BIDDERS LIST CODE DIRECTORY

This Directory has two sections:

- The "**Index to Bidders List Codes**" which gives all the major categories of bidders lists and the page of the Directory where the associated detailed lists can be found.
- The "**Specific Bidders List Codes**" which gives the name of each bidders list and its 5-digit code.

Procedure for Selecting Bidders List Codes

1. Print the Directory, remembering to use the **Adobe** printer icon--NOT the one on the browser's toolbar.
2. Review the "**Index to Bidders List Codes**".
3. When you have found a Category that fits one or more of the products/services you supply, look up that Category in the "**Specific Bidders List Codes**" section. There you will find the specific Bidders Lists, each identified by a 5-digit code.
4. When you have found a 5-digit Bidders List Code that reflects the specific products and /or services you supply, enter that code on your application in the Comments section.

Helpful Hints

As you select codes make sure they are the right type for what you want to sell/buy:

- Products (codes 00500 through 89890) or
- Services (codes 90500 through 99297) or
- Surplus Items which the City wishes to sell (codes 99800 through 99895)

If you wish to sign up for all of the 5-digit Codes within one Category, enter the 5-digit code representing the whole Category--it has two zeros at the end.

Use the Directory on-line: with the Directory document open on your computer, use the Find function (the Binocular icon on the Adobe toolbar) to search for Bidders List Codes with a search term, such as "broom" or "medical".

If you are having difficulty finding a Bidders List Code that matches your business, please call the NYC-FMS Vendor Enrollment Center at (212) 857-1680 during business hours.
