FOR IMMEDIATE RELEASE

Industry Notice #00-04

February 2000

ENFORCEMENT DATE FOR E-ZPASS IMPLEMENTATION IN NEW YORK CITY MEDALLION TAXICABS EXTENDED TO APRIL 1, 2000

This notice will serve to amend the date of enforcement of Medallion Owners Rule Section 1-37 (a) and (b), which mandates that all medallion taxicab owners participate in the New York E-ZPass program, and that each medallion taxicab be equipped with an E-ZPass tag. In order to allow additional time for medallion owners to come into compliance, **the new date for the commencement of enforcement of this rule will be April 1, 2000 (amended from March 1, 2000). This will be the final extension.**

If you have any questions specific to account set-up or maintenance, or need assistance in filling out the application, you may call the E-ZPass New York Customer Service Center at 1-800-333-TOLL (8655) where trained representatives are ready to assist you. You may also visit the E-ZPass web site at www.e-zpassny.com.

The rules associated with E-ZPass may be viewed in their entirety at the Taxi and Limousine Commission's official web site at www.nyc.gov/taxi.
