreement in part, the Contractor shall continue the performance of the Agreement to the extent not terminated.

B. Upon termination or expiration of this Agreement, the Contractor shall comply with the City close-out procedures, including but not limited to:

1. Accounting for and refunding to the Department, within forty-five (45) Days, any unexpended funds which have been advanced to the Contractor pursuant to this Agreement;

2. Furnishing within forty-five (45) Days an inventory to the Department of all equipment, appurtenances and property purchased through or provided under this Agreement and carrying out any Department or City directive concerning the disposition of such equipment, appurtenances and property;

3. Turning over to the Department or its designees all books, records, documents and material specifically relating to this Agreement that the Department has requested be turned over;

4. Submitting to the Department, within ninety (90) Days, a final statement and report relating to the Agreement. The report shall be made by a certified public accountant or a licensed public accountant; and

5. Providing reasonable assistance to the Department in the transition, if any, to a new contractor.

Section 10.06 Miscellaneous Provisions

A. The Commissioner, in addition to any other powers set forth in this Agreement or by operation of Law, may suspend, in whole or in part, any part of the services to be provided under this Agreement whenever in his or her judgment such suspension is required in the best interest of the City. If the Commissioner suspends this Agreement pursuant to this Section, the City shall not incur or pay any further obligation pursuant to this Agreement beyond the suspension date until such suspension is lifted. The City shall pay for services provided in accordance with this Agreement prior to the suspension date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of suspension and falling due during the suspension period shall be paid by the City in accordance with the terms of this Agreement.

B. Notwithstanding any other provisions of this Agreement, the Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of the Contractor's breach of the Agreement, and the City may withhold payments to the Contractor for the purpose of set-off in the amount of damages due to the City from the Contractor.

C. The rights and remedies of the City provided in this Article shall not be exclusive and are in addition to all other rights and remedies provided by Law or under this Agreement.

11. PROMPT PAYMENT AND ELECTRONIC FUNDS TRANSFER

Section 11.01 Prompt Payment

A. The prompt payment provisions of PPB Rule § 4-06 are applicable to payments made under this Agreement. The provisions generally require the payment to the Contractor of interest on payments made after the required payment date, as set forth in the PPB Rules.

B. The Contractor shall submit a proper invoice to receive payment, except where the Agreement provides that the Contractor will be paid at predetermined intervals without having to submit an invoice for each scheduled payment.

C. Determination of interest due will be made in accordance with the PPB Rules and the applicable rate of interest shall be the rate in effect at the time of payment.

Section 11.02 Electronic Funds Transfer

A. In accordance with Admin. Code § 6-107.1, the Contractor agrees to accept payments under this Agreement from the City by electronic funds transfer. An electronic funds transfer is any transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, which is initiated through an electronic terminal, telephonic instrument or computer or magnetic tape so as to order, instruct, or authorize a financial institution to debit or credit an account. Prior to the first payment made under this Agreement, the Contractor shall designate one financial institution or other authorized payment agent and shall complete the “EFT Vendor Payment Enrollment Form” available from the Agency or at <http://www.nyc.gov/dof> in order to provide the commissioner of the Department of Finance with information necessary for the Contractor to receive electronic funds transfer payments through the designated financial institution or authorized payment agent. The crediting of the amount of a payment to the appropriate account on the books of a financial institution or other authorized payment agent designated by the Contractor shall constitute full satisfaction by the City for the amount of the payment under this Agreement. The account information supplied by the Contractor to facilitate the electronic funds transfer shall remain confidential to the fullest extent provided by Law.

B. The Agency Head may waive the application of the requirements of this Section to payments on contracts entered into pursuant to Charter § 315. In addition, the commissioner of the Department of Finance and the Comptroller may jointly issue standards pursuant to which the Agency may waive the requirements of this Section for payments in the following circumstances: (i) for individuals or classes of individuals for whom compliance imposes a hardship; (ii) for classifications or types of checks; or (iii) in other circumstances as may be necessary in the best interest of the City.

C. This Section is applicable to contracts valued at Twenty-Five Thousand Dollars (\$25,000) and above.

12. CLAIMS

Section 12.01 Choice of Law

This Agreement shall be deemed to be executed in the City and State of New York, regardless of the domicile of the Contractor, and shall be governed by and construed in accordance with the Laws of the State of New York (notwithstanding New York choice of law or conflict of law principles) and the Laws of the United States, where applicable.

Section 12.02 Jurisdiction and Venue

The parties agree that any and all claims asserted by or against the City arising under or related to this Agreement shall solely be heard and determined either in the courts of the United States located in the City or in the courts of the State located in the City and County of New York. The parties shall consent to the dismissal and/or transfer of any claims asserted in any other venue or forum to the proper venue or forum. If the Contractor initiates any action in breach of this Section, the Contractor shall be responsible for and shall promptly reimburse the City for any attorneys' fees incurred by the City in removing the action to a proper court consistent with this Section.

Section 12.03 Resolution of Disputes

A. Except as provided in Subparagraphs (A)(1) and (A)(2) below, all disputes between the City and the Contractor that arise under, or by virtue of, this Agreement shall be finally resolved in accordance with the provisions of this Section and PPB Rule § 4-09. This procedure shall be the exclusive means of resolving any such disputes.

1. This Section shall not apply to disputes concerning matters dealt with in other sections of the PPB Rules or to disputes involving patents, copyrights, trademarks, or trade secrets (as interpreted by the courts of New York State) relating to proprietary rights in computer software, or to termination other than for cause.

2. For construction and construction-related services this Section shall apply only to disputes about the scope of work delineated by the Agreement, the interpretation of Agreement documents, the amount to be paid for extra work or disputed work performed in connection with the Agreement, the conformity of the Contractor's work to the Agreement, and the acceptability and quality of the Contractor's work; such disputes arise when the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head makes a determination with which the Contractor disagrees. For construction, this Section shall not apply to termination of the Agreement for cause or other than for cause.

B. All determinations required by this Section shall be clearly stated, with a reasoned explanation for the determination based on the information and evidence presented to the party making the determination. Failure to make such determination within the time required by this Section shall be deemed a non-determination without prejudice that will allow application to the next level.

C. During such time as any dispute is being presented, heard, and considered pursuant to this Section, the Agreement terms shall remain in full force and effect and, unless otherwise directed by the ACCO or Engineer, the Contractor shall continue to perform work in accordance with the Agreement and as directed by the ACCO or City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head. Failure of the Contractor to continue the work as directed shall constitute a waiver by the Contractor of any and all claims being presented pursuant to this Section and a material breach of contract.

D. Presentation of Dispute to Agency Head.

1. Notice of Dispute and Agency Response. The Contractor shall present its dispute in writing (“Notice of Dispute”) to the Agency Head within the time specified herein, or, if no time is specified, within thirty (30) Days of receiving written notice of the determination or action that is the subject of the dispute. This notice requirement shall not be read to replace any other notice requirements contained in the Agreement. The Notice of Dispute shall include all the facts, evidence, documents, or other basis upon which the Contractor relies in support of its position, as well as a detailed computation demonstrating how any amount of money claimed by the Contractor in the dispute was arrived at. Within thirty (30) Days after receipt of the complete Notice of Dispute, the ACCO or, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, shall submit to the Agency Head all materials he or she deems pertinent to the dispute. Following initial submissions to the Agency Head, either party may demand of the other the production of any document or other material the demanding party believes may be relevant to the dispute. The requested party shall produce all relevant materials that are not otherwise protected by a legal privilege recognized by the courts of New York State. Any question of relevancy shall be determined by the Agency Head whose decision shall be final. Willful failure of the Contractor to produce any requested material whose relevancy the Contractor has not disputed, or whose relevancy has been affirmatively determined, shall constitute a waiver by the Contractor of its claim.

2. Agency Head Inquiry. The Agency Head shall examine the material and may, in his or her discretion, convene an informal conference with the Contractor and the ACCO and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, to resolve the issue by mutual consent prior to reaching a determination. The Agency Head may seek such technical or other expertise as he or she shall deem appropriate, including the use of neutral mediators, and require any such additional material from either or both parties as he or she deems fit. The Agency Head’s ability to render, and the effect of, a decision hereunder shall not be impaired by any negotiations in connection with the dispute presented, whether or not the Agency Head participated therein. The Agency Head may or, at the request of any party to the dispute, shall compel the participation of any other contractor with a contract related to the work of this Agreement and that contractor shall be bound by the decision of the Agency Head. Any contractor thus brought into the dispute resolution proceeding shall have the same rights and obligations under this Section as the Contractor initiating the dispute.

3. Agency Head Determination. Within thirty (30) Days after the receipt of all materials and information, or such longer time as may be agreed to by the parties, the Agency Head shall make his or her determination and shall deliver or send a copy of such determination to the Contractor and ACCO and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City

Engineering Audit Officer, or other designee of the Agency Head, together with a statement concerning how the decision may be appealed.

4. Finality of Agency Head Decision. The Agency Head's decision shall be final and binding on all parties, unless presented to the Contract Dispute Resolution Board ("CDRB") pursuant to this Section. The City may not take a petition to the CDRB. However, should the Contractor take such a petition, the City may seek, and the CDRB may render, a determination less favorable to the Contractor and more favorable to the City than the decision of the Agency Head.

E. Presentation of Dispute to the Comptroller. Before any dispute may be brought by the Contractor to the CDRB, the Contractor must first present its claim to the Comptroller for his or her review, investigation, and possible adjustment.

1. Time, Form, and Content of Notice. Within thirty (30) Days of receipt of a decision by the Agency Head, the Contractor shall submit to the Comptroller and to the Agency Head a Notice of Claim regarding its dispute with the Agency. The Notice of Claim shall consist of (i) a brief statement of the substance of the dispute, the amount of money, if any, claimed and the reason(s) the Contractor contends the dispute was wrongly decided by the Agency Head; (ii) a copy of the decision of the Agency Head; and (iii) a copy of all materials submitted by the Contractor to the Agency, including the Notice of Dispute. The Contractor may not present to the Comptroller any material not presented to the Agency Head, except at the request of the Comptroller.

2. Agency Response. Within thirty (30) Days of receipt of the Notice of Claim, the Agency shall make available to the Comptroller a copy of all material submitted by the Agency to the Agency Head in connection with the dispute. The Agency may not present to the Comptroller any material not presented to the Agency Head, except at the request of the Comptroller.

3. Comptroller Investigation. The Comptroller may investigate the claim in dispute and, in the course of such investigation, may exercise all powers provided in Admin. Code §§ 7-201 and 7-203. In addition, the Comptroller may demand of either party, and such party shall provide, whatever additional material the Comptroller deems pertinent to the claim, including original business records of the Contractor. Willful failure of the Contractor to produce within fifteen (15) Days any material requested by the Comptroller shall constitute a waiver by the Contractor of its claim. The Comptroller may also schedule an informal conference to be attended by the Contractor, Agency representatives, and any other personnel desired by the Comptroller.

4. Opportunity of Comptroller to Compromise or Adjust Claim. The Comptroller shall have forty-five (45) Days from his or her receipt of all materials referred to in Paragraph (E)(3) above to investigate the disputed claim. The period for investigation and compromise may be further extended by agreement between the Contractor and the Comptroller, to a maximum of ninety (90) Days from the Comptroller's receipt of all the materials. The Contractor may not present its petition to

the CDRB until the period for investigation and compromise delineated in this Paragraph has expired. In compromising or adjusting any claim hereunder, the Comptroller may not revise or disregard the terms of the Agreement.

F. Contract Dispute Resolution Board. There shall be a Contract Dispute Resolution Board composed of:

1. the chief administrative law judge of the Office of Administrative Trials and Hearings (“OATH”) or his or her designated OATH administrative law judge, who shall act as chairperson, and may adopt operational procedures and issue such orders consistent with this Section as may be necessary in the execution of the CDRB’s functions, including, but not limited to, granting extensions of time to present or respond to submissions;

2. the City Chief Procurement Officer (“CCPO”) or his or her designee; any designee shall have the requisite background to consider and resolve the merits of the dispute and shall not have participated personally and substantially in the particular matter that is the subject of the dispute or report to anyone who so participated; and

3. a person with appropriate expertise who is not an employee of the City. This person shall be selected by the presiding administrative law judge from a prequalified panel of individuals, established, and administered by OATH, with appropriate background to act as decision-makers in a dispute. Such individuals may not have a contract or dispute with the City or be an officer or employee of any company or organization that does, or regularly represent persons, companies, or organizations having disputes with the City.

G. Petition to CDRB. In the event the claim has not been settled or adjusted by the Comptroller within the period provided in this Section, the Contractor, within thirty (30) Days thereafter, may petition the CDRB to review the Agency Head determination.

1. Form and Content of Petition by the Contractor. The Contractor shall present its dispute to the CDRB in the form of a petition, which shall include (i) a brief statement of the substance of the dispute, the amount of money, if any, claimed, and the reason(s) the Contractor contends that the dispute was wrongly decided by the Agency Head; (ii) a copy of the decision of the Agency Head; (iii) copies of all materials submitted by the Contractor to the Agency; (iv) a copy of the decision of the Comptroller, if any, and (v) copies of all correspondence with, and material submitted by the Contractor to, the Comptroller’s Office. The Contractor shall concurrently submit four complete sets of the petition: one to the Corporation Counsel (Attn: Commercial and Real Estate Litigation Division), and three to the CDRB at OATH’s offices, with proof of service on the Corporation Counsel. In addition, the Contractor shall submit a copy of the statement of the substance of the dispute, cited in (i) above, to both the Agency Head and the Comptroller.

2. Agency Response. Within thirty (30) Days of receipt of the petition by the Corporation Counsel, the Agency shall respond to the statement of the Contractor and make available to the CDRB all material it submitted to the Agency Head and Comptroller. Three complete copies of the Agency response shall be submitted to the CDRB at OATH's offices and one to the Contractor. Extensions of time for submittal of the Agency response shall be given as necessary upon a showing of good cause or, upon the consent of the parties, for an initial period of up to thirty (30) Days.

3. Further Proceedings. The CDRB shall permit the Contractor to present its case by submission of memoranda, briefs, and oral argument. The CDRB shall also permit the Agency to present its case in response to the Contractor by submission of memoranda, briefs, and oral argument. If requested by the Corporation Counsel, the Comptroller shall provide reasonable assistance in the preparation of the Agency's case. Neither the Contractor nor the Agency may support its case with any documentation or other material that was not considered by the Comptroller, unless requested by the CDRB. The CDRB, in its discretion, may seek such technical or other expert advice as it shall deem appropriate and may seek, on its own or upon application of a party, any such additional material from any party as it deems fit. The CDRB, in its discretion, may combine more than one dispute between the parties for concurrent resolution.

4. CDRB Determination. Within forty-five (45) Days of the conclusion of all submissions and oral arguments, the CDRB shall render a decision resolving the dispute. In an unusually complex case, the CDRB may render its decision in a longer period of time, not to exceed ninety (90) Days, and shall so advise the parties at the commencement of this period. The CDRB's decision must be consistent with the terms of this Agreement. Decisions of the CDRB shall only resolve matters before the CDRB and shall not have precedential effect with respect to matters not before the CDRB.

5. Notification of CDRB Decision. The CDRB shall send a copy of its decision to the Contractor, the ACCO, the Corporation Counsel, the Comptroller, the CCPO, and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head. A decision in favor of the Contractor shall be subject to the prompt payment provisions of the PPB Rules. The required payment date shall be thirty (30) Days after the date the parties are formally notified of the CDRB's decision.

6. Finality of CDRB Decision. The CDRB's decision shall be final and binding on all parties. Any party may seek review of the CDRB's decision solely in the form of a challenge, filed within four months of the date of the CDRB's decision, in a court of competent jurisdiction of the State of New York, County of New York pursuant to Article 78 of the Civil Practice Law and Rules. Such review by the court shall be limited to the question of whether or not the CDRB's decision was made in violation of lawful procedure, was affected by an error of Law, or was arbitrary and capricious or an abuse of discretion. APPENDIX D

WHISTLEBLOWER PROTECTION EXPANSION ACT RIDER

1. In accordance with Section 12-113 of the New York City Administrative Code,

(a) Any subcontractor of the Subrecipient under this Agreement whose subcontract exceeds \$100,000 (a “Covered Subcontractor”) shall not take an adverse personnel action with respect to an officer or employee in retaliation for such officer or employee making a report of information concerning conduct which such officer or employee knows or reasonably believes to involve corruption, criminal activity, conflict of interest, gross mismanagement or abuse of authority by any officer or employee relating to this Agreement to (i) the Commissioner of the Department of Investigation, (ii) a member of the New York City Council, the City’s Public Advocate or the Comptroller, or (iii) the City Chief Procurement Officer, DEP Chief Contracting Officer (“DEP ACCO”) or DEP Commissioner.

(b) If any of a Covered Subcontractor’s officers or employees believes that he or she has been the subject of an adverse personnel action in violation of subsection (a) above, he or she shall be entitled to bring a cause of action against the Covered Subcontractor to recover all relief necessary to make him or her whole. Such relief may include but is not limited to: (i) an injunction to restrain continued retaliation, (ii) reinstatement to the position such employee would have had but for the retaliation or to an equivalent position, (iii) reinstatement of full fringe benefits and seniority rights, (iv) payment of two times back pay, plus interest, and (v) compensation for any special damages sustained as a result of the retaliation, including litigation costs and reasonable attorney’s fees. An officer or employee described in this paragraph may bring an action in any court of competent jurisdiction for such relief. An officer or employee who brings a cause of action pursuant to this paragraph shall notify the DEP ACCO or DEP Commissioner of such action; provided, however, that failure to provide such notice shall not be a jurisdictional defect, and shall not be a defense to an action brought pursuant to this paragraph. This paragraph shall not be deemed to create a right of action against the City, any public agency or other public entity, or the Subrecipient, nor shall any such public agency, entity or corporation be made a party to an action brought pursuant to this subdivision.

(c) Officers and employees of the Subrecipient are subject to and protected by Section 12-113b.1 and e.1 of the New York City Administrative Code.

2. In accordance with Section 6-132 of the New York City Administrative Code, the Subrecipient and Covered Subcontractors shall post a notice in the form provided by the City in a prominent and accessible place on any site where work by it pursuant to this Agreement or covered subcontract hereunder, respectively, is performed that contains information about:

(a) how its employees can report to the New York City Department of Investigation allegations of fraud, false claims, criminality or corruption arising out of or in connection with this Agreement or such subcontract; and

(b) the rights and remedies afforded to its employees under New York City Administrative Code sections 7-805 (the New York City False Claims Act) and 12-113 (the Whistleblower Protection Expansion Act) for lawful acts taken in connection with the reporting of allegations of fraud, false claims, criminality or corruption in connection with this Agreement or such subcontract.

3. For the purposes of this Section, “adverse personnel action” includes dismissal, demotion, suspension, disciplinary action, negative performance evaluation, any action resulting in loss of staff, office space, equipment or other benefit, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected officer or employee.

4. The Subrecipient shall include the above applicable provisions in all subcontracts with a value in excess of \$100,000.

APPENDIX E

NOTICE TO BIDDERS

As of March 2013 the City has implemented a new web based subcontractor reporting system through the City's Payee Information Portal (PIP), available at www.nyc.gov/pip. In order to use the new system, a PIP account will be required. Detailed instructions on creating a PIP account and using the new system are also available at that site. Additional assistance with PIP may be received by emailing the Financial Information Services Agency Help Desk at pip@fisa.nyc.gov.

In order to obtain subcontractor approval under section 3.02 of Appendix C or Article 17 of the Standard Construction Contract and PPB Rule § 4-13 Contractor is required to list the subcontractor in the system. For each subcontractor listed, Contractor is required to provide the following information: maximum contract value, description of subcontractor work, start and end date of the subcontract and identification of the subcontractor's industry. Thereafter, Contractor will be required to report in the system the payments made to each subcontractor within 30 days of making the payment. If any of the required information changes throughout the term of the contract, Contractor will be required to revise the information in the system.

Failure of the Contractor to list a subcontractor and/or to report subcontractor payments in a timely fashion may result in the Agency declaring the Contractor in default of the Contract and will subject Contractor to liquidated damages in the amount of \$100 per day for each day that the Contractor fails to identify a subcontractor along with the required information about the subcontractor and/or fails to report payments to a subcontractor, beyond the time frames set forth herein or in the notice from the City. For construction contracts, the provisions of Article 15 of the Standard Construction Contract shall govern the issue of liquidated damages.

Contractor hereby agrees to these provisions.
