

CMT LPEP (REVISED) MAXIMUM FEE SCHEDULE

Fee	Maximum Fee/Charge ¹
Credit Card Processing Fees	Without regard to whether CMT serves as the merchant of record, Owners will be charged per credit/debit card transaction a rate not to exceed five percent (5%), inclusive of CMT-approved processor's merchant fees related to the specific card used (card association fees consist of interchange, bank sponsorship, and dues and assessments charged by the card associations as published periodically). CMT's approved processor is Bank of America Merchant Services (BAMS). Does not include <i>voluntary</i> contributions by Owners to owner groups, driver social funds, or other similar recipients where such contributions are deducted from card transactions.
