

INDEPENDENT AUDITORS' REPORT

Members of the Board of Directors
New York City Transitional Finance Authority

Dear Members of the Board of Directors:

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of the governmental activities and each major fund of the New York City Transitional Finance Authority (the "Authority"), a component unit of The City of New York, as of June 30, 2015 and for the year then ended, and the related notes to the financial statements, and expect to issue our report thereon dated September 30, 2015.

In connection with our audits, nothing came to our attention that caused us to believe that the Authority failed to comply with the Authority's Investment Guidelines, which is the responsibility of the Authority's management, insofar as they relate to financial and accounting matters. However, our audits were not directed primarily toward obtaining knowledge of noncompliance with such Investment Guidelines. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the Authority's noncompliance with the Authority's Investment Guidelines, insofar as they relate to accounting matters.

This report is intended solely for the information and use of the Authority's Audit Committee, Board of Directors and management and is not intended to be and should not be used by anyone other than these specified parties.
