

**QUEENS COUNTY DISTRICT ATTORNEY'S OFFICE  
JOB VACANCY NOTICE**

Civil Service Title: Computer Associate (Operations)

Title Code Number: 13621

Salary Range: \$43,197 - \$94,528 Salary  
commensurate with  
experience

Office Title: Network Engineer

Work Location: Kew Gardens, NY

Division/Work Unit: Systems Management

Number of Positions: 1

Hours/Shift: Day / May be required to work various shifts and overtime including nights  
and weekends.

**JOB DESCRIPTION**

The Queens County District Attorney's Office is seeking a network engineer with a minimum of three to five plus years experience. Responsibilities will include installing, maintaining, supporting and backing up technologies related to Novell, VMWare, Linux, and Windows server platforms; maintaining, securing, monitoring and troubleshooting SAN and network infrastructure environments; preparing, updating and maintaining technical documentation to accompany all systems, programs and changes.

**PREFERRED SKILLS**

Bachelors degree, technical certification and 5+ years of engineering experience is preferred; must have demonstrated experience and proficiency installing, configuring and supporting software, hardware and connectivity components of Open Enterprise and VMWare in blade servers and storage environments; must have strong verbal and written communication and customer service skills; experience with eDirectory, ZenWorks, Identity Management, email administration, Windows 2008, Commvault, Cisco networking and telecommunications equipment preferred.

**QUALIFICATION REQUIREMENTS**

1. A baccalaureate degree from an accredited college, and three years of satisfactory full-time experience, acquired within the last 8 years in working on large scale computer operations or networks, designing, configuring, installing, testing, troubleshooting, integrating, performance monitoring, maintaining, enhancing, security management, and support of network operating systems, computer software, hardware and associated devices; or
2. A four-year high school diploma or its educational equivalent and four years of satisfactory, full-time experience, acquired within the last 8 years as described in "1" above; or
3. A certificate from an accredited technical school (approximately 675 hours) with a specialization in computer operations and three to five years of satisfactory full-time experience, acquired within the last 8 years as described in "1" above; or
4. A satisfactory combination of education and/or experience equivalent to "1", "2" or "3" above. However, all candidates must have at least three to five plus years of full-time experience, acquired within the last 8 years, as described in "1" above.
