About The Department of Small Business Services

The Department of Small Business Services (SBS) makes it easier for businesses in New York City to form, do business, and grow by providing direct assistance to business owners, fostering neighborhood development in commercial districts, and linking employers to a skilled and qualified workforce. NYC Workforce1 Career Centers offer services to meet the needs of all jobseekers, including one-on-one job and career counseling, technical and educational services, workshops, and referrals to training providers. For more information on all of SBS' services go to www.nyc.gov/sbs. For further press information call the Department of Small Business Services/Press Secretary Laura Postiglione at 212-513-6318.
